Sacramento Kennel Club  
April 15, 2012  
Judge: Gayle Denman**

Thank you for the opportunity to judge the bull terriers in Sacramento. It was a pleasure to learn that on one day the 3-point ROMs held and on the other days, the 2-point ROMs held. It was a very nice weekend and I was delighted with a wonderful entry of both the bull terriers and miniature bull terriers. Dick and I enjoyed our stay even though short.

It is always interesting to learn the sire and dam as one writes critiques. As I wrote these critiques, I was delighted to find that one of my winners was out of a male that Bill Lambert and I awarded Best White Dog at Silverwood 2005. Do you remember which one that was?

As a side note, I wanted to share a humorous comment I heard from a spectator while judging Sunday. He was rather loud and spouted off to his friend for everyone to hear, "hey, come on over and watch these silly dogs, they do whatever they want to do in the ring!" Little did he know that we spend hours training our bullies to do those comical moves in the ring. Whatever would we do without our wonderful bullies to entertain us.

Congratulations to the breeders, owners and exhibitors.
