

Texas Gulf Coast Bull Terrier Club

Linda Flegg 15 June 2024

Firstly thank you to the Committee, Exhibitors and fellow Judges for making this a fun assignment. I was honoured to be offered the appointment and thank your club for inviting me. The overall quality of the dogs was excellent and there were some quite difficult choices to be made given the variety of styles on display today. Thanks to Alesia and Melanie for the presentation on type on Saturday evening and it was lovely to be able to socialise with fellow bull terrier breeders to swap stories and catch up with old friends. I would encourage any of you wanting a great holiday to come to NZ as the exchange rate is certainly in your favour.

You couldn't get two different types if you tried. I loved this slightly smaller terrier type who was so pretty. She has a lovely feminine head, tiny dark eyes and a reverse scissor bite. Her outline is lovely with a lovely reach of neck flowing into a level topline, short back and correct tail set. Her angulation all round is good and she moves well. It was a difficult race for BOV.
