This was an extremely memorable assignment for me and one I will never forget. The Terrier group was extremely strong, having some of the top Terriers competing. I awarded all four placements to Bully breeds. Quite often now we see three place, but this might have been a first for four to place.

First went to the lovely White bitch and second to the Colored dog. On Sunday in my B.I.S. lineup the number one and two all breed dogs today were competing. Plus several other all time winning dogs.

It was with great pleasure to be able to award the lovely White bitch B.I.S. I understand this was her first. I had the privilege of also awarding "Ellie Mae" her first B.I.S. so hopefully this was a good omen.

Was pleased to see how many people stayed to support the Bully breeds in the group and for B.I.S.
