A pleasant afternoon judging some very good and well prepared dogs. There was so little difference between many of the exhibits that on another day the results could have looked very different. Thank you Central Jersey Bull Terrier Club for the opportunity to go over these entries.

COLORED

Winners Dog,

Reber and Lindquist **MADCAP JUMP RIGHT IN** (Emred Devils Spy - GCH Madcap Jump The Broom) A strongly built tri-color who was only eighteen months old. Deep muzzle with correct bite. His neck appears short as a result of his marking, but is not in actuality. Shortish rounded body with good rib spring. Correct topline. Lack a little in the quarters.

Winners Bitch and Best of Winners

Whitehair **SANDSTONE'S HONKY TONK ANGEL** (GCH Tulsadom Abi Albon - Cean Making Muse-ic with Sandstone) A cobby red with a good set on of head, which has both full and downface. Slight mouth fault. Spot on front, but rather straight in stifle. Despite this, moved with drive and in one piece.

Reserve Winners Dog

Racey and Prater Piles **FORMULAS POWERFUL SCARLETS WONDER ON BLUE RIDGE** (Emred Devils Advocate - GCH Action Headed For Fame Power) Another quality red just fourteen months old. Has very good feminine head and correct bite. Is shapely if a little long with slight dip in topline. Maturity will address her few problems.

The contest for the Best of Variety was very close with four bitches and the champion dog in the running right up to the end. It's difficult to keep a dog's attention all the time, but it made the difference on this day.

Best of Variety

Sottile, Berez and Conca **GCH ACTION'S SOUL POWER OF ALARIC ROM** (Emred Huntsman - GCH Action Headed For Power) To me this brindle bitch is the epitome of type. She is a beautifully balanced, has a strong deep but feminine head, a short-strong body and is correct in both front and rear. On the downside she could move with greater drive, has a mild mouth fault and distracts from her outline by carrying her tail gaily.

Best of Opposite Sex

Ibbitson and Rumor **GCH BAKER ST BLAZING SADDLES OF APPRENTICE, ROM** (CH Baker St. Back In The Saddle Again - Zayadi's Hurricane Hallie) A powerful red dog of quality which isn't an easy thing to attain. Has a long strong head without a hint of coarseness. Profile and fill according to the standard. Broad chest when viewed from the front with good

depth from withers to brisket. Tail set correctly. Well rounded body with marked spring of ribs. Wasn't totally in sync with handler. Pushed very hard for the top spot.

Select Bitch

Lindquist and Krukenkamp **MADCAP JUMP OVER THE MOON** (Emred Devil's Spy - GCH Madcap Jump Over The Moon)

WHITE

Winners Dog

Clayton and Pappafotis **SORABULLY'S IT'S ABOUT TIME** (GCH Allegro Rockstar - Sorabullys Iron Empress) A strong headed exhibit with good bone and substance. Nice eyes, but largish ears. Well rounded body with deep back ribs. Rather light in quarters.

Reserve Winners Dog

Betancourt **OPTIMUS PRIME BT ENAMORADA** (Quentinhill Megatron - Aricon Eyesadora) A terrier type dog with well set ears and well placed eyes. Correct topline and tail set. Moved compactly and in one piece in spurts, but wasn't sure he liked being in the spot light.

Winners Bitch and Reserve Winners Bitch was the closest contest in the Whites with both having quality, type and balance in abundance.

Winners Bitch, Best of Winners and Best of Opposite Sex

Bluhm and Whitehair **BULLYMOON'S DIAMOND SOLITAIRE WITH SANDSTONE** (Megavilles Sardonicus - GCH Sandstones Visions of Liberty) Diamond Solitaire had more scope, was shapelier and had exemplary quarters. In addition she showed herself to advantage. In profile she covered the ground with free easy strides.

Reserve Winners Bitch

Glaser and Lindquist **MADCAP JUMP FOR JOY** (Emred Devils Spy - GCH madcap Jump theBropom) Very feminine head of good proportions and strong underjaw. Minimal mouth fault. Well rounded body with slack underline. Is young and full of promise.

Best of Variety

Whitmer-Yasmir **CH AMAIZE SUPERNOVA** (GCH Yoecker Does Gamin - CH ID Bar Lady Gaga Tulsa Doom) A powerful dog who stands foursquare. Handsome head with depth and quality plus a piercing obliquely placed eyes. Shortish body with well rounded ribs and correct topline. Moved compactly and with authority. A very good and typical male bull terrier.
