

Bull Terrier Club of the South East, Chattanooga Kennel Club, September 15, 2024

My thanks to the BTC of the South East for the invitation to judge at the Chattanooga Kennel Club Show. They have been supporting the entry at this show site and weekend for several years now, and I have to say, it's become one of my favorite weekends on the show calendar. The hospitality and camaraderie are outstanding, the weather has been very pleasant and the Cleveland TN area easy to navigate with good hotels and restaurants. The entry was large, of very good quality in both Bull Terriers and Miniature Bull Terriers, and the exhibitors did a good job with sportsmanship and presentation. My thanks to all the exhibitors for letting me go over your dogs.

WHITES

WD Young & Carter's **BULPAK REBEL BEAR BOP FYB** (Bulpak Polar Bear ex D-City Dark Freedom) Heavy boned youngster. Impressive, powerful head of medium length, good expression, with great width and fill, nicely turned. Moderate angulation both front and rear, good topline. Still looks like the puppy he is, but has a lot of virtue and will be interested to see how he matures.

RWD Cournoyer & Wright's **GLENTOM ON THE ROCKS** (CH Victoria's Grimaldi Windfall ex CH Glentom Bright As A Penny) Middle of the road style, with good type. Head is well turned, adequate width and nicely filled. Good eye and expression. Bone and substance appropriate for style and age. I could wish for a bit more length in neck & withers as well as upper arm. One to watch as he matures.

WB, BOW Sodomsy & Prater-Piles **FORMULA'S SILVER PRINCESS FOR MALAJO** (CH Sarajeni Easy Rider ex GCH CH Actions Formula For A Drama Princess) A bitch with flowing lines and still typey. Head is well turned, of medium length with good width and fill. Very good expression. Mouth level. Bone and substance very good for her level of maturity. Moves cleanly in front, a touch close going away. Well presented.

RWB Ouellette & Perrott's **APPRENTICE BE STILL MY HEART WITH ACTION TKA** (CH Action Captain America ex Apprentice Charlie Girl At Epiphany) Puppy bitch, a bit more bullish than WB, still with nice shape and curves. Head is gently turned, with very good length, width and fill. Good eye, expression and mouth. Balanced front and rear, with very good bone and substance for her tender age. I could wish her a bit closer coupled, but lots of quality and virtue. Another one to watch in the future. Nicely presented.

BOV, OHG3 Odoherty, Odoherty & Prater-Piles **GCH CH FORMULA FOR A DRAMA FREE BROTHER CGCU TKA VSWI** (GCH CH Action Devils Apprentice By Formula ex GCH CH Actions Formula For A Queen CGC) Medium sized typey white dog. This dog has an impressive head piece with nice profile, very good length, symmetrical and has outstanding fill and expression. Eye is a tiny triangle and ears well set. Very balanced with good length of neck and moderate angulation front and rear. Shortest of backs, his topline is rock solid both standing and gaing. He reaches and drives commensurate with his angulation and structure. Today, he was on his game, showing with great enthusiasm and energy. I have long admired this dog and to see him strut his stuff today made it a great pleasure to award him BOV. He went on strutting to an OHG3 later in the afternoon.

BOS Cremeans, Evans, Leonard's **GCHS CH GALACTIC BITTERSWEET LEGACY AT IRUKANDJI RI FDC BCAT CGCA CGCU TKN ATT FITB** (Mighty Crew Irukandji ex Galactic Double Star) Well known white bitch. Typey with very good bone and substance. Head is strong, nicely turned with very good fill and expression. Foreface is short. Expression is very good. A bully style bitch, she needs more length in her

withers and upper arm, which causes a break in her topline on the move. She moves parallel in front and a bit close behind. A bitch of considerable virtue and she pressed for BOV. Beautiful presentation.

Select Dog Smith, Cox & Smith's **GCH CH SOME OKIES HOT CLASSY LEGEND OF DEVILS SPY DCAT CGC TKN** (CH Kingsfarm's Hot Classy Devil ex Some Okies Wicked Witch) A very good dog. Head has a strong profile and is well filled and of moderate length. Eye and expression are good. I would prefer a bit more width of foreface. Bone and substance very good. Moderate length of neck and withers. Shoulder slightly upright with a shortish upper arm. If he is relaxed, it causes a dip in his topline and he's a bit long in loin. Rear quarters nicely angulated. While he can show with enthusiasm, today he was not quite into it and couldn't quite compete with BOV who was on his game.

