Judge: Naomi J. Waynee

Kudos to BTC of Metro Detroit! The venue is beautiful and the weather was perfect. The hospitality was wonderful. This club knows how to make everyone feel welcome. I always enjoy returning to Michigan and my many thanks to the BTC of Metro Detroit for asking me to judge at this show. Thank you for my judge's gift of one of Cleo Parker's quillow blankets. It came in quite useful on my flight home.

I also learned that it is not a good idea to try new technology when doing critiques. When I reviewed my video notes I discovered I lost notes on five dogs. My apologies to the exhibitors of the Colored BOS, White WB, BOW, BOS, BOV and SD
