

**Bull Terrier Club of Dallas
Specialty
April 1, 2012
Judge: Dr. Robert W.T. Myall**

It was a pleasant surprise to be judging in the "Houn" house at a Specialty without the normal constraints of an All Breed Show. There was a good entry both in quality and quantity, especially in the 'Specials' classes. Many of my choices I'm still debating as the final decisions between two dogs were so very close.

On a general note, and certainly not only about this entry, we are producing a large number of largish heavy ears set well to the side of the head. Not only does this contravene the standard (small, thin and placed close together) but really mars expression.
