I would like to thank the Golden State Bull Terrier Club for inviting me to their speciality. What a nice club and members! Many thanks to Jim and Cindy Farrington for their gracious hospitality and for attending to my travel plans.

Anyone thinking about going to these shows should not think twice. What could be better than great food, super dogs and lots of bullie friends to share good times with. BRAVO GSBTC !

COLORED

Winners Dog and Best of Winners

Morris, Robertson and Lowden's **WALKING TALL WALK-A-BOUT** (CH Brigadoon Walk-A-Bout ex Walkin Tall Absolutely Fabulous) A typey, masculine, strapping, brindle and white heavyweight. Turned head with lots of fill under the eye. Good Roman finish. Wicked, varminty expression and ears neatly on top. Super wide underjaw, alas, mouth is incorrect. Enough reach of neck into a good topline. Lots of body volume and great spring of rib. Very nice bone and substance. Elbows are tucked right up against the ribs. He covers the ground with ease, parallel in front and with lots of drive in the rear.

Reserve Winners Dog

McKee and Woodruff's **EDELWIN'S TOTAL ECLIPSE OF THE HEART** (CH Izimbali Moondance ex Edelwin's Kiss-a-bull Magic Myrtle) Brindle and white with an exaggerated, turned head and tremendous Roman finish. Good expression and well-placed ears. I would like better fill under the eye. Mouth is good. Good reach of neck, upright shoulder with good rib spring. Ample bone for his size. Moved well coming towards, but lacked drive in the hind quarters going away.

Winners Bitch

Pierini's **BESTUVALL LOVE IS EASY IN PARIS** (CH Sarajeni Easy Rider and Bestuvall Song of Love) A brindle and white girl with a nicely turned head. Ears right on top. Good expression, nice fill under the eye and good length of foreface. Mouth is correct. Nice reach of neck into a good topline. Nice bone and substance for her size. Lots of body volume. Nicely angled hind quarters. Moved well both ways.

Reserve Winners Bitch

Waynee and Byzewski's **MAGOR MILLENIUM MAKWA MOON CA** (CH Magor Pretty Fly 4 a White Guy ex CH Magor Millenium Moonstruck) A deep, rich, brindle and white girl with a well-turned head. Ears pointing skyward. An okay eye, just not as triangular as winner. Enough fill under the eye. Mouth is correct. Good reach of neck, okay shoulder, just not as good as the winner. Plenty of bone for her size. She was being a little naughty with her handler when trying to move her, so was tough to assess. When she did settle down she moved okay in front and a tiny bit close going away. An easy reserve winner on the day.

Best of Variety

Ruppel's **GCH QUICKSILVER WICKED LI'L SISTER** (GCH Rhydaman Frosty ex CH Quicksilver's Wicked Moxie of Bullard) Brindle and white bitch who exudes femininity. Beautifully turned head with good earset. Nice expression and nice fill under the eye. Plenty of foreface and just the

right amount of finish. Would like to see the eye a little darker. Mouth is correct. Good reach of neck into a nice lay of shoulder. Nice short back. Plenty of bone and substance. On the move she drives with authority both ways. An easy BOV win for her today, especially since she does not put a foot wrong.

Best of Opposite Sex

DeVore's **CH KARISMA'S READY TO RUMBLE** (GCH Icen Shot Taken ex Sunnysky Everything Nice) A brindle and white with a powerfully turned head. He exudes masculinity. A good wide top skull and good earset. Deepset eyes that are well placed. Tons of bone and fill under the eye with good length of foreface. Mouth is correct. A thick neck that has good reach into a strong shoulder. Very good bone for his size. Super spring of rib with plenty of body volume. Nice short back. Well-let-down hocks with good angulation. Just a tad bullish in front when coming towards. Moved squarely with lots of drive going away.

Reserve Winners Dog

Bronson and Boley's **TWYLITE'S SPOT THE DIFFERENCE** (CH Lonestar Whole Lota Hoopla ex CH Twylite Butterfly O'Brigadoon) White dog with head marking, Not as 'put together' as my winner. Gently turned head with ears right on top. Good fill under the eye. Good expression, just not as varminty as my winner. Mouth is good. A young dog who has not fully matured in body yet. Enough bone for his size. Could use a tad more length of neck. Strong shoulder and topline. This boy was being a little mischievous for his handler when moving. Moved okay both coming and going. Nice dog, unfortunate to run into the winner on this day.

Pleasingly turned head with good earset. Good expression, but not as piercing as my winner. Good fill under the eye and length of foreface. Mouth is correct. I would like a little more reach of neck. Okay shoulder and topline with plenty of bone and substance. Movement was good both coming and going. Unfortunate to run into my winner on the day.

Best of Variety

Sutton and Harlamoff's **CH SOQUEL MILLENIUM GAMECHANGER** (GCH Rhydaman Frosty ex GCH Soquel Millenium Black Fern) An ultra-typey white male with brindle head markings. A pleasing, gently turned head with good ear placement. Super varminty expression with eyes well placed. Good length of foreface with lots of bone packed under the eye. Mouth is correct. Best of Opposite Sex

Berez and Konings' **CH KINGSFARM'S SUPER NOVA** (Padhen Hitman ex CH Action Hot and Classy) A powerhouse of an all-white girl with a super-turned head and with a wicked eye. Super small triangular eyes that are well placed. Good length of foreface, along with plenty of bone and fill under the eye. Mouth is correct. Well-arched neck flows into a good shoulder. A good topline and tailset, she could be shorter backed. Enough bone for this large framed girl. Elbows are tight against the rib cage. Carries herself well and moves cleanly both ways. She ought to be priceless when time for the whelping box.
