**July 15<sup>th</sup> 2017**  
**Judge Tyrone Probert**

I would like to thank the Bull Terrier club of Canada for the privilege of judging their specialty show. My decisions were made on virtues and not obvious faults.

**Best of Breed**

Whitehair's **CH Sandstones Moonlight over the Maidens with Terjos**. 3 year old brindle and white compact feminine bitch. Good head with profile, good eye placement. Ears on top giving excellent expression. Correct mouth, straight front, good topline, moved well. Preferred her balance over my winner's bitch in line up.

**Best of Opposite Sex, Best of Winners & Winners Dog**

Whitmer & Valizadeh's **Amaize Supernova**. 18 months. Excellent combination of Bull & Terrier, white substantial dog. Excellent head with profile. The smallest of eye. Excellent expression. Mouth just off. Good front. Short back, heavy bone, good bend of stifle. Moved well in rock hard condition. Showed well in class but not in challenge. Screams stud dog.

**Select Dog**

Uplinger & Emmett's **CH Brookbully Big Bang**. 5 year old upstanding white dog. Good head, small well placed eye. Correct mouth, excellent front, good bone. A little wound up today. Never settled.

**Reserve Winners Male**
