When you're hot, you're hot! And as they say "Boy Howdy It was"!! It was 97 degrees at 11pm when I pulled into my hotel.

Great for corn, not so great for dog shows.

HOWEVER, being true Bull Terrier fanciers, we soldiered on with lots of "cool coats" and ice. Lucky for us and the dogs the grooming area for this show was air-conditioned and all of the dogs looked cool and collected in the ring.

My thanks to the club for a super turn out and hospitality. My judges gift of a darling Bull Terrier enameled box is gorgeous!

There were some very tough choices in the ring. Many wonderful specimens of the breed graced the arena and the handling was also above par. I might make mention of sportsmanship. If you are awarded a ribbon please stay to accept the award no matter how you feel about it. Poor sportsmanship makes us all look bad.

I would not say this very often but next year... pray for rain!

And don't forget! Fight anti breeder/pet legislation!

## BULL TERRIERS (COLORED)

### Winners Dog

ZIRCONS THUNDER STRUCK. BREEDER: Cindy G Mowez. By Bullyview Rytham Dancer-Activor Diamond Dust. OWNER: Cindy G Mowez.

A massive tri colored dog that has "bodied up" since I last saw him in October. Slight mouth fault. Bone and substance have improved greatly as he has matured into a very nice dog. Head is long and turned and he has a deep dark expression, Ears are held upright and stiffly erect. Strong neck and shoulder well muscled leading to thick body structure and good top line. Tail set on parallel with ground. Front is good, slight turn out at toes. Small tight feet for his size. Good all ways on the move. Elbows well tucked in. Excellent side drive and flex in the rear.

### Winners Bitch/ Best of Winners

CRESTMONTS N PARADOX ZIRCON. BREEDER: Tom & Carole Huey. By Ch Emred Huntsman-Ch Crestmonts chances R Bestuvall. OWNER: Cindy Mowez.

Young "buckskin" bitch that caught my eye with her solid look of TYPE. Lovely curved profile with plenty of width and fill when viewed from the front. Sly eyes masked with black and tiny pert ears. One tooth out of place so not enough to worry anyone (at least not me). Short backed and cobby. Just the right amount of rise over the loin leading to a proper tail set. Nice reach of neck with good lay on of shoulder. Front is straight and her

feet are cat like. Bone is enough for her size. Stifle is well turned and she stands square. Moved out well in all directions. Jaunty!

#### Reserve Winner Bitch

SINABAR LINRIC BREEZE AIR. . BREEDER: Sandra Frascone & Linda Jones Ledesma. By Ch Super Bowl's Iggy Pop-Ch Sinabar Malibu Breeze At Linric. OWNER: Sandra Frascone.

Big strapping brindle bitch with power plus. Head filled and turned right down to the end of the muzzle. Bite level. Keen expression and tiny ears. Tad longer in back than the winners bitch but it was close. "Turkey breast" that I love to see leading to well laid back shoulder and tucked in elbows. Move very well in all directions. Strong going away as she has a very well turned rear and stifle.

ROCKY TOPS OUTLAW KID. BREEDER: William F & Rebecca P Poole. By Ch Rocky Tops Sundance Kid-Barseas J'Aime La Vie. OWNER: Lori & Greg Stafford & W F & R P Poole.

Young red dog looks like a move up from the classes. Congrats to the owners! Starting from the overall impression. Large stallion like dog that impresses. Long strong head .Mouth slightly under. Triangular eye giving good expression. Ears are small but held slightly to the side, not exactly set on top of the head. Front is good viewed straight on with nice feet. Lots of bone. Would like a bit better shoulder layback when viewed from the side, (short in upper arm) and a longer neck. However he moved well in all directions. Short enough in back for his size.

SINABAR PASSION FOR FASHION. BREEDER: Owner. By Sinabar Valentino Chaotic-Sinabar Bayhill Passion Potion. OWNER: Sandra Frascone.

Big thumping brindle bitch that makes you say "WOW" from the start. Fat full muzzle right from the top of her head to the bottom of her well rounded jaw. Viewed from the side she has a wonderful profile giving her the true egg shape. Slight mouth fault . Small eye., evil expression and little well placed ears complete the head picture. Long arched neck leads to fairly short back with good top line. Prominent fore chest makes for a well laid shoulder assembly. Plenty of bone , tight feet , straight front and well turned rear helped to propel her around the ring with typical bull terrier jauntness. In a class filled with excellent animals she stood out today.

