Judge: Rosalind Clamper**

My sincere thanks to the Bull Terrier Club of America for inviting me to judge at the venerated Montgomery County Kennel Club. As can often be the case in the Philadelphia area in October, the weather was far from ideal with rain, cold and wind for most of my assignment. However my sincere appreciation to all the exhibitors for not allowing the weather conditions to hamper the presentation of a strong entry with loads of type throughout. Happily the sun decided to make its appearance around Group time and my two Variety winners were both worthy representatives in the big ring.

COLORED

Winners Dog

Reber and Lindquist's **MADCAP JUMP RIGHT IN** (Emred Devils Spy – GCH Madcap Jump The Broom) A brindle and white boy appearing somewhat immature though certainly looking like his time will come. His head is long though I would like to see more power throughout. He moves out freely with long, unrestricted strides all directions of the ring.

Winners Bitch, Best of Winners and Best of Opposite Sex

Hains and Evans **ACTION BEAUTY QUEEN** (Ch Moonflower Scofield Of Carradice – Ch Action Drama Queen) A substantial brindle and white with a long, wide and finished head, lovely profile with a correct bite as well as an excellent eye and expression. She has the correct amount of substance and all the bone one would want to complete the picture of a balanced bitch. With correct, strong quarters she moves quite well all ways of the ring.

Reserve Winners Bitch

Lindquist and Krukenkamp's **MADCAP JUMP AND JUSTIFY** (Emred Devils Spy – GCH Madcap Jump The Broom) Another lovely bitch, this red and white's head is strong all over with a correct bite and sharp expression. Her body is deep and muscular though I would prefer a bit heavier bone. Her quarters are equally well angulated and though she was a bit chagrined by the wind, she moved out very well down, back and in profile.

Best of Variety

Ibbitson and Rumer's **CH BAKER ST BLAZING SADDLES OF APPRENTICE** (Ch Baker St back In The Saddle Again – Zayadi's Hurricane Hallie) A powerful red and white with a packed-up, finished head with ample width and depth. His expression is intense with a neat eye and tidy ears. His bite is just off from level. He excels in strong, round bone and substance and his front and rear are muscular and correctly angulated. Presented in fit, hard condition, he moves with power and purpose all directions of the ring.

Select Dog

Nordstrom and Jaspers' **GCH NOTORIOUS NEVER SAY NEVER** (Ch Buoy's Tri To Fly At Skyline – Skyline's Missdefied)

Select Bitch

Lindquist and Krukenkamp's **MADCAP JUMP OVER THE MOON** (Emred Devils Spy – GCH Madcap Jump The Broom)

WHITE

Winners Dog and Best Of Opposite Sex

Stortini and Sottile's **WALKING ON THE MOON** (Cosmopolitan Space Oddity Moonflower – Megaville Dance With A Devil) A moderate sized boy with a handsome head that's filled up with enough length and an excellent profile. His bite is correct. Expression is keen with a very good eye and ears right on top. His body is sound and muscular with good, round bone and sturdy quarters though he tends to toe out a bit in front. However his overall movement is strong and purposeful all directions of the ring.

Reserve Winners Dog

Clayton and Pappafotis' **SORABULLY'S IT'S ABOUT TIME** (Ch Allegro Rockstar – Sorabully's Iron Empress) A nice boy with a strong head though with a break in front of the eye and his head could be a bit wider when viewed from the front. Though his bone and substance is enough for his size he appears a bit immature. His front and rear are well angulated and he moves all directions of the ring with long, free strides.

Winners Bitch, Best of Winners and Best of Variety

Glaser and Lindquist's **MADCAP JUMP FOR JOY** (Emred Devils Spy – GCH Madcap Jump The Broom) A very attractive bitch who immediately caught my eye. Her head is beautiful with a sweeping profile and power throughout. Her bite is off from level. She's in complete balance with lovely body lines and solid bone and stands four-square. Her shoulder and rear are well made with correct, shapely angles. A wonderful long neck and deep chest complete the picture and she moves soundly all ways of the ring.

Reserve Winners Bitch

Murphy's **BALLY'S GOT A FOOT IN THE DORA** (GCH Winsor And Legacy Red Hot Habanero – Debully's Snow Angel) Another pretty girl with a very good head with a smooth profile with length and depth though needing more power viewed head-on. Her bite is correct. Though not quite a year old, her bone and substance is abundant and her quarters are muscular and shapely. She moves typically with self-assurance down, back and in profile.

Select Bitch

Griffin and Lindquist's **GCHB MADCAP KISS THE BRIDE RA TD NAP** (Ch Buoy's Tri To Fly At Skyline – GCH Madcap When In Rome NAP NJP)
