

**Wow, what an honor and what an experience. I cannot thank enough; the judge's selection committee, the support people (especially the ring stewards), and the exhibitors. It would go amiss, not to share the privilege of going over some very fine dogs with two stalwarts of our breed, Carolyn Lambert and Hans Konings. The whole experience was fantastic from start to finish. I have watched many shows this year, but it was fun to finally get my hands on dogs I admired from ringside. The surprise was to see how dogs on the day performed. When it comes to judging fine animals, presentation can be the difference on the day.**

### **Best Colored Dog and Silverwood Winner**

**Sodomsy, Sodomsy and Prater-Piles' GCHS CH Malajo's Formula For A Drama Devil (GCH CH Action Devils Apprentice By Formula X GCH CH Actions Formula For A Queen CGC)**

Red & white dog with a beautiful outline. Head is filled with gently sloping curve in profile. Perfect bite. Fantastic eye and a colored at that, with a good ear set. Good angles in front which give good reach and good bend of stifle giving drive from the rear. This is not a heavy weight dog, but his maturity shows in his depth of brisket and width of chest. Ramrod straight front, good round bone with the tightest cat feet. Moves very well although a little exuberant in his rush to get around the ring. When he slowed down, it only enhanced his quality.

### **Reserve Colored Dog**

**Thomas and Thomas' GCHB CH Grabo Sympathy For The Devil Moon (Rabram Rock Star X Grabo Bahama Moon)**

Brindle & White, cobby, square and powerful for his medium size. Fat filled head with a decent eye. Ears marginally wide. Mouth is reverse with good canines. Good length to his neck, rolling into his shoulder. Layback is OK, a little short in upper arm. Chest is powerful and wide with a deep brisket. Short back. Good round bone with tight cat feet. Movement OK going away. Dog screams type.

**Klein, Arroyo, GCH CH Action Kiss My Grits From Old Forge (GCH CH Formula For A Drama Free Brother CGCU TKA VSWI X GCH CH Action Kissed By The Divine From Old Forge)**

Brindle and white boy of great strength and power. Head is wide and filled with a good eye and bang on top ears. Mouth off. Good shoulder angles with layback and length of upper arm, excellent round bone and tight cat feet on a big dog. Good depth of brisket and a wide powerful chest. Could be a tad shorter in loin. Good angles in the rear. Movement is parallel coming and

going. Good reach in front. To be picky would like a tad more drive in the rear but he pushed hard for the Movement Trophy.

### **Finalist**

#### **Kibler, Poole and Poole's GCHS CH Rocky Top's Dream Chaser (GCHS CH Hawthorn Dragons Heart X GCH CH Rocky Top's Sweetest Dream)**

Smaller compact dog but great strength in a small package. Powerful packed head with good expression. Perfect bite. Shorter cobby type neck leading into a good layback of shoulder. Great spring of rib and good depth in brisket. Front is straight with excellent bone and cat feet. Short backed with a strong well angled rear. Moved well going away but a bit choppy coming. Another example who shows strength can come in a smaller dog.

### **Reserve Colored Bitch**

#### **Berez, Schuur and Schuur's GCH CH Action Simply Divine By Old Forge (GCH CH Formula For A Drama Free Brother CGCU TKA VSWI X GCH CH Action Kissed By The Divine From Old Forge)**

Powerful brindle and white bitch without being coarse. She has a long filled head with perfect bite. Strong neck leading into a powerful shoulder with good layback. Good forechest with width and depth of brisket. Strong round bone with tidy cat feet. Would prefer a little less rise on the loin but it rolls into a strong muscled, well angled rear with good 2<sup>nd</sup> thigh, that is lacking in many exhibits. She gave her handler a lot to do as she seem more interested in the ground but when she got moving, she moved well in both directions.

### **Finalist**

(GCH CH Formula For A Drama Free Brother CGCU TKA VSWI X GCH CH Action Kissed  
By The Divine From Old Forge)**

White bitch with outstanding breed type. She caused a bit of a conundrum for the judges as she would play like the puppy she is but when she pulled it together, her type and quality couldn't be ignored. Her head is long and well filled with great expression. Good layback of shoulder with length in the upper arm forming a beautiful forechest. Not a big girl but a good broad chest with great depth and correct tuck up. Strong bone and tight cat feet. Topline with rise over the loin. Tail set on well, good strong rear with super strong 2<sup>nd</sup> thigh. When she decided to move, she moved with power and drive.

She has a well filled head, smooth profile and good expression. Perfect bite. Front angles are good, decent bone. Good topline, slightly long in loin. Good angle with good bend of stifle in the rear. Moved well both ways but would prefer a little more drive.

### **Maddox's GCH CH Quicksilver Stellar Teenage Queen (Quicksilver Wanted Man X Quicksilver Moonlit Seas At Diablo)**

A strong white bitch who would present herself better with a few less pounds. Even so, her excellent movement cannot be denied. She stands out with her rear drive and parallel movement. She has a long, filled head, with good expression and ears. Mouth is slightly off. Straight front with excellent bone, as to be expected with her overall strength. Tight feet. Good angles on her well laid-back shoulder and rear. Would prefer a shorter loin. Her strength in movement earned her the best movement trophy.