AEGEAN'S MONDO OTUS. . BREEDER: Michael Goble & Kelly Dunn. By Pollux of the Aegean-Kold Cleopatra Garcia. OWNER: Michael Goble & Kelly Dunn

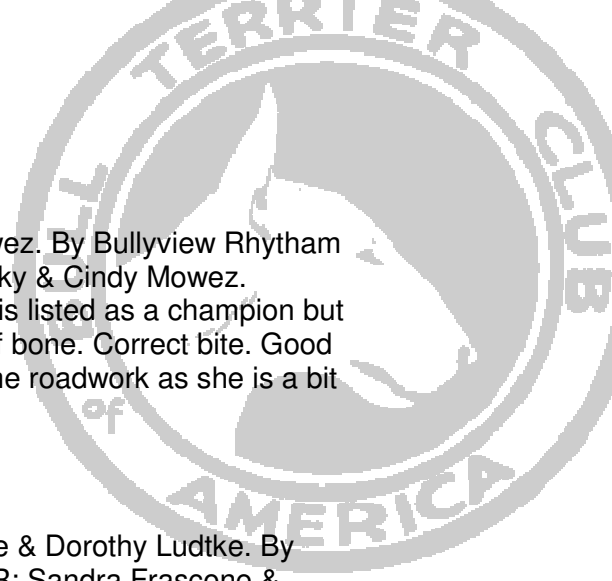

Mature white dog . Needs profile. Plenty of fill and width but head needs both profile and width to win in the ring today.. Bite good. Plenty of bone and substance. Longer cast than winner. Moved well in spite of the heat.

WINNERS BITCH/BEST OF WINNERS

1/W/BW

14 HAWTHORN SUMMER SHANDY. BREEDER: Paul O'driscoll. By Lamellar Hinderton Lad-Angel Celebration of Fool. OWNER: Paul O'Driscoll.

White carrying red brindle that has strong bone right down to her pasterns in the front. Her feet could be a bit tighter. Short and cobby and full of type. Filled and packed head with profile to match. Ear set could be closer. Perfect bite. Well turned rear.. straight front. This one pushed hard for BOV and almost made it. She should do well.

CH ZIRCONS THUNDERSTORM. . BREEDER: Cindy Mowez. By Bullyview Rhytham Dancer-Ch Activior Diamond Dust. OWNER: Cathy Sodomsky & Cindy Mowez.

Not sure why this bitch is entered as a class dog when she is listed as a champion but nonetheless... she is nice type of animal with lots and lots of bone. Correct bite. Good front and feet. Moved well in all directions but could use some roadwork as she is a bit "sloppy" in tone and condition.

#### Best Of Opposite Sex

SINABAR CHAOTIC AFFAIR. BREEDER: Sandra Frascone & Dorothy Ludtke. By Sinabar Valentino Chaotic-Ch SinabarTriple Crown. OWNER: Sandra Frascone & Dorothy Ludtke

Here is a boy that screams .. "When I am good I am very very good and when I am not I am still pretty darn good"

WOW.. type type type.. this boy has is all. Squinty squinty eyes.. the best expression I have seen a long time. Want type with all that comes with it? This is your boy. Head filled, packed and turned. Mouth a bit off. Expression that makes a bull terrier a bull terrier. Ears on top and used like crazy!! Ok, upright a bit in shoulder.. a bit straight in stifle ..still moved like a jaunty dog. SHORT backed and short coupled. A true BT in sprit and type.. Loved him. Wish he were in my yard!

GLENTOM STAR DREAMER. BREEDER: Glenna Wright & Jeannine Nichols. By Ch Cool Conquistador At Crossgarley-Ch Glentom Silver Lining. OWNER: Glenna & Tom Wright.

Looks like another "move up" Way to go! Tall upstanding bitch that asked for the win all of the way. Great bone and substance. Head is filled and turned with a bite that is slightly under with correct canines. Ears could be a bit better set. Fore chest is prominent leading to well laid shoulder and good length of upper arm and reach of neck. Top line is excellent , smooth and carried that way on the "go around". Would wish for a better tail set. Straight front and good feet. A pleasure to award her top honors today
