Judge: Mary Remer

Many thanks to the Fort Dearborn Bull Terrier Club for hosting a wonderful, as usual, show weekend. I enjoyed my assignment immensely and want to thank all the exhibitors for participating. While the total entry had depth, I particularly found the white bitches in the Specials class to be of excellent quality. The final line up were of different types, each representing their type with strong virtues, making my job challenging - very hard to send any walking with no reward. My extreme gratitude to Dick & Peggy Selk - they were trojans taxiing me about. It adds so much pleasure to the trip to be met by friendly faces and have a chance to catch up.
