**May 5<sup>th</sup> 2012**

I would firstly like to thank the committee of The Bull Terrier Fancier's Association for the appointment, always a pleasure to visit Canada, and secondly a big thank you to the exhibitors for making it a super day. Last but not least, a special thanks to my co-judge Scott Ibbitson who was a pleasure to work with and helped everything run so smoothly. We were in full agreement without selection of The Bronze Winner Runner Up and Best Mover.

**Bronze Trophy Winner**

Jones & Knockaert's **Ch.Yoeckydooes Gamin** (Alecto Kool Barracuda ex Laureolas Up To You) A heavyweight white dog with brindle markings, bull type with a super well filled head, well packed under the eye, mouth incorrect, deep and wide muzzle, a good eye set and ear bang on top. He has a muscular neck leading into well laid shoulders, straight front with strong round bone, tight feet, correct top line, a gun barrel chest, great spring of rib. His quarters are well muscled and shapely. Stood still he filled the eye. On the move, he covered the ground with ease, worked well with his handler, tip top condition and bright white jacket.

**Chadwell Reserve Trophy, Thunderally Best Opposite Variety, Best Opposite Sex**

Bassakyros & Bozian's **Bullayr Piece Of My Heart At Bulldor** (Emred The Huntsman ex CH Scarlet Moon The Joker) A well balanced red and white bitch, compact with plenty of substance. A strong well filled head with a gentle sweeping profile, slight mouth fault nothing she can't carry, dark eye and good ear set, elegant neck into a good lay of shoulder, straight front with plenty of bone for her size and type, correct top line, well sprung ribs, shapely and well muscled quarters. Covered the ground well both ways, coat in super condition, would like a little more animation.
