Plenty of bone and substance with a nice straight front and good shoulder. A tighter foot would be a plus. Solid topline both standing and on the move. Quarters are well muscled with good second thigh. He moved well on both ends. His overall balance and type were in his favor today.

White Bull Terriers:

Best of Variety

Whitmer & Valizadeh's **GCH AMAIZE SUPERNOVA** (GCH Ch. Yoeckydoes Gamin ex Ch. D Bar Lady Gaga Tulsadoom) Extremely typey dog that grabs you from first glance. I judged this dog as a six-month old puppy, awarding him WD, BOW and BOV on that day. So very pleased to see how he has matured. His head is of good proportions, well filled with good depth throughout. His wicked little eye and ears right on top give that wanted expression. Alas his incisors are ever so slightly off level. Good bone, well-balanced and always shown in perfect condition. He moves as he is made, sound and true on both ends.

Best of Opposite Sex

Cooke's **CH. LECHMERE'S POCKET CHANGE** (Emred Devil's Spy ex Ch. Lechmere A Penny For Your Thoughts) Feminine white bitch who is looking very good as she matures. Lovely head, filled and turned with good proportions. Small dark eye and ear carriage are good for expression. Plenty of bone for her frame, with a nice straight front and good shoulder. Nicely balanced with a short back, solid topline, and well angulated quarters. She moved well in front, but slightly close behind.

Best of Winners, Winners Dog

O'Driscoll's **CREEKSIDE LORD OF FIRE** (Ch. Emred Fire Spy ex Ch. Emred Devil Wears Black) A typey and compact all white dog with plenty in his package. Strong head, well filled with good depth and finish, albeit a slight brow. Small dark eye, nicely placed and tidy ears right on top make for good expression. Mouth is correct. Nicely made with good front and shoulder, short back, solid topline and strong hindquarters. Does well on the move both in front and rear.

Reserve Winner's Dog

Saldivar's **TEXICANS BILLY BOB GETTING IT DONE** (Billboen Prince of Darkness ex GCh. Ch. Arnold's Pandora Rose to the Occasion) Compact white dog of good proportions. His head is long with a gentle profile and good depth of muzzle. Small dark eye and good ear carriage give him a pleasing expression. Nicely made with good front and shoulder, solid topline and well angulated quarters. Moved fairly well on both ends when he settled to it.

Winners Bitch

Johnson & Croucher's **ACIES SOME KIND OF HOLIDAY** (GCH Glentom Seeking Fame and Fortune ex Acie's Holiday Magic) Typey white bitch with plenty of bone and substance.
