A Northeast snowstorm prevented Alison Ibbitson from being able to make it to the West Coast in time to fulfill this assignment. I was glad to be able to help out and thank the exhibitors for accepting my placements so gracefully.

This show has always been one of my favorites! The venue and location are SUPER! We hardly ever miss it as it is the same weekend as my Father-in-Laws birthday. This year we helped him celebrate his 101st year! The BTC Tampa Bay welcomes everyone with their good, old-fashioned hospitality. They are one of the few clubs that still have a hospitality room at the host hotel, where folks can gather, catch up and share all things Bull Terrier. The club dinner at Papa Joe's is a MUST. Thank you BTC Tampa Bay for your invitation to judge, hospitality and to the exhibitors for trusting me. I truly enjoyed myself.

COLORED

Winners Dog

Veale and Decker's **ACTION ONCE IN A BLUE MOON** (Ch Moonflower Scofield Of Carradice ex Action Headshot) Black brindle dog with good balance and substance. Adequate bone, strong pasterns and good feet. He came through based on the quality of his headpiece and expression.

Reserve Winners Dog

Lamneck and Prater-Piles' **FORMULA POWER PLAY** (Emred Huntsman ex GCH Action Headed For Power) I found this red brindle boy to be difficult to judge. He is very sound and balanced behind the collar and because of his soundness, moved well. In contrast, his profile and fill is lacking. On the day, he was carrying a few extra pounds. I wonder if the outcome would have been different if he had be shown in hard condition. His super temperament is compelling.

Winners Bitch and Best of Winners

Brown and Prater-Piles' **FORMULA DELICIOUSLY DRAMATIC** (Ch Action Devils Apprentice By Formula ex GCH Actions Formula For A Queen CGC) Brindle puppy bitch, square and balanced; has some maturing to do. Feminine head, gentle profile with nice length. Good bone, straight font and strong pasterns. Moved well all ways. Tail set a bit high. For such a youngster she handled the show atmosphere beautifully.

Reserve Winners Bitch

Wind & Berez' **ACTION DRAG QUEEN** (Padhen Hitman ex Ch Action Yankee Queen) Brindle bitch with loads of substance. Her head has plenty of length; could ask for a bit more width and fill. Nice expression with ears right on top. She is substantial with good angles, straight front and pasterns. Her handler did a nice job with her.

Best of Variety

Brown's **CH DELICIOUS HE'S MY BROTHER** (Ch Megaville's Signing Off ex GCH Action Deliciously Divine) Substantial, young dog with a lovely brindle coat. His wide, oval head and expression are very pleasing. Squarely built with a strong, level topline which held nicely on the move. Correct rear angles, tailset could be a touch lower. Good shoulder and forechest, straight pasterns, feet a bit untidy. His handler stated this was his first time in the ring as a champion and he was well prepared for the day.

Best of Opposite Sex

Jackson and Baval's **GCH OLD ENGLAND'S VOODOO CHILD** (Emred Huntsman ex GCH Old England's Coco Chanel) Very typy and feminine black brindle bitch with a super headpiece. Balanced and shapely with sweeping curves, the right amount of leg and bone. She was shown in immaculate condition but doesn't seem to enjoy herself in the ring.

WHITE

Winners Dog

McClamrock and Evans' **OC MYSTIC'S STEVE MCQUEEN O'MALVERN** (GCH Crestmonts Captain Bravado Of Mystic ex Oc Lights Action Fame O'Malvern) Happy young dog who thoroughly enjoyed his day. Good, strong head and expression with a really nice ear set. Squarely built, typy with lovely round muscling. Moved with reach and drive but doesn't quite hold his topline. He was in tune with his handler and just makes you smile to watch his joyful attitude.

Reserve Winners Dog

Baval's **OLD ENGLAND'S BOUNTY HUNTER** (Emred Huntsman ex GCH Old England's Coco Chanel) Another very good dog with a strong head piece. Good round bone. Would like a bit broader chest. He moved close coming and parallel away. He was in immaculate condition.

Winners Bitch and Best of Winners

Veale and Decker's **CARRADICE CLASSY LAINIE** (Ch Highlawn St Peter ex Action Hung The Moon In Carradice) Typy and well angled bitch. Her head has good length; could use a bit more width and fill. Good expression with her dark and oblique eyes. A cleaner throat latch would help exaggerate her length of neck. Her movement is strong all ways and she holds her topline level.

Reserve Winners Bitch

Block and Baval's **OLD ENGLAND'S BAREFOOT CONTESSA AT ADOBE** (Teirwgywn Paper Gansta At Bullyview ex GCH Old England's White Imperial Empress) Pretty bitch with red ears. Her feminine head is her strongest virtue. Pleasing profile with lovely finish. Dark, well placed eyes, plenty of fill and a strong lower jaw. Shoulder is set a bit forward and could use more spring of rib. Good bone and strong pasterns. Beautifully muscled in the rear as result of her correct angles.

Best of Variety

Walsh, Holmes, Hennessy DVM and Brodeur's **GCH WENDIGO PHILGIN DEVILISH DIVA AT PARADIGM** (GCH Corsaire Devilish Delight @Dogmore O'Malvern ex Ch Wendigo Breaking Bad) This exhibit was a super example of a Bull Terrier coming into the ring, ready to win. A bitch that keeps her femininity even though she is quite substantial. Lovely head and expression, dark eyes with small thin ears right on top of her head. Gun barrel straight front with strong pasterns and tight feet. Balanced and well angled, she covered the ring with effortless power and drive. Conditioned like an athlete and shown to her full potential. Well done to her handler.

Best of Opposite

Whitmer and Valizadeh's **GCHB AMAIZE SUPERNOVA** (GCH Yoecky Does Gamin ex Ch D Bar Lady Gaga Tulsa Doom) A well known and substantial, masculine dog. His headpiece is a work of art from his ears to the tip of his nose. It is loaded with fill, strength and balance. One of the best I have seen. He has super balance, angles and sweeping curves. His east and west front is a bit of a misfortune. On the day, he was carrying a few extra pounds and it unfortunately exaggerated the concern with his front. He has a super temperament and was shown with an immaculate coat.

Select Dog

Bavol's **CH OLD ENGLAND'S DAPPER DAN** (Teirwgywn Papergansta At Bullyview ex Old England Imperial Empress)

Judge: Elaine Clark

It was a great pleasure to judge for the Clearwater KC Inc at the Florida Gulf Coast Cluster show and I thank all involved for their kind invitation and generous hospitality. Whilst numbers weren't high, there was an abundance of quality.

Bull Terriers (Coloured)

Open Dog (3/3)

1. Sidecar's Knight in Black Satin – Really handsome and masculine solid black. Would like a little more profile but has reasonable fill. Mouth is a reverse scissor but canines are correct. Well balanced, moving reasonable well both ways on a difficult downward sloping ring
- 2.

Puppy, 9 months and under (1/1)

1. Formula Deliciously Dramatic – Feminine and well marked brindle and white, pretty head with a perfect mouth, a little more fill would complete the picture. Well balanced and with correct bone she moved a little close behind but was good front. Very promising,

Amateur owner handler bitches (1/1)

1. Action Drag Queen – A really attractive brindle and white with a lovely profile, I would have liked to see more width and fill – mouth is perfect. Lovely strong, wide chest and good depth of brisket, straight front. Made well all through with good rear angulation, moved quite well both ways. Very smart.

American Bred bitches (1/1)

1. **Rocky Tops Sweetest Dream** – Beautiful 6 months bitch, full of quality all through. Her head is feminine with a lovely sweeping arc, sufficient width and fill and correct expression. Perfect mouth. Her front is good, although pasterns need to tighten on the move, broad chest and good depth of brisket, well balanced with good shoulder and topline and strong well angulated quarters, she moved well behind.

Best of Variety Competition (3/3)

Best of Variety, Best Owner Handled & Best of Winners – Rocky Tops Sweetest Dream (see critique above)

Best of Opposite Sex – Ch Delicious He's My Brother – I am afraid my recorder hasn't worked for this dog: my recollection is of a handsome, masculine brindle and white with a strong head, great bone and good balance, moving well both ways
Select Dog – Sidecars Knight in Black Satin (see critique above)

Bull Terriers (White)

American Bred Dogs

(2/2)

Oc Mystic's Steve McQueen O'Malvern. Upstanding and powerful white, super head with excellent arc width and fill, mouth is a reverse scissor and canines a little tight. Well balanced with a good broad chest, strong quarters which he used well on the move.

American Bred bitches (1/1)

Old England's Bare Foot Contessa at Adobe. Elegant and attractive white with a powerful and feminine head, good expression, mouth just 2 teeth off. Decent shoulder and topline but just a little long in back. She moved well both ways – a lovely typey bitch

Open Bitches

Formula Auburn Power White Tiger Lady. (apologies, recording failed part way thru this critique) A lovely quality bitch with a super head, very typey and attractive. Good bone, stylish but would prefer a slightly shorter back

Best of Variety Competition

Best of Breed, Best Owner Handled, GCH Wendigo Philgin Devlish Diva at Paradigm:

A really beauty with a super head, lovely profile with super width and excellent fill, all topped off with a correct bite. Excellent show girl and very well handled, she's a good shoulder and topline, well balanced with excellent bone and substance and moving well both ways.

Best of Opposite Sex – GCHB Amaize Supernova. A powerhouse of a dog whom I absolutely loved! Super masculine head with excellent arc, super width and filled right up, his mouth is undershot.

Good neck and shoulder, short back, and strong quarters which he used well on the move.

Best of Winners, Formula Auburn Power White Tiger Lady (see critique above)

Select Dog GCH Old England's Dapper Dan. Upstanding, smart and masculine dog, strong head without exaggeration, a super outgoing showman who kept his handler on his toes, compact and well balanced he moved well both ways when settled.

Victoria Corse

Thank you very much to the BTC of Tampa Bay for their hospitality; they are always so welcoming and kind to their judges. It was a treat to escape the frozen NorthEast and spend a day in sunshine and 70 degree weather

At the risk of sounding like a broken record; shoulder and upper arm placement and length in Our Dear Breed(s) have a long way to go. I was heartened to see some Minis that have made huge strides in cleaning up the front ends, but if earnest efforts aren't made to seek out correct shoulders, upper arms, and fronts, both breeds are going to lose the chance... and their fore-chests.

That being said, I had quality Bull Terriers in my entry, and a big, beautiful entry of Miniature Bull Terriers as well. I was spoilt for choice, and was pleased to send three high quality representatives forward to the Group ring.

COLOURED BULL TERRIERS

Best of Variety

Brown & Brown Ch Delicious He's My Brother (Ch Megaville's Signing Off ex GCh Action Deliciously Divine) Thumping big, brindle dog with a massive, wide head, gentle turn, and lovely width of muzzle. Incisors are correct with one canine tight to the gum. A more obliquely set eye would improve expression. Bone is big and round, carried all the way to tidy feet. He has better than average shoulder and upper arm angles, and beautifully turned and let down rear quarters, supporting a short, strong topline. A lower tail carriage would improve his silhouette. He's an imposing masculine presence, shows himself beautifully, and moves adequately all ways of the ring.

Best of Opposite Sex & Winners Bitch

Wind, Wind & Berez Action Drag Queen (Padhen Hitman ex Ch Action Yankee Queen) Thumping brindle girl, with a long, strong head and good bite. She has a deep body and nice round bone. Her forechest is broad, with very decent shoulder and upper arm angles, and well bent and muscled hindquarters. More fill under the eyes and a bit more length of leg would improve her balance and expression. She moves with drive and purpose all ways of the ring.

Best of Winners & Winners Dog

McLean Sidecar's Knight In Black Satin (Sandstone HonkyTonk Heartbreaker At Broken Arrow ex GCh Broken Arrow Vortex at Sidecar) Solid black dog, with a powerful, masculine head with good length and turn, lovely finish and wicked expression. Bite is just off, canines are correct. He has good bone, a short back and moves well when he settles in. He's still young, and whilst he's sturdily built, he's still lacking adult bulk and substance. More angulation front and rear would improve his silhouette, and his slightly restricted movement, but he's a charming youngster. He was Best of Winners for his balance and expression.

Select Bitch

Jackson & Bavols' **Old England's Voodoo Child** (Emred Huntsman ex GCh Old England Coco Chanel) Pretty black-brindle bitch with obvious virtue, and a correct bite, she just wasn't having a good time in the ring today, and it showed. She has a very pretty head, and is nicely balanced front and rear. Movement was affected by her unhappiness.

Reserve Winners Dog

Lamnecks & Piles **Formula Power Play** (Emred Huntsman ex GCH Action Headed For Power) Big brindle boy, with a long head, and neat ears, he could use more width and strength from the eyes down. Incisors are correct with an inside canine. He's a substantial dog, a touch more bone would benefit his size. Lovely temperament, and moved decently front and rear.

Reserve Winners Bitch

Browns & Piles **Formula Deliciously Dramatic** (Ch Action Devil's Apprentice By Formula ex GCH Action's Formula For A Queen) From the 9-12 month class, and visibly still a baby. She has a pretty, feminine head with gentle turn, nice width and fill, and correct incisors. One canine is tight to the gumline. Beautifully presented, she's a neat package; square and balanced front to rear, with lovely, tight cat feet.

WHITE BULL TERRIERS

Best of Variety

Walsh, Holmes, Hennessy & Brodeur **GCH Wendigo Philgin Devilish Diva at Paradigm** (GCH OC Corsaire Devilish Delight @Dogmore o'Malvern ex Ch Wendigo Breaking Bad) Beautifully balanced young bitch with an absolutely exquisite head piece; filled and turned, with wicked eyes and tidy ears right on top of her head. Her bite is scissors with one tight canine. She has bone appropriate to her moderate size, a short back, well bent quarters, and an elegant neck. Her body depth, and substance are impressive. She moves with purpose and drive all directions of the ring, and was beautifully presented. Her ramrod straight front gave her the edge for BOV.

Best of Winners/Winners Bitch

Bruegger & Piles **Formula Auburn Power White Tiger Lady** (Ch Action Cosmic Cowboy ex GCH Action Headed For Power) Pretty youngster, with a smooth, feminine head with gentle turn, good strength and width, and a deep underjaw. Her bite is scissors with an inside canine. She's balanced front and rear, and will improve with maturity and body development. At present, she is waiting to layer-on some grown-up muscling and substance on that very nice frame. She moves cleanly, if a bit close, which again, should improve with maturity. Beautifully presented, with a cheerful, outgoing temperament. It will be very nice to see how she looks a year from now.

Best of Opposite Sex

Whitmer & Valizadeh **GCHB Amaize Supernova** (GCH Yoekeydoes Gamin ex Ch DBar Lady Gaga Tulsadoom) Beautiful, big dog, who has bone and substance without being coarse. He has piercing expression, tidy ears and big, round bone all the way to his cat feet. His head is a masterpiece of strength and fill, his bite is wrong with ok canines. He's short backed and well muscled, with good bend of stifle, and moves with drive. Beautifully presented, he's an impressive and eye-catching boy, and a statement of masculine Bull Terrier type. He tends to toe out, which cost him in BOV.

Select Dog

Bavols **Ch Old England Dapper Dan** (Teirgwyn Paper Gangsta at Bullyview ex Ch Old England Imperial Empress) Another quality white dog, with a long, strong head, good eye shape and placement, neat ears and a well-developed muzzle with good bite. A more elegant style of dog than the BOV, he's a little more up on leg. Movement was clean all ways off the ring; in beautiful shape and well presented. I preferred the depth of body and chest of the BOS.

Winners Dog

McClamrock & Evans **OC Mystic Steve McQueen o'Malvern** (GCH Crestmont Captain Bravado of Mystic ex Action Lights Action Fame of Malvern) A virtuous, typey youngster, with a good, masculine head, nice expression and strength down to the muzzle. His bite is unfortunately incorrect. He has good round bone, and is balanced and squarely made with nicely muscled second thighs and good rear angulation. He moves very well, with good reach and drive. His topline held him back from Best of Winners.

Reserve Winners Dog

Bavols **Old England Bounty Hunter** (Emred Huntsman ex GCH Old England Coco Chanel) A similarly square and cobby type to the WD, with nice round bone, and a masculine head with good mouth. He is well-angulated in the rear, but has a short upper arm that throws his elbows out and restricts his front movement. He gave way in balance to the WD, moving quite well in the rear, and narrow coming forward.

Reserve Winners Bitch

Veale & Decker **Carradice Classy Lainie** (Highlawn St Peter ex Action Hung The Moon In Carradice) Pretty, moderate sized girl, with a nice turn of profile. She could use more width and power from the eyes down to the muzzle. Bite is good with one canine inside. She's fairly well balanced, a bit more angulated in the rear than in her front end, but moves quite well in all directions.

My thanks to the BTCA and the BTC of St. Louis. Big kudos to the BTC of St. Louis. They really know how to host a weekend. The venue is ample. The lunch and raffle are terrific. Having the minis, as well, adds a more than merrier component. As always, my deepest appreciation to the exhibitors for bringing such a high-quality entry. My take away is that while we have many virtues in our dogs, we need to focus on front-end assembly and keep working away on mouths, especially canines. Thank you all for the pleasure and the privilege.

It was an absolute pleasure and privilege to judge this show. I would like to thank the club for their hospitality, Dale Schuur for stewarding and the exhibitors for the sporting way they accepted my decisions. The quality was of a high standard, as always the preparation and handling was the best anywhere. On the negative side, whilst we judge on positives and virtues, I feel that breeders need to look to their exhibits mouths as many were quite bad.

Would like to see a little less length through the loin. Overall a high quality dog with great virtue.

Reserve Winners Dog

Holsen, Spurr and Quiggle's **AMAIZE THE REVEREND JAMES ORIGINAL** (Ch Megaville's Signing Off ex Ch D Bar Sarah Barracuda Tulsadoom) A strong upstanding boy with plenty of bone for size. His head is masculine with good length, depth and strength albeit lacking a little fill. Strong topline. Clean foreleg with good feet. Would like a little more reach of neck and better shoulder.

Winners Bitch

Pineda's **ARNOLD'S THE MOTHER OF DRAGONS** (Linric's Lion Heart at Arnolds ex Enocks Josephine at Arnold's) Compact feminine bitch that was unfortunately too heavy on the day. Smooth head that is nicely filled and gently turned., Moved decently coming and going. Her excess weight spoilt her topline and she gave the impression she would rather have been anywhere but the show, bless her.

Best of Variety

Whitmer and Valizadett's **GCHB AMAIZE SUPERNOVA** (Ch Yoeckydoes Gamin ex Ch D Bar Lady Gaga Tulsadoom) Very well known white with brindle mark. He captures your attention the moment he enters the ring with his superb type combining substance, depth of brisket, wonderful forechest, bone, shapely body and classic head that is as good as it gets with incredible expression. Marred only by an undershot bite, a slightly high tail set and his front feet tend to toe out letting him down in front movement which cost him in the Best of Breed competition. Overall he completely fills the eye with his powerful virtues and is always beautifully presented.

Best of Opposite Sex

Holsen and Wright's **CH GLENTOM RUN FOR COVER** (Ch Emred Rum Runner ex Ch Glentom Cover to Cover) Gorgeous head on this girl with super expression and neat ears. Bite off. Shapely body with better than average front angles plus a lovely neck. Topline a little soft behind the withers and feet a little flat. Nice bone for size. Overall a quality girl.

Select Dog

Jones, Emmett and Bankus' **GCH BROOKBULLY VICTORY** (Bobuddy Trafalger ex Brookbully Back To Basics) Quality dog that is sound and cleanly made with an exemplary front. Long, wide well filled head with keen expression and ears well-set complete the picture. Well let down behind. Moves freely with good reach and drive. Would prefer a little more length of neck and a slightly shorter back. Shown in gleaming coat. Unfortunate to meet the BOV winner.

Select Bitch

Cournoyer, Wright and Pytko's **GCH GLENTOM PEPPERMINT TWIST AT BYRON** (GCh Glentom's Seeking Fame and Fortune ex GCh Glentom You Were Mint For Me) Similar type to the BOS girl. Strong head with good fill, length and smooth profile. Lovely body lines. Nice bone for size. BOS girl just edged her out in head quality.

BRANDY LET'S GO PARTY BULLTERRIER

**New Brunswick Kennel
Club Raritan Center
Edison, NJ
Central New Jersey Bull Terrier
Club 23 March 2018**

Thank you to the CNJBTC for their impeccable hospitality, and my lovely, cozy judge's gift! (It's a purple fleece jacket with my name & the Club logo on it, and it's MINE.) This club works incredibly hard to make both the exhibitors and judges feel welcome, and then stuffs them with delicious food on top of that. I had a high-quality entry, and some difficult decisions, but was pleased that I sent some really beautiful high quality, typey Bull Terriers forward to the Group. I was really pleased that I had the opportunity to judge both the Bred-By-Exhibitor and Puppy Terrier Groups as well.

Colored

WD: Cooke & Brodeur **PHILGIN PERFECT STORM** (Emred Devil's Advocate ex Philgin Wendigo The Closer) Well muscled brindle & white boy with a big, fat head and neat ears; evil eyes completed his exceptional expression. Mouth not correct. Good bone and a short, strong topline. I'd have preferred cleaner shoulder and upper arm angles. Movement was better going away than coming towards.

RWD: none

WB/BOW: Hagen & Berez **ACTION COSMIC KISS** (Ch Action Cosmic Cowboy ex Ch Kingsfarm Going For Action) Lovely red & white bitch, she's just under a year old. Smooth, long and well-turned head, correct bite with a tight canine tooth, reachy neck and pretty angles in her shoulder. She is still a bit immature, and could use more substance. Her rear is well let-down, and she moves smoothly all ways of the ring. Nicely presented, in excellent condition.

RWB: Browns **DELICIOUS BABY IT'S COLD OUTSIDE** (Emred Devils Tristar ex Ch Action Deliciously Devine) Feminine brindle & white bitch, perfect bite with neat ears and good eye placement. She gave way to the smoother egg of a head, and more power of the WB. Compact little package, bone appropriate to her moderate size, she has a short, strong topline and moves tidily all ways of the ring. Beautifully presented.

BOV/Owner Handler Group 4:

Lindquists & Krukencamps **GCH MADCAP JUMP OVER THE MOON** (Emred Devil's Spy ex GCH Madcap Jump The Broom) Lovely brindle & white bitch, moderate in size with good balance, bone and substance. Incisors are just off level, correct canines. Her head is well turned and filled, with good ear and eye placement and size and excellent strength all the way to her muzzle. She has really pretty angles in her shoulder and upper arm, good topline and depth of body. To be picky, I'd like a bit more muscle and power in the rear quarters to match her exceptional forehand. Beautifully presented, she moves cleanly all ways of the ring.

BOS: Rumer **CH BAKER ST BLAZING SADDLES OF APPRENTICE** (Baker St Back In The Saddle

Again ex Zayadi's Hurricane Hallie) Strapping red & white boy, with massive bone & substance, long, strong and powerful head, level bite and one instanding canine, he has neat ears and well-placed eyes. His front is not his best asset, but he has a short back, beautifully bent rear, and lovely deep body. He's heavily muscled, well-presented and moves with intent all ways of the ring. I was really taken by his masculinity and presence; he's all "Bull" Terrier.

SD: Browns **CH DELICIOUS HE'S MY BROTHER** (Ch Megaville's Signing Off ex GCH Action Deliciously Devine) I'll repeat my critique from January, as it's still applicable: Big, brindle dog with a wide head, gentle turn, and lovely width of muzzle. Incisors are correct with one canine tight to the gum. A more obliquely set eye would improve expression. Bone is big and round, carried all the way to tidy feet. He has better than average shoulder and upper arm angles, and beautifully turned and let down rear quarters, supporting a short, strong topline. A lower tail carriage would improve his silhouette. He's an imposing masculine presence, shows himself beautifully, and moves adequately all ways of the ring.

SB: Racey & Piles **CH FORMULAS POWERFUL SCARLETS WONDER ON BLUE RIDGE** (Emred

Devil's Advocate ex GCH Action For Fame) Nicely made and well balanced red & white bitch, she has a pretty, well turned head with good width and fill, nice muzzle strength. She has a correct bite with one instanding canine. I like the sweep of her lines, I'd prefer a bit shorter topline and more depth of body. Well presented, and she moves tidily all ways of the ring.

AOM: Prater-Piles **CH FORMULA FOR A POWER FILLED GINGER** (Emred Huntsman ex ActionHeaded For You)

White

WD: Jaspers **NOTORIOUS BIG MAC ATTACK** (GCH Notorious Never Say Never ex Notorious Nevermore) Breathtaking head on this moderately sized white boy; evil little eyes and neat ears, long, strong and powerful with a deep, wide muzzle and perfect bite. He is well muscled, short back and well bent rear; moves with power all ways of the ring. I'd prefer a bit more leg under him, but he's a masculine and virtuous dog.

