Skip Greaney was unable to judge as he and his wife prepared for Hurricane Irma! Last we heard, all is well with Skip and Lisa and all their bullies. Dick and I were already on our way to Greeley when we received a phone call to help out in an emergency situation. I received a beautiful necklace from their very talented artist, Diane Davis and a wonderful print from Trudy Avery. So many talented artists in the bull terrier world! Thank you.

It was a small entry but there remained decisions to be made.

By Ch Belbar Sinabar Johnny On The Spot-Gch Ch Sinabar And Love Like Crazy. **OWNER: Sandra Belstock & Eileen Niehouse & S Frascone** dark brindle and white with a lovely profile, good fill, good under jaw and depth of muzzle. Her bite is slightly off, very nice make and shape, but I would like just a tad more neck on her. She has a correct tail set and carriage. Both of WB and RWB had very nice fronts. She is nice with a short back. Good pigmentation. Good movement in all directions, particularly rear movement.

RWB

As stated above, she too have a lovely front. Good bone, correct catlike feet. Ears are a bit soft at the moment but probably just due to young age. She showed with enthusiasm. Difficult to assess her movement today but this young girl shows lots of promise. Would be very nice to see her in a few more months.

CH SILMARIL SEXTANT. RN292012/03. 10/10/2015. Dog. BREEDER: Owner. By GChS Allegro Rockstar-Silmaril Sienna Spirit from Aragon. **OWNER: Carl Pew.** This male has several things that is appreciated, scissors bite, very good expression (eyes nice and small/triangular/varminty) very good fill/depth of muzzle/strong under jaw. He has a correct short back and good bone. Moves correctly in all directions, albeit not at the tempo correct for this male. Albeit there are few things less appreciated, higher tail set/carriage, low ear set and condition. However, this male has attributes that will benefit the breed, mainly scissors bite, excellent expression, short/strong back.
