Winners Dog

Mages and Smith's **MAGOR MIGHTY MARAUDER** (Dajan Top Act with Action ex Magor Macy Gray) A very handsome large dog that is very pleasing in outline. Has lots of breed type. Has nice turn with a pleasing eye and expression. His overall balance combined with good bone and substance makes a nice picture. He is well made which enables him to move well in all directions. Has a wonderful attitude and carries his tail nicely.

Reserve Winners Dog

Richesin, Clark and Gray's **THUNDERALLY'S FEARLESS FREDEE** (CH Mightybull's Chap Chester ex Nocturnal Track to Nemesis) Good overall outline with a compact body. Has a nice eye and expression, but could use more turn. Very nice easy movement. For the size of his frame could use a little more bone.

Winners Bitch and Best of Winners

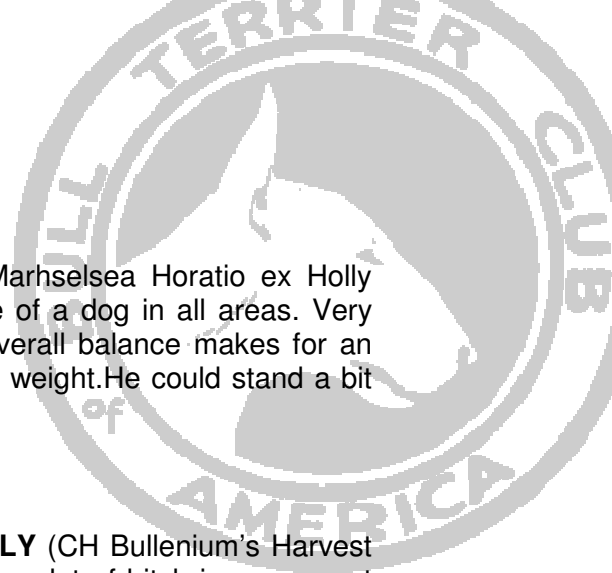

Jones and Bankus' **IMPERIALS TRUTH HURTS** (Cool Conquistador at Crossgarley ex Flashbak's Amazing Grace) This bitch is full of virtue. She starts with such a pleasing eye and expression. She is the correct amount of Terrier and Bully combined. Her overall outline is so wonderful. Her virtue continues right thru to her lovely tailset and carriage. There is no one area that offends the eye. Just recently I had awarded her a B.I.S. over the two top all breed winning dogs in America today!

Reserve Winners Bitch

Fike and Fournier-Fike's **CABEN MUSE-IC FOR THE SOUL** (Terjo's The Vital Spark ex Paradox Muse-ic To My Ears) A bitch teaming with class. Has a lovely compact body with great substance and is yet feminine. All of her head properties are pleasing, but not as pleasing in mouth as the W.B. is. She is made well at both ends which allows her to move properly.

Best of Breed

Whitmer and Kilpatrick's **CH KILACABAR MYSTIC MOON DANCE** (Dust in the Wind Opalplast ex Blazing Beaut) A large framed bitch with great class and is also feminine. She has such a pleasing eye and expression. Being so well balanced front and rear makes for her to move lovely in all directions. Might give her a smidge more bone for the size of her frame. She stands on such lovely feet and on the day outshined all the competition. She is a wonderful Diplomat for the breed, since she represents the breed so well at Specialties and also so highly at the all breed level. Always seen in top condition.

Best Opposite Sex

Hoare's **CH BILBOEN QUINQUI ZACCARY TYEBAR** (Marhselsea Horatio ex Holly Hock from Bilboen) This Brindle dog is a real powerhouse of a dog in all areas. Very strong in head and has lots of bone and substance. His overall balance makes for an impressive picture. Due to age he is carrying some excess weight. He could stand a bit nicer on his front.

Award of Merit

Blackwell and Clemmenson's **CH BULLENium WATER LILY** (CH Bullenium's Harvest Moon ex CH Bullenium's Chicklet) This lovely white bitch is a lot of bitch in a compact size. She has wonderful strength throughout her whole body. She retains lots of class and moves so well. Her topline was a bit off on the day.