RWD: Pappafotis & Clayton **SORABULLY'S IT'S ABOUT TIME** (GCH Allegro Rockstar ex Sorabully's Iron Empress) A upstanding dog, with a pleasing head, gentle turn and nice length offoreface, good mouth and well placed eyes. He is well balanced in his front to rear angles, and has good substance and a short back. He moves cleanly when he settles down. I preferred the more compact body style and power of the WD.

WB/BOW: Whitman & Gardner **BOBKAT WHITE HOT INDULGENCE** (GCH Bestuvall White Hot ex GCH Apprentice Heroine at Bobkat) From the Am Bred Class, she was all alone, but caught my eye immediately. This is a lovely, one piece, balanced bitch, with a beautiful sweeping

silhouette, strong topline, and well balanced angles front to rear. She has a long head with good width down to her muzzle, scissors incisors, and one canine instanding. Her movement is powerful and clean all ways of the ring. To be picky, she's a bit out of coat and her skin pigment is showing through, but it's a minor quibble for a very virtuous bitch. Nicely presented, in excellent body condition, she pressed hard for BOS.

RWB: Russos & Troy **BULLHILL BW TROUBLES FIRST FLIGHT** (Ch Magor Born To Fly ex BullyhillKaleco Flirtin' With Trouble) Another very pretty bitch; long and nicely turned head, with good width and fill. Her bite is off, one canine quite misplaced. She has good angulation front and rear, moves well when she settles. She is on the rangy side; at not quite two years old she still needs to fill in a bit more, but she has "good bones" and it will be interesting to see her fully mature. Presented in beautiful condition.

BOV: Whitmer & Valizedeh **GCHB AMAIZE SUPERNOVA** (GCH Yoekydoes Gamin ex Ch Dbar Lady Gaga Tulsadoom) I have always loved this impressive, masculine dog. He has good bone & substance, and a breathtaking head-on expression, with width and fill of head, evil eyes, and little ears impeccably placed on top of his head. His bite is not correct. He is short backed, balanced front to rear, and moves with drive and purpose. I'd like a slightly cleaner front, but he has masculine virtue and beautiful presence. Immaculately conditioned and presented, and a worthy BOV.

BOS: Alzapiedi & Wiggins **CH YORK GLAMOUR & GLITZ** (Emred Devil's Advocate ex York White Moon) Very pretty, feminine bitch, with a lovely turn of head. Her mouth is just under, with a tight canine. More width of head, especially at the muzzle, would improve her head-on, but she has neat ears and wicked, little eyes. She's quite well-made, balanced front to rear in her angulation, and moves as well as she's constructed. I really like her silhouette, type and balance. She's in excellent conditions and presented beautifully.

SB: Glaser & Lindquists **CH MADCAP JUMP FOR JOY** (Emred Devil's Spy ex GCH Madcap Jump The Broom) Lovely bitch, moderate in size, with appropriate bone and substance. She has a powerful, packed-up, turned and filled head, her bite is incorrect. She is a compact a really well-balanced package; all her bits fit together in a harmonious whole, and she has gorgeous, "varminty" expression and type. She pressed hard for BOS, but I preferred the silhouette of the eventual winner on the day.

Winners Dog and Best of Winners

Cooke's **PHILGIN PERFECT STORM** (Emred Devil's Advocate ex Philgin Wendigo The Closer) Brindle and white boy. Nice head, enough turn, decent fill and with good strength of underjaw. Moderate shoulder layback, short back with shapely topline, nice rear angulation. Strong and athletic, this boy wants to GO! He moved out strongly all ways of the ring with lots of drive from behind.

Winners Bitch

Prater-Piles' **FORMULA FOR THE POWER OF MOONLIGHT** (Emred Huntsman ex GCH Action Headed For Power) This petite tricolor jewel is just my style. Typey from stem to stern. Head like a football, totally turned and filled, with wicked little eyes that are dark as can be, tiny erect ears. Head handles extremely well. Mouth off. Lovely shoulder, shortest of backs, nice rear angulation. Really good bone and tremendous ribspring for a bitch of this size and type. Moved well in front, a bit closely behind, she exhibited a true jaunty air. A close call over a lovely RWB.

Reserve Winners Bitch

Hagen and Berez' **ACTION COSMIC KISS** (CH Action Cosmic Cowboy ex CH Kingsfarm's Going for Action) Red and white bitch who needs a bit more time to mature, but what a lovely package! Head is long and strong with decent fill under the eye, good eye placement and shape, neat erect ears and a lovely bite. Long neck into a nice lay of shoulder, short back, shapely topline and good rear angulation. Chest is deep, but needs more time to fill out and spring rib. She moved out well all ways – beautiful clean front, especially lovely side gait. This is one to watch for!

Best of Variety

Perrott and Berez' **CH ACTION DEVIL'S APPRENTICE BY FORMULA** (Emred Devil's Advocate ex GCH Action Headed For Power) A dog I have admired from ringside – I was happy to finally get my hands on him in the ring. LOTS to recommend here: fat, filled up head with strength throughout. Lovely turn, strong underjaw, good dentition. Neat earset. Gorgeous red brindle coat. Strong round bone all the way to his neat cat feet. Nice layback to the shoulder, big ribspring, tons of substance without an ounce of fat. Lovely short back with strong topline without a hint of weakness. Decent rear angulation. He moved cleanly in front, a bit closely behind, but with strength and agility. Lots of dog in a moderately sized package. Easy winner in some tough competition.

Best of Opposite Sex

Racey and Prater-Piles' **CH FORMULA'S POWERFUL SCARLET'S WONDER ON BLUE RIDGE** (Emred Devil's Advocate ex GCH Action Headed For Power) This red girl grew on me the longer I looked at her. Lovely turned and filled up head, her eye could be darker, but well placed on the head, neat earset. One tight canine. Lovely long neck into the shortest of toplines, decent shoulder and rear angulation. Nice tight feet. Good bone for size. Moves as made, cleanly in front and a bit closer behind. She had more scope than the competition and my eye kept returning to her. Presented in hard, fit condition, this one is all Bull Terrier.

Clayton's **SORABULLYS ITS ABOUT TIME** (GCH Allegro Rockstar ex Sorabullys Iron Empress) Moderate in every way, this white boy has a gently turned head with decent fill under the eye, nice eye placement, neat erect ears. Nice expression. Good mouth. Nicely muscled neck into a cleanly laid shoulder, short strong topline and well-angulated rear. Lovely forechest, ribspring and overall outline. Sound as they come, he moves cleanly and all of a piece. A good honest dog, beautifully constructed and asking for the win. I was happy to oblige.

Reserve Winners Dog

Jaspers' **NOTORIOUS BIG MAC ATTACK** (CH Notorious Never Say Never ex CH Notorious Nevermore) A youngster with a beautiful headpiece and wicked expression. Head is strong and wide, lots of fill, plenty of turn, tiny eye, neat ears. Good length of neck, decent shoulder and rear angulation, topline a bit flat. Nice bone. Quite a promising young boy, he just needs time to mature.

Winners Bitch, Best of Winners and Best of Variety

Berez' **FORMULA COSMIC CONNECTION TO ACTION** (CH Action Cosmic Cowboy ex CH Kingsfarm's Going for Action) Stunning white bitch who has so much going for her, it will be hard to hit all the highlights. Head is turned and very well filled with a broad muzzle, lovely dark eye, neat erect ears. Head has lots of strength, very good depth and strength of underjaw. Good bite with one tight canine. Well muscled neck into a good layback of shoulder and strong topline with good rear angulation. Lovely clean front with elbows well tucked. Tons of bone and substance, lots of ribspring. Moved powerfully all ways of the ring, although a bit closely behind. This is a classy package with great virtue of head quality and bone and substance. The only thing I didn't like about her? She isn't mine!

Reserve Winners Bitch

Whitman's **BOBKAT WHITE HOT INDULGENCE** (GCHB Bestuvall White Hot ex GCH Apprentice Heroine at Bobkat) A lovely white bitch with black ears, she was unfortunate to run into the winner today. Really nicely turned head with good fill, eyes well placed on the head, good dentition, neat ears. Lovely arched neck into a solid topline of moderate length. Good angulation to the shoulder, just enough rise over the loin, nicely muscled/angulated rear. Strong bone and tight feet. Lots of quality throughout. She moved well coming and going with a typical jaunty air.

Best of Opposite Sex

Whitmer and Valizadeh-Whitmer's **GCHB AMAIZE SUPERNOVA** (GCH Yoeckydoo's Gamin ex CH D Bar Lady Gaga Tulsadoom) Well known white dog, whom I have judged several times before. Head is broad and completely filled, nicely turned, and with a strong underjaw. Mouth just off level. Tiny dark eyes yielding wicked expression. Strong arched neck into a solid topline. Decent shoulder and moderate rear angulation. Extremely masculine with heavy round bone and a ton of substance and ribspring. Stands with one front foot turned out, but what a small price to pay for a dog of this quality! Moves with purpose and drive.

Keen expression with well-setdark eye. Mouth correct. Good length of neck leading into strong topline. Better than average front structure and well let down behind. An honest compact dog with a nice short back and deep well rounded rib. Solid topline with good round bone leading into strong pasterns and cat feet. Headlacking some in profile. Congratulations to her breeders and owners.

O'Driscoll's HAWTHORN EARRACH ARDAIGH (Zappy Zack Timar ex GCH Emred Belle) A tough choice between this one and the winner. Big strong brindle and white girl with a really powerful head that has combines great strength, length, width and depth of muzzle. Pleasing profile. Correct mouth.Good eye but expression somewhat spoilt by low ear set. Very good bone right through to her feet.

Notable front structure with good shoulder and upper arm angles and a nice strong visible forechest. Welllet down behind. A little long through the loin. Moved well in front but close behind.

Best of Variety and Best of Breed

Still has some maturing to do but all the pieces are there and are smoothly connected from head to tail. Very good bone and good depth of rib. Strong pasterns leading into nice tight cat feet. Good front angles and well let down quarters. Moved quite well both ways with a slight edge to front movement. Best youngster to come along in a while. Looking forward to watching him blossom. Patterson and Wright's GCH GLENTOM'S SPYCATCHER (Emred Devils Spy ex GCh Glentom Rules Were Mint To Be Broken) Strong handsome brindle and white with a powerful football of a head that is completely filled, has great width, depth and turn. Keen dark eye and neat ears offer desired expression. Lovely neck leading smoothly into his topline. Excellent bone with good straight foreleg and nice cat feet. Deep well sprung rib. Could wish for a little more bend of stifle and he tends to be a somewhat layed back in the ring. Would love to see what a difference it would make if he were to give it this all. He captures your attention the moment he enters the ring with his superb type combining substance, depth of brisket, wonderful forechest, bone, shapely body and classic head that is as good as it gets with incredible expression. Marred only by an undershot bite, a slightly high tail set and his front feet tend to toe out letting him down in front movement which cost him in the Best of Breed competition. Overall he completely fills the eye with his powerful virtues and is always beautifully presented.

Barbary Coast Bull Terrier Club/Northern California Terrier Association

JUDGE: Mrs. Gayle M. Denman

First, let me express my appreciation to the BCBTC for the invitation to judge, the club members who made the weekend enjoyable with their wonderful hospitality and to the breeders, exhibitors, and owners for their efforts and entries. I was surprised and delighted to receive a hand-made box with a photo of my two retired champions, Bindi and Abi, embossed on top. It was such a thoughtful gift and was made by our very own talented breeder judge, Jan Dykema.

The entry was well supported and the 3 point ROMS held making for an exciting judging assignment. At the end of the day, both varieties of the bull terriers and the miniature bull terrier were highly competitive in the NOHS group competition at The Northern California Terrier Association. Awarding a NOHS Group I to a bull terrier at this competitive terrier group show was a true delight. Thank you and keep up the good work.

Many thanks to BTC of Philadelphia and the many exhibitors who ventured out for this weekend. Whether exhibiting or judging, this is always an enjoyable weekend, with good friends, good hospitality and delicious food. I really liked this venue, a very pleasant State Park, a great place for an outdoor spring dog show. A good entry both in numbers and quality, and the winners were, I thought, extremely high in quality and would be competitive anywhere. Sportsmanship was on display and I enjoyed meeting and getting to know some of the newer members, as well as longtime friends and acquaintances.

COLORED 4-1(3-4) 4 Absentees

WD, BOW- Rodin & Jaspers **NOTORIOUS BLACK GOLD** (Ch. Rhydaman Goldfever ex Notorious Black Widow) Impressive black brindle and white dog. Impressive bone and substance, very masculine. Head is very pleasing with nice profile, very good fill, width and length. Good expression and good mouth.

Pleasing outline and shape. Moves better than average both ways. To be critical, I could wish him a bit shorter in loin and a touch less springy in topline on the move. None the less, a very high-quality dog.

RWD- Cooke & Brodeur's **PHILGIN PERFECT STORM** (Emred Devils Advocate ex Philgin Wendigo The Closer) Beautiful mahogany brindle and white dog. Very typey with very good bone and substance for size. Nice neck, slightly upright shoulder, short back and very good quarters. Head is well turned and filled, with outstanding expression. Unfortunately, foreface is rather short and consequently the mouth is decidedly off. I loved him for his type and quality!

WB- Baxter & Brodeur **WENDIGO PHILGIN BRAZIN AT DOGMORE** (GCh OC Corsair Devilish Delight @ Dogmore O'Malvern ex Ch Wendigo Breaking Bad) Substantial black brindle bitch. Excellent bone and substance. Head has good power and turn, moderate length, nicely filled. Mouth just a couple of teeth off. Fairly cobby body with good rib spring and strong topline. Moderately angulated at both ends, she moves fairly well in front and just a bit close behind. Should make an excellent brood bitch as she has much to offer.

BOV – Troy's **CH BULLYHILL BW SIMPLY IRRESISTIBLE WHEN FLIRTIN** (Magor Born To Fly ex Bullyhill Kaleco Flirtin With Trouble) Substantial upstanding brindle and white bitch. Beautiful head piece, well turned and filled with excellent expression. Loads of quality, nice neck, shoulder and topline. Well angulated quarters. Moves fairly well both ways. One of those that just grabs you as she walks in and didn't do anything to disappoint when I went over her.

Three dogs competing for this spot, each with things to recommend and a tough choice here today.

BOS – Brown's **CH. DELICIOUS HE'S MY BROTHER** (Ch. Megaville's Signing Off ex GCh. Action Deliciously Divine) Brindle dog who is quite typey and cobby. Very good bone and substance, moderately angulated and balanced front and rear. Really excels in this department. Head is masculine with a nice turn and

moderate length, good mouth. Expression is good. Could just wish for a bit more strength of muzzle. Won because of his typiness, substance and balance. Beautifully presented.

SELECT DOG Rumer's **GCH. BAKER ST. BLAZING SADDLES OF APPRENTICE ROM** (Ch. Baker St. Back In

The Saddle Again ex Zayadi's Hurricane Hallie) Red and white dog who impresses with his bone, substance and masculinity. Very impressive head piece with good length, well filled and nicely turned. Very good expression. Moderately angulated both ends with fairly short strong topline. Really loved him standing, just so masculine. Moving he's a bit bully both ways, still a lot to like and great virtue to appreciate.

SELECT BITCH- Lindquist & Krukenkamp's **GCH. MADCAP JUMP OVER THE MOON** (Emred's Devils Spy ex GCh. Madcap Jump Over The Moon) Moderate sized more terrier style bitch with excellent quality and proportions. Head is pleasingly well turned with good fill and good expression. Nice neck and shoulder, with good topline. Bone and substance appropriate for size. Outstanding presentation. Went back and forth with BOV as these two are very close in quality but of decidedly different styles, could easily go the other way on a different day.

White 4-5(1-2) 1 Absentee

WD, BOW- Jasper's **NOTORIOUS BIG MAC ATTACK** (Notorious Never Say Never ex Ch. Notorious Nevermore) Moderate sized white dog with very good bone and substance. Typey and short backed, he's a good square mover both ways. Head is well turned, nicely filled and with an outstanding expression. Pressed hard for BOV against another terrific dog.

RWD- Jasper's **NOTORIOUS ATOMIC BOMB** (Notorious Big Mac Attack ex Notorious No Doubt) White puppy with a striking head and expression. Excellent bone and substance for such a young dog. Very typey proportions. While young, he's everything you want him to be at this age, with several outstanding virtues. Found out later WD is his father, and they share many similarities. Will watch with some interest to see how he grows up.

WB- Whitman & Gardner's **BOBKAT WHITE HOT INDULGENCE** (GCh. Bestuvall White Hot ex GCh. Apprentice Heroine At Bobkat) Upstanding white bitch. Pretty headpiece with nice turn, good length and width and nicely filled. Good neck and shoulder, solid topline. Moves pretty well in front, just a bit close behind. Bone and substance is good for size, just a nice quality all around bitch.

RWB- Bozian's **EMRED DEVILS MOON OF BULLYAYR** (Emred Devils Tri Star ex Emred Dear Prudence) Puppy white bitch of very good quality. Head is gently turned with moderate length and fill.

Outstanding expression. Moderately angulated at both ends, she is well balanced with appropriate bone and substance for size and age. An interesting package at this point, it will be fun to see if maturity finishes the picture.

BOV - Whitmer & Valizadeh's **GCHB AMAIZE SUPERNOVA ROM** (GCh. Yoekey Does Gamin ex Ch. D Bar Lady Gaga Tulsadom) Good sized white dog with excellent bone and substance. Typey and short

backed, he's a good square mover both ways. Head is well turned, impressively filled and with an outstanding expression. Moves well both ways. This is an outstanding dog with a slight mouth fault.

BOS – Alzapiedi & Wiggins **Ch. York Glamour & Glitz** (Emred Devils Advocate ex York White Moon) Moderate sized white bitch. Impressive quality with a lovely smooth and well-turned head piece. Nicely filled and excellent expression. Body is shapely with a nice neck and shoulder, good topline and quarters. A touch long in loin but is otherwise well balanced.

SELECT BITCH- Glaser & Lindquist's **CH MADCAP JUMP FOR JOY** (Emred Devils Spy ex GCh. Madcap Jump The Boom) Another moderate sized white bitch, a bit cobbier than BOS. Similar quality head piece, nicely turned, with good fill and width. Nice neck and shoulder, short back, good quarters. Moves OK in front and just a bit close behind. Decided mouth fault, but a bitch of significant merit just the same.

Thank you to the BTC of Philadelphia for this challenging assignment; I enjoyed every minute of it! It was a cool, damp morning in a lovely state park and we were fortunate that the rain left us alone for a few hours. Thank you to the exhibitors for bringing such strong quality. During my judging, I had three exhibitors apologize for being both new and very nervous. I just want to say that all new exhibitors are welcome, we need you and our Bull Terriers need you. We all came into the ring the first time and you have nothing to apologize for. We are here to help and if you have questions, just ask! So many of us worry that younger folks aren't coming into the sport as fast as the 'older folks' are leaving us. The key to enjoying the sport of dogs and breeding sound, typy, healthy Bull Terriers, is good mentoring. Find someone you are comfortable with and ask for mentoring. Don't ever think that being new or being nervous is a fault, it just means you care!

Best of Opposite Sex

Main and Wiggins **CH YORK DARK MOON RISING** (Emred Devils Advocate ex York White Moon) Very masculine and heavy boned, tri-colored boy. Lovely packed head with intense expression. Moved well and his handler got the best out of him.

A bit easty westy in front, good bone and some beautiful, shapely round muscle.

Thank you to the Philadelphia Bull Terrier Club for the invitation to judge at this supported entry. I love outdoors spring shows, and although the weather was a little bit chilly, I think the dogs thoroughly enjoyed it. Thank you to the breeders/exhibitors who brought me so many really super good dogs. There were far more deserving exhibits than I had rosettes to give today; a great thing for the breed.

Colored

WD – Cooke & Brodeur's **PHILGIN PERFECT STORM** (Emred Devil's Advocate ex Philgin Wendigo the Closer) – a stunning headed brindle/white dog with tiny eye, tremendous fill and exceptional profile. His bite is wrong but I felt his virtues well off-set the fault. He has good bone, a lovely front, very true on the go, OK on the come. Lovely reach of neck and overall decent structure.

RWD – Johnson, Murphy & Dominico's **BALLY'S HANK YOU VERY MUCH** (GCh. Winsor & Legacy Red Hot Habanero ex Ch. Debully's Snow Angel) – very promising red/white dog puppy with long, well turned head, perfect bite, good head power and overall well filled but not quite as well filled as the winner and his eye is only adequate. Pretty good structure with moderate angles, nice bone, compact proportions with lovely reach of neck. I gave the winner a little more credit in terms of tidiness of front today. Still needs to body, but given maturity I feel he will do quite well.

WB/BW/BV – Hagen & Berez's **ACTION COSMIC KISS** (Ch Action Cosmic Cowboy, CGC ex Ch Kingsfarm's Going For Action) – exceptionally lovely red/white bitch with all the details. She has a lovely headpiece with beautiful profile, fill, lovely eye and ears, decent mouth. Lovely reach of neck and very nice angulation, well balanced, beautiful gunbarrel front. She could have a little stronger rear on the go but all in all I felt this bitch was full of virtue with nothing to detract. I will comment the specials entry was very competitive and there were several extremely lovely specials in the ring.

RWB – Baxter & Brodeur's **WENDIGO PHILGIN BRAZIN AT DOGMORE** (GCH OC Corsaire Devlidh Delight @ Dogmore O'Malvern ex CH Wendigo Breaking Bad) – thuggy almost solid black brindle with wonderful width of head and fill, bite off, small eye, good bone, overall decently made though not as compact and well put together as the winner.

BOSV – Rodin & Japser's **NOTORIOUS BLACK GOLD** (CH Rhydaman Goldfever ex Notorious Black Widow) – striking black brindle/white dog with a lovely outline although he could be a little shorter backed. His head is long and beautifully turned, excellent fill and good eye, good reach of neck, well made, good body lines and lovely substance. I would have liked him a little stronger on the go and unfortunately he toes out in front.

SD – Brown CH **DELICIOUS HE'S MY BROTHER** – a nearly solid vivid brindle dog who is very wellmade and challenged the winners. Good bone, good feet and stands well in front. Good shoulder, well let down in hock, he is well made and covered the ground well. Although his head is powerful and filled I felt the winner was a little better here although this boy has a really lovely eye. I think I would prefer a little larger head to balance his outline and he is quiteproud of his tail.

SB – Racey & Piles' CH **FORMULAS POWERFUL SCARLETS WONDER ON BLUE RID** – extra pretty

little red/white bitch whom I was immediately impressed with. I loved her wonderful head profile and small ears, good fill and acceptable bite. She is well made and stands well in front. I wanted just a little more bone to complete the picture but she is top notch.

White

WD/BW/BV – Jasper's **NOTORIOUS ATOMIC BOMB** (Notorious Big Mac Attack ex Notorious NoDoubt) – an absolutely stunning 6 month boy who looks every bit his age. This boy's headpiece is absolutely beautiful, his profile is long with a screaming arc, high set small wonderfully shaped eye, excellent fill for one so young and his bite was acceptable. Well boned and his body is where it should be in terms of substance. He stands up on a lovely straight front, is well enough made and provides good evidence of strong movement to come with strong push through his hocks. I definitely hope he grows on with all the potential I see in him today.

RWD – Jasper's **NOTORIOUS BIG MAC ATTACK** (Ch Notorious Never Say Never ex Ch Notorious Nevermore) – a top flight boy, beautiful substance, lovely head with good fill, acceptable bite, nice reach of neck and overall good structure. He stands well in front with beautiful straight forelegs. He moved nicely. I learned he is the sire of the winner and am not surprised.

WB – Whitman & Gardner's **BOBKAT WHITE HOT INDULGENCE** (Ch Bestuval White Hot ex Ch Apprentice Heroine at Bobkat) – lovely girl with brindle ears. She has a beautiful headpiece that is long and beautifully curved with depth and wonderful underjaw. Good eye and acceptable bite. Nice reach of neck and well made with lovely angles. Good front and good bone.

RWB – Bozian's **EMRED DEVIL'S MOON OF BULLAYR** (Emred Devil's Tri Star ex Emred Dear Prudence) – promising puppy bitch with lovely profile and eye, good fill, would like a little more underjaw on this girl. She is overall reasonably well made. Nice bone and front.

