Judge: Cyndi Farrington

Thank you to the club, exhibitors and breeders alike for this judging assignment. It was a beautiful day filled with sunshine. This is a beautiful show that you should put on your list. I enjoyed the experience and I hope the dogs had as much fun as I did.

Colored Bull Terriers

Best in Sweeps:

Lindstedt and Jasper's **Notorious Little Red Corvette at Triumph** (GCHS Notorious Never Say Never –CH Bullysmith Barefoot Contessa Dines at Skyline). A very nice, feminine red smut bitch. She has a beautiful profile with a lovely expression. Ears right on top of head. She has a lovely reach of neck. She moved well in both directions and was presented in excellent condition.

White Bull Terriers

Best in Sweeps:

Boyda and Harlamoff's **Soquel Millennium High Seas** (Rhydaman Gold Medal – CH Soquel Milenium Sea Glass). A good size white dog with a keen expression. Good mouth with plenty of substance. He was definitely enjoying his day in the ring and showed with great exuberance.
