Silverwood LV

Kingsport TN 10-12-2024

Judge: Hans Konings

What an honor it was to get invited to judge the prestigious Silverwood Trophyshow. I want to thank the judges committee for inviting me. I truly enjoyed judging the classes I was asked to do. The quality of the males is from a high level. I was so pleased to see the amount of bone most dogs had. You really need to preserve that. In Europe we almost lost that virtue on our dogs. I forwarded 4 males in every class for the finals. All of them were very competitive to win the class they were in and final descissions were made on details. A huge congratulations to the winners. I also want to thank my two co-judges Carolyn Lambert and Stuart Cairns. We thought the same about the dogs and the descissions were unanimous. It was a pleasure to judge together. Also a big thank you to Mary, Karin and Jaquie for being such great stewards. A good ringstuard is very important and helps a judge to do his work more easy. The only regret I had was that I wasnt judging all the beautifull bitches I saw.
