Bronze Trophy Winner

Gregory Armstrong and Victoria Sottile's **ALARIC STAR SPANGLED SISTER** (Malajo's Formula For a Drama Devil x Alaric Wish Upon a Star) Stunning white bitch, with beautiful proportions shown in lovely condition. Long head with graceful profile, evil expression and a correct bite. Her neck flows smoothly into her back, which is short and strong, she has a shapely underline and well set, straight tail. She moved close to parallel coming, just a touch closer going away with good reach, drive and a spring in her step. Her compact, shapely proportions, piercing expression and hard condition put her to the top for me.

Chadwell Reserve Trophy, Best Opposite Sex and Best Opposite Variety, and Dancing Master Movement Winner

Melissa Searles and Victoria Corse's **REQUIEM STAY KHROME PONYBOY** (Patterned Head Bull Boot x Khromeheart Corsaire From Provokacija) Powerful brindle and white dog with a strong heard, good profile and plenty of fill in his foreface. I would prefer a smaller eye and higher set ears. He has a deep chest, lovely spring of rib, and good bone for his size. I would prefer a shorter loin. He moves close to parallel coming and going and strides out well on the move, which led him to capture the movement trophy. Best Opposite on his strength of head, Best Movement on the quality of his reach and drive.

DOG FINALISTS

Winners Dog, Bronze Finalist

Krista Prater Piles' **FORMULA SWEET PRINCE** (Sarajeni Easy Rider ex Actions Formula for a Drama Queen) Large white dog with brindle eyepatch. He has smooth lines and balanced proportions, a smooth, exaggerated profile with a wicked expression and he is undershot with correct canines. He is short backed with a strong topline and has good bone for his size. Moves close to parallel coming and going but was not really moving out when viewed from the side. I feel he would benefit from some roadwork and conditioning.

Bronze Finalist

CH FORMULA FOR A DRAMA FREE BROTHER ATD ITD NTD SDIN VN, (Action Devils Apprentice by Formula x Actions Formula For A Queen) Solid, cobby white dog with a gentle profile and well packed, filled head, his mouth is correct with one tight canine. He is short backed with lots of substance and good bone for his size. He moves close to parallel coming and going, I feel the warm weather took a toll on his enthusiasm for moving out.

Bronze & Movement Finalist

Patricia Murphy's **BALLY'S YOU DON'T KNOW JACK** (Ha withorn Dragons Heart x Bally's Got A Foot In The Dora) Substantial red dog with a gentle profile, good fill and a correct mouth, I would prefer a smaller eye. He has good

substance and bone for his size and a short loin. He moves close to parallel coming and going and holds his topline well on the move. This dog was a strong contender for Best Movement.

Bronze Finalist #20

Franne Berez, Dr Dale and Christine Schuur's **ACTION SIMPLY DIVINE BY OLD FORGE** (Ch Formula for a Drama Free Brother x Action Kissed By The Divine From Old Forge) Pretty brindle and white bitch with flowing lines, she has a smooth, long, well turned head, with good fill and a correct mouth. I would prefer a bit smaller eyes and higher set ears. She has good length of neck flowing smoothly into her topline, I would prefer a shorter loin. She has good bone, spring of rib and substance for her size. Moves parallel coming a bit closer going away and strides out freely when viewed from the side.

Bronze Finalist

Melissa Bowers and Melanie Whitehair's **CH SANDSTONE ONCE UPON A TIME AT STONE HAUS** (Bullymoon Stands for Liberty at Sandstone x Sandstones Moonlight Over the Maidens With Terjos) Cobby red and white bitch with a short head and exaggerated profile, good fill through her foreface and a correct mouth. Patricia Murphy's **BALLY'S WINTER WINNER CHICKEN DINNER** (Bally's Squiggy Wheel Gets The Grease x Ballys Jezebel Of The Ball) Shapely, short backed white bitch. She has a gentle profile and a wicked expression with a correct mouth, I would prefer more width of muzzle. Moves freely, just a touch close coming and going.
