

ILLIANA BULL TERRIER FANCIERS

Friday May 26th 2017

Judge: Phil Jaspers

I would like to thank the Illiana Bull Terriers Fanciers for inviting me to judge their specialty. This show always draws a lot of exhibitors in both Bull Terriers and Miniatures and I was pleased to have such a nice entry. The hospitality was super and this year they had a casual BBQ outside which was outstanding. It's always a pleasure to go to this show – if you haven't been yet, make sure to enter next year!

Best of Variety

Whitehair's, **SANDSTONE'S MOONLIGHT OVER THE MAIDENS WITH TERJO'S** (Megaville Visions ex Terjo's Touch of Magic). Exceptional brindle and white bitch! This bitch has shape and substance throughout; a head that is both turned and filled with a correct bite, kind eye, nice neck and good forechest, round bone through the pasterns, powerful rear with second thigh. Definitely my Best of Variety!
