COLORED

Winners Dog

Daquila's **CREEKSIDE NO MERCY** (CH Windsor & Legacy's Red Hot Habanero ex CH Emred Devil Wears Black) Large, upstanding solid brindle dog. Head somewhat flat in profile but with good Roman finish. Could use more fill. Muscular neck into solid topline. Nice bone for size. Decent angles at both ends and moves out well in all directions.

Whitehair's **SANDSTONE'S MOONLIGHT OVER THE MAIDENS WITH TERJOS** (Megaville's Visions ex CH Terjo's Touch of Magic) This girl is exactly what our breed needs – she's a thug but still feminine, not easy to achieve. Absolutely packed with virtue, her head is filled and turned, eye placement is good, expression is punishing. Neat ears. Muscular neck into a shapely topline with lovely spring of rib for a bitch of this size. Ample bone. Front is straight and rear is well-angled. She moves out strongly, driving on muscular thighs and reaching well in front. A powerful bitch. My pleasure to award her BOV from the classes over specials.

Cockburn and Prater-Piles' **FORMULA FOR THE POWER OF MOONLIGHT** (Emred Huntsman ex GCH Action Headed For Power) Corky, square tricolor – totally my style. She was very unfortunate to run into the WB today! Head is wide and deep with lovely fill. Eyes are set correctly and ears are expressive. Nice length of neck into a well-laid shoulder, short, strong topline and well-angulated rear. Good bone for size, just not as many guns as my winner. A lovely, feminine bitch with all the right attributes.

Parker's **CH NUANCE NIGHT TO REMEMBER** (GCHS Soquel Millenium Seafarer ex CH Nuance Nonetheless) A sound, square black brindle and white boy. Head is wide and deep, although profile is somewhat flat. His head markings caused me to ask his handler to flip him around to the offside, where his head appeared to be quite acceptable. His debit is a shortish neck that makes him appear 'stuffy'. He has good shoulders, a very short back and masses of substance, decent bone for size and his movement is true all ways. Loved his square outline, which had him beating the Winners Dog for BOS.

Winners Dog

Magness and Lamonby's **EMRED FIRE SPY** (Emred Devil's Spy ex Emred Night Fever) A short-coupled dog with a nice square outline, head not exaggerated in any way, a good honest boy without exaggeration. Nice outline, enough bone for size, good ribspring and body volume on this moderately sized dog.

Frascone's **SINABAR MOUNTAIN RIVER MONROE** (CH Crestmont's Savior Faire ex CH Sinabar Holiday Affair) I actually like this boy quite a bit and have put him up in the past. He has a large head with good width, but lacks somewhat in fill and turn. Expression is typical, ears right up on top. Good length of neck,

Jones and Alvarez' **IMPERIAL'S AMERICAN BEAUTY** (GCH Imperial's Smokey Diamond at Wilmar's ex GCH Yoeckydoo's Keepit Cool) A cobby beauty, this one caught my eye immediately upon entering the ring. Head is filled, broad and deep, beautifully arced and with lovely top skull. Eyes are well set and oblique, ears are neat and expressive. Good length of neck for this style of bitch into a muscular and solid topline, held well on the move. Really good bone, solid ribspring and depth of chest for one so young. She's square and typey, well balanced and solid in every aspect. Movement was good all ways of the ring, although elbow could be tighter. She pushed hard for BOV. .

Quiggle and Spurr's **AMAIZE BETSEY BARBOUR** (CH Megaville's Signing Off ex CH D Bar Sarah Barracuda Tulsadood) A charming youngster, this is a terrier style bitch. Head is moderate in every aspect, turn and fill, expression is good, ears neat and up on top. Muscular neck leads into a short back with a bit too much roach over the loin. Bone adequate for size. Immature through the body, but the promise is there. Square and typey, she moves well for one so young.

Whitmer, Kilpatrick and Roff's **GCH BILLIANBULLY BELLIGERENT AT BOBUDDY** (BoBuddy Trafalgar ex Seasons in the Sun at BillianBully) What else can be said about this well-known girl? She is a classic beauty – a bit upstanding and feminine all the way to her toes. Head is long and strong, filled right up, with a lovely eye and expression, broad top skull with neat ears. Neck is long and balances her well. Topline is good, just shapely enough. She is square in outline with just enough leg for her length of back and a good tailset to finish it off. Would love more bone, but there's always something. Outline is feminine and balanced. Movement was good all ways, totally in sync with her handler. A top notch bitch in any company, I was pleased to see her do well the rest of the weekend.

Best of Opposite Sex

Long and Parker's **GCH NUANCE NO FOOLING AROUND AT BULLIARD** (GCH Aragon's Ruffin Around ex CH Nuance Nonsense) This boy exudes excellent breed type and expression. Head is blocky and quite correct, and although not as turned as some, it is filled with bone and very masculine in appearance. His eyes are deeply set, triangular in shape and well placed, as required. Lovely broad top skull and strength of underjaw, something not often seen these days. Heavily-boned legs and broad chest, very well-ribbed-up and with a strongly muscled neck of decent length, lovely short back, solid topline and good angles at both ends. He moves with a true jaunty air, covering the ground with authority.
