Sweepstakes  
April 1, 2017  
Heidi Clayton

My sincere Thanks to the Bull Terrier Club of Dallas for inviting me to judge my first Sweeps assignment. I can not say enough good things about this club and the weekend they clearly work so hard to pull together. From the top notch hospitality to the sincere concern for my having a nice time, honestly the weekend was incredibly fun! I so enjoyed judging all of the dogs and I thank the exhibitors for bringing their beloved Bull Terriers to show them to me.

Susan Belden, Russell and Alesia Cooke's  
**LECHMERE'S DEED OF TRUST**- By Emred  
Devil's Spy - Ch. Lechmere's Penny for Your  
Thoughts. Breeder's Russell and Alesia Cooke.....  
A boy of moderate size with plenty of bone and  
substance. His head is long, filled, and turned to the  
tip of his nose and his dark eye is well placed. Ears

are high and tight. Bite is fine. Shoulder placement is correct which lead to a jaunty gait and his correct tail placement put him over the top. Deep rich brindle markings finished up with correct cat like feet. He was well handled and I was delighted to have met him! Maturity will render him an easy Champion.

Haack's **ARNONLD'S AT HAACK BULLIES**  
**COMING TO COLLECT**-Breeder Arnoldo Salazar.  
By Arnold's Hard to Beat -Arnold's Mayahuel  
Tequila Goddess. While I do tend to like my girls bit more beefy, this pretty girl was not to be denied. Her head is long and elegant with a wicked dark eye and nice tidy ears bang up on top of her head. Bite is fine. Body construction is clean and while a touch long she holds a level top line, moves well, and is quite jaunty when in snyc with her handler. She has tidy feet and was presented in pristine condition. She is a very pretty Bull Terrier and her elegant long head carried her today.

## **White Bull Terriers**

### **Best of Variety 12- under 18 month Dog**

Margaret and Sonny Saldivar's **TEXICAN'S BILLY BOB GETTING IT DONE**-Breeder Sonny and Margaret Saldivar. By Bilboen Prince of Darkness-GCH Arnolds Pandora Rose to the Occasion....

A masculine boy with a piercing head on expression. His head is long and has correct turn and but could use a touch more fill under the eye. His eye is dark and well placed. His head is finished up with nice tidy ears that he never let down. His clean construction and level top line lead to a correct tail set. He is jaunty when he moves and head on expression and classic Bull Terrier "smile" made my day. A very nice boy.

### **Best of Opposite Sex 12- 18 month Bitch**

Cooke's **LECHMERE'S POCKET CHANGE**-

Breeder Alesia & Russell Cooke. By Emred's Devil Spy-Ch. Lechemere Penny for your Thoughts.

Owner(s) Alesia & Russell Cooke.....She is one for the whelping box and she caught my eye the moment I saw her. Her head is long and turned while her eye could be a touch smaller it is dark and piercing. Her correct ear placement completes the picture. A substantial bitch who holds her top line and looks

jaunty and athletic while doing so. She was well presented and her virtues clearly outweigh any fault she may have. I was very happy to have met her. I noticed later that she and the BOV colored dog were litter mates, kudos to their breeders for a job well done.

**Best Veteran in Sweeps**

Schmidt, and Joanne and Ernie Taft's **CERBERUS PARTICULARLY-** Breeder Bob Mitchell & Steve Schmidt. By Ch. Action Captain Chaos-Ch. Cerberus Loves Lucy. It would be wrong to mention my only Veteran! At 10 years old this boy is still all Bull Terrier. He made his owner work for every single step and it was delightful to see he still has the "I am the Bull Terrier and I own you" attitude is still going strong. He has a lovely long head, very nice ear set and what I think we need to see more of, a lovely neck that flows into a correct shoulder. He owned the day and is a credit to owners love and care.
