

Bull Terrier Club of St. Louis
Puppy Sweepstakes
March 11th, 2017
Judge: Kim Bebb

Thank you BTCSL for the fun weekend. Your Club really puts on a great show. I thoroughly enjoyed the opportunity to get in the ring and judge a small, but quality, entry in your Puppy Sweepstakes. Thank you to those exhibitors who brought their dogs for me to go over. I found out after judging that my top puppies were litter-mates. These two are quite different in type, but each is a lovely bull terrier!

Best Colored Puppy and Best in Sweeps: Cooke and Belden's - **LECHMERE DEED OF TRUST**. (Emred Devil's Spy ex CH Lechmere's A Penny For Your Thoughts): This lovely brindle boy has a long head with a nice gentle arc all the way down to the tip of his nose. He has plenty of under-jaw and nice width to his head too! His bite is good, including the canines! He has a nice lay-back of shoulder, nice fore-chest, and good rear angulation. He is a well balanced dog and his rich brindle color and perfect markings are the icing on the cake.

Best White Puppy and Best of Opposite Sex in Sweeps: Cooke's - **LECHMERE'S POCKET CHANGE**. (Emred Devil's Spy ex CH Lechmere's A Penny For Your Thoughts): This white girl has a super short back, lovely lay-back of shoulder, nice bend of stifle, and dramatic turn to her profile. She moves well and is a very square and compact package.