I want to mention here my Open Class bitch winner **Sancrant's Javarke Aldora at Vesper** as I thought this an absolutely outstanding bitch in all aspects but she was uncomfortable in the ring today. I hope she learns to like the ring as I just loved her.

BOSV – Whitmer, Kilpatrick & Roff's **GCHB. BILLIANBULLY BELLIGERENT AT BOBUDDY**

(BoBuddy Trifalger ex Seasons In The Sun At Billianbully) – I don't judge often but I think this is my 3rd time with this bitch in the ring and she never fails to impress me with her stunning

“show horse” posture. I can’t describe it but I’ve never seen it in any other bull terrier ever. She has a gorgeous head, arched neck and lovely make and shape. She needs a little more bone and could stand a little more solid in front but her owner is blessed to be able to spend every day with this amazing work of art.

SD – Whitmer & Valizadeh’s **GCHB. AMAIZE SUPERNOVA, ROM** – I had this boy as a young puppy and he’s grown on majestically. So typey, his head is so wide and filled, great substance and quality in this dog. His head profile is very good and his underjaw gives him the such power, tiny eye, bite is off. He is well made and in immaculate condition. Although his forelegs are straight he stands toed out in front. I love the power and type of this all quality dog but I ultimately gave way to the supreme head type and cleaner front of the winner today.

SB – Alzapiedi & Wiggins’ **CH YORK GLAMOUR AND GLITZ** – beautiful bitch, loved her headpiece with length, profile and excellent fill. Clean front, good reach of neck, overall nicely made. She is not quite so compact as the bitch above her but this is an exceptionally good one.

Thank you to the BTFA and its members for inviting me to judge; as always, the hospitality was thoughtful and the show well-run. Despite the small entry, I had some lovely Bull Terriers to choose from, and was very pleased to send typey animals forward to the Group. I'd recommend entering this weekend; hotels are reasonable, it's about an 8-10 hour drive from most of the New England & Mid-Atlantic states, and an even shorter trip from the Mid-West. Just plan your border crossing carefully, and have all your documentation, especially for your dogs, in order.

Any Club member will be happy to help you make sure you know what you need, and what you absolutely should leave at home.

WINNERS DOG/BEST OF OPPOSITE SEX

Wiggins & Main **AM CH YORK DARK MOON RISING** (Emred Devil's Advocate ex York White Moon) Substantial tri-coloured dog, with a powerful, rather angular head. Eyes are well placed. His canines are inside, incisors level. He has a short, strong topline, with well muscled quarters, and a beautifully boned front, with neat feet. His movement is better in front than rear; he shows himself really well, with a delightfully "jaunty" presence.

RESERVE WINNERS DOG

Kaber & Uplinger **AM CH ANNWN NATURAL HAT TRICK** (Skyline Notorious Defender ex Ch Annwn Cant Get Enuf) Terrier-style white dog with an elegant head, very neat ears and good eye shape and placement. Canines are inside, incisors correct. He has a short back and well bent rear, he could use a bit more bone, and a little more scope overall. Beautifully presented, and very pleased with himself, he's a fun dog to watch.

WINNERS BITCH/BEST OF WINNERS/BEST OF BREED

Piles & Berez **AM CH FORMULA FOR A POWER FILLED GINGER** (Eng Ch Emred Huntsman ex AmCh Action Headed For Power) Statuesque red & white bitch, with a long, beautifully turned head. She has good width down to the muzzle, and a deep, strong underjaw, with perfect dentition. Her neck is well arched, and her over-all body condition is impressively muscular and fit. She has adequate bone for her size, tidy feet and moves with power all ways of the ring. Her shoulder angles are not her strength, but she had the overall virtue to carry her to Best of Breed.

RESERVE WINNERS BITCH

Uplinger & Uplinger **IMPERIAL KISS KISS BANG BANG** (Ch Brookbully Big Bang ex Imperial Kiss After Dark) Elegant brindle & white youngster, with a very pretty head. She is still very immature through the body, so appears long. Her angles are balanced front and rear, and while her movement is untidy, it appears to be more a function of immaturity than structure. She has appropriate bone for her size, and showed with enthusiasm.

COLORED

Winners Dog

Wasserman and Parker's **NUANCE NAME IN LIGHTS** (CH Soquel Millenium Seafarer ex CH Nuance Nonetheless) Moderate in size, rich brindle and white dog with lots to like. His head is full front oval, wide muzzle and good expression. Muscular neck comes into a good shoulder with a slight dip behind the withers. Straight front, adequate bone. (CH Megaville's Signing Off ex CH D Bar Sarah Barracuda Tulsadoom) Masculine, heavyweight dog with a small, left brindle eye patch. Head is long and strong with a well defined under jaw. Could use a bit more fill and width of muzzle. Straight front with strong, upright pasterns. Good shoulder and a deep rib cage. Back is strong and ends with a low tail set. Moved well, he knew his job!

Reserve Winners Dog

Heniser's **ENVOYS HARD CIDER BN RN** (GCHB Magor Galactic Agent ex CH Envoy Return to Rome) Massive, big boned dog who is very nicely balanced. Strong head but his eye pigmentation detracts from his expression. Straight front with good feet. Plenty of forechest and well laid back shoulder. Good balance and nicely angled. Was shown in super condition and his handler exhibited him beautifully.

Winners Bitch

An outstanding few hours in a large air conditioned venue with an assortment of very good Bull Terriers. Type abounded, the great majority of mouths were correct, construction was of a high order, which mirrored in the movement. What more could one ask for? I really enjoyed my first visit to this show, thank you. The barbeque was a memorable night cap.

Best of Variety

Davis & Smith **CH MAGOR GALACTIC AGENT** (Emred Huntsman – Magor Moulin Rouge) A short backed muscular, symmetrical and active Red Smut. His head displays depth of muzzle, well defined under jaw, with proportionate downface and fill. Mouth reverse scissor. Body well rounded with marked spring of rib. Stand firmly on straight front legs. Quarters exemplary. Moves smoothly over the ground with a free easy stride.

Best of Opposite Sex

Smith & Byzewski **CH MAGOR NEW MOON RISING** (CH Magor Pretty Fly 4A White Guy – CH Magor Millenium Moonstruck) Rich brindle who is correct before and aft with a well-rounded body in between. Topline according to the standard with tail set on low. Feminine head with power, but no hint of coarseness. Fore and hind legs moved parallel each to each coming and going.

Select Dog

Hopkins **GCH SANDSTONE'S HONKY TONK HEARTBREAKER @ BROKEN AR** (GCH Tulsadoom Abi Albon – Caben Making Muse-ic with Sandstone) A cobby black brindle of good bone and substance. Head strong and with fill. Stands firmly on straight front legs, but weakish rear. Back short and strong a very useful attribute for a stud dog.

Select Bitch

O'Driscoll **HAWTHORN EARRACH ARDAIGH** (Zappy Zach Timar – GCH Emred Devils Belle) Sister to the Best of Winners and very like her in many ways. Very feminine despite having immense bone and substance. Attractive head with downface and fill. Mouth correct. Back shorter than her sisters. Move with free easy strides when it suited her. Squarish in outline with correct topline. Correct in front and rear. Pushed hard for the BOS spot. Still only eighteen months old!

WHITE

Winners Dog

Spurr & Quiggle **AMAIZE THE REVEREND JAMES ORIGINAL** (CH Megaville's Signing Off – CH D Bar Sarah Barracude Tulsadoom) A well-proportioned white carrying brindle who has an attractive head with the required downface, roman finish and fill. Ears rather large. Muscular long clean neck joining a body with a marked spring of rib. Correct topline. Moved smoothly in spurts.

Reserve Winners Dog

Winners Bitch, Best of Winners and Best of Opposite Sex

Cox **SOME OKIES WICKEDLY WHITE MAIDEN** (CH Kingsfarm Hot Classy Devil @ Some Okies – Some Okies Ironmaiden) A loosely built bitch who, under the guidance of her handler, settled into an eye catching picture with a powerful head and downface, fill and a very good eye. Nicely arched neck leading to a well ribbed body with great depth from withers to brisket. On the move, her forelegs reached out and her stifles flexed well. Untidy ears.

Reserve Winners Bitch

Quiggle & Spurr **AMAIZE BETSEY BARBOUR** (CH Megaville's Signing Off – CH D Bar Sarah Barracuda Tulsadoom) A very tidy bitch who was within a whisker of being winner. Well

balanced, correct in front and rear and of good type. Strongish head with gentle curve set on to a clean arched neck. Stood firmly on front legs and had a well bent stifle. Moved compactly and in one piece.

Best of Variety

Jaspers **CH NOTORIOUS BIG MAC ATTACK** (GCHS Notorious Never Say Never – CH Notorious Nevermore) A cobby dog with a piercing expression. Plump head with a gentle downface, good fill and well defined underjaw. Correct bite. Broad in chest with great depth from withers to brisket. Strong in shoulder without heaviness. Forelegs straight, well set under and of moderate length. Covers ground well with fore and hind legs parallel when viewed coming and going. Not overly exuberant which detracted from the overall picture.

Select Dog

Whitmer & Valizadeh **GCH CH AMAIZE SUPERNOVA** (GCH CH Yoeckydoes Gamin – CH D Bar Lady Gaga Tulsadoom) Another very good dog with tremendous virtue and type. Pushed really hard for the top spot, but being overweight didn't help his cause. None the less, he has a very good long strong head with downface and a small triangular eye. Reverse scissor bite. Rounded body with well layed back shoulders. Correct in front and rear. Movement suggested agility and power.

Select Bitch

Wright and Wright GCH GLENTOM PEPPERMINT TWIST AT BYRON (GCH Glentom's Seeking Fame and Fortune – GCH Glentom's You Were Mint For Me) Has many virtues, but these didn't knit together because of a less than an enthusiastic performance. Had downface and fill with a well-placed small triangular eye. Muscular neck which flows into a broad deep chest. Topline slack. Moved smoothly in short spurts. Look forward to seeing her on a better day.

LADIES KENNEL CLUB

Sunday June 3, 2018

Judge: Franne Berez

I would like to thank the Bull Terrier Club of New England for the invitation to judge LADIES KENNEL CLUB , one of the year's most beautiful venues, along with my good friends Mark Young and Russel Lamonby .The day had beautiful weather, great hospitality and was followed up by a club party that was a feast of food-lobsters, clams, and summer corn . A wonderful experience to share.

I apologize for the tardiness of this critique, Just as I was completing it, I received the sad news of the death of Russell and just could not complete it ,thinking of this show as the last time I would ever see him , Many of my winners on the day were sired by one of his dogs, as are many of the dogs I judge around the world. Russ is gone but the EMRED legacy will live on for many years to come through his remaining stud dogs and in the hearts of all the people whose lives he touched,

I would like to extend a warm thanks also to the local miniature bull terrier club for providing so many virtuous dogs for me to judge, I have not judged much in the USA due to the amount of showing that I still do. I thank Trish Murphy for twisting my arm as I had the most fun with these little minis and their owners, When I approached the first one on the table I was hooked and in love, They are adorable.

I also would like to thank both clubs for the effort they put into hospitality and my judges' gift of beautiful collectable bull terrier plates, It's so nice to see the minis and bull terriers clubs working together to put on a great show, Even though it was a Sunday show, your hospitality was grand and your weather was perfect,

Solid black brindle evil looking type and very promising youngster. This showman has an eye-catching headpiece, well turned and filled and set off by a tiny black eye placed well up on head and set off by small ears. Mouth correct on show side and a bit off on the other side, Lovely bone down to cat feet and shapely silhouette viewed from the side Moves with good reach maintaining topline. Rear could use a bit more development which will probably come with his age, I enjoyed the view from the front with well let down fore chest and power right down to his feet. Front movement is good,

His mouth is just off level with correct canines, ears right on top of his head and he uses them well to set off the total picture **Wristy** on one of his front feet when standing, he does move well coming towards with the hint of bull front so indicative of his type just about gone since reaching full maturity , He has a deep briscuit with shapely sweep up to a well- muscled rear, He is a jaunty mover and covers the ground well . Judge: Heidi Holland

Thank you to the Golden Triangle Club for inviting me to judge their specialty show. I really enjoyed the assignment and was pleased to have some super dogs to choose from. Many thanks to the exhibitors for bringing your dogs out for us to go over, I realise some of you travelled a long way, and without you there would be no show! The dogs had terrific temperaments and were in very good condition. I thought that the excess noise in the hall in the evening affected one or two but they settled down eventually.

There were some particularly nice youngsters who I look forward to seeing at maturity, and more than one dog I would like to have brought home.

The question and answer session driven along by Franne was a great opportunity for us to talk Bull Terriers with breeders outside of our own geographical community. We do not often have access to people like Bob and his history with the breed.

I am grateful for the hospitality of the club and the fabulous Smith's who looked after us so well.

An elegant and classy girl. Her head is just lovely in profile - long, turned and deep through the muzzle. Front on it is smoothly filled. She has a great expression although her ears are a little wide set. Correct bite. She has good length of neck

which flows gracefully into a strong topline with a slight roach over the loin into a correct tailset. Good length and angle of upperarm. Shoulder is OK. Nice depth of brisket, straight front and compact feet. Her hindquarters are well angulated with broad thighs and short, well defined hocks. A very athletic girl with an outstanding profile which is smoothly turned from her ears right down to her nose. Dark, tiny, well placed eyes. Ears are set a tad wide. Correct bite. A little more length of neck and angulation of shoulder would make her look more balanced, although she is super shapely. She has a strong topline with a slight roach over the loin and well set tail. Good forechest and a straight front with depth of brisket. Good substance and bone for her size. She has chunky hindquarters with well bent stifles and good definition at the hock. She moves with drive, well in front and closer behind.

Best of Variety and best of breed

Whitmer and Valizadeh's **GCH Amaize Supernova** (by GCH Yoeckydoes Gamin ex CH D Bar Lady GaGa Tulsadoom) 11/16/15

This guy is all male! He has a punishing head that is completely filled up from top to tip. His profile is long and strong with great depth of muzzle and underjaw. He has tiny black eyes that are correctly placed and small neat ears set high. Incorrect bite. His neck is long and muscular leading into well laid shoulders. Upper arm is of good length and angle, and he has loads of forechest. Deep brisket and straight forelegs. There is some weakness in the pasterns that causes his feet to turn out slightly. Topline is strong, back is short. He has moderate rear angulation, his croup is steep giving him a high tail carriage.

A shapely, rounded and nicely developed body, ribs well sprung and good bone. He moves with drive. His front toes out on the move but is otherwise straight. Rear movement is a little closer. His outstanding virtues won this for him, I felt that they far outweighed his faults. He is a most impressive dog.

Wiggins, Cairns and Barnes' **GCH York Glamour and Glitz** (by Emred Devil;s Advocate ex York White Moon) 6/11/15

Stunning, feminine and compact girl with a quality finish. Her head is long with a smooth downface and deep set, well placed black eyes and a good ear set. I would like a touch more fill across the muzzle. Correct bite. Exceptionally well balanced, she has a very striking outline. She has superior angulation front and rear. Her shoulder is well laid. To be super picky she could do with just a little more length of scapula. She has good length and angulation of upperarm placing her forelegs well under her. Dead straight front and compact feet. She has a deep brisket, a beautiful topline and her tail is set on low. Her croup is at just the right angle, stifles well bent and hocks well defined. She is broad across the thigh. Moves with drive, very well coming and a little closer going. She pushed the dog hard for best of variety and I would happily bring her home with me.

A typy bitch with a quality finish. Her head is smoothly turned, with enough fill and a scissor bite. Well placed and shaped eyes along with small, well set ears complete a typical varminty look. She has a lovely neck and a decent lay of shoulder. A little more length of upper arm would help offset her soft topline. Her front is dead straight with small tight feet. She has depth of brisket and width of forechest - a substantial, but feminine girl. Hindquarters are moderately angulated, croup slightly steep. She moved with drive and flicked her right pastern on the trot. Well handled.

What a wonderful entry! I am honored to have had such a lovely bunch of bullies to judge and would like to thank the GTBTC for the opportunity to experience their hospitality. The seminar at lunchtime was a great idea and it really hits home how much we learn each time we are in the company of so many experienced bull terrier breeders and judges. NZ is a very small country and we are starved of the opportunity to have frank and open discussions about our history and how to take the breed forward. I was very happy with the quality of the entries and how they were presented. I have taken home some very fond memories of this trip and had I had a larger suitcase I would have tried to squeeze in a couple of my winners!!

Eye catching, compact, square, tight and balanced are words I would use to describe this dog. His colour is rich and his white sparkles and he moves round the ring like a train. His head is smooth and well turned with tidy ears and a correct bite. Good length of upper arm and lay of shoulder gives him a lovely prosternum along with ensuring the neck flows beautifully into a nice short back. Front feet are tight and elbows are tucked back highlighting his lovely straight front. Short loin with well developed second thigh and one of the best tail sets I have seen recently. Hindquarter angulation is very nice. I have admired this dog for a long time and it was a pleasure to finally see him in the flesh.

Her head is filled turned, has length and strength with a beautiful expression due to the wicked dark eyes and ears set bang on to of her head. Scissor bite with one tight canine. She has a gun barrel front which showcases her strong round bone and cat feet. Brisket is deep and ribs are well sprung. Colored Bull Terriers

Best of Variety

QuickSilver Wear Your Colors This colored male gave me the impression of "The Gentleman's Dog." His attitude, spirit and unique markings gave him the edge over the Best Opposite Sex. He showed off his straight, white front legs along with his thick neck and chest. His muscle tone is solid to the touch from front to rear.

Best of Opposite Sex

Bullards Black Dove Classic This young colored female has ideal structure. From her tight lips to her nice tail set. She showed well but was slightly outperformed by the Best of Variety dog.

Standard White Bull Terriers

Best of Variety

Quick Silver Live Wire When I got my hands on this white male, I wanted to take him home. He impressed me the most out of the dogs I had the privilege to judge on this day. Beside excellent all around structure, his movement and ring presence earned him Best of Variety.

Best of Opposite Sex

Stonehouse's Easy Being Royal This white female has a very nice stack that shows her straight back and front with nice rear angulation. She showed her bull terrier spirit in the ring and earned Best of Opposite Sex.

I would like to thank the committee for the invitation to judge. In fact, this was the first show that I won anything notable with my first bull terrier many years ago. Overall, temperaments were great but, shoulders and canine malocclusions need addressing on the whole.

Interestingly, something I discovered while looking up information to do my critiques, both my Best of Varieties are sired by the same dog! A dog I admired in the U.K.

I would like to thank the Golden State Bull Terrier Club of Southern California and the BTCA for inviting me to judge sweeps at the prestigious Great Western Terrier show. This is a show that I've always wanted to attend and it was wonderful to attend as a sweeps judge. I thoroughly enjoyed myself and my entry.

Colored

Best of Breed:

#10 **Bullards Black Dove Classic** -Jan & Ted Gothan

This black brindle and white bitch caught my eye in the ring. She has a beautiful head with just enough power to remain feminine. She has a gorgeous straight front which flows into her correct shoulders. Clean going round with topline and powerful rear. A pleasure to go over.

Best of Opposite:

#5 **Ardry Gemini Devil's Rock** - James & Cynthia Farrington & Kristy Utt, DVM

This is a powerhouse brindle and white male with loads of bone. He also has a correct front. He was the epitome of a naughty male bull terrier today, making his handler work for it. Luckily he gave me just enough to see the power of his rear construction. At under a year old, he shows great promise.

White

Best of Breed:

#6 **Stonehouse's Easy Being Royal** - Marianne & David Lockyer & Melany Aten

This white bitch exudes classic, feminine beauty. She has a beautiful, straight front with deep chest and correct shoulder set. She moves cleanly and effortlessly. It was my pleasure to award her in sweeps and to watch her win Breed out of the classes was thrilling.

Best of Opposite:

#5 **Quicksilver Live Wire** - Reginald Redmond, Conie Jardine & Brent & Jeanna Ruppel

This white male with an eye patch has a full face with good fill and profile. He was in excellent condition and handled beautifully. He is well made throughout with exceptional rear angulation. I look forward to watching him mature.

Great show – was made to feel right at home in that they even brought in some Carolina weather. Hospitality was wonderful. It's a show that really shouldn't be missed. Thanks to the Club.

Winners Dog and Best Opposite Sex

Kaber & Uplinger's **ANNWN NATURAL HAT TRICK** (Skyline's Notorious Defender ex CH Annwn Cant Get Enuf) A short backed white dog that has a very nice outline and head. Moves true and parallel in both directions with good reach and drive, and, even though very warm, there was no quit to showmanship.

Reserve Winners Dog

Murray & Berez's **ACTIONS NOCHO 2** (Megavilles Signing Off ex Action's Deliciously Divine) Bindle & White balanced dog who struggled with his showmanship. He was nicely balanced with a good bite, expression and very good movement.

Winners Bitch, Best of Winners and Best of Breed

Schuurs & Berez's **ACTION KISSED BY THE DIVINE BY OLD FORGE** (Sarajeni Easy Rider ex Action Divine Design At Old Forge) Dark brindle & white bitch that met my preferences. Proportional in body, moved well, head with good profile and eyes and ears well placed. Well shown.

Reserve Winners Bitch

Whiehair's **SANDSTONE'S HONKY TONK ANGEL** (Tulsadoom Abi Albon ex Caben Making Muse-ic) Red and white bitch with tons of type. She is substantial for her size and possesses good bone and a strong head. Normally, would be an easy winner but the other girl showed up. Well shown.

Select Bitch and Referee's decision

Radford's **CH REBELSIDE ABOLUTE MAYHEM** (Cosmopolitan Absolute Benefit ex Rebelside Silver Playted) She has good bone and substance. Good front and shoulder. Moved well both ways, though, could be conditioned better.

I would like to thank the Bull Terrier Club of Canada for inviting me to judge this prestigious event. The Club was well organized and very hospitable, offering good entertainment for the exhibitors, a pre-requisite for a good event. I would also like to thank my fellow Judge Steve Schmidt, who we agreed for all but one decision, and was a very enjoyable experience.

Unique to this show in North America are the photos of the past winners on the wall. The entry is not large, but the quality is second to none. I looked at the photos on the wall and felt determined to find the Bull Terrier who would do all those previous winners justice. I am confident that Steve and I achieved that.

Colored Dogs

Best Colored

Dog

Snyder & Prater-Piles's **FORMULA SIGNING ON WITH PARADOX** (Megaville's Signing Off ex Formula for the Power of Moonlight) Immature middle of the road dog, offering balance. Nice length of head with good fill and decent expression. Incisors correct with a tight canine. Front is still loose and ample bone but looking at his Father, who matured slow but turned into an extremely strong dog, it is not surprising but expect more to come. I would like a little more power in the rear and a better tail set. His movement for me was choppy but he was a bit unruly for his handler and difficult to discern.

Res Colored Dog

Murray & Berez's **ACTIONS NOCHO 2** (Megaville's Signing Off ex Action Deliciously Divine) Another nicely balanced dog who struggled as he didn't seem to like his time in the ring. Funny to see him outside the ring full of life and thoroughly enjoying himself. His big downfall is his plain profile which downplays a nicely balanced not large but strong dog. His head is not weak, with a perfect bite and expression is good, continuing into a nice set neck with good topline. He has good round bone with tight cat feet but a turned-out foot, takes slightly from a very nice front. I found this dog's movement very good but again, his lack of showmanship cost him today.

Best White Dog, Best of Opposite Color, Best of Opposite Sex, RBIS and Movement Trophy Winner

Kaber and Uplinger's **ANNWN NATURAL HAT TRICK** (GCH Skyline's Notorious Defender ex Annwn Can't Get Enough) A nice male who has recently come into his own. I awarded this dog Best White in Sweepstakes at the National Specialty and pleased to see he has matured into a lovely male. This dog is immaculately presented both in condition and handling and was our Movement Trophy winner. He is a middle of the road dog with very nice lines and his movement shows this as he moves around the ring. He moves straight coming to and away. Nice profile and excellent expression with length and fill. Bite is good with tight canines. Nice length of neck, leading into a nice laid back and angulated shoulder. Bone is more than adequate for type with a nice straight front leading into tight cat feet. Topline has nice flowing lines with the required slight rise over the loam leading into a correct tailset. Rear is adequately angulated.

Colored Bitches

Best Colored Bitch, Best in Show

Schuur & Berez's **ACTION KISSED BY THE DIVINE BY OLD FORGE** (Sarajeni Easy Rider ex Action Divine Design) Middle of the road bitch, leaning towards terrier who is still maturing but had quality to spare. She has a fantastic outline which shows the full package. Nothing extreme on this girl but she excelled in all aspects. Nice head profile with fill, good expression and correct bite. Nice length of neck leading into a good shoulder, with a straight front, tight feet and matching rear. Nice short back, with a good tailset. Nice movement both coming and going but needs a little more power which I am sure will come with more maturity. Her poster will look great on the wall next year with all the other previous, quality winners..