Select Bitch Maddox's **GCH CH QUICKSILVER STELLAR TEENAGE QUEEN** (Quicksilver Wanted Man ex Quicksilver Moonlit Seas At Diablo) White bitch. Upstanding with excellent bone and substance. Head is strong, nicely turned profile with excellent width and fill. Very good expression. Neck and shoulder quite good, a bit short in upper arm. Medium body length, well angulated quarters. One of the best movers on the day, she was unfortunately carrying too much weight, which obfuscated her usual proportions.

COLOREDS

WD Shelley-Avery & Avery's **TREDECIM KAGUTSUCHINOKAMI** (Bulroarus Bobby Dazzler ex GCH CH Tredecim Eloquence Of Benzaiten) Big framed red and white teenager with outstanding bone and substance for size and age. Moves well front, rear and from the side. Head has good length, width and adequate fill. I could wish his expression to be more keen. Mouth scissors with correct canines. It will be interesting to watch him mature, to see how that process may change the current balance, I predict it will improve.

RWD Mullen's **IROC TWO FACE IN GLENTOM CITY** (CH Grabo Bugatti By Formula ex GCH CH Glentom Creme Brulee) Typey brindle and white. Strong head, nicely turned with very good fill. Mouth is off. Nice bone and substance for size. Forequarters is OK, but would improve with more length of neck, withers and upper arm. He persisted in pacing much of the time in the ring, but when he finally settled into a trot, it revealed a nicely balanced dog with front and rear movement parallel and with good reach and drive. He also carries his topline well once trotting, with just a bit too much roach in the loin.

WB, BOW Perrott, Morrison, Deevers & Migliore's **APPRENTICE PAINTIN THE TOWN RED TKI** (GCH CH Formula For A Drama Free Brother CGCU TKA VSWI ex GCH CH Apprentice's Gandy Dancin TKN) . Red and white bitch. Smooth flowing outline. Head is gently turned, moderate length with good fill and expression. Mouth is OK. Front is good, though withers section and upper arm could be a bit longer. Moderate length. Bone and substance appropriate for size and age. Moves cleanly in front and just a bit closer behind with good reach and drive. Nicely presented.

RWB Troy & Greene's **BULLYHILLS LUXURY HEARTBREAKER DREAMMAKER** (Busta Rhymes Let's Go Party Bulterier ex CH Brickfield Double Steal) Black brindle and white bitch. Strong head, well turned and nicely filled. Expression is OK, mouth good. Stylish balanced outline. Moderate angulation front and

rear, carries her topline well. Bone and substance appropriate for size and style. Would ideally like her to be more closely coupled. Tough choosing between her and WB.

BOV, OHG1 Sodomsky, Sodomsky & Prater-Piles **GCHS CH MALAJO'S FORMULA FOR A DRAMA DEVIL** (GCH CH Action Devils Apprentice By Formula ex GCH CH Actions Formula For A Queen CGC) Well known red and white dog. This dog has outstanding balance and quality. Head is very well turned with an outstanding expression. Head has medium length, enough width, with good fill. His forequarters are his most outstanding virtue. Neck and withers are long, with well laid shoulder and good length of upper arm. Strong topline and nicely angulated hind quarters. Moves with reach and drive both ways. Bone and substance very good. Fully mature and very well presented, a pleasure to give him BOV in strong competition.

BOS Poole, Blackwell, Blackwell & Kibler's **GCHB CH ROCKY TOP'S CHASING DREAMS** (GCHS CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream) Solid brindle bitch. Love this bitch's quality. Head is nicely turned, with good length, width, fill and expression. Mouth good. Neck has good length, a bit more length in withers and upper arm would improve. Shapely with good bone and substance. The Champion bitches today were of excellent quality and for me this girl stood out for her head, structure, quality and balance.

Select Dog Poole, Blackwell, Blackwell & Kibler's **GCHS CH ROCKY TOP'S DREAM CHASER** (GCHS CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream) Brindle and white dog of very good quality. Typey package with very good bone and substance. Head is medium length, with good turn, width and fill. Mouth good. Eye could be keener. I would prefer his neck, shoulder and quarters to be more like the BOV dog, it was this that caused me to place him Select to BOV.

Select Bitch Kibler, Poole & Poole's **GCH CH ROCKY TOP'S CHERISH YOUR DREAMS** (GCHS CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream) Black brindle nearly solid bitch. A litter mate to BOS and SD, she shares many of their virtues. Very strong head of good length, width and fill. Excellent bone and substance for size. Moderate angulation front and rear. She is a little bit lower on the leg and just a bit longer than ideal. She was beautifully presented. Pleasure to award her in strong company.
