

Knickerbocker Bull Terrier Club
Somerset Hills Kennel Club
September 7, 2024
JUDGE: Mrs. Gayle Denman

Thank you to the Knickerbocker BTC for the invitation to judge and the fun club dinner. I'd also like to thank Skip, Glenn, and Paula who went out of their way to come back to the show site so that I could join in the fun evening. On the way to the club dinner, we spotted two rainbows, one was the most brilliant rainbow any of us had ever seen.

While this entry was small in numbers, it was *large* in quality. All of the entries had good dentition, maybe not perfect, but consistently good.

The challenge in showing this quality male is that his show side markings detract from his

Owner: Shirley O'Doherty Kimberley O'Doherty & Franne Berez, Aurora ON, CN L4G2C5. Breeder: Dr Franne Berez Dr Dale Schuur Christine Schuur. There was no competition on this day for this eye-catching one year old. Has all the desirable breed characteristics, egg shaped head, excellent length/depth of muzzle and profile, complete with correct dentition with 1 slightly inside canine. Wonderful varminty expression. Ears held tightly erect. Correct make and shape, compact, strong back, slight rise over the loin. She was a bit wound up the day I judged and difficult to front movement. However, the next day, I observed her movement. She is one of the better movers. She will be one to watch, stunning.