Res Colored Bitch

Parker's **NUANCE NIGHT IN TUNISIA** (Soquel Millennium Seafarer ex Nuance Nonetheless) Smaller, but strong bitch. Super powerful head with fill and expression. Canines are good. Nice shoulder with short back and strong rear. On the deficit are weak pasterns and a high tail set but still; a really outstanding girl. Advise to get up close and check the strength on this girl's head.

White Bitches

Steve and I called for our first and only referee's decision. Referee Gene Haine's went with my co-judge.

Best White Bitch Radford's **CH REBELSIDE ABSOLUTE MAYHEM** (Cosmopolitan Absolute Benefit ex Rebelside Silver Playted) Middle of the road white bitch who is carrying too much weight. Being a big fan of this kennel (Rebelside) she carries an issue which has popped up a few times in this line. She is plain in profile and has those little eye brows which can hide a nice smooth profile. Head is strong and filled. A little kind eyed with a scissor bite. Canines are off. Nice angles and strong bitch but she looks like she needs a little time off the couch. When she did move out, she showed her nice construction which this kennel has become known for excelling in.

Res White Bitch Bozian's **EMRED DEVILS MOON OF BULLAYR** (Emred Devils Tri Star ex Emred Dear Prudence) Terrier type bitch with a small nicely filled and turned head; perfect bite. Nice eye and ear set, giving a pleasing expression. Nice straight front with good shoulder and rear angles but hampered by a drop off in the croup. Movement typical terrier, a little short in reach and drive but super typey girl who will only get better as she matures.

My sincere thanks to the Bull Terrier Club of Canada for inviting me to judge sweeps. I have not had such a relaxing weekend in some time! If you have never been to the Shield I highly suggest you put it on your list. The pleasant atmosphere is something all of us in the breed could benefit from being around!! And of course Thank You to all of the exhibitors who were kind enough to show their dogs to me. I truly enjoyed seeing each and every one of them and had my hands full making very hard decisions.....

Best in Sweeps

Glenn Snyder & Krista Prater-Piles-**Formula Signing on with Paradox-** Megaville's Signing Off x Formula For the Power of Moonlight. 05/14/2017

A heavy weight of a boy with large bone in his legs that goes straight down to his feet. He has a lovely fore chest, strong muscular neck which leads to a nice short back. He holds his top line well when moving but is a bit close in the rear but some muscle building with maturity should fix that. His head is fat, wide and turned and his dark eye is well placed. His masculine virtues put him over the top for me.

Cleo Parker's **Nuance Next Big Thing-** Megaville's Signing Off x Nuance Naughty or Nice. 06/23/17

My kind of brood bitch girl....She has lovely bone and substance and while a tad long she moves beautifully and holds her top line while going around with the perfect slight rise over the loin. Her head is long, turned, and filled, with a dark well placed eye and a strong under jaw. She was quite delighted with herself and I really enjoyed watching her!

Best Veteran in Sweepstakes

Heather & Tom Uplinger's **Annwn Cant Get Enuff-** Activator Enuff Alredi at Kilacabar x Mayhem Hot to Trot. 06/24/2011

Someone has not read the memo that she is officially a Veteran! Quite thrilled to be showing her stuff this girl is wearing her age well. A perfect example of athletic appearance, she has lovely bone in her legs that flows down to her cat like feet. An elegant egg shaped head that turns perfectly from the top to the tip of her nose and her dark piercing eyes with a hint of wicked in them complete the look. She could still push for the BOV spot and she made my day.

Moved really well for a young puppy and will only get better. Looking forward to seeing him in the future.

Baby Puppy Bitch

Bassakyros' **BULDOR EVERLASTING** (Formula Power Up for Action ex Buldor Devil in a Red Dress) Red and white littermate to the white male. Another beautiful puppy and a credit to the breeders. Very nice puppy indeed and I am looking forward to seeing her as well in the future.

Winners Bitch, Best of Winners and Best of Breed

Berez and Schuur's **ACTION KISSED BY THE DEVINE BY OLD FORGE** (Sarajeni Easy Rider ex Action Divine Design at Old Forge) Very balanced dark brindle and white girl with smooth profile and excellent fill. Reserve Winners Bitch

Parker's **NUANCE NEXT BIG THING** (Megaville's Signing Off ex Nuance Naughty or Nice) Classicwhite girl with black eye marking. She has scope and balance, correct length of head, nice fill, and a good bite. Good movement and shown beautifully. Difficult decision.

Select Bitch and Best Canadian Bred in Breed

Bassakyros' **CH BULLAYR PIECE OF MY HEART AT BULLDOR** (Emred Huntsman ex Scarlet MoonThe Joker) Having come from the 7-9 Veteran Class, this lovely red and white Grande Dame stood out with her tremendous fill, substance, and overall quality. Select Dog

Smith, **GCH.LORDBULL LARRY** (Shirvin El Dorado Man ex Lupita De Lordbull)

A great dog stands the test of time. This seven and a half year old still looks great. As a very young dog he greatly excited me the first year in Holland. On his American debut he won the Specialty under and went to B.I.S. He repeated this the following day. He went down in the history books as one of the very few dogs to go B.I.S. at 3 shows from the classes. He is spectacular overall dog with no glaring shortcomings. It was so wonderful to see how he has lasted in retirement.

AUGUST 3, 2018

Thanks to the Buckeye Club for inviting me to judge - I also had the pleasure of judging the 4-6 Puppy Show and the Owner Handler Terrier Group both of which I enjoyed immensely. I had some really lovely exhibits with some tough choices - thank you all for bringing out such nice dogs! And thank you for the lovely and thoughtful hand-made judges gift!

COLORED:

Winners Dog, Best of Opposite Sex

Roman & Snider's ACCLAIM'S STEALING COSMIC THUNDER (GCH Action Cosmic CowboyROM- GCH Acclaim's Rose Of Sharon ROM) Powerful, upstanding brindle with a fat head and tiny, wicked eyes. Well angulated through the shoulder, not quite matched in hindquarters, but moved well. Good depth of brisket, excellent body volume and nice bone. Could be a touch shorter but overall strong and masculine package. Presented well and in lovely condition.

Reserve Winners Dog

D'Aquila's CREEKSIDE FORGED BY FIRE (Ch Emred Fire Spy - Ch Emred Devil Wears Black) Shapely and stylish red dog. Nice headpiece with good expression. Well put together with decent bone. Pleasingly short coupled with balanced angulation, moved well. A typey picture, he gave way to the bone and power of the WD .

Winners Bitch, Best of Winners, Best of Variety

Schuur & Berez' ACTION KISSED BY THE DIVINE FROM OLD FORGE (Ch Sarajeni Easy Rider ROM- GCH Action Divine Design At Old Forge ROM) This bitch ticks off all the boxes. Compact size with powerful bone, beautiful substance, lovely rich brindle. Classic, sweeping, headpiece with plenty of length of foreface and power right down to the end of the muzzle. Truly egg shaped and smooth all around. Positive reach of neck flowing into clean shoulders and a pleasing topline. Short back, beautifully angled rear quarters, hocks well let down into tight feet. She presents bone and substance without any hint of coarseness or bulkiness, filling both the eye and the hands while stacking gracefully and moving fluidly all ways. She's only 15 months old and she's going to mature beautifully through that clean construction. I can't call this a criticism but her expression and ear set are good, but not exceptional - the *only* two things about her that are not exceptional. Oh and she has a perfect scissors bite. To me, this bitch represents a credit to and a way forward for the breed. A pleasure to see.

Reserve Winners Bitch

Jones & Galaska's IMPERIAL REBEL'S SWEET REVENGE (GCH Crestmonts Captain Bravado Of Mystic - GCH Yoeckydoe's Keepitcool ROM) Rich brindle with a

lovely headpiece. Sweeping profile, beautiful length of foreface, tiny punishing eyes, ears bang up on top of her head, easily the most varminty expression of the coloreds on the day. Not a cobby bitch but well made through the body, nice angles fore and aft. To be picky, a touch more width to her head and bone down the leg would complete the picture, but this is a quality bitch with tons of breed type that was unlucky to meet the winner today.

Select Bitch

Hagen & Berez' **CH ACTION COSMIC KISS** (Ch Action Cosmic Cowboy ROM CGC - Ch Kingsfarm's Going For Action ROM)

WHITE:

Winners Dog

Bavol's OLD ENGLAND'S BOUNTY HUNTER (Emred Huntsman - GCHB Old England's Coco Chanel ROM) Upstanding, masculine dog with good bone and a large and powerful head. Good length of foreface, head nicely filled. Balanced angulation, not cobby but fairly short coupled, he moved well all ways. An honest and masculine package. As always, presented well.

Reserve Winners Dog

Chicoine's CHICWINS FAITHFUL COMFORT PHINEHAS (Chicwins Nelson Ammi Jacob - Ann-Dee's Merry Molly At Chicwins) Clean, Dalmatian style dog with a pleasing, smooth head, nicely filled all around. He looked to be a scopey dog with great movement but was not at one with his handler so perhaps did not show his virtue of movement to its best advantage. On the day, he gave way to the WDs heavier bone and substance.

Winner's Bitch, Best of Winners

Parker's NUANCE NEXT BIG THING (Megaville's Signing Off ROM - GCH Nuance Naughty Or Nice ROM BN RN CGC RATO) Pretty Dalmatian style bitch with sweeping lines. Moved accordingly well all ways. Lovely turn, fill, and expression. She has a lot of air under her at this point and one could wish for more power and width, but she's just over a year old and might need more time to cook. The good news is that she's got clean construction that's going to hold up so she can take her time maturing.

Reserve Winner's Bitch

D'Aquila's CREEKSIDE FROZEN FIRE (Ch Emred Fire Spy - Ch Emred Devil Wears Black) Sturdy bitch with a powerful and wide headpiece. Wide chest, deep body, pleasingly short coupled. Great front on expression, moved well all ways. She's a good bitch in her own way and is a completely different style than WB - she's a

powerful brood bitch type. Ultimately, she gave way to the WB's clean construction, but she's got some very good qualities!

Best of Variety

Whitmer and Valizadeh's CH AMAIZE SUPERNOVA ROM (GCH Yoecky Does Gamin ROM - Ch D Bar Lady Gaga Tulsa Doom ROM) Strapping dog whom I have judged and critiqued before. A well known animal with outstanding virtues and obvious faults, which by now are familiar to all. Today his virtues shined bright. He was pushed hard by BOS but he was in the mood to win - he presented solid hard condition from stem to stern and demanded to be put up. Kudos to his owners and handler on the great job they've done with him.

Best of Opposite Sex, Owner Handler Group 1

Walsh, Holmes, Hennessey, and Brodeur's WENDIGO PHILGIN DEVILISH DIVA AT PARADIGM (GCH Corsaire Devilish Delight @Dogmore O'Malvern -ROM Ch Wendigo Breaking Bad ROM) My previous critique of her head and expression still hold true, varminty personified, this bitch's front on expression locks onto you and won't let go. I have not judged her since she was a youngster and was pleased to note that she has come on in her profile - really, the head is magnificent. Similarly to the dog, she's a powerhouse that has her faults alongside her substantial virtues. Today, she was edged out by the dog's condition and presence, but these are two animals of exceptional quality and it could easily go the other way on a different day. Was my pleasure toward her an owner handler group one later in the day.

I would like to thank the Buckeye Bull Terrier Club for inviting me to judge their show. Kudos to the club and their members for hosting another great weekend to see bullies. Many thanks to Mark Draher, John Jaye and Gay Speas for making sure I had all my needs attended to. Glad to see that for the most part the bullies were unaffected by the hot weather. The Saturday night dinner at AngeNetta's Restaurant was delicious as usual. This show weekend is always a favorite of mine, lots of camaraderie and fun throughout. Thank you to all the exhibitors for coming out to give me such a nice quality entry.

COLORED

Winners Dog

Snider and Roman's **ACCLAIM'S STEALING COSMIC THUNDER** (GCH Action Cosmic Cowboy ex GCH Acclaim's Rose of Sharon) A brindle and white that is nicely marked. Strong, powerful head that is nicely turned. Thick ears that I wish were set a little more on top. Nice Roman finish. Dark deep-set eyes with good fill underneath. Mouth is okay. Decent length of neck into a strong shoulder and topline. Very nice bone and substance with plenty of rib spring. Moved well coming towards and with plenty of drive from behind.

Reserve Winners Dog

Snyder and Prater Pile's' **FORMULA SIGNING ON WITH PARADOX** (CH Megaville's Signing Off ex CH Formula For The Power of Moonlight) A black brindle and white. Ears pointing skyward. Nice strong head with good fill, just not as much turn or fill as the winner. Okay reach of neck into a strong level topline. Good bone for his size and nice cat feet. A little stuffy in body from carrying too much weight. Mouth okay. Moved well coming towards and a little close going away.

Winners Bitch and Best of Winners

Berez and Schuur's **ACTION KISSED BY THE DIVINE FROM OLD FORGE** (CH Sarajeni Easy Rider ex GCH Action Divine Design at Old Forge) A very feminine youngster with a sweeping, gently turned head. Super varminty expression with smart ears right on top. Super length of foreface and with good fill under the eye. Mouth is correct. Nice reach of neck into a good shoulder. Good bone and substance for her size, not fully mature but what a package she is. My hardest decision on the day was between her and my best of opposite winner and their placements,

Reserve Winners Bitch

Hooks and Berez' **ACTION'S HEAD ENCHANTRESS** (CH Action Headed For Fame ex Action First Class) A brindle and white bitch with a nicely turned head and okay ear placement. Good fill under the eye, mouth is correct. Nice bone and substance, strong thick neck into a good topline. Would like a little more reach of neck to give her a little more balance and overall

shape. Straight front. Moved well both coming and going. A nice bitch, a tough day to have to compete in colored bitches whether in the classes or for Variety. Nicely presented.

Best of Variety

Perrott, Berez and Wu's **CH ACTION DEVIL'S APPRENTICE BY FORMULA** (Emred Devil's Advocate ex GCH Action's Headed For Power) A very masculine dark brindle and white dog with a strong top skull, ears right on top. Small triangular eyes that are deep-set, and well placed. Good fill under the eye and good Roman finish. Mouth is correct with a strong underjaw. Nice reach of neck into a good shoulder. Strong topline and a short back. Nice heavybone, this dog has plenty of substance and good body volume. Gun barrel front, he stands squarely with elbows neatly tucked. On the move he is clean coming towards and with plenty of drive going away. Never a doubt in giving him top honors.

Best of Opposite Sex

Hagen and Berez' **CH ACTION COSMIC KISS** (GCH Action Cosmic Cowboy ex CH Kingsfarm's Going for Action) A red and white bitch with a nicely turned head and ears right on top. Good expression and good fill under the eye. Mouth is correct. Long reachy neck into a good shoulder. Good topline and relatively short back. She excels in bone and substance. Had more bone than some of the boys - WOW! On the move she was clean in front and with plenty of drive going away. Beautifully presented.

Ears are right on top. Good Roman finish. Small triangular eyes that are deep set, yielding super expression. Adequate fill under the eye. Strong underjaw, mouth is correct. Decent reach of neck into a solid shoulder. Good front with elbows nicely tucked into the ribs. Very good bone and substance and a solid topline. Would like a shorter back and a little more angulation in the hind quarter. Moved well coming towards and okay going away. A happy dog, presented well.

Reserve Winners Dog

Bavol's **OLD ENGLAND'S BOUNTY HUNTER** (Emred Huntsman ex GCHB Old England Coco Chanel) White dog with colored ears with a very turned head. Ears right on top. I would like a smaller, more deep-set eye. Good fill in foreface. Mouth is slightly off. Good reach of neck into a solid shoulder. Shorter back than my winner. Enough bone and substance for his size. Stands squarely in front with nice angulation in the hind quarter. Moved well both ways. An easy reserve.

Winners Bitch

Perrott, Gardner and Carter's' **BOBKAT JUSTA GLANCE AT APPRENTICE** (GCH Bestuvall White Hot ex GCH Apprentice Heroine at Bobkat) All-white bitch with a super turned head. Good ear placement, super expression with small triangular eyes. Good length of foreface. Mouth is okay. A feminine girl with decent reach of neck into a solid topline and shoulder, nice spring of rib. Enough bone for her size. Stands squarely with a good front. Good angulation in the hind quarter. Moved well both coming and going.

Reserve Winners Bitch

Bozian's **EMRED DEVIL'S MOON OF BULLAYR** (Emred Devil's Tri Star ex Emred Dear Prudence) A white bitch with head markings, not fully mature but full of potential. Gently turned head with great expression, Good length of foreface and fill under the eye. Mouth is correct. Nice reach of neck in a good shoulder and topline. She has not sprung her ribs yet. Enough bone for her size, but not as much as the Winner. Nice clean front, elbows are neatly tucked. Moved well both coming and going.

Best of Variety

Whitmer and Valizadeh's **GCHS AMAIZE SUPERNOVA** (GCH Yoeckydoo's Gamin ex CH D Bar Lady Gaga Tulsadom) All-white dog who catches your eye immediately as he enters the ring. Large head with a broad top skull, ears well placed and pointing skywards. Small triangular eyes that are dark and deep set. Incredibly packed up head with lots of fill under the eye. Good length of foreface and nice Roman finish. Slight mouth fault. Super round bone all the way down, nice upright pasterns and small tight cat feet. Elbows tucked nicely against superspring of rib. Good reach of neck into a strong shoulder and topline. Good tail set. This dog moves squarely with drive and authority in both directions. To be slightly picky he needs to drop a couple of pounds to not look stuffy. More than enough there to carry the day!

Best of Opposite Sex

BUCKEYE BULL TERRIER CLUB/ STEEL VALLEY CLUSTER

August 5, 2018

Judge: Skip Greaney

What a real pleasure to return to Ohio to judge for the hard working Buckeye members. An absolutely first rate entry with quality from top to bottom. Thank you for this opportunity to see longtime friends and enthusiastic newcomers.

Colored Bull Terrier

BOV:

Prater-Piles & Berez's – **Ch. Action Devil's Apprentice By Formula** (Emred Devil's Advocate x

GCh. Action Headed For Power)

A very well-known and shapely brindle dog with his trademark missing ear top. A dog that immediately captures your attention on entering the ring. Starting from his excellent color and stamped with a full masculine head. A just right profile with excellent eye placement and a correct mouth. Both front and rear are quality assemblies and allow for correct movement.

Shapely underline. A very well made dog.

BOW/WD:

Young and Carter's- **Apprentice Whozurdaddy Indulgence** (GCh. Apprentice Finnegan Begin Again CA CGC x Apprentice Tallulah of Kindred Spirit)

A black brindle youngster who has a good bit of growing to do. But most of the pieces are in place. A nice head with a slight break in profile in front of the eyes, but a lovely Roman finish. Ears a bit wide. Terrific round bone, a correct topline standing all the way to above average tailset. Excellent rear angulation, front shoulder is not ideal but he still has a good deal of growing to do. Quite handsome for a youngster.

BOS:

Schuur & Berez's- **Action Kissed By The Devine From Old Forge** (Ch. Sarajeni Easy Rider x GCh. Action Devine Design At Old Forge)

A lot of lady in a compact space. Fabulous headpiece with fill and expression. Mouth fault with an incorrect canine, a straight front with well-shaped neck and good shoulder, Hindquarters are shapely with good angulation and muscle. Moved very well in front a bit close behind. First rate girl who lost BOV more on youth than any fault.

RWD:

Cockbrund & Prater-Piles' **Formula Signing On with Paradox**. (Ch. Megaville's Signing Off x Formula For The Power of Moonlight)

Good sized black brindle whose quality parts are first rate. Terrific headpiece with a smooth and gentle profile. Plenty of depth and fill. Tremendous bone and a pleasing fore chest.

Pasterns are a bit weak in front. He could have more drive behind. Better rear angulation would help this. As he develops more second thigh it will offset this. Nice topline and these small criticisms do not take away from a quality up and coming dog.

SB:

Berez & Prater-Piles' **Ch. Action Cosmic Kiss** (Ch. Action Cosmic Cowboy CGC x Kingsfarm's Going For Action)

White Bull Terrier

BOV:

Hennessy & Brodeur's – **GCH. Wendigo Philgin Devilish Diva at Paradigm** (GCh. Corsaire Devilish Delight @ Dogmore O'Malvern x Ch. Wendigo Breaking Bad)

A well-known and striking bitch that is feminine but true to the standard. An attention getter from the moment she walks in the ring. Tremendous head with fill and depth and the expression I dearly love. Good width of muzzle and a nice under jaw. Well-made front with nice bone. Correct topline on the move as well as standing. Her high tail is her most obvious detractor. Correct mover both ways carried the day with that movement and quality handling.

WD/BOW:

Clayton's - **Sorabully's Sushis Ichiban** (Ch. Sandstone's Honky Tonk Heartbreaker at Broken Arrow)

Heavyweight white with black brindle eyepatch. A playful thug who thoroughly enjoyed himself. Wide and packed head with a slightly straight profile. His upper skull is round and clean back to his ears. Those ears are a touch wide but he uses them at all times. The really good stuff comes in his huge round bone and nice topline back to his ideal tail set. He moves nicely when not bounding and with a tad more rear angulation he would be an effortlessly moving jaunty lad.

BOS:

Quiggle, Spurr and Davis's **GCH. Amaize Supernova** (GCh. Yoecky Does Gamin x Ch. D Bar LadyGaga Tulsadom)

Not much more can be said about this well-known dog. You know he is there because of his extreme qualities. The best of attention grabbing heads with fill and expression. His bite has

slipped a bit since I last examined him but that is his only head fault. He is not perfect in his construction but you would not know it watching him move. Was a tight contest with my BOV but he stepped on something and came up momentarily limping. It put him at a disadvantage in my final selection but still one of the best out there with so much Bully virtue.

RWD:

Wyckoff, Bankus & Greco's Aragon **N Rufin's Sagittarius** (Ch. Ruffin's Thanks A Lot Aragon x GCh. Aragon's A Perfect Storm @ Ruffin)

A very similar dog in type to Winner's dog. Nice wide head. Brindle eyepatch hides a nice eye placement. Ears a tad wide. The quality round bone running up to a decent shoulder and nice fore chest. Topline above average with a nice tail set. His downfall on the day was his movement in the rear which was distraction from his overall virtues.

WB:

Parker's **Nuance Next Big Thing** (Ch. Megaville's Signing Off x GCh. Nuance Naughty or Nice CNRN CGC RATO)

A quality feminine girl who is by no means a heavy weight. She is all girl with a lovely head and down face. A well sunk eye but lacks the true varminty expression. Adequate bone for her structure she loves to show and moved effortlessly. Good angles on both ends. She covers ground with ease and was just a pleasure to go over.

RWB:

Prater-Piles & Berez's – **Formula Auburn Power White Tiger Lady** (Ch. Action Cosmic Cowboy CGC x GCh. Action Headed For Power)

Good sized and very feminine white girl with a fancy headpiece. Beautiful turn and fill all the way down. Her ears are a bit wide and a mouth fault slightly diminishes this gorgeous head. Wonderful bone and clean tight feet correct topline standing but has a bit of a break on the move. She covers ground nicely with front movement better than her rear.

SB:

Gardner, Perrott & Carter's **Ch. Bobkat White Hot Indulgence** (GCh. Bestuvall White Hot x GCh. Apprentice Heroine @ Bobkat)

Dog

Berez, Y & J Wayne ACTION COSMIC DREAMBOAT (Action Cosmic Cowboy - Kingsfarm Going For Action) Powerful young dog with a strong pleasing head. Filled to the end of the muzzle with good expression. Bite is good with 1 tight canine. This is a big boy with nice construction, straight front, good shoulder and nice angles at the rear. Moves with power and parallel in both directions.

Reserve Winners Dog

Lockyer, B Ruppel, J Ruppel & Aten QUICKSILVER WEAR YOUR COLORS (Bestuall Too Hot To Cross at Moxie - Quicksilver Wicked Ways) Sorry, lost my notes.

Winners Bitch

T & B Shaw, SECOND TO NONE CROWN JEWEL (GCHS Soquel Millennium Seafarer - CH Bestuall Too Hot to Be Cool). A substantial young girl with bone and substance. She was not happy in the ring today but when she finally got it together she moved with purpose. She has beautiful packed up head with nice expression for a young colored girl. This should be one to watch.

