

**The Bronze Trophy Show**  
**May 7, 2016**  
**Thorold, Ontario, Canada**  
**Robert K. Thomas, Judge**

It was a pleasure for me to once again judge the Bronze. It was especially fun for me to judge with my dear friends Anna and Pete Blair. I would like to thank Sherry and Jay Weiss and Stuart Cairns for their kind hospitality.

**Bronze Trophy and Dancing Master Movement Trophy Winner**

**Ch. MAGOR GALACTIC AGENT** (Eng. Ch. Emred Huntsman ex. Ch. Magor Moulin Rouge) owned by Dianne Davis, Norma and Gordon Smith.

Well-known fawn and white. This decision was a no-brainer for Anna and I. He is a powerful dog, great bone and substance. Well turned and filled head. His movement both ways is spot on. Parallel and true, like a locomotive on train tracks. I loved this dog at Silverwood last year and thought that he was hard done by. He swept this competition easily. He also won the Movement Trophy easily as well. He is an excellent representative of the breed. To be hypercritical he could do with a smaller eye.

**The Chadwell Reserve Trophy and Best of Opposite Sex Trophy**

**ACTION'S SOUL POWER OF ALARIC** (Eng. Ch. Emred Huntsman ex. GCH. Action Headed for Power) owned by Victoria Sottile, Franne Berez, and J. Roneyconca  
Beautiful brindle and white. She easily was my choice for these awards. My co-judge Anna Blair went for her red and white litter sister, Formula For A Power Filled Ginger. I did not realize that they were littermates until after the judging. Totally different in type. The winner Soul Power, is a compact, short backed heavy boned girl with a well turned and filled head. Ultra typy. She took my eye as she came into the ring. Shows flat out, slight mouth fault. Her red and white sister is more elegant and more upstanding. She is a very rich dark red and very striking. Pete Blair came into the ring and agreed with me on Soul Power.

**Best of Opposite Variety and Runner-Up Dog**

**Ch. BULDOR ANARCHY** (Eng. Ch. Emred Devils Spy ex. Ch. Bullayr Piece of My Heart at Buldor) owned by Dorothy and Alki Bassakyros

White with brindle markings. A compact white, good bone and substance. Well filled head. Short backed, typy dog. His front movement was good, hind action was choppy compared to the winner.
