

The BTCA is now accepting Trophy Sponsorships for the 2009 National Specialty in San Jose! We are very excited about this new program, and we need your support.

Here are the highlights:

- **New and FABULOUS trophies!** Our Trophy Chair, Theresa Spur, is choosing a beautiful selection of trophies to commemorate the 2009 National Specialty. By sponsoring a trophy, you will be taking advantage of an opportunity to share in the excitement of these lovely prizes.
- **Lovely Prizes for ALL the winners!** With your support, you make it possible for us to offer nice prizes/ribbons to all the winners, including puppy and class placements. Winning a class at the National Specialty is a big deal, and we want to recognize it!
- **Recognition for your generosity!** All sponsors will receive special recognition in the National Specialty catalog, as well as on the BTCA website.
- **Support for the Club!** We need to pitch in and help each other like never before. The Trophies and Rosettes for the National Specialty, National Puppy Sweepstakes, Obedience and Rally are primarily supported by generous donations from Bull Terrier lovers like you. By sponsoring a trophy, you are making it possible in a very direct way for us to continue to have our National Specialty and all its events. Your support counts, and we need you!
- **All Support Levels!** You can sponsor a trophy for as little as \$10 or as much as \$175. Everyone can afford to get involved in this exciting new program!
- **Sponsor early and receive special recognition!** All sponsorships received before June 21 will receive special recognition as "Platinum" sponsors on the BTCA website and in the National Specialty catalog