Reserve Winners Bitch

J & T Gothan BULLARDS BLACK DOVE CLASSIC (GCHS Soquel Millennium Seafarer - CH Bullards Claire Bell-Shes Bonafide CGC) Young bitch with plenty of promise. Nice filled head with a gentle profile. Nice eye and ears on top of her head. Nice bone for her age and nice angles at both ends. She moved well for her handler. Another girl to keep your eye on.

Best of Variety

RK & GS Thomas GCH GRABO TESTAROSSA FORMULA FOR DRAMA (CH Action Devil's Apprentice By Formula - GCH Action's Formula For A Queen CGC) What an outstanding dog, who is difficult to fault. Nice compact but strong boy with a head which is filled from under the eye down to the tip of his nose. Great expression with a beautiful ear set. With perfect dentition this is a head to be proud of. Only critical point for perfection would be a little longer length of neck but it is such a small issue with shoulders laid back and in, with equal length to scapula and humerus, flowing down into a well boned straight front, with tight cat feet. Nice short loin which flows to a strong wide thigh with ample bend of stifle. Dog moves true, parallel in both directions. I was happy to also award this dog a Grp 1 OH later in the day.

Best of Opposite Sex

Aten, P & A Jaspers NOTORIOUS MIESHA TATE (GCH Skyline Defies Dazlin - CH Notorious Nevermore) Beautiful girl who is a little deceptive until you place your hands on her head. She is packed up with good eye set and nice ear placement. Canines are good. Ample bone and substance with a nice straightfront. Short coupled and held her topline on the go around. Moved good coming but a little narrow in the rear.

Select Dog

Devore CH KARISMAS READY TO RUMBLE (GCH Ieni Shot Taken - Sunnysky Everything Nice) Big strongdog with lots of virtue. Big fat filled head with good expression. Canines good with reverse scissor. Fantastic bone and decent layback of shoulder with a good strong rear. Dog is a little long cast. Moved out with power and purpose.

Select Bitch

Lindstedt, P & A Jaspers CH NOTORIOUS LITTLE RED CORVETTE AT TRIUMPH (GCHS Notorious Never Say Never - CH Bullysmith Barefoot Contessa Dines at Skyline) Showy red girl who struts her stuff very proudly. Dalmatian style bitch who would do better with a bit more substance. Nice length of head with decent fill and nice eye. Mouth is good. Shoulder is a little upright due to a short upper arm but has nice strong rear. Parallel coming but a bit narrow going.

WHITE

Winners Dog

Hernandez & Dykema BESTUVALL OLD SPICE (CH Action Devils Apprentice By Formula - CH Bestuvall Designer White Diamonds). Upstanding dog who needs to mature for a dog of his size. Filled wide head with good expression. Straight front, good angles. Moved well coming, a little close behind.

Bitch

Aten & Dykema BESTUVALLS HOT LITTLE PISTOL (Bestuvall Too Hot To Cross At Moxie - CH Crestmonts Crimson Copy At Bestuvall) This bitch was very unlucky to run into our BOV today as she is also a very nice bitch. Nice length to her head with fill and expression and a good mouth. Nice profile continues from the tip of her nose all the way to her tail tip. A real picture. She has a great front, nice and straight with good layback of shoulder, leading into a nice angled rear which she used perfectly on her down back. To be picky, she lost to today's WB on strength alone.

Winners Bitch, Best of Winners, & Best of Variety

RK & GS Thomas TAWNBARR STARLIGHT (Emred Devils Spy - CH Gorbain Ice Maiden Tawnbarr). Wow, just wow. It took this girl a few minutes to really co-operate with her handler but when she did what a knockout. She has width, and strength through her muzzle with piercing expression and ear set. Perfect mouth. She has great length of neck leading into beautiful laid back shoulders, good forechest and nice length of upper arm. She has bone and substance but still feminine. Short coupled and great angulation in the rear. Her movement is good coming and going and a privilege to award her BOV today in a tough class of whites.

Best of Opposite Sex

D & S Harris CH ALLEGRO ROCK OF AGES (CH Magor Super Fly - Allegro Addicted to Love) What a lovely package this dog is. Full of type with virtue to spare. Nice fat, filled head with great expression, ears bang on top. Neck could be a tad longer but leads into a front full of virtue. Shoulder is good but the nice round bone sets this dog apart today. Nice thick deep chest, short coupled leading into a well angulated rear. He has a cobbiness to him without being over done and of a type we are lacking. Fortunate to see two males this weekend who offered this strength without being huge dogs.

Select Dog

R & M Antle, Dykema & Konings CH KINGFARM'S DUTCH ROYAL (Teirwgywn Top Gun - Action Hot and Classy). Upstanding dog who is still maturing. Wide, strong head, with a good mouth. His nice length of neck leads into a well angled shoulder and rear angulation but would prefer a little more substance to him. It is obvious this boy is just starting to fill out and another year he will be a much more solid dog. Handled well by his handler who showed off his nice movement both coming and going.

Select Bitch

M & D Lockyer, & Aten CH STONEHOUSE'S EASY BEING ROYAL (CH Rabram Royal Star - GCHB Bestuvall On Easy Street) Terrier type bitch, with nice fill and expression. Good mouth. Angles correct at both ends with a lovely outline. Movement good coming, a little narrower going away. Another one unfortunate to run into today's BOV.

It was an honor to be asked to judge on Santa Barbara Kennel Club, All Breed AKC Dog Show, Summer 2018. BTC of the Niagra Frontier – Sweepstakes

Saturday, Sept. 1, 2018

Judge – Christine Schuur

Many thanks need to be handed out - to the entire BTC of the Niagra Frontier for inviting me to judge their Sweepstakes. This is one of my all-time favorite weekends, and it was such an honor to be able to participate. To all the intrepid exhibitors. You brought out such lovely puppies, and the Veterans were especially spectacular. Any one of them could still push for the top placements. Thank you for sharing their beauty and spirit with us. And to the wonderful Bull Terrier's, all of whom endured the heat and humidity with humor, just to please us people! It was truly a special weekend. I am grateful.

Colored Variety:

BOV : Prater-Piles' Formula Deliciously Dramatic (CH Action Devils Apprentice By Formula x GCH Actions Formula for a Drama Queen) Good quality brindle bitch, smooth overall balance, a great virtue in my book. Calm and charming demeanor. Smooth egg-shaped head, falls slightly between the eye, good bite. Good bone for size. Holds topline well on the move, good moderate angulation on the rear, moves closely from behind and wide coming forward. Lovely cat feet.

BOS and Best of Opposite in Sweeps: Scott and Whitman's Apprentice Whozurdaddy Indulgence (GCH Apprentice Finnegan Begin Again CA CGC x Apprentice Tululah of Kindred Spirit) More upstanding style brindle dog, great quality, again a virtue to me. Smooth flowing lines stacked, smooth egg-shaped head, slight break in profile. Moves parallel front and aft, although his rather straight stifle and upright shoulder hinder range of motion on the move. Superb condition, happy fellow, rather enthusiastic with a lot to say on the day.

Best Colored Veteran: Whitehair's Terjo's Touch of Magic (Megaville's Sardonicus x Javarke Calico of Terjo). TYPE! POWER! ADORABLE! Just wanted to scoop her up and steal her home with me. Happiest of temperament, even in the heat her attention never wavered and her tail never stopped wagging.

Her eyes never left her handler. Superb condition, impressive egg-shaped head with sweeping profile, good dentition and sparkling clean teeth! Bags of bone and substance with no sacrifice to quality appearance. Carries her topline perfectly on the move. Love her!

White Variety:

BOV and Best in Sweeps: Lindquist and Griffin's Madcap Kiss My Grits (Madcap Jump the Pond x GCHB Madcap Kiss The Bride RA TDX NAP TKN). Very enthusiastic, typey young lady; when finally settled into a stack is very striking. Interesting combination of virtue and fault. Dramatic headpiece, set perfectly on a lovely arched neck, extreme profile coupled with the extreme fill is something to feel and behold. No hint of dip anywhere. Longer foreface would be ideal, and she is undershot with one in-standing canine. Short back, strong topline on the move, good roach at the loin. Again, her rather enthusiastic bouncing made assessment of movement a wee bit hard, appears slightly close behind, but maturity should help there. Ideally, she could have more bone and a better lay-on of shoulder. Regardless, her overall quality, and impressive headpiece secured her the top spot.

BOS: Beisel-McIlwaine and Bassakynos' **Buldor Powerplay at Foxairn** (CH Formula Power Up for Action xCH Buldor Devil in a Red Dress). This is when judging sweepstakes is hard. You are presented with a truly lovely puppy who shows SO much quality and promise, yet evidencing every part the baby he is, stacked up against more mature animals, Yikes!! This quality, and I mean QUALITY fellow will not fail to mature into a handsome and formidable competitor. Great bone and power throughout, with no hint of coarseness, oodles of smooth and sweeping lines, remarkable withers, excellent expression, well filled head with good long foreface, complete with a good bite except for one tight canine. Yet typical puppy un-synchronized growth, mismatched front to rear, and all seemingly strung together with rubber bands. He has a confident and happy demeanor, gave his handler complete attention, and thoroughly enjoyed his day out. Such a treat to see now and it will be fun to watch his maturity and progress.

Best White Veteran and Best Veteran in Sweeps: Gilman and Whitehair's **CH Classic Rock's Just Like Nu** (Ultimate Joys Cool Cassanova x CH Sandstones Classic Rock, RN). And a classic she still is! A lasting beauty with no hint of fading of spirit or beautiful outline. Graceful flowing lines from stem to stern. Bite is still correct. She is at one with her handler, moving through space with ease and grace. Impeccable condition. Lovely egg-shaped head, excellent expression and ear set, beautiful front assembly. Such an honor to award her.

BTCA Specialty Saturday, Sept. 1, 2018 – BTC of the Niagra Frontier

My thanks to the club and the exhibitors for the opportunity to go over your dogs. There were many outstanding exhibits and good sportsmanship was displayed by exhibitors. As always, the Niagara club puts on a first-rate event with great hospitality. Very hot this year, usually the weather is more moderate and early fall like, unfortunately the heat adversely affected several of the exhibits.

Colored Variety:

Winner's Dog and Best of Opposite Sex : Snyder & Piles **Formula Signing on with Paradox** (CH Megaville's Signing Off ex Formula for the Power of Moonlight) Very typey dog, black brindle and white. Strong head, well filled, mouth good, good expression. Chunky with good bone and short back. Tightly knit and looks mature. Balanced moderate angulation both ends, pelvis set a bit too steep. Movement in front OK, a bit close behind.

Reserve Winner's Dog: Hennessy & Brodeur's **Wendigo Philgin Black is the New White** (Philgin Perfect Storm x Wendigo Breaking Bad). Solid brindle. Terrific expression and nice length of neck, short back. Head is nicely turned with good fill (slightly less than WD) mouth is off. Nice bone, he looks young and doesn't yet have the body volume to go with his frame. Decent mover at times, but seems "puppy loose" still. Close decision with WD, with added maturity and tightening up could easily go the other way.

Winner's Bitch and Best of Winner's: Prater-Piles' **Formula Deliciously Dramatic** (CH Action Devils Apprentice by Formula x GCH Actions Formula for a Drama Queen). Solid brindle bitch, smallish. Typey with good strength of head, nicely turned and good fill. Bone and substance appropriate for size. Moderately angulated and decent mover. A good quality animal, but one could wish for a bit pizzazz everywhere.

Reserve Winner's Bitch: D'Aquila's **Creekside Firefly** (CH Emred Fire Spy x CH Emred Devil Wears Black). Red and white bitch. Head is well turned and filled, very good length. Nice neck and shoulder, short back. Bone and substance very good. Front movement good. Had a rear leg injury when younger, and lingering effects showed in her rear movement today.

Veteran Bitch and Best Veteran: Whitehair's **Terjo's Touch of Magic** (Magaville's Sardonicus x Javarke Calico of Terjo). Black brindle and white. Still typey, typey, typey. Head is strongly turned, well filled. Good neck and front, very short back, good quarters. Gave her a 3 ROM a few years back, age has caused her to lose some muscle tone, or she might have gotten another today!

Best of Variety and BOS to BOB: Parker's **CH Nuance Night in Tunisia, CGC** (GCH Soquel Millennium Seafarer x CH Nuance Nonetheless). Black brindle and white. Head is nicely turned, very strong width and fill of muzzle. Good neck length and short strong back. Good bone and substance for size.

Movement good both ways (when she's not preparing to turn, lol) In gleaming condition, she showed "flat out" despite oppressive heat. To be picky, a bit more keen expression would be a plus.

Select Bitch: Troy's **CH Bullyhill BW Simply Irresistible When Flirtn** (Magor Born to Fly x Bullyhill Kaleco Flirtn with Trouble CGC). Upstanding brindle and white bitch, that I much admire. Head is very strong, well filled and turned. Good length of neck, nice withers and short back. Bone and substance very good

for size. Gave her a BOV in the spring, but today I think the heat got to her, it affected her movement and seemed to make the least of her many virtues.

White Variety:

Winner's Dog: Clayton's **Sorabully's Sushis Ichiban** (CH Sandstones Honky Tonk Heart Breaker at Broken Arrow x Sorabully's Runs Her Own Race). Big heavyweight dog. Head is strong with good turn and fill, could use a bit more muzzle length and strength. Good neck and shoulder, moderate length of back. Moderately angulated both ends, very good bone and substance.

Reserve Winner's Dog: Beisel-McIlwaine & Bassakyros' **Buldor Powerplay at Foxairn** (CH Formula PowerUp for Action x CH Buldor Devil in a Red Dress). Puppy white dog. Head has excellent length and a very strong and well filled muzzle. Nicely turned, very good eye, mouth off. Excellent bone and enough body and substance for age. Movement OK in spurts, should grow up into a really good dog. Can't wait to see him in 18 months or so.

Winner's Bitch and Best of Winner's: D'Aquila's **Creekside Frozen Fire** (CH Emred Fire Spy x CH Emred Devil Wears Black). Typey yet substantial bitch. Head has good length, is well turned and filled with good muzzle strength. Mouth good. Nice neck length and short back. Excellent bone and substance for size. Nice square mover. Quality winner in a strong class.

Reserve Winner's Bitch: Brodeur & Hennessy's **Wendigo Philgin Great Expectations** (Philgin Perfect Storm x Wendigo Breaking Bad). Another typey, slightly smaller bitch. Excellent well turned and filled head. Really good expression. Cobby body with good bone and substance. Neck and shoulder not up to WB.

Veteran Bitch: Gilman & Whitehair's **CH Classic Rock's Just Like Nu** (Ultimate Joy's Cool Cassanova x CH Sandstone's Classic Rock). Moderate matronly bitch. Beautiful head nicely turned with excellent muzzle strength and fill. Nice neck and shoulder, good topline. Bone and substance appropriate for size. Very strong veteran bitch class with many former ROM winners

Best of Variety and Best of Breed: Whitmer & Valizadeh's **GCHS Amaize Supernova** (GCH Yoeckydoo's Garmin x CH D-Bar Lady Gaga Tulsadoom) Good sized white dog with excellent bone and substance.

Typey and fairly short backed, he's a good square mover both ways. Head is well turned, impressively filled and with an outstanding expression. Moves well both ways. This is an outstanding dog with a slight mouth fault. Shown in better condition than the last time I judged him.

Best of Opposite Sex: Whitman and Gardenar's **CH Bobkat White Hot Indulgence, TKN CGC** (GCH Besuvall White Hot x GCH Apprentice Heroine at Bobkat). White with black brindle head markings. Very good head with striking expression. Excels in Head quality, expression, head carriage and neck. Fairly short back with very good bone and substance. Moves well in front, a bit close behind. Got BOS over several strong bitch special contenders.

Select Dog: Kaber and Uplinger's **CH Annwn Natural Hat Trick** (GCH Skylines Notorious Defender x CH Annwn Can't Get Enough). Moderate more terrier style dog. Head has good strength, gentle profile and fill.

Nice neck length, short back, bone and substance appropriate for size. Moderately angulated, he moves pretty well in both directions. Just wish he was a bit more doggy.

Select Bitch: Glaser & Lindquist's **Madcap Jump for Joy** (Emred Devils Spy x GCH Madcap Jump the Broom). Very typey white bitch. Head has very good strength, is well turned and filled. Excellent expression. Good neck and short back. Good bone and substance for smaller size. In beautiful condition and very well presented, she pushed hard for BOS.

Judge: Mary Remer

My great thanks to the Bull Terrier Club of Niagara Frontier! While the weather was warm, the private, spacious venue was wonderful. My gratitude to all owners and exhibitors for bringing your dogs – and to the dogs, who always put their best paw forward. I found the entry brimming with quality and depth from the youngsters to the mature. A very special thanks to the veterans for coming out – they are treasures to me and seeing them touches my heart more than words can say. I also want to comment on the Trick Dog entrants – simply FABULOUS! Dogs, owners and evaluator were thoroughly enjoying themselves. Hope we see more and more participation in this fun event.

While she moves truly all ways, she could benefit from a bit more strength behind the withers. Expertly presented in super condition. Looking forward to seeing her produce in the whelping box.

Best of Opposite Sex

Wiggins & Maine's **GCH YORK DARK MOON RISING** (Emred Devil's Advocate ex York White Moon) Mature masculine tri-colored. Head has good length, turn & finish. Good eye placement. Correct mouth. Strong muscular neck extends into straight front. Balanced throughout the body. Moves in a jaunty way, holding his top line. Moved most truly coming. Well presented in toned condition.

WHITE

Winners Dog

McIlwaine & Bassakoyors' **BULDOR POWERPLAY AT FOXAIRN** (CH Power Up For Action ex CH Buldor Devil in a Red Dress). Single Entry of white dogs. Immediately impressed by the depth and fill of this puppy's muzzle. Double brindle ears sit bang on top of his filled-up head. Smooth profile. Good finish. Very good eye. Incisors correct with in-standing canines. Good bone. Could use more angle in his front construction. Shapely body lines. Hind leg well set on. Moves fluidly all ways. Presented himself very well for a baby boy.

Winners Bitch & Best of Winners

Broder & Hennessy's **WENDIGO PHILGIN GREAT EXPECTATIONS** (Philgin Perfect Storm ex Wendigo Breaking Bad) All white typey package who is on the smaller side. Excellent eye accentuates a feminine, well-turned head. Well set ears. Center incisors just level. Correct canines. Straight front. Shapely through the body with ribs well sprung. Topline could be stronger, especially mid-back. Hind quarters well set on. Moved well all ways. A typey charmer!

Reserve Winners Bitch

Gardner & Parrot's **BOBKAT JUSTA GLANCE AT APPRENTICE** (GCH Bestuvall White Hot ex GCH Apprentice Heroine At Bobkat) More upstanding all white with a very strong headpiece. Fully turned profile with positive length of foreface. Packed up with fill. Keen expression. Excellent ear placement. Correct incisors with interior canines. Spot on front with good bone extending through the pasterns. Shapely through the body with good rib spring. Would benefit from a better shoulder layback. Hind quarters well set on. Moved most truly coming. A solid package!

Best of Variety & Best of Breed

Whitmer & Valizadeh's **GCH AMAIZE SUPERNOVA** (GCH Yoecky Does Gamin ex CH D Bar Lady Gaga Tulsa Doom ROM) Well-known, mature dog that I have commented on multiple times. Suffice it to say I find him to be a masculine dog of many virtues and a few faults. He possesses dominant virtues of type, head power, bone and substance. Head on, he draws me right in with his compelling power, fill, turn and wicked expression. At every opportunity, my hands are drawn to want to feel his head. All this and just a couple teeth off. More length to his upper arm would benefit. Nonetheless, he covers the ground well. Hindquarters well set on. I found him to be in super condition today and totally on task.

Best of Opposite Sex

Alzapiedi, Wiggins & Cairns' **CH YORK GLAMOUR & GLITZ** (Emred Devil's Advocate ex York White Moon) Balanced, typey, all-white girl that I have also commented on multiple times. Love her shape and her lines. Feminine, smooth headpiece. Very good eye placement. Canines good with center incisors just a nail under. Straight front sits right under her. Shapely and balanced through the body with good depth to her brisket and rib spring. Could be a little smoother through her shoulders. Hind leg well set on. Moved most truly coming. Showing well – a super package!

COLORED

Winners Dog, Best of Winners and Best of Opposite Sex

Hennessy and Brodeur's WENDIGO PHILGIN BLACK IS THE NEW WHITE (Philgin Perfect Storm ex Philgin Wendigo The Closer) A solid black brindle youngster (14 months of age) who excels in type and expression. Head is nicely turned with ample fill under the eye, wicked little eyes and neat ears. Broad topkull and incorrect mouth. Nice length of neck into a strong topline, good angles at both ends. Still needs to mature a bit, he has moderate spring of rib and depth of brisket. Lots of scope. Moved cleanly all ways of the ring - his side gait was especially attractive. Beat the special on his superior type and balance.

Reserve Winners Dog

Scott and Whitman's APPRENTICE WHOZURDADDY INDULGENCE (GCH Apprentice Finnegan Begin Again CA CGC ex Apprentice Tullulah of Kindred Spirit) Lovely red brindle and white, who gives a classy appearance. Head is broad, gently turned, with nice eye placement. He could use a bit more fill under the eye. Moderate length of neck into a muscular topline with more maturity through the body than the Winners Dog, but he is not as squarely made. He moved better in front than in rear, where he was a tad close. An attractive youngster with time on his side.

Winners Bitch

Prater-Piles' FORMULA DELICIOUSLY DRAMATIC (CH Action Devil's Apprentice by Formula ex GCH Action's Formula For A Queen) A petite brindle and white, with all the feminine attributes you could ask for. Nicely turned and filled head with neat, thin ears, nice expression. Mouth just off. Balanced length of neck and back - she is square in silhouette. Shapely topline. Enough bone for her size and feminine package. Good spring and depth to the ribs. She moves smoothly all ways of the ring. A terrier type all the way.

Reserve Winners Bitch

Uplinger and Uplinger's IMPERIAL KISS KISS BANG BANG (GCH Brookbully Big Bang ex GCH Imperial Kiss After Dark) Another attractive brindle and white youngster, with a more dramatic profile than my Winner. Head is a smooth arc in profile with good fill under the eye, nicely shaped eyes, neat ears. Mouth fault. Good length of neck into a longish topline. Still needs to "pop" in the ribs and drop her chest, but a classy package nonetheless. Movement is clean in front and just a tad close behind.

Best of Variety

Troy's CH BULLYHILL BW SIMPLY IRRESISTIBLE WHEN FLIRTN (Magor Born To Fly ex Bulyhill Kaleco Flirtn With Trouble) Statuesque brindle and white bitch, head is turned and moderately filled, eyes are well placed on the head and of a nice shape yielding good expression. Nice length of neck into a decent shoulder and solid

topline, Nicely boned legs and lots of ribspring, this girl has substance to spare. Moves well in all directions, cleanly in front and with fluidity from the side. A deserving winner in any company, I was pleased to award her BOV.

completely filled muzzle, evil expression and neat ears. Muscular, arched neck into a decent lay of shoulder, short strong topline and nice rear angulation. Tremendous bone and substance. Lovely tight feet for such a heavy dog. His front is clean and his rear drives well. He moves with a true jaunty air. A worthy dog in any company, it was a pleasure to get my hands on him again.

Her head is filled and turned with lovely eye placement and shape. Nicely arched neck into a short, strong and shapely topline. She has ample ribspring for a bitch of this size and terrier type, along with lovely round bone all the way to her neat feet. She floats around the ring with good extension in front and ample drive from behind. Her conditioning is a thing of beauty. A petite jewel, typey as can be and with attitude to spare.

I would like to thank the Mile High Bull Terrier Club for the opportunity to judge at their show. I was impressed by this small club and the dedication they devote to putting on a great show weekend. The show site is very nice and relaxed with plenty of room. The hospitality could not have been better and I enjoyed the camaraderie during the luncheon after judging. I would encourage all exhibitors to put this show on your calendar for 2019. The scenery and fabulous weather along with a great club and show venue make this a very worthwhile trip. It is up to us to keep great shows like this one going.

Good ear set. Mouth fault. Substantial dog with nice length of neck and good bone. Shoulder and topline could be better. Overall nice dog.

A quality bitch who really caught my eye.

Select Bitch

O'Driscoll's **Hawthorn Earrech Ardaigh** (Zappy Zac Timar ex Emred Devils Belle)

It was a difficult decision between this brindle and white litter sister to my Best of Opposite Sex. She also has a lovely smoothly curved profile and correct mouth. As with her sister, the construction is here for a correct topline and good movement with plenty of bone and substance. On the day, the only difference was her ear and tail set could both be slightly better. A quality bitch all the way round and it was hard to fault her.

