Huntsville Kennel Club  
November 12, 2016  
Judge: Mrs. Gayle Denman**

Thank you to the club members and exhibitors alike. Unfortunately, this weekend was in conflict with the shows in Amsterdam and the numbers were not as high as in previous years. Thankfully, we heard that next year this will not be the case. Despite the lower numbers, there were very good exhibits to choose from and a good time was had by all. There were group placements for our Bull Terriers! Congratulations to all the breeders and exhibitors alike. Try to come to these shows next year. The venue is very comfortable and the hospitality is really great.

Profile could be a bit smoother. Good pigmentation. Mouth fault, canines correct. Excellent expression. Good length of neck. Good width, breadth and depth of chest. A little high in the rear at this time of development. Correct tail set and carriage. Good bone and substance. Very good movement, nicely parallel. Covered ground well.

Schneider's **CH LEBEOUF THE GUNSLINGER OF LAELAPS** (CH Lebeouf Beaucoup Blanc of Glentom ex CH Cassiopeia of Laelaps) Young tri-colored male having excellent expression, nice smooth profile turned all the way to the finish. Scissors bite with one of the canines just barely tight. Very good length of muzzle, depth of muzzle and strong underjaw, good fill, nicely erect high-set ears. Excellent short backed and symmetrical, good angulation front and rear, correct catlike feet. Correct tail set and carriage. Correct good bone and substance. Clean mover in all directions. I will enjoy watching this BT's development and show career. Shown in tip top condition.

**Best of Opposite Sex**

Jackson and Baval's **CH OLD ENGLAND'S VOODOO CHILD** (Emred Huntsman ex CH Old England's Coco Chanel) A nice, feminine bitch with a lovely profile, good fill. Scissors bite. Good pigmentation. Good expression accentuated with nicely small, thin and nicely held erect and close together ears. She is well made, symmetrical and well-balanced. Today she did not enjoy her ring time, but it was evident that she does have good movement and was shown in excellent condition and handled well under the circumstances. I noticed the following day she exhibited so much better! Just needs some time in the ring to get used to it all.

Jones, Bankus and Grecco's **IMPERIAL'S DUCHESS OF ARAGON** (GCH Yoeckydoo's Gamin ex CH Imperial's Truth Hurts) A typey young bitch having a beautiful outline. Very nice smooth profile with good turn. Correct ear set and held nicely erect. Correct good length of muzzle. Good expression, fill, under jaw and depth of muzzle. A mouth fault. Nicely arched neck into nicely laid back shoulders. Good depth and breadth of chest. Good bone and substance. Good topline with slight arch over her loin. Left front is a bit off but good enough. Pondered a bit between WB and RWB, finding out afterwards they were litter mates! Nice litter. Good breed type in this lovely young bitch.

#### **Reserve Winners Bitch**

Miller, Jackson and Jones' **IMPERIAL'S AFTERGLOW AT NATCHEZ** (GCH Yoeckydoo's Gamin ex GCH Imperial's Truth Hurts) Another youngster. This bitch also with good breed type just as WB, her litter mate. She too has the above qualities but with a scissors bite and tad better front. She has a soft right ear at this time (only 16 month). This youngster was a close runner up to WB but on the day not quite the striking lines as WB.
