I really want to thank the club for inviting me to judge this show. There were some very, top notch bull terriers, and it was a pleasure to judge them. Everyone was very friendly and kind.

A very top quality large white dog. Excellent bone and Substance. Good width and depth of chest, straight front. Great fat head with very good downturn. Correct bite. Wicked, dark triangular eyes with good ear set. Good movement, coming and going. All in all, a great dog, well deserving of the win.