At long last I was able to complete this assignment. Mother Nature was kind the second time around. Most judges write how wonderful the Club and show is but it needs to be emphasized for this lovely group. Hospitality and enthusiasm abound and the facility is first rate. Colored Bull Terrier

BOV:

Davis and Smith's – GCh. Magor Galactic Agent (Emred Huntsman x Magor Moulin Rouge)

The true testament to a well-made and bred dog is how well they age. This red dog has changed little since I first critiqued him several years ago. The same fabulous head with the same mouth fault.

Balanced and well made, well above average construction and a delightful mover.

Happy to also award him an Owner Handled Group 3.

There are fabulous duos throughout history in music and entertainment. Sonny and Cher, Batman and Robin, Fred Astaire and Ginger Rogers, watching Diane and Branson together is as good as it gets in the world of Bull Terriers.

BOW/WB:

Hopkins & Hensley's – Broken Arrow's Satepauhoodle (GCh. Sandstone's Honky Tonk Heartbreaker @Broken Arrow x GCh. Broken Arrow's Vortex girl@ Sidecar)

A very interesting charcoal black girl who must be carefully examined to appreciate. Lovely head with very good fill and a lovely profile. An above average shoulder that holds her square in front. Good rear angulation and nice feet.

Quality bone and ideal length. Has to be examined closely as movement is good but elbows look pushed out moving which they are not on examination. Showed well the whole time.

BOS:

O'Driscoll's- Hawthorn Double Bock (Ch. Zappy Zach Timar x Emred Red Devils Belle)

Substantial brindle and white with a filled and turned head. Good mouth, terrific fore chest and front shoulder well layed back. Good mover with excellent reach and drive though closer than I prefer in the rear. A terrific girl with no major flaws.

WD:

Hope, Wright & Paule's – Glentom Never The Fool (GCh. Glentom Fools Fortune x Ch. Glentom Mint To Have The Last Word)

Nicely made and very well balanced brindle and white with a good filled head.

Lovely profile with no lack of expression. A nice front with great bone for size. He moved very well from the side and coming towards you. Rear movement is close but good enough to put him ahead of his completion on the day.

RWD:

Halter & Hensley Sidecar's Radar Lover (GCH CH Sandstone's Honky Tonk Heartbreaker at Broken Arrow x GHC CH Broken Arrow's Vortex Girl at Sidecar
Another charcoal black who is the littermate to the Winner's Bitch. The same quality head with a bit more masculine width. Similar construction with a bit better tail set but a weaker pastern, Good front movement but a bit close in the rear. Another dog who when examined closely is very well made.

RWB:

McQuade's - Action Lunar Dream Scape of Geibel Farm (Ch. Formula Power Up For Action x Geibelfarm Dream Lexus)

Compact brindle and white with a filled and packed head but less profile than Winners Bitch. Very compact with a lovely front and good topline down to an ideal tail set. She moved well coming, not as strong going away and she did not show herself off as well as I would have liked but there is plenty of time for her to mature.

White Bull Terrier

BOV:

Heniser's - GCh. Envoy's Hard Cider (GCh. Magor Galactic Agent x Ch. Envoy Return To Rome)

A taller dog with black brindle head marks, He gets your immediate attention with a piercing expression. On examination he keeps your attention with a good bite and good shoulder. The head piece is of excellent quality with a gentle profile and packed under the eyes where it does the breed proud.

Phenomenal bone and nice tight feet. Good rear angulation and a good movement both ways. His height makes him look rangy from a distance but up close he is all Bull Terrier.

BOS:

Aten & Dykema's - Bestuvall's Hot Little Pistol (Ch. Bestuvall Too Hot To Cross at Moxie x Ch. Crestmonts Crimson Copy AT Bestuvall)

Beautiful girl with the same wicked expression as BOV. A feminine powerful headed girl who screams type. Beautiful arched neck that leads into a shoulder that is a bit off ideal. This leads to her topline giving way just slightly when standing. On the move she holds it together better with a nice, smooth gait. Short upper arm leads to little fore chest and a slight mouth fault cost her the top spot but a top quality girl by any measure.

WD:

Davis's Envoy MVP (GCh. Magor Galactic Agent x Envoy Return To Rome)

A lighter dog with a Dalmatian type look. Fair sized mismark on tail. A nice head

with a good bite. Not as powerful as some of his relatives but no real faults from fill to ears and eyes. Less expression than his colored brother. Correct construction allows for nice clean movement and his height allows him to cover a lot of ground. A worthy breed representative.

RWD:

Blackwell & Poole's – Rocky Top's Dream Boat (Ch. Unbeatable Arnold EOS Tanagros x Ch. Rocky Top's Sunshine On A Rainy Day)

A just over 1 year old that still has some growing to do. Black ears, nice head but lacking the fill which would make it elite. He is a more compact dog than Winners but his shoulder is quite upright which compromises his movement. He is still young and maturity will probably aid masking this issue and more ring confidence would also improve his presentation.

SD:

Wright, Rodrigues Cabrera & Siordia's – **Ch. Glentom Matrix Raisin' Hell** (Gorbain Hellboy x GCh. Linric's The White Queen At Glentom)

SB:

Lockyer & Aten's – **Ch. Stonehouse's Easy Being Royal** (Rabram Royal Star x GCh. Bestuvall On Easy Street)

Bull Terrier Club of Metro Detroit

28 Sep 2018

Judge: Carolyn Alexander

This was a very nice Fall day to be out with a good assembly of Bull Terriers and Bull Terrier fanciers, and the Terrier Club does a wonderful job with this show. Of course we loved the piper leading in each of the groups and the quality of Terriers (including the BT) was exciting. It was a fun weekend!

Exhibitors often wonder what judges are thinking, especially when decisions do not seem consistent from one day to the next. Without writing a great deal about this, I would like exhibitors to understand that most judges really care about their breed and put a lot of effort into making the right decision. We have a standard and we are charged with finding the dogs who best meet and fulfil that standard. Overlooking personal bias, our job is to exercise our understanding of the breed and breed standard in determining winners.

Our breed has often been touted as a fault-virtue breed and many espouse that great virtue must prevail even when presented with real faults. While valid, I also feel that judges should not overlook a dog possessing a high balance of virtues with few faults, even when it may be somewhat easier to see raging, possibly exaggerated virtue and moderate or even concerning faults. Mentally fitting the competing dogs into what the standard asks us to look for, is a test for judges. How judges apply the standard is filtered through their sense of priorities for the breed. While the hallmark of our breed is the head, care must be taken not only to carefully assess the head, but also view and assess the dog as a complete entity, giving value/weighting the somewhat unique Bull Terrier body structure and movement. This was a day of challenging decisions, largely because I did have some good choices upon which to base decisions. It is always better to have difficult decisions based on good quality entries than the reverse. Thank you for this nice entry.

I had a few, occasional issues with my recording notes. It seemed that barking and the steward in the adjoining ring who had a lot of vocal projection actually drowned out some of my words. Consequently, I lost some bits of my critique.

BULL TERRIERS (COLORED)

Winners Dog Snyder & Prater Piles' FORMULA SIGNING ON WITH PARADOX. (Ch Megaville's Signing Off ex Formula For The Power Of Moonlight). A handsome black brindle from the Open Dog class. Unbroken curve to head in profile. His white under jaw doesn't help judges and observers see that he really has good depth and strength of muzzle. Nice tiny, dark eyes contributing to a keen expression. Nicely set ears with flat forehead between (not always seen anymore). Body profile is somewhat marred by his gay tail. Moved well both directions.

Reserve Winners Dog Bila & Snider's ACCLAIM'S DEVIL'S BREATH IS IRRESIST-A-BULL. (GCH Action Cosmic Cowboy ex GCH Acclaim's Rose Of Sharon). Shapely, strong, golden brindle male. Handsome, mature. Attractive expression with good earset. A bit long in back, but holds his topline quite well on the move. Good length and layback of shoulder. Nice tidy feet. Moves better coming than going.

Winners Bitch, Best of Winners, Best of Breed Brown & Prater Piles' FORMULA DELICIOUSLY DRAMATIC. (Ch Action Devils Apprentice By Formula ex GCH Actions Formula For A Queen CGC). From the minute this young golden brindle bitch came into the ring in the American Bred class, I was impressed by her. She is not a flashy, or initially exciting youngster, but she not only has all the components (or most of them) that make her beautiful and valuable. Further, she has the balance and breed type that tie the components upon which

we judge Bull Terriers together and would tend to make her a very worthy asset in a breeding program. Very good head quality with good earset, tiny dark eyes, Nicely angled front and rear with especially strong rear quarters. This bitch and my BOV white bitch were part of the reason for my introductory paragraph here. These are lovely bitches with few and minor faults and with considerable virtue without being overdone or initially eye catching to many. When a judge can find solid breed type combined with soundness and overall virtue, that seems like a winning combination to me and for our breed in the long term.

Reserve Winners Bitch Jones & Galaska's IMPERIAL REBEL'S SWEET REVENGE. (GCH Crestmonts Captain Bravado Of Mystic ex GCH Yoeckydoo's Keepitcool). From the Open class, this bitch shows some nice maturity with curvy muscles and a shapely body. Though the ears are a trifle large, she has a lovely head and expression. Small mouth fault. She is nicely sized, balanced and has good overall make and shape. Moves effectively, holding her topline relatively true. Movement is better coming than going. Both WB and RWB were/are balanced and attractive Bull Terrier bitches. A pleasure to judge them.

Best of Opposite Sex Roman & Snider's CH ACCLAIM'S STEALING COSMIC THUNDER. (GCH Action Cosmic Cowboy ex GCH Acclaim's Rose Of Sharon). A heavy weight brindle and white male, possessed of good bone and substance. Good head quality in shape and downturn, with dark, small, well-placed eyes. Rather nicely set ears. While missing some teeth, he has good strength of under jaw. He moves well and carries his topline properly. Nice tail set and tail carriage. *Best of Breed Owner Handler.*

Select Male Parker's CH NUANCE NIGHT TO REMEMBER. (GCH Soquel Millenium Seafarer ex Ch Nuance Nonetheless). A mature, well made black brindle (some tri markings). Real strength in head with Roman finish and handsome expression. Very nicely proportioned body. Moves well. Tendency to hold his tail gaily (both stacked and on the move) mars his outline, but overall he is a high quality male and is very tippy!

BULL TERRIERS (WHITE)

Winners Dog Frascone & Burke's ABBEYROAD HEY JUDE AT SINABAR. (Ch Megaville's Signing Off ex Quentinhill Hell Girl). From the Open Class, he is a powerful, classic Bully male, with a varminty eye and lots of head drama in terms of downturn with good fill. Strongly built with solid bone. Nicely proportioned overall, with good forechest and strong rear quarters. Very nice tail set and carriage. Moves adequately, paddling slightly in front with somewhat stronger, more useful rear movement.

Reserve Winners Dog Roberts & Zindar & Snider's ACCLAIM'S RELEASE THE KRAKEN. (Ch Action Cosmic Cowboy CGC ex GCH Acclaim's Rose Of Sharon). From the Bred By class, this nicely mature male has good head strength. Slight mouth fault. Good tail carriage. He moved fairly well overall, but rear movement was not true.

Winners Bitch, Best of Winners, Best of Breed Bozian's EMRED DEVILS MOON OF BULLAYR (Emred Devils Tri Star ex Emred Dear Prudence). Very tippy white bitch with a black brindle ear and some head markings. Correct bite. Lovely, naughty eye, with good fill under eye. To be fussy, she could have a slightly tidier ear set. Strength in head with adequate underjaw. Pretty, devilish expression. Nicely sized with very correct make and shape overall. Viewing her outline, one sees a feminine, quality, gently-turned and filled head leading to a lovely neck with arch and strength and a balanced Bull Terrier bitch body. Athletic, correct angulation both front and rear. Especially correct front quarters. From the 12-18 month bitch class, this young bitch is not flashy, but she has much going for her in terms of quality, soundness, breed type and bully personality. Very good bone and substance for size Happy, playful. While not always well controlled, she moved well coming and going. Not

an easy decision. Some worthy, good quality competitors in the ring. She edged the others out based on my impression that she most closely fits the standard. *Best of Breed Owner Handler also.*

Reserve Winners Bitch Parker's NUANCE NEXT BIG THING. (Ch Megaville's Signing Off ex GCH Nuance Naughty Or Nice BN RN CGC RATO). This well made beauty came from the Bred By Class offering excellent construction and lovely head quality. Beautiful dark eyes, lovely head curve/downturn. Eyepatch over right eye. ok earset. Very good condition both physically and coatwise. It was very nice to have these two top quality young bitches in my ring today.

Best of Opposite Sex Buescher Mclamrock & Evans' CH OC MYSTIC'S STEVE MCQUEEN O'MALVERN. (GCH Crestmonts Captain Bravado Of Mystic ex Oc Lights Action Fame O'Malvern). A powerful male who is well proportioned and possessed of extremely good bone and substance and good reach of neck. He moves well and carries his topline correctly. Slight mouth fault

Select Male (Whitmer & Valizadeh' GCHS AMAIZE SUPERNOVA. (GCH Yoecky Does Gamin ex Ch D Bar Lady Gaga Tulsa Doom). This male is something of an impact dog. He presents a powerful masculine appearance and is certainly eye catching. Handsome especially when stacked, but he was rather down on this front today, soft in pastern and giving a somewhat east/west look. This and/or perhaps a bit overweight also seemed to make him look low on leg and out of balance. Small typy dark eye, handsome powerful head with considerable muzzle strength. Mouth fault. Moved adequately. Better going than coming, but he seemed off kilter with tail carriage higher than I have noted before. I have seen this dog show better. On a subsequent day of this weekend of specialties, when he seemed in good form, he took the breed and a group placement.

Select Bitch Whitman & Gardner's CH BOBKAT WHITE HOT INDULGENCE CGC TKN. (GCH Bestuvall White Hot ex GCH Apprentice Heroine At Bobkat). Beautiful head with brindle markings on head and ears. Lovely expression with tiny eyes. Could use a bit more underjaw, but has good depth of muzzle. Beautiful, well proportioned, rather classy body. Shows strength in body both stacked and on the move. First time she went around, this bitch was not moving well, but she came together on individual exam and subsequent observed movement. Strong forequarters and shows good balance overall, but not as jaunty or coordinated and purposeful on the move as I would like to see.

Best Puppy

Burke's ABBEYROAD'S DEVIL EYES. (Emred Devils Tri Star ex Quentinhill Hell Girl). This pretty, promising youngster won first in the 9 to 12 Month Bitch class and then earned Best Puppy of the day.

Today was a beautiful day to judge, at this spectacular show site. You can always count of the Metro Detroit club to have great snacks, lunch and a super raffle. I love that they have combined with the Minis , and hope more clubs look into doing this. Thank You for having me.

Colored Bull Terrier Best In Puppy Sweepstakes:

Elvenhomes Lady Jane- Tri colored girl. Her coat gleamed in the sun and she was hands down the best behaved of the day! Head of good length but her profile is a bit flat. Deep underjaw. Body very mature for her age. Deep ribcage with short back. Nicely angulated hindquarters. Moved cleanly.

White Bull Terrier in Sweepstakes and Best in Sweepstakes:

Malajo's Prima Diva- White girl with small face markings. Just six months old and very happy to show off her jumping skills. Long, strong, finished but feminine profile. Would like a bit more muzzle width, which may come as she matures. Strong arched neck flowed into well set back shoulders and a pleasing topline. Well let down hindquarters with good tailset. Lovely bone all the way down. When she settled, her construction showed in good reach and drive while holding her topline firm. With a bit of polish this girl will do her owners proud.

I would like to thank the **BTC** of Philadelphia for inviting me to judge on this prestigious weekend. Even though it was overcast, it was cool enough to make the day enjoyable otherwise. Thanks to Heidi Clayton for engineering a great lunch and hospitality. And I absolutely love my judge's gift!

The entry numbers were down from previous years and it was very disappointing at the number of absentees. Thank you to the exhibitors that did support the weekend. This is the Terrier Weekend of the year and needs to be supported.

Overall I found movement better coming than going and a fair number of off mouths. Also even though this was a supported show it was held in conjunction with an all-breed show and I had a few instances of over-applied makeup.

Silverwood 2018 – Judge Dale Schuur

I thought the overall quality in this years' competition to be high in each of the classes. None more so than in the Colored bitch class. It was very, very difficult to pair my short list of 10 down to four, and I felt genuinely sad at sending out without recognition a number of the class competitors, animals which I previously have given BOV at regional specialties. This is caused by either not allowing the judges to confer in the morning rounds or by limiting the judges to 4 or at most 5 Finalists. My co-judge and I agreed in a later conversation had we been allowed to confer we would easily have had at least 8 finalists as our short lists were virtually identical. Perhaps its time to revisit this portion of the rules?

I would also like to mention how agreeable an assignment this was. My co-judges were terrific to work with and our stewards did their job beyond compare. My thanks to all involved in the workings of this event, you made it run very smoothly.

White Dog Finalists:

Whitmer and Valizadeh's GCH Amaize Supernova (GCH Yoeckydoo's Gamin x CH D Bar Lady Gaga Tulsadoom) Substantial white dog with excellent bone and balance. Typey and moderately short backed, he's a good square mover both ways. Head is well turned, impressively filled and with a truly outstanding expression. Moves well both ways, best in the Movement Trophy competition. This is an outstanding dog with a slight mouth fault, canines correct, undershot. Shown in very good condition. Best White Dog and Movement Trophy Winner, Lovell Trophy, Best of Opposite Variety.

Smith and Byzewski's GCH Magor Super Fly (CH Magor Pretty Fly 4 A White Guy x CH Magor Millenium Moonstruck) White medium sized dog. Impresses immediately with his typey balanced outline.

Everything is in the right place. Good bone for size, and body is now mature. Lovely turned profile, smoothly filled and paralyzing expression. Mouth is good. Very good neck and shoulder with cobby short back. Moves squarely with nice jaunty steps, a bit closer behind than is ideal. His power, showmanship and condition could not match BWD. Reserve White Dog

Lindquist and DeGraaf's Madcap Jump the Pond (Emred Devil's Spy x GCH Madcap Jump the Broom) Moderate sized white dog. Well made, with very good bone and substance for size. His head is long, wide with good fill, and very good expression. Mouth is level, with just two teeth very slightly beyond. He has a good neck and shoulder, and carries his topline well. A quality exhibit who was expertly presented. This dog for me pushed very hard for the top spots.

Heniser and Davis's CH Envoys Hard Cider BN RN (GCH Magor Galactic Agent x CH Envoy Return to Rome) Upstanding white dog who is well made and impresses with his quality, and balance. Head has good length, width and fill. Mouth good. Nice length of neck and well laid shoulder. Bone and substance good for size. Impresses with make, shape, balance and quality. Got his Finalist spot based primarily on his lovely front with very good head quality.

Colored Bitch Finalists:

Hagen and Berez' GCH Action Cosmic Kiss (CH Action Cosmic Cowboy CGC x Kingsfarm's Going for Action) Red and white. Impressive head, well filled and turned, with excellent expression. Mouth good. Above average length of neck and shoulder. Beautifully balanced and full of quality. Still young, she

impresses with very good bone and substance. Movement is good in front, a bit close behind but with very good reach and drive. Stood out on the day, in an exceptionally deep class.

Best Colored Bitch and Ch. Raydium Brigadier Trophy (BOS)

Odriscoll's CH Hawthorn Double Bock (Zappy Zack Timar x CH Emred Devils Belle) Brindle and white bitch. Impressive head, beautifully turned and great muzzle strength. Mouth good. Outstanding bone and substance for size. She is well balanced with moderate angulation both ends. Shapely outline. To be critical, she is perhaps a bit short on leg and her coat condition could be improved. I thought her the best mover among the colored bitches and sent her forward for the **Movement Trophy.** She moves well in front and reaches and drives well behind, just a touch less width than in front. **Reserve Colored Bitch**

Byzewski's GCH Magor New Moon Rising (CH Magor Pretty Fly 4 A White Guy x CH Magor Millenium Moonstruck) Brindle and white bitch. Lots of quality, beautiful head with lovely turn and excellent width and fill. Good expression with very good bone and substance. Nice combination of quality and type.

Good neck and shoulder, could use just a bit more length of upper arm. Moves well in front and with good reach and drive all ways, but too close behind. A very high-quality bitch, but a touch off her best form from last year.

Troy's Bullyhill BW Simply Irresistable When Flirtin (Magor Born to Fly x Bullyhill Kaleco Flirtin With Trouble CGC) Substantial upstanding brindle and white bitch. Beautiful head piece, well turned and filled with very good expression. Loads of quality, nice neck, shoulder and topline. Well angulated quarters. Moves well in front, a bit closer behind. Today she was fairly happy (she can help or hurt herself with how she's feeling on the day) and I was happy to acknowledge her considerable virtues with a finalist placement.

In addition to these above, I would like to name four other animals (in numerical order) I felt were very worthy of a Finalist position **GCh. Madcap Jump Over The Moon, GCh. Nuance Night In Tunisia, GCh. Sandstone Moonlight Over The Maidens With Terjos, and GCh. Sandstone's Honky Tonk Angel.** All of these have super qualities and I felt disheartened at not being able to give them the acknowledgement that we all strive for at this event.

White Bitch Finalists:

Alzapiedi, Wiggins and Cairns' GCH York Glamour and Glitz (Emred Devils Advocate x Your White Moon) Moderate sized white bitch who impresses immediately with her quality, balance and type. Head is well turned with a very good expression. Fill is good, but a bit more width would improve. Bone and substance commensurate with size. Her movement in front is good and she

reaches and drives well, just a bit close behind. **Best White Bitch**

Migliore-Carter, Perrott and Deever's GCH Apprentice Summerlovin in Action (CH Action Captain Chaos x GCH Apprentice Devil in a Red Dress) Very similar to best in this class, she too, impresses with quality, balance and type. Head is well turned and filled, expression just a bit softer than **BWB**. Bone and substance good for size, she also moves well in front, reaches and drives well, but is too close in the rear. Close decision for **BWB**. Reserve **White Bitch Holmes, Brodeur and Hennessy's GCH Wendigo Philgin Devilish Diva at Paradigm (GCH OC Corsaire Devilish Delight at Dogmore O'Malvern x CH Wendigo Breaking Bad)** A quality white bitch. Impressive fill and expression. Mouth good. Her profile while well turned could have a bit more finish. Neck and shoulder are good, upper arm is a bit too short. Short strong topline, she is propped up in the rear caused by her pelvis being set too steeply. This also causes her to be too bowed in her stifle joints, with the consequent effect on her rear movement and topline. Where she is good, she's very good.

Considered her strongly for the top spots.

Bluhm and Whitehair's CH Bullymoon Diamond Solitaire with Sandstone (Megaville Sardonicus x GCH Sandstone's Visions of Liberty) Upstanding white bitch. Impressive outline highlighted by her make and shape with a strong proper topline. Head is nicely turned and finished with adequate fill. Expression good. Lovely neck and shoulder. Body is shapely. Bone and substance matches size. She moves well in front and good behind just a bit too close. Got this spot on her strong front and overall quality and balance.

Silverwood Trophy

Thomas' GCh. Grabo Testarossa Formula For Drama (GCh. Action Devil's Apprentice by Formula ex GCh. Action's Formula For A Queen) Red and white dog of moderate size. Impresses immediately with his superb head quality and expression. Beautifully turned and filled head with a good mouth. He is very typey with a good length of neck and strong topline. Excellent body shape and volume. Well angulated quarters. He moves truly in front and with good reach and drive behind, though a touch close. Bone and substance very good for his smaller size. To be critical, I could wish for stronger pasterns and a longer upper arm, but he is otherwise an outstanding typey and impressive dog. I had never judged this dog prior to today and was very pleased to be able to get the chance to evaluate him close up. A pleasure to award him the Silverwood Trophy in strong company. Also pleased to learn that he won the Irene Mann Trophy as both his parents were born here in North America.

Bull Terrier Club of

Dykema

It was a privilege and an honor to judge the 2018 Bull Terrier Club of America Silverwood competition with my esteemed co judges, Dale Schuur and Ron Scott, Jr. Thank you to the Bull Terrier Club of America and the judges selection committee for choosing me to be a part of this judging team. A huge thank you to my able senior ring stewards, David Merriam and Steve Schmidt, assisted by Scott Ibbitson and Mary Remer, for organizing and managing the large ring to perfection. They made our job much easier.

Hosting a Silverwood is a monumental task so kudos to the Golden Triangle Bull Terrier Club for running a smooth and efficient weekend. Sawmill Creek Resort is an excellent venue for a dog show providing friendly staff and acres of land for dog walking. And, finally, thanks to Ann Radford, Silverwood show chair and her expert team (including her husband Brian who supplied the much needed chocolate) for piloting the show to the best it could be.

