Thank you so much to the club for the honour of judging Sweepstakes. This is a show weekend we love to attend, so it was a privilege to be asked to judge. The quality of the entry was excellent and was thrilled that all my puppies had correct bites!

BEST COLOURED IN SWEEPS

Whitehair's **Sandstone's Honky Tonk Angel** (CH Tulsadoom Abi Albon x Caben Making Muse-ic with Sandstone) A feminine red girl with a strong wide, smooth head with small dark eyes and good ear set. Correct bite. Straight front, tight feet and level topline. Moved well both ways and from the side. Carries tail a bit high, but she was super excited so that will likely change as she settled in.

BEST WHITE IN SWEEPS and BEST IN SWEEPS

Jones and Alvarez's **Imperial's American Beauty** (GCH Imperial's Smokey Diamond at Wilmar's x GCH Yoeckydoo's Keep It Cool) This typey girl stood out in a class of elegant terrier bitches. She is stocky, short backed and carrying just the right amount of weight for her cobby style. Strong head, well filled and with a smooth turn. Nice ear placement and small eyes give her a great expression. Correct bite. Strong rear, moved well in all ways.
