

Columbiana County Kennel Club, Inc.
BTCA/Buckeye Bull Terrier Club
Supported Entry
August 5, 2016
Judge: Theresa Spurr

Thank you to the Buckeye Bull Terrier Club and the BTCA for inviting me to judge their supported entry of the Columbiana County Kennel Club show. The club was very hospitable and it was great to be in familiar territory as we have exhibited at this weekend many times over the years. This was an especially hot, bright and humid day, but the dogs overall fared well. It was very exciting to see so many brindle animals today; there were a few youngsters that will be in the winners' circle once they have a chance to grow up! Thank you to everyone who traveled locally and from far away to bring their dogs to my ring.

WHITE VARIETY

Winners Dog and Best of Winners

Grecco, Bankus & Frango's **RUFFIN'S THANKS TO YOU ARAGON** (GCH Yoeckydoo's Gamin ex Ruffin's Rave Reviews of Aragon) This well balanced white with red masculine youngster makes a nice picture. His broad head leads to a long neck and then to a nicely laid back shoulder. Incisors slightly off. He has a dark, triangular eye. His front is straight, he has a slight arch over his loin and a good bend of stifle. His tailset is correct and he moved jauntily. His downfall is that his nose is not completely black.

Reserve Winners Dog

Magness' and Lamonby's **EMRED FIRE SPY** (Emred Devil's Spy ex Emred Night Fever) He is a moderate to heavy boned boy with plenty of bull type. While his head is long, he has a tiny bit of browiness. His dentition is absolutely correct. He has a good bend of stifle and a well-developed second thigh. He moved slightly narrow coming and going. His tailset is correct. One of his best assets is his short back.

Winners Bitch

Krysik, Carter, Deevers and Perrott's **APPRENTICE LOOKIN AHEAD** (CH Moonflower Scofield Of Carradice ex GCH Apprentice Devil In A Red Dress) Balanced bitch that moved well. Mouth correct.

Reserve Winners Bitch

Perrott and Deevers' **APPRENTICE HEY GOOD LOOKIN** (CH Formula Power Up for Action ex CH Apprentice Lookin Pretty Tuff) Balanced terrier type bitch. She has average length of head; would prefer more fill. One canine is incorrect. Her thin, upright ears are right on top of her head. She had decent shoulder and front construction. Her coat was thin today and her tailset is high, which kept her out of winners today.

Best of Variety and Best of Breed

Griffin and Lindquist's GCH **MADCAP KISS THE BRIDE** RATD NAP (CH Bouy's Tri To Fly At Skyline ex GCH Madcap When In Rome NAP NJP) This is a very balanced bitch with lots of breed type. She is very feminine and her head is well-filled with a superb roman finish, nice eye, and tidy ears. Undershot bite. Her front and shoulder construction are quite acceptable, especially considering her short back. In spite of a small imperfection in her topline, she moves correctly coming and from the side; she moves just a tiny bit close going. She was once again well-conditioned and presented today.

Select Bitch

Wright, Cournoyer & Thomas' CH **GLENTOM MINT TO BREAK THE RULES** (Emred Devils Spy ex GCH Glentom Rules Were Mint To Be Broken) Lovely feminine bitch with long, filled head with a pleasing gentle profile. Great expression with small, upright ears. Long arching neck leads to correct front. Her front is straight. Correct tailset. Nice arched toes and small feet. Her coat is thick and harsh to the touch. Moved well coming, slightly close going.

COLORED VARIETY

Best of Winners, Winners Dog

Jasper's **RABRAM ROYAL STAR** (Javarke Karbon Kopy at Rabram ex Rabram's Bright Star) Ultra masculine, heavy boned black brindle boy with an exceptional egg-shaped head. Mouth correct. Exceptional eyes size and placement and perfectly placed ears complete his outstanding expression. His shoulder is well placed, front is straight and his elbows are in and tight. His back is short and he is nicely arched over the loin. He has a good bend of stifle and a well-developed second thigh. Cat-like feet. His tailset is correct. His coat is especially glossy and his markings help his overall appearance. He moved correctly coming and close going. This is truly an outstanding dog and save for the rear movement would have been BOV today!

Reserve Winners Dog

Wright & Cournoyer's **GLENTOM TALL IN THE SADDLE** (CH Baker Street Back in the Saddle ex CH Glentom No Further Commitment) Young brindle boy with long egg-shaped head. One slightly tight canine. He has an exceptional eye and properly placed ears. Good bend of stifle. Tailset a little high. I am curious to see how he matures, as he has lots of pluses.

Winners Bitch

Jasper's **NOTORIOUS HEAVEN'S ON FIRE** (GCH Skylines Notorious Defender ex CH Fortifer's Flammeta) Feminine terrier type brindle bitch with a long head and very pleasing profile. Perfect bite. Her small, thin ears and small eye contribute to her great expression. Her neck is long and her front straight. She has an arch over her loin and decent bend of stifle. Her tailset is correct. Moves correct coming and a little narrow going. She has a nicely marked coat, which shows off her best attributes. While she appears to have some maturing to do, she is all show girl which helped propel her to winners today.

Reserve Winners Bitch

Whitehair's **SANDSTONE'S MOONLIGHT OVER THE MAIDENS WITH TERJOS** (Megaville's Visions ex CH Terjo's Touch Of Magic) This flashy brindle and white bitch has a nice head in both profile and fill. Bite correct. She appeared to be affected by the heat and did not show herself off as well as I have seen her in the past; for instance I recall her ears being right on top of her head and she had a hard time showing them off today. She has a straight front and nice arch over her loin. Her downfall is a high tailset which was more obvious today.

Best of Opposite Sex

Grecco, Bankus and Elledge's' CH **RUFFIN'S RUMORS OF ARAGON** (GCH CH Yoeckydoo's Gamin ex CH Ruffin's Rave Reviews of Aragon) Red dog with long head and decent fill. His eyes are dark and his ears are thin and on top of his head. His incisors are level and canines are a (tiny) bit tight. His shoulder construction is average, his front is straight and his elbows are in and tight. He has a small arch over his loin and a good bend of stifle. His tailset is correct. Arched toes and small feet. A good showman.

Best of Variety

Nordstrom & Jaspers' GCH **NOTORIUS NEVER SAY NEVER** (CH Bouy's Tri to Fly At Skyline ex Skyline's Missdefied) This red and white dog is very masculine and a great example of breed type. His profile is long and smooth with great fill. His earset and eye shape and placement make his expression. Correct bite. The winners dog pressed very hard for Variety, but this dog's slightly superior movement is what put him to the front of the line today.

Select Dog

Wiggins & Main's CH **YORK DARK MOON RISING** (Emred Devils Advocate ex York White Moon) Heavy boned tri-colored boy with an egg-shaped headpiece. Incisors are correctly placed, though canines are slightly tight. He moved narrow from the rear. He has a lot to offer and I was glad to see him.

Select Bitch

Prater-Piles & Berez' CH **FORMULA FOR A POWER FILLED GINGER** (Emred Huntsman ex GCH Action Headed For Power) This red and white bitch is very feminine and has a pretty, long head with a good profile. She has a good bite. Her ears are correct. Her neck long and her front is straight. She has good bend of stifle and moves correctly coming but a bit close going.