First-rate sportsmanship was to be found both in and outside the ring by spectators and exhibitors alike as I observed cheers and support for all of the winners and their dogs. One example was the colored bitch winner. She is owned by a person new to bull terriers. This was her first Silverwood. I am sure it will not be her last. Thank you to each and every participant in the Silverwood weekend. Exhibitors, spectators, worker bees, vendors and more, we cannot do it without YOU!

Now on to the Bull Terriers:

What a super line up of well bred and well groomed animals. Handling was excellent and it was a pleasure to see the human/ animal bond between exhibitors and their charges. Type abounded and it was evident that we are improving the quality of North American bull terriers every year.

I judged the colored dogs with Ron Scott, Jr. We agreed on all save one dog each.

COLORED DOGS

My selections for finalists are in catalog order:

#305 GCH Action Devil's Apprentice by Formula
Breeder: Franne Berez, Krista Prater Piles
Sire: Emred Devil's Advocate; Dam: GCH Action Headed
For Power Owner: Cynthia Perrott, Franne Berez

Brindle and white dog that exhibits exceptional bone and substance. Taller and a bit more upstanding than some he exudes power while maintaining excellent type.

My notes say “intense bone in his front legs still standing on tight cat toes”. His head is an egg from the front and has plenty of profile from the side. His expression is keen. Bite good. Ears a tad offset. Missing tip of ear just adds to his character! His body is short enough in back. He is strapping and beefy with well-sprung ribs and muscular fore chest and rear end. Moved with plenty of jaunt coming in parallel, a bit close going away. Held his top line from the side.

Best term to describe him? Robust.

RESERVE COLORED DOG

#313 Formula Signing On With Paradox

Breeder: Angela R. Cockburn, Krista Prater Piles

Sire: CH Megaville's Signing Off; Dam: CH Formula for the

Power of Moonlight Owner: Glenn Snyder, Krista Prater-Piles;

Black brindle dog with quality galore. Not as large as some of his competitors but has much to offer. Excellent profile with wonderful expression and long head. Nice tight eyes especially for a colored dog. Ears could set a bit higher. Scissors bite. More terrier in style. Bone is enough for size. Cat feet. Moved well in all directions due to being very well made. Still a very young dog. Should mature nicely.

Best term to describe him? Handsome.

#319 GCH Grabo Testarossa Formula for Drama

Breeder: Krista Prater-Piles, Franne Berez

Sire: GCH Action Devil's Apprentice by Formula; Dam: GCH Action's

Formula for a Queen Owner: Grace Thomas, Robert Thomas

Flashy red and white well marked dog that epitomizes TYPE. Side view brings a square package in body, short back, smooth top line with just the right amount of rise over his loin and tail set low on and thick. Neck is strong and muscular deepening into a well-developed fore chest. Elbows are tucked right in and he stands four square with a well turned rear stifle and short hocks. Head from the side is a sweep without exaggeration from tip to well bent nostril. Viewed from the front he makes you smile. Beautiful egg shaped head packed and filled to the brim. Nary a dip or hollow. Expression is keen and merry and his ears are both at 12:00 and head is flat in between. Chest is broad and deep. Front is straight and he stands on wonderful cat feet both front and rear with bone appropriate for his size. On the move he strides out with just the right amount of “jaunt” and “roll” Reach in front and push off from rear gives one the impression of “springiness” while still holding his top line. Coming and going he is parallel.

Shown as one with his very capable handler, he could not be denied. What a team! Oh and .. Bite? Spot on perfect.

Best term to describe him? “Swagger”.

BEST COLORED DOG, SILVERWOOD WINNER and thrilled to be able to award him the IRENE MANN trophy for BEST SECOND GENERATION AMERICAN BRED DOG

#325 GCH Magor Galactic Agent

Breeder: Norma Smith, Gordon Smith, Darcy Lawson, Bernie Buchannon Sire:

Emred Huntsman; Dam: Magor Moulin Rouge

Owner: Diane Davis, Norma & Gordon Smith;

Celebrated fawn and white dog and handler team that does our breed proud every time they step into the ring. His presence is what takes your eye as he stands with his well-arched neck and shoulders. His head is wide and full and his expression keen. Bite under with correct canines. His ears are pert and he uses them very well. Front is straight and he carries the right amount of bone and substance throughout. He has nice tight feet. Side view brings a more Dalmatian style of dog with a bit more air under him. Well tucked up and an excellent top line. Stifle is well angulated. Tail set is proper. Moves as made. Smooth and easy strides take him around the ring with style.
Best term to describe him? Impressive.

COLORED BITCHES

My notes say as I watched this class enter the ring “This will be impossible to pick just four. They are just beautiful beautiful animals” But we had to choose and my co judge Dale and I agreed on three of the four. Some very difficult decisions to make.

In catalog order:

#374 GCH Action Cosmic Kiss

Breeder: Franne Berez, Krista Prater Piles

Sire: CH Action Cosmic Cowboy CGC; Dam: Kingsfarm's

Going for Action Owner: Alisha Hagen, Franne Berez;

Gorgeous red and white bitch of medium size with a fabulous arched neck and correct shoulder placement flowing into a correct top line and tail set. Underline is tucked and smooth. Stifle turned and hocks let down and parallel. Her back could be a tad shorter. Viewed front on she has a gun barrel front with compact feet and upright pasterns with a wide fore chest. Plenty of bone and substance. Her head is long, strong and deep with a sweeping profile. Great depth of muzzle. Bite is level. Ears are pointed skyward and she uses them well as she is “in tune” with her handler at all times. Expression is good enough. On the move she is true in front and rear but is especially impressive from the side when you can see the proper shoulder and rear combine to create a top line that stays level while still having the typical bull terrier jaunt.

In a group of spectacular bitches she was the winner today. Congratulations to her owner who looked like a pro until we called her number. Cheers and Tears. Lovely to see.

Best term to describe her? Classic

Deep under jaw and muzzle. Bite is scissors. Dark eye well placed and good ears. Strapping fore chest. Straight front. Her

elbows are well under her and tucked right in. Deep brisket with good tuck. Rear could have a bit more turn at the stifle. Wonderful top line and short back. Moved well in every direction. Loved her spirit.

Well handled.

Best term to describe her? Solid.

Lovely feminine brindle and white bitch that exudes quality and style. Sweeping profile and good fill. Scissors bite. Nice expression helped by a good ear set. Neck and shoulder flow into short back and good rise over the loin. Rear is well defined and she moved parallel in front, a bit closer behind with reach and drive from the side. A real package of type and style. Always handled with expertise and in fabulous condition.

Best term to describe her? Showy.

Low slung bully style bitch with fabulous musculature. Her head is turned over and filled up with an exceptionally squinty eye. Perfect scissors bite with large regular teeth. Good ear set.

Best term to describe her? Cobby

WHITE BITCHES

Another bevy of beauties. Dale and I agreed on three of the four we were allowed to select. My selections are in catalog order

#422 GCH Apprentice Summerlovin in Action

Breeder: Mary Kay Migliore-Carter, Cindy Perrott, Barb Deevers

Sire: CH Action Captain Chaos; Dam: GCH Apprentice

**Devil in a Red Dress Owner: Mary Kay Migliore-Carter,
Cindy Perrott, Barb Deever;**

White bitch carrying brindle. Lovely petite bitch with a dynamite front and nice tight feet. Well-laid shoulder leads to a shapely body. Plenty of bone and substance for her size. Head is smoothly turned right over with a super profile and has an almost perfect oval shape when viewed from the front. Bite just a tad under with correct canines. Expression is especially wicked with tiny well-placed eyes and animated ears right on top. Short backed. Nicely turned stifle and short hocks with small rise over the loin. Moved with drive and jaunt. Parallel coming a bit closer going away. It was a very close decision as both this bitch and the winner were very

similar in style and shape with each oozing with type. (Interesting to note she is product of older frozen semen and the pedigree shows more than a couple of Silverwood winners)

Best term to describe her? Chic.

RESERVE WHITE BITCH

#426 Bobkat Justa Glance at Apprentice

Breeder: Katherine Gardner, Cynthia Perrott, Mary Kay Carter

Sire: GCH Bestuvall White Hot; Dam: GCH Apprentice Heroine at Bobkat

Taller style bitch with plenty of sweeps and curves as she stands with a lovely arched neck leading to a beautifully turned over head piece that is long and deep. Incisors correct. Canines incorrect. Super expression with wicked well-placed dark eyes and ears that she used well. She has good bone and the smallest of feet with pasterns that are straight up from her toes and well tucked elbows Prominent fore chest although a bit short in upper arm. Well-muscled rear and tail set on right off of her back. Moved with reach and drive all ways.

Best term to describe her? Statuesque.

All white bitch exuding a powerful package with plenty of bone and substance. Grabs you right away with her super expression. Eyes dark and intense set in a wide, strong headpiece. Ears well set enhancing her commanding look front on. Perfect bite. Profile is gentle and unexaggerated. Front is straight. Feet tight. Side view gives a well bodied form. Top line has a slight break just behind the shoulder and her elbows could be more tucked in. Moved well going and coming, top line does not quite hold from the side. Shown beautifully and in impeccable condition
Best term to describe her? Varminty.

#444 GCH York Glamour and Glitz

Breeder: Ann Wiggins, Stuart Cairns,

Meaghan Barnes Sire: Emred Devils

Advocate; Dam: York White Moon

Owner: Cynthia Alzapiedi, Ann Wiggins, Stuart Cairns;

Proving good things come in smaller packages, this bitch took my eye from the time she entered the ring and I was not disappointed. Side view brings feminine outline with body shape showing a full "turkey breast" fore chest, elbows well tucked in under her and nary a wrinkle behind her well laid on shoulder showing a flowing top line, rise over her loin and perfect tail carriage. Her neck is arched and long. The rear is well angulated and stifles well bent with short hocks. Brilliant headpiece. Love her length of head and teeny eyes placed up on her head. Ears bang up. Her bite is reverse scissors with correct canines. A tiny bit more fill might

complete the picture. Her movement was excellent all ways around the ring, especially coming in where she is wide and parallel. Not an “easy winner” as the competition was fierce in both bitch classes; she tipped the scales today with her construction and movement. Expertly handled.

Best term to describe her? Classy

BEST WHITE BITCH

The Final Round

As I did not judge white dogs I had the pleasure in the final round to go over:

GCHS Amaize Supernova

Breeder: Lisa Quiggle, John & Theresa Spurr, James Davis

Sire: GCH Yoeckydoo's Gamin; Dam: CH D Bar Lady Gaga Tulsadoom Owner: Darrin Whitmer, Yasmin Valizadeh;

What more can one say about “Timmy”? Supernova is a super dog. This is where we talk about virtue vs faults. Bite off, front toes turn out a bit. Yes that's true. The rest? It does not get much better. A fat headfilled to the brim with power, width and strength of muzzle. Profile is smooth and unbroken and his ears are well placed on top of his head but his expression is what grabs you. Glinty, dark, varminty eyes placed just right to give the look of wickedness that we all love so much and is one of the hallmarks of the breed. Loads of nice round bone, short back. Moves oh so well, especially going away. Always snowywhite and in great condition. Bull terrier through and through.

Best word to describe him? Virtue.

Thank you to the BTCA and its members for the privilege of judging the National Specialty, and for exhibiting your dogs to me. It was a real pleasure to judge so many animals that I had not yet had the pleasure of seeing, and to realize the lovely depth of quality that we have in this country. Thank you also to my efficient ring stewards, Mary Remer and Scott Ibbitson, and to Ann Radford, our Show Secretary, for the massive job of getting all the minutiae of a show this size in order. Ann was also kind enough to proof-read 46 individual critiques for me; any remaining mistakes are my sole responsibility!

Kudos to the Golden Triangle BTC for taking on the monumental task of hosting a Silverwood Trophy and National Specialty Weekend; it's not an event for the faint of heart, and there are usually a few stalwarts who bear the brunt. Like every dog club, the BTCA and our member clubs would be helpless without the incredible volunteers. And, a million blessings on our crazy, stubborn, beautiful Bull Terriers, without whom none of this would be happening. Love you, you mad creatures; all of you.

Puppy Dogs 6-9 Months

First (106)

Pichilli JAVARKE ARGENT AT ENERAGON (Unfailing Jack Frost ex Gwrach Dryll Des Pirates D'Orthog) Brindle & white boy, alone in his class. Long, nicely turned head which could use more power and width from the eyes down, and perfect bite. He's still extremely immature, only days past his six month birthday; needs time to develop musculature and confidence. He's quite well made, but is long cast at this stage. Movement was adequate, but gawky, not surprising for a baby this age. He seemed a bit overwhelmed by the ring, but settled in as he progressed.

12-18 Months Dogs

First (605)

Murphy, Johnson, Dominico BALLY'S HANK YOU VERY MUCH (GCH Soquel Millenium Seafarer ex Ch Debully Snow Angel) Bite correct, in a powerful head with nice muzzle strength and good ears with well-placed dark eyes. He would benefit from a bit more fill under the eyes to smooth out his profile. He's a rich red & white youngster, just under 16 months, and has not yet put on adult substance, or settled into his skin. He has good bone for his moderate size, and is short-coupled. At this point, he is a bit high in the rear, and his movement is affected by his rear trying to overtake his front. Lovely, friendly boy with charming attitude.

Second (603)

Fernandez, Poole, Poole ROCKY TOPS DAY DREAMER (Ch Unbeatable Arnold Eos Tanagros ex Ch Rockytops Sunshine On A Rainy Day) Moderately sized, solid black-brindle & white youngster, wildly excited by his time in the Big Ring, which made movement difficult to assess. He lacks the maturity and substance of the red dog in first. He has a pretty profile, with adequate width & fill and a perfect bite. Eyes are dark and well placed, ears were not being utilized. His bone is appropriate to his size, and he has beautifully shaped rear quarters. A bit better shoulder angulation would improve his silhouette.

Third (607)

Whitman, Scott APPRENTICE WHOZURDADDY INDULGENCE (Ch Apprentice Finnegan Begin Again CA exApprentice Tallulah of Kindred Spirit) Brindle & White

Bred By Exhibitor Dogs

First (609)

D'Aquila CREEKSIDE FORGED BY FIRE (Ch Emred Fire Spy ex CH Emred Devil Wears Black) Upstanding red & white, with a long gently turned head, good muzzle strength and bite just off level. He has tidy ears, dark eyes that could be more obliquely set. He's moderately sized, with round bone appropriate to his weight, nice return of upper arm gives him a lovely pro-sternum. I'd prefer more shoulder layback, and slightly less length over the loin. Rear quarters are well muscled and nicely angulated. He's well-balanced front to rear, and moves cleanly all ways of the ring. Showed really well; very in tune with his handler and in beautiful condition. First in the class for his type, soundness and balance.

Second (611)

Wright, Teitel, Paule GLENTOM NEVER THE FOOL (GCh Glentom Fools Fortune ex Ch Glentom Mint to Have The Last Word) Brindle & white boy, with a pretty head, good profile and reasonable width and fill, with a bite just off level. He's got good bone and substance, but lacks the maturity and hard substance of the first place dog. He moves reasonably well, carries a bit more height over the loin than #1. He's really well-angulated through the shoulder and upper arm, but his rear quarters need to develop further to balance him. At only 14 months old, he wasn't sure what he was supposed to be doing, but has time on his side.

American Bred

DogsFirst (613)

Brodeur, Hennessy WENDIGO PHILGIN BLACK IS THE NEW WHITE (Philgin Perfect Storm ex Wendigo Breaking Bad) Eye-catching solid black brindle dog, with the head on expression of a devil; dark, triangular little eyes, and neat little ears right on top of his beautifully filled and turned head. He has a strong muzzle, his bite is regrettably wrong. He has good round bone, tidy cat feet, and better than average shoulder angulation. He has an extremely short back, with a bit more rise over the loin than the ideal, and is very angulated behind. He would benefit from more substance in his rear quarters to give him better balance. Movement was difficult to assess, as he was disinclined to take 2 steps in any one direction at a time.

Open Dogs

First (615)

Holmes, Zethner, Brodeur **GHOSTS 'N GOBLINS BOLD AS BRASS** (Emred Devils Advocate ex Chelsea's Diva von Saalewiesen) This is an eye-catching, mature and well-marked brindle & white of impressive bone and substance. His head is long, strong, well filled and beautifully turned with a perfect bite. He has tidy ears and well-placed and shaped eyes, big round bone and a ramrod straight front, with good cat feet. His well arched neck leads to better than average shoulder layback and a short, strong topline. His rear quarters are well-angulated; they would be improved with more development of muscle in the second thigh, but she uses what he has well, and moves with power and drive; gave his handler a work-out. I awarded him **Winners Dog** for his imposing substance, quality of head and structure, and lovely arrogance.

Second (617)

Snyder, Prater-Piles **FORMULA SIGNING ON WITH PARADOX** (Ch Megaville's Signing off ex Ch Formula For The Power Of Moonlight) Another mature and impressive dog; he's a heavy boned, black-brindle and white. His head is wide and powerful, gently turned, with good strength down to the muzzle. I preferred the smoother profile of the 1st place dog. He has good incisors, one canine tight in the gum. He has considerable substance and depth of body, appropriate to his Bull-type physique. He would benefit from more length of neck and angulation through the shoulder and upper arm. His rear quarters are massively muscled and well angulated, which tends to overpower his front end. His masculine virtue and over-all power put him earned him **Reserve Winners Dog**.

Puppy Bitches 6-9 Months

First (600)

Wolf, Theiss, Robards **VIMANA VALENTINO QUO VADIS** (GCh York Dark Moon Rising ex Valentino Sinabar Bedazzled At Vimana) Pretty red and white baby with a lovely headpiece; smooth profile, dark eyes and tidy ears, with good fill and strength. Her bite is incorrect, with one canine tight in the gum. She needs more length and angulation of her upper arm and more layback of shoulder, but she has a strong topline, and beautifully angulated, powerful rear quarters. She was impressively well-behaved for a baby this age; she showed like a little dream, with movement clean all ways of the ring. She's going to be fun to watch.

Puppy Bitches 9-12 Months

First (602)

Shaw **SECONDTONONE CROWN JEWEL** (GCh Soquel Millenium Seafarer ex Ch Bestuvall Too Hot 2 Be Cool) Pretty, compact brindle & white bitch, with a lovely feminine head, gently turned profile, good width, fill and muzzle strength, with

incisors scissors, and one canine tight in the gum. Her eyes are dark, well placed, and tiny, ears are on top of her head, if a bit generous. She has lovely round bone, leading to tight cat feet, and a deep body, I'd like a little more leg to improve her balance. She moves with excellent drive, powering off strong, well-bent rear quarters. Her movement is better going away than coming towards, as she could have a tighter front. She never let down; showed full on the entire time she was in the ring. **Winners Bitch** for her feminine strength and overall breed quality.

12-18 Months Bitches

First (604)

Uplinger, Uplinger IMPERIAL KISS KISS BANG BANG (GCh Brookbully Big Bang ex GCh Imperial Kiss After Dark) Fancy dark brindle & white young bitch, she has a gorgeous, powerful egg-head, with excellent width, fill and muzzle power, accompanied by a beautifully curved profile and good finish. Her incisors

and canines are incorrect. She has a strong, graceful neck, but fails to hold her topline behind the withers. Her shoulder angulation is better than average, and she is well angulated in the rear, as well. At 16 months, she still has some growing and developing to do. She's beautifully presented; shows like she was born to it, and moves freely all ways of the ring.

Second (606)

Whitman, Young APPRENTICE ALTER EGO'S INDULGENCE (GCh Apprentice Finnegan Begin Again CA ex Apprentice Tallulah Of Kindred Spirit) Substantial brindle and white bitch, with a powerful, rather angular head, her bite is just off. She has good round bone, with quite a lot of leg under her. Her body is deep and substantial, her rear quarters are well angulated. Her balance would be improved by better length and layback of her shoulder construction. Well presented, in good condition, and moved well all ways of the ring.

Third (608)

McColl SLY EYES THIS PIGLET FLIES (Red Rockin Kid At Sly Eyes ex Sly Eyes All This Piglicious)

Bred By Exhibitor Bitches

First (610)

Wright, Brewer GLENTOM DARK SIDE OF THE MOON (GCh Glentom American Spy ex Ch Glentom Bad Moon On The Rise) Typey, solid brindle girl, still immature, but a lovely turned and filled head piece, with neat ears and wicked eyes. Bite is level with good canines. She doesn't have the width of head and muzzle power of the **WB**. Lovely straight front, with bone adequate for her size, and that varminty expression gave her the guns for **RWB**. I'd prefer more shoulder layback to tighten and shorten her topline, and a bit more bend of stifle, but she has good balance front to rear, and she moves cleanly all ways of the ring. I love a good solid; and I'm looking forward to watching this girl mature. She was immaculate and gleaming, and did her baby best to cooperate.

American Bred Bitches

First (612)

Prater-Piles FORMULA DELICIOUSLY DRAMATIC (GCh Action Devil's Apprentice By Formula ex GCh Action's Formula For A Queen) Terrier-style brindle & white girl; at 19 months, she's still quite immature, and has not filled out in body. She has a pretty profile, but would benefit from more strength throughout the head. Her ears are tidy, she has dark eyes, and a bite just off level. Her nice neck leads to a topline both short and strong, and she is well angulated front and rear. She moves cleanly, although without a lot of reach and drive. She needs to develop more power and substance over-all. Well presented, in hard condition.

Open Bitches

First (614)

Hooks, Berez ACTION HEAD ENCHANTRESS (Ch Action Headed For Fame ex Action First Class) Heavyweight brindle and white; long, strong head with good muzzle strength and a gentle profile with good finish, she has scissors incisors, with one canine in-standing. She has great depth of body, could use more bone for her size and did not appear to be thrilled about being in the ring. She's balanced front to rear, but could use more angulation at both ends. Her biggest issue was condition; she was quite soft, and her coat was dull. Her movement was clean and balanced but lacked drive.

Pytko CH BYRON'S PIECE OF MY HEART (Ch Bestuval Razor RediCut ex Byron's Queen Of The Hop) Black brindle & white lady, with a dramatic profile in a powerful head, her bite just off. She still has wonderful bone and substance, and was proudly showing off her 10 year old strut. I watched this oldie as a ring-shy youngster, and it really does my heart good to see her enjoying herself in the ring.

Second (616)

Searles, Dussault LEGACY SHE'S DYNAMITE OF WINDSOR (Ch Victoria's Grimaldi Windfall ex Winsor's Hope Springs Eternal) Another healthy, happy ten year old, with a lovely filled and gently turned head, bite just off. She doesn't have the bone and substance of the first place bitch, but it's an absolute testament to the breeding programs that produced each of these girls to see them so energetic and happy in the ring.

BEST OF VARIETY and NOHS (629)

Thomas, Thomas GCH GRABO TESTAROSSA FORMULA FOR DRAMA (GCh Action Devil's Apprentice By Formula ex GCh Action's Formula For A Queen) I haven't had the pleasure of going over this red & white dog before, and a pleasure it

was. He has a beautiful fat head, with a big wide muzzle and deep underjaw holding a perfect scissors bite, with correct canines. His profile is a lovely curve, without being overdone; eyes are dark and well set, with neat ears. He has wonderful bone for his moderate size, running straight down to tidy cat feet. He has better than average angulation in both his forehand and his rear quarters, and moves as he's made, with great drive off his well-angulated rear. He has a broad chest, short, deep body and is in beautifully hard condition and gleaming coat. He is still under two years old, but is incredibly mature, without being coarse. It was a lovely to have such a deserving dog in a ring full of quality. **BOV and BOB**

Whitehair, Whitehair GCH SANDSTONE'S HONKYTONK ANGEL (GCH Tulsadoom Abi Albon ex Caben Making Muse-Ic With Sandstone) Cobby, typey red & white bitch, absolutely my "cup of tea", with a lovely turned, filled head, tiny ears right on top of her head, and dark, well placed eyes. She has a big wide muzzle, good strength of underjaw and her bite is just off, canines correct. She has excellent bone for her size, running right to the ground. She could have used a bit more angulation in her forehand, her super- short back led to a trifle high tail carriage, but her heavy muscling and rock hard conditioning added to her impressive power on the move. Her body is deep, with a broad chest, and a rear end like a quarter horse. I just loved her; would have taken her home in a second. **BOS and BOS TO BOB**

SELECT DOG (621)

Davis, Smith GCH MAGOR GALACTIC AGENT (Emred Huntsman ex Magor Moulin Rouge) It was enormously gratifying to see this well-known fawn and white dog looking so fit and healthy, he's never looked better. He has a beautifully powerful head, with ears right on top of his head, eyes are dark, could be a bit more triangular. His bite is just off, canines correct, in a wonderfully broad, deep jaw. His bone is heavy and round, front and rear angles are balanced and he moves beautifully. He's short backed, masculine and impressive, and he is immaculately presented in rock hard condition, loving every minute in the ring.

