I was incredibly honored to receive the invitation to judge Bull Terriers at the recent show in Chattanooga, Tennessee. Being asked to contribute to an event of this caliber is a privilege that I deeply appreciate. From the moment I arrived, I was struck by the professionalism and enthusiasm of everyone involved, from the organizers to the exhibitors. The chance to evaluate these beautiful dogs in such a supportive and welcoming environment was truly a highlight of my year.

The entry of Bull Terriers was nothing short of exceptional. The quality of the dogs presented was impressive, and it was evident that great care and attention had been put into their preparation. Each dog showcased a high level of conformation, character, and breed type, making the task of judging both challenging and rewarding. I thoroughly enjoyed my time in the ring, and I want to thank everyone who made the experience possible.
