

Bull Terrier Fanciers Association

5/7/2017

Judge: Ray Sharp

It was an honor to judge on this prestigious weekend and I thank the Bull Terrier Fancier's Association for inviting me. The Saturday night club dinner was amazing and the hospitality most gracious. The entry, although not large, contained several quality animals.

5-7-0-1

RESERVE WINNERS DOG Berez and Prater Piles's **Formula Power Up For Action** (Emred Huntsman x GCH Action Headed For Power) A typey all white dog with a packed head with profile and depth of muzzle. Mouth just off level. Nice bone and substance. Well-turned stifle, with a nice short back. Well-sprung ribs. Moved well both ways.

WINNERS DOG, BEST OF WINNERS & BEST OF BREED: Jasper's **Rabram Royal Star** (Javarke Karbon Kopy at Rabram x Rabram's Bright Star) Black brindle & white dog with a strong well filled head. He has a deep, wide muzzle, with a good eye and well set ears. His mouth is scissors with one tight canine. He has good length of neck, well placed shoulders with enough bone for his size. Nice fore chest and ribs that are well sprung. Strong quarters with well-turned stifle. He moves well with drive.

RESERVE WINNERS BITCH: Lawson and Buchannon's **Magor Nellie Bly From Islay** (Ch Lonestar Whole Lotta Hoopla x Magor Isaly Passion) White bitch with nice make and shape. Long head, which is well filled and gently turned. Lots of bone with a strong topline and strong quarters. Good length of neck. Moved well from the front and ok from the rear.

WINNERS BITCH & BEST OF OPPOSITE SEX: Whitehair's **Sandstones Moonlight Over The Maidens With Terjos** (CH Megaville's Visions x Terjo's Touch Of Magic) A compact, but heavyweight loaded with lots of substance. A first class head which is well filled and turned. She has a perfect mouth. Nice expression with correct eye placement and ears right on top. Lovely spring of rib with plenty of bone. Front is straight and rear is well-angled. To be critical, I thought she was a bit heavy on the day.