SELECT BITCH (622)

O'Driscoll CH HAWTHORN EARRACH ARDAIGH (Zappy Zack Timar ex Ch Emred Devil's Belle) Rich brindle and white bitch, with a lovely long, strong head, gentle turn to good finish and strong muzzle. She has a level bite with correct canines, well placed dark eyes, and carries her ears well, although I'd like them higher on her head. She is very nicely balanced front to rear, moves very well. She has good bone for her moderate size; a bit more angulation at both ends would improve her silhouette. She has impressive virtues and minimal faults. Lovely bitch to work with in the whelping box, and showed like a bomb.

AWARD OF MERIT (632)

Lindquist, Lindquist, Krukenkamp GCH MADCAP JUMP OVER THE MOON, NAP, NJP (Emred Devil's Spy ex GCH Madcap Jump The Broom) Brindle and white, mature and substantial with a really lovely filled and turned head and exceptionally good forequarters, tidy ears, well placed and shaped eyes. Her bite is just off, canines are correct. She is not as well developed in the rear quarters as her impressive front

end, and her movement reflects that. Very virtuous bitch, with a lot to offer the breed, impeccably conditioned and presented.

AWARD OF MERIT (640)

Hagen, Berez GCH ACTION COSMIC KISS (Ch Action Cosmic Cowboy ex Kingsfarm Going For Action) I judged this red & white bitch back in March; she has matured considerably. She has a beautiful egg of a head, lovely dark and well placed eyes, tidy ears, and a strong, deep muzzle. Her incisors are correct, one canine is instanding. She's a big girl, without being coarse. Good round bone, impressively well-angulated rear end, with beautiful muscle development. Her front angulation is a bit upright, and she could use a bit less length over the loin. Beautifully presented, in excellent condition.

Beisel-McIlwaine, McIlwaine, Bassakyros BULDOR POWERPLAY AT FOXAIRN (Ch Formula Power Up For Action ex Ch Buldors Devil In A Red Dress) What an eye-catching puppy; very much a baby, but with a lovely head, nice turn and width, with a wicked little eye and tidy ears. He has correct incisors, with one canine tight. Only eight months old, it's apparent that he has the framework to build on. He has round bone down to his cat feet, a short strong topline and beautifully angulated and muscled rear quarters. I'd like a bit more shoulder layback. He moves freely, and jauntily. Cheerful, outgoing temperament, gleaming white coat and beautifully presented. I'll be watching him with great interest as he grows up. That nice silhouette combined with his wicked little eye and varmint head-on expression powered him to Reserve Winners Dog.

Second (703)

Bassakyros, Hasted BULDOR BREAKOUT TO BYCROSS (Ch Formula Power Up For Action ex Ch Buldors Devil In A Red Dress) Similar in type to the first place dog (and is his littermate), another nicely made youngster with a good strong head, with correctly placed dark eyes, and nice width and turn. His incisors are correct, with one tight canine. His bone is good for his size, and he's balanced in his front and rear angles, moving well all ways of the ring. They're a lovely pair.

First (709)

Salas ROCKY TOP'S DREAMS COME TRUE AT ARNOLD'S (Unbeatable Arnold Eos Tanagros ex Ch Rocky Top's Sunshine On A Rainy Day) Big youngster, with

heavy bone, and a smooth head; he could use a bit more turn of profile, but has good width and fill and a perfect bite. He's very "bull", I'd like to see a bit more length of leg for better balance. He doesn't hold his topline well on the move, but has good reach and drive. Well presented, and in good condition.

Second (707)

Blackwell, Blackwell, Poole, Poole ROCKY TOP'S DREAMBOAT (Unbeatable Arnold Eos Tanagros ex Ch Rocky Top's Sunshine On A Rainy Day) Second class of littermates. Really pretty profile, and wicked little eye on this boy; he, too, has a perfect bite. He has more leg under him than the first place dog, and a stronger topline, but isn't carrying the same bone, substance and muscle as his brother. He seems less mature and slower to develop, but they're still only sixteen months and have time to grow up.

Bred By Exhibitor Dogs

First (711)

Clayton SORABULLY'S SUSHI'S ICHIBAN (GCH Sandstone's Honkytonk Heartbreaker At Broken Arrow ex Sorabully's Runs Her Own Race) Huge bone and substance in this very masculine youngster. He has a longhead with correct incisors, one canine tight in gum; could use more fill under the eyes to improve his profile; he has good finish and a powerful muzzle. Chest is broad, front is straight, carrying bone all the way to his feet. Moved well all ways of the ring, powering from a well-angulated and heavily muscled rear. Well presented, showed his socks off. Carrying a bit more condition than ideal.

Second (713)

Davis ENVOY MVP (GCH Magor Galactic Agent ex Ch Envoy Return To Rome) Smooth, gently turned profile, with good eyes and ear set; well filled but not the muzzle strength of the first place dog. He has a level bite, nice reach of neck, excellent bone and a clean front. His shoulder and upper arm angles are better than average. He has quite a steep croup, leading to rear quarters that are significantly more angulated than his front end, affecting his movement. He looks as though he is still waiting to put adult muscle and substance on his frame. Beautifully presented, in hard muscled condition. He has a mismark at his tail-base.

AMERICAN BRED DOGS

First (719)

Wolf, Snider ACCLAIM'S OUT OF THE COSMIC BLUE (Ch Action Cosmic Cowboy ex GCH Acclaim Rose of Sharon) Strapping big dog, huge bone and substance, with good dark eyes and well placed ears. He has a scissor bite, with correct canines. I'd prefer more fill under the eyes and width down to the muzzle. He has a straight front, and a broad chest. He could use more length of forearm and layback of shoulder. Rear quarters are well-angulated and developed, and he moves with good drive from the rear, a little more restricted in front. Well presented and

in excellent coat and condition.

His head is magnificent, with piercing expression, and tidy ears right on top of his head; his bite is wrong. While heavy boned and masculine, there's nothing clumsy or coarse about him. Lovely front, right down to his tight feet; a solid topline leads to a really well-angulated and powerful rear. He moves particularly well, reaching out from his good shoulder construction, and driving from those rear quarters. He shows like a bomb; in immaculate condition and ideal weight. Sodomsy, Sodomsy **MALAJO'S PRIMA DIVA** (GCH Action Devil's Apprentice By Formula ex Malajo's Prima Donna of Paradox) Barely seven months old, and still very much a baby, she's a big, upstanding girl, with a long head, well-placed and shaped eyes and a perfect bite. At this stage she still needs more fill under the eyes to smooth out her profile. She has very good bone, a nice straight front and a lot of substance for such a young dog. She's currently growing in two pieces; her quarters are more developed than her forehead, so she is high in the rear. She was very enthusiastic about the whole experience, so movement was hard to assess. doG bless her handler for limitless patience; I look forward to seeing how she develops over the next year.

Bozian **EMRED DEVIL'S MOON OF BULLAYR** (Emred Devil's TriStar ex Emred Dear Prudence) Terrier style bitch, with a long head and scissors bite, with correct canines. She has well placed ears and good eyes, needs more width and fill to give the "egg" its rounded shape. She has a nice neck, leading to a short back and nicely angulated and developed rear. Her forehead needs more angulation and layback, as she doesn't hold her topline behind the withers. She was well-presented, in excellent condition, and moves better going away than coming.

First (710)

Prater Piles, Berez ACTION FORMULA FOR A DRAMA PRINCESS (GCH Action Devil's Apprentice By Formula ex GCH Actions Formula For A Queen) This is a really stunning young bitch; her head is a beautiful egg, with profile, width and fill. Her eyes are tiny, dark and beautifully oblique, ears right on top of her head and in constant use. It's always something... her incisors are incorrect, and the canines are wrong. She has good bone and substance; a short, strong topline and well-bent and muscled rear. Her front is not quite as clever; she could use more length and layback of the angles in her shoulders, so she moves better going than coming. She has enormous power packed into her moderately sized body, and despite her faults, her virtue demanded **Winners Bitch**.

Second (708)

Parker NUANCE NEXT BIG THING (Ch Megaville's Signing Off ex GCH Nuance Naughty Or Nice BN RN CGCTKN RATO) Moderate and correct girl, with a pretty head; nice length, width and fill and a perfect bite. I'd like a bit more turn of profile. She's cleanly made, balanced front to rear, and has bone and substance appropriate to her size. She has a beautiful, straight front, nice feet, and an elegant neck, leading to a strong topline and well angulated quarters. She could use more length of upper arm and layback of shoulder. She moves as she's made, clean coming and going and with good drive from the side. More overall power and "oomph" would lift her into another dimension, but she's a nice mix of "presence of virtue" and "lack of fault" that was more than sufficient for **Reserve Winners Bitch**.

Third (706)

McConnel, McConnell, Bavols OLD ENGLAND'S PRINCESS OF EMPRESS (Teirgwyn Paper Gangsta At Bullyview ex GCH Old England's White Imperial Empress)

American Bred Bitches

First (714)

McConnell, McConnell, Baval, Baval OLD ENGLAND'S PRINCESS OF CHANEL (Emred Huntsman ex GCH Old England's Coco Chanel) Big girl with a strong head, with decent width and length and a perfect bite. I'd like to see more fill up under the eyes to give a bit more turn of profile and more roman finish. She has good bone for her size, and is quite well made; she's not as "bodied up" as the eventual winners; the framework is there, maturity should pack on the muscle and substance, and develop the depth of body that is so pleasing to the eye. She is well bent and powerful in the rear quarters, and moves cleanly. She's very pleased with herself and demands attention in the ring.

Second (718)

Lewis', Snyder, Hudson UBUNTU'S VIOLET MAE OF PARADOX (Ch Negaville's Signing Off ex GCH Sandstone's Conceived In Liberty For Paradox) Moderately sized girl, with excellent bone and substance for her size, she has a shorter head, with an ok bite with an incorrect canine. She has a short back and deep body, with powerful rear quarters. She could use a keener eye, and more width and finish from the eyes down to improve her head. Well presented, in hard muscle and shining coat.

Open Bitches

First (722)

Speer, Martin, Martin BODINA BULPIN DRAGONFLY (GCHS Soquel Millenium Seafarer ex Wakatang PS I Love You) Moderately sized, well balanced girl, with a strong and long head with gentle turn and decent width. Better fill under the eyes would take away some “cheekiness”. Eyes could be keener, but ears are well set and she used them constantly. Her bite is scissors with correct canines. She has really nice big bone, is short coupled, and has a lovely angulation and development of her rear quarters. She moved decently and was well-presented in beautiful condition. After a bit of annoyance with the amount of noise and confusion of the competition, a bit of space enabled her to pull herself together and focus on getting her job done.

Profile is a gentle and complete curve, his bite is incorrect. He has big round bone all the way down to his feet; a slight tendency to toe out is not his fortune. Prater Piles, Berez CH FORMULA COSMIC CONNECTION TO ACTION (Ch Action Cosmic Cowboy ex Ch Kingsfarm's Going For Action) Beautiful bitch, with a feminine but powerful egg of a head. She has wonderful expression, tiny dark eyes and ears up on top of her head. Her bite is scissors incisors, with one canine instanding. Muzzle is wide, with a deep, strong underjaw. She has big round bone, which is fortunate as she was carrying far too much weight. Her feet could be tighter. She is short-backed and deep bodied, balanced in her angulation front and rear, and moves accordingly, with good drive from her really well-muscled quarters. She's a lovely balance of types as well; an excellent example of a middle-of-the-road style of Bull Terrier. She's a really good bitch; despite her extra weight, her virtues shone through.

SELECT DOG (735)

Lara, Salas CH URBANBULLY LOCKDOWN (Ukusa Quagmire ex Ch Ukusa Darkqueen At Urbanbully) Excellent bone and substance on this tri-marked boy. His bite is correct in a long, strong head with good turn, excellent finish, and good expression head on. Dark eyes and tidy ears complete the package. He has a straight front, stands well up on his legs, and is short-backed, with nicely angulated and muscled rear quarters. He moves freely all ways of the ring, and altogether masculine and impressive dog in rock hard condition and gleaming coat.

Ears are small, triangular and right on top of her head; eyes are dark, obliquely set and wicked. She has a pretty neck and straight front, good round bone, and tidy feet. Her quarters are muscled and well angulated and she moves extremely well. Her cross is a weakness in her topline, but it's a single fault in an extremely typey and virtuous bitch. In rock hard condition, beautifully presented and shows like a bomb.

I judged her in March and am impressed by the amount of maturity she

has gained since then. She has loads of bone, and substance, but is still a bit rangy, will improve further as her chest drops and her ribs spring. She is balanced in her angles front and rear and moves cleanly all ways of the ring.

She is a truly "jaunty" mover, and moves like she's someone special.

BEST OF BREED

I selected the coloured dog, **GCH GRABO TESTAROSSA FORMULA FOR DRAMA**, for his overall balance and type, accompanied by impressive soundness and masculine virtue in a well-constructed and impeccably conditioned package. There were two magnificent Bull Terriers in the ring; in the end, I preferred the shapeliness of the red dog in silhouette.

BEST OF OPPOSITE SEX

I chose the coloured bitch, **GCH SANDSTONE'S HONKYTONK ANGEL**, as her impeccable conditioning gave her an edge over her competition. Both are beautiful, typey examples of the breed, with marvelous headpieces, and beautiful construction, but fitness paid off and Honkytonk Angel absolutely shone, standing and on the move.

I would like to thank the Golden Triangle BTC for allowing me to judge this show. Thanks for the hospitality, it was a great experience. The Smiths appear to have done this a time or two before. As far as the entry, I'd like to thank you a very good entry for the new guy.

COLORED

Winners Dog

Pichilli's JAVARKE ARGENT AT ENERGON (Multi Int CH Unfailing Jack Frost ex Gwrach Dryll Des Pirates D Aorthog Javarke) Brindle & White young boy already with a long turned head and bone that caught my attention right away. First in the ring for the day but showed better with more ring time especially in the winner's class. A side note, I liked him today- the future could be interesting to watch.

Reserve Winners Dog

Wright, Teitel & Paule's GLENTOM NEVER THE FOOL (GCH Glentom Fool's Fortune ex CH Glentom Mint to Have the Last Word) Moderate Brindle & white with good head, profile, expression, bone and substance. Moved and showed well.

Winners Bitch

Hooks & Berez's ACTION HEAD ENCHANTRESS (CH Action Headed for Fame ex Action First Class) Brindle & White well bodied girl. Her head is her biggest asset- strong and with a good expression. This probably influenced her name. Movement was good. Overall proportion was very nice.

Reserve Winners Bitch

Whitman & Young's APPRENTICE ALTER EGOS INDULGENCE (GCH Apprentice Finnegan Begin Again CA ex Apprentice Tululah of Kindred Spirit) Brindle & White. Bodied with good bone. Good profile nice eye. Very good mover and showed well.

Best of Variety and Best of Breed

Salmons' CH ZOOZOOZ SECRET SPELL (Polanca Powerslave ex Zoozooz Unspoken Spell). Brindle & White bitch with nice proportions thanks to short back, neck, and nice shoulders. Movement, front, rear & side gait was tidy with a good topline- that's what kept me pointing to her. By the way- her head was long and filled. A really nice package.

Best of Opposite Sex

Rumer's GCH BAKER ST. BLAZING SADDLES OF APPRENTICE (CH Baker St Back in the Saddle Again ex Zayadi's Hurricane Hallie) Red & white boy. Good head with turn and fill. Eyes always finish the expression- his finished the look. Bone, substance and movement rounded out the package.

Select Dog

Pattersons & Wright's GCHB GLENTOM'S SPYCATCHER (Emred Devil Spy ex GCH Glentom Rules Were Mint to be Broken) Brindle/white dog with a completely filled, powerful head. Keen dark eye and well set ears. Impressive bone. Good topline. Moved well.

Select Bitch

Byzewski's GCH MAGOR NEW MOON RISING, ROM (CH Magor Pretty Fly 4 A White Guy ex CH Magor Millenium Moonstruck) Brindle & White. Head, expression, bone, neck and movement- all too good to be left standing in line.

WHITE

Winners Dog and Best of Winners

Lindquists & Degrafs' MADCAP JUMP THE POND (Emred Devil's Spy ex GCH Madcap Jump the Broom ROM) Excellent head, ears, and expression- all the basics. Movement with reach and drive. Made it hard to miss this one.

Reserve Winners Dog

Mcilaine & Bassakyras' BULDOR POWER PLAY AT FOXAIRN (CH Formula Power Up for Action ex CH Buldor Devil in a Red Dress) His head, with good turn, nasty little eye and good ears, would normally be enough. Moved and shown well, just ran into some real competition.

Winners Bitch and Best Opposite Sex

Bozian's EMRED DEVILS MOON OF BULLAYR (Emred Devil's Tristar ex Emred Dear Prudence) Very feminine bitch, compact body, lovely neck, short back. Expression with good eyes and ear set was paired with a correct mouth. Moved well.

Reserve Winners Bitch

Prater Piles & Berez' ACTIONS FORMULA FOR A DRAMA PRINCESS (CH Action Devil's Apprentice by Formula ex GCH Actions Formula for a Queen) Beautiful head with tiny eyes highlight a short back and good bone. Presented well.

Best of Variety and Best Opposite Sex to Best of Breed

Whitmer and Valizadett's GCHS AMAIZE SUPERNOVA (GCH Yoeckydoes Gamin ex CH D BarLady Gaga Tulsadoom). From one of my prior critiques: "Many things to like with this dog- type, expression (especially ears and eyes) and head. Well-presented and all bull terrier". Nothing changed.

Select Dog

Wright, Teitel & Paule's CH GLENTOM MATRIX RAISIN'HELL WITH INNOVA (Gorbain Hellboy ex GCH Linric's the White Queen at Glentom). Nicely balanced, moderate dog with good proportion of bone & substance. Head is well turned with good fill and expression. Very nice neck and short back. Moves well both ways.

Select Bitch

Lindquist & Glaser's GCH MADCAP JUMP FOR JOY TKN, TKI (Emred Devil's Spy ex GCH Madcap Jump the Broom) Pretty feminine bitch with a well turned head and good eyes. Short backed and nice boned. Moved well.

I want to thank the Club for allowing me to judge this honorable assignment. Thank you to all the Exhibitors who came out to show to me and the Bull Terriers too. Both me and my wife Pamela enjoyed the show grounds and meeting both the Club Members and Exhibitors. The Club was very well organized and professional. Surprisingly the clay floor was level. Although a smaller show, it was nice to see vendors and a variety of items available. Thank you again for the judging assignment.
Sincerely, Chuck Nelson

Really enjoyed this judging assignment and my thanks to all the exhibitors for showing. Your sportsmanship was top notch and the quality of the entry was quite good though not numerically large. The horse arena is an interesting venue with its packed clay floor, but the ring was flat and of good size for the entry. These shows are moving to Perry GA at their spring venue, a very nice place for a dog show.

Colored Winners Dog, BOS

Teitel, Wright & Paule's **GLENTOM NEVER THE FOOL** (GCh Glentom Fool's Fortune ex Ch Glentom Mint To Have The Last Word) Moderate sized brindle and white young dog. Very good head with requisite turn, fill and very good expression. Mouth is good. Bone and body appropriate for size and age, still quite masculine for a young dog. Well balanced, he could have a bit more length of upper arm and withers development. Moves pretty square both ways, would prefer more reach and drive on both ends.

Colored Reserve Winners Dog

Veale & Decker's **ACTION ONCE IN A BLUE MOON** (Ch. Moonflower Scofield of Carradice ex Action Headshot) Thumping heavy weight dog. Head is very powerful with good turn and great fill and muzzle strength. Mouth is under. Heavy bone and very good substance. Moderately angulated on both ends, his movement is pretty good in both directions. Not as fit and hard as he could be and coat condition is off, otherwise he would have pressed very hard for WD.

Colored Winners Bitch, BOW

Brewer, Wright & Brewer's **GLENTOM DARK SIDE OF THE MOON** (GCh. Glentom American Spy ex Ch. Glentom Bad Moon On The Rise) Nearly solid brindle bitch. Beautifully balanced terrier style bitch.

Outline is striking. Head is very well turned, with good length and fill and very good expression. Lovely neck and withers, shoulder is quite good, though a touch short in upper arm. Nice short, strong topline and well angulated quarters. Moves truly in both directions. She is still quite young, but she will press hard for the top spots as she continues to mature.

Colored Reserve Winners Bitch

Hensley, Hopkins & Hopkins **BROKEN ARROW'S SATEPAUHOODLE** (GCh. Sandstone's Honky Tonk Heartbreaker At Broken Arrow ex GCh. Broken Arrow's Vortex Girl At Sidecar) Substantial nearly solid black brindle. Nice head, with good turn and adequate fill. Mouth is good, expression is OK. Very good bone and substance, well balanced and good movement in both directions. While a good quality BT, she doesn't have quite the type or expression to compete with WB.

Colored BOV

Stafford & Poole's **CH. ROCKY TOP'S SWEETEST DREAM** (Unbeatable Arnold

EOS Tanagros ex Ch. RockyTop's Sunshine On A Rainy Day) Really lovely outline on moderate sized bitch. Head is well turned and filled, with very good expression. Mouth is good. Underjaw could be a touch deeper. Very nice neck and withers, shoulder is quite good, a touch more length of upper arm would improve. Short strong topline and well angulated quarters. Bone and substance appropriate for size and age. Still showing her youth, she will no doubt continue to improve with age and she's a formidable competitor now.

Colored Select Bitch

Cournoyer, wright & Lybrand's CH. GLENTOM'S YOU WERE MINT FOR ME (Ch. Cool Conquistador At Crossgarley ex Ch. Glentom Mint Julep) Red and white veteran bitch. Moderate sized with excellent bone, substance and type. Head is nicely turned with good fill. Expression is still quite good for her age. She was very much enjoying her outing and she was "dancing" for me. Love to see the old ones, it always tugs at the heart strings.

White Winners Dog BOW

Blackwell & Poole's ROCKY TOP'S DREAMBOAT (Ch. Unbeatable Arnold EOS Tanagros ex Ch. Rocky Top's Sunshine On A Rainy Day) Young white dog of moderate size. Very nicely turned head with good fill and expression, mouth is good. Very nice neck and good topline. His shoulder is a bit too upright, but fairly typical for our breed. Well angulated quarter. Still youthfully slender, he possesses very good bone for his size. Moves pretty well both directions, he was expertly presented.

White Reserve Winners Dog

Croucher's GRABO ACIE HOLIDAY MOON (GCh. Grabo Testarossa Formula For Drama ex GCh.B Whistlestop N Bestuvall Paper Moon) Moderate sized white dog. Beautifully turned and filled head with outstanding expression and a good mouth. His shoulder too is a bit too upright and he's just a bit longer in loin than WD. Good bone for size and he too is youthfully slender. Well angulated quarters. Will be interested to see both this dog and WD in a year and see how they come on as they share many similarities right now.

White Winners Bitch, BOS

Veale & Decker's CARRADICE CLASSY LAINIE (Ch. Highlawn St Peter ex Action Hung The Moon In Carradice) A bit lower stationed white bitch. Head has good length and turn, with adequate fill. Body is fairly short with good neck, shoulder and topline. She has good bone and substance and was in excellent coat and condition. Overall balance and condition won her this spot today.

White Reserve Winners Bitch

Cournoyer & Wright's GLENTOM MOMINTS TO REMEMBER (GChB Glentom Seeking Fame And Fortune ex Ch. Glentom Mint To Have The Last Word) Puppy bitch, with very strong head, very well turned with excellent muzzle strength, and very good expression. Excellent bone, she is very youthful in body and puppy "loose" at the moment. Will be interested to see her a year from now.

White BOV

Wright, Cabrera & Siordia's CH. GLENTOM MATRIX RAISIN' HELL WITH INNOVA (Gorbain Hellboy ex GCh. Linric's The White Queen At Glentom)

Beautifully balanced and well knit moderate sized dog. Head is well turned with good fill and expression. Mouth off. Very nice neck, withers and shoulder, a touch short in upper arm. Short strong topline with well angulated quarters. Moves pretty truly both ways. Bone and substance very good for size. A really nice package, he's in great condition and having a happy jaunty outing. A pleasure to award him BOV.
