Heartfelt thanks to the New Jersey club members for a thoroughly enjoyable weekend. A quality entry, a first rate venue, a well-organized show and hospitality second to none.

**COLORED**

**Winners Dog**

Buettner and Main's **HARLEQUIN'S MOUNTAIN STORM** (CH Action Cosmic Cowboy ex York St. George Harlequin Fantasy) Immature black brindle and white with a long, clean head that has good fill and strength. Ears well set. Eye could be keener. Shapely body. Front not his fortune. Needs time to mature.

**Winners Bitch and Best of Winners**

Prater-Piles' **FORMULA FOR A POWER FILLED GINGER** (Emred Huntsman ex GCH Action Headed For Power) Quality, upstanding red and white with a lovely, shapely body. Good bone with beautiful tight cat feet. Nicely-balanced throughout with correct topline. Smooth, pretty profile with good length. Correct bite. Would prefer a little more width of muzzle. Moved cleanly in front and flexed well behind. Reminds me a great deal of her mother. She has promise of more to come.

**Reserve Winners Bitch**

Killion's **MADCAP JUMP AND JUSTIFY** (Emred Devil's Spy ex GCH Madcap Jump The Broom) Lovely red and white puppy with a beautiful packed-up and turned head. Well set ears. One tight canine. Nice straight forelegs but toes out slightly, which should improve with maturity. Short back and good hind angulation. Good bone for size. Has a bright future when she matures.

**Best of Variety**

Nordstrom and Jaspers' **GCH NOTORIOUS NEVER SAY NEVER** (CH Buoy's Tri To Fly at Skyline ex Skyline's MissDefied) Well-known red and white. Not much can be said about this boy that has not already been recorded. On his game today, looking fit and ready. Great substance and in perfect weight. A stallion of a dog that powers his way around the ring carrying his topline well – a rarity today. Textbook hind action, a little wide in front. Really good length of head with turn, fill and a perfect bite. Ears right on top with keen well-set eye. Pleased to watch him later in the day garner a Group 3 in a very tough Terrier Group. Congratulations to his breeders/owners.

**Best of Opposite Sex**

Sottile, Berez and Conca's **CH ACTION'S SOUL POWER OF ALARIC** (Emred Huntsman ex GCH Action Headed For Power) Loved this typey, compact powerhouse. Rich dark brindle and white, in superb condition with coat gleaming and fitting her tightly. Short back, great spring and depth of rib. Adequate shoulder, upper arm and forechest. Lovely round bone right down to her feet. Nice clean, straight foreleg and well-angulated quarters. Moved well in front, somewhat close behind and tends to roach her topline a little on the move. Would prefer a better tailset. Well-turned head that is packed right up, neat eye with keen expression and ears wellset. Scissors bite with one instanding canine. Loved her attitude - animated and owned the ground she stood on. Overall a force to be reckoned with.

**WHITE**

**Winners Dog**

Clayton and Pappafotis' **SORABULLY'S IT'S ABOUT TIME** (GCH Allegro Rockstar ex Sorabully's Iron Empress) Big, upstanding all-white with good bone. Strong head with good fill and gentle turn. Good expression. Having a good time and full of himself. Challenged his handler but moved fluidly when settled.

**Winners Bitch and Best of Winners**

Perrott, Deevers and Morrison's **APPRENTICE HEY GOOD LOOKIN** (CH Formula Power Up For Action ex CH Apprentice Looking Pretty Tuff) Super typey all-white with a lovely head that is long, very well filled and beautifully turned. Super expression with a tiny dark well-set eye. Instanding canines. Nicely balanced with a short back. A little high in the rear on the move at this point that should improve as she matures. Look forward to seeing her again as this little one is just getting started.

**Reserve Winners Bitch**

Block and Baval's **OLD ENGLAND'S BAREFOOT CONTESSA AT ADOBE** (Teirwgwyn Paper Gansta at Bullyview ex GCH Old England's White Imperial Empress) Substantial white with fawn markings. Deep strong well-sprung rib. Very nice bone for size. Really well-filled head with lovely profile and good depth of muzzle. Eye could be keener. Would like a little more leg under her for better balance. Overall a quality bitch with a good deal to offer. Should produce really well.

**Best of Variety**

Griffin and Lindquist's **CH MADCAP KISS THE BRIDE** (CH Buoy's Tri To Fly at Skyline ex GCH Madcap When in Rome NAP NJP) Striking all-white who never puts a foot wrong. Completely in tune with her handler. Classic headpiece with great length and turn. Mouth off. Perfect distance from eye to nose offering keen expression and ears right on top. Nicely-made both fore and aft and moved accordingly. To be picky I'd like her a touch shorter in back and perhaps a smidge more bone. A beautiful bitch and a joy to watch her perform. Congratulations to her owners and breeders.

**Best of Opposite Sex**

Berez and Piles' **CH FORMULA POWER UP FOR ACTION** (Emred Huntsman ex GCH Action Headed For Power) Powerful, compact all-white boy with really good, solid, round bone right down to his cat feet. Short, strong back with deep well-sprung rib. His head is wide and very well-filled with a deep strong muzzle. Profile smooth without exaggeration. Level bite. Wicked, tiny eye that is deep and well set. Neat tidy ears. Shoulder and upper arm, both steep, so not his fortune. Gave his handler a workout as he was determined to have fun in the process so movement was difficult to assess.

**Select Bitch**

Prater-Piles and Berez' **GCH ACTION'S FORMULA FOR A QUEEN** (CH Moonflower Scofield of Carradice ex CH Action Drama Queen) Dramatic head that is completely filled and turned to perfection. True egg-shape. Tiny wicked eye with ears right up top. Shapely and compact. Mouth under. Didn't move as well as the BOV and felt she was a little light today making her appear a bit racy.
