JUDGE: Ms Carolyn I Alexander

Thank you for this exciting entry! It is always a pleasure to judge when there are so many good choices, and for a smaller show, this seemed an exceptionally high quality entry. Post judging, I was told that there were 6 Silverwood finalists in the competition. Thank you for bringing these gorgeous Bull Terriers to this wonderful Arizona show with their friendly hospitality and cheerful good-sportsmanship. Congratulations also to those Bull Terriers who went on to take Group placements both in Owner Handled and the Regular Groups!

**Colored Bull Terriers**

**Winners Dog #9** Nicolas Garcia-Briseno's **GOKU** 5/01/2018. (Black Magic ex Marsha The Colored Bulls) From the Open class, a black male with some slight golden brindling in the coat, white toes and some white on chest. Good width of skull, instanding canine, reasonable fill in muzzle. Pleasing profile. Attractive expression, accented by clever, small, dark eyes. Good bone and substance, with strong forechest and forequarters. Carried his topline nicely. Shows a gay tail on the move and has some rounding of the croup. Moved well.

**Reserve Winners Dog #7** Robin J. Overby's **.REDROCK'S EXPRESSION OF COLOR**. 02/04/2018. (GCHB CH Grabo Testarossa Formula for Drama ex Edelwin's Reflection of Dora at Redrock). From the 9 to 12 month class, he is youthful, with a tucked up underline. Golden brindle with some white on feet and on chest. Dark eyes. Correct bite. Handsome expression. Not as solid on the move as #9 and did not hold his topline. Still, he is nicely angulated front and rear. Tight feet. The small, apparent flaws are easily age/development related. He seems a very promising youngster.

**Winners Bitch and Best of Winners #10** Kristen Christiansen & Diane Wright's **WRIGHT WAY BULLIES SADA**. 12/10/2017 (Broken Nose Disneyland ex Broken Nose Big Surprise). From the Amateur Owner Handler Class, this nicely marked black brindle and white bitch is well made, has good bone and tight feet. Reasonable earset and good fill under eye. Slightly open eye, instanding canines. Attractive expression. Good body proportions. Well angulated front and rear, she moves with strength and efficiency.

**Best of Variety #15** Grace and Bob Thomas' **GCHS CH GRABO TESTAROSSA FORMULA FOR DRAMA**. 3/8/2017 (GCH Actions Devils Apprentice by Formula ex GCH Actions Formula for a Queen CGC) Beautiful Red Smut. Very balanced. Excellent structure. Shown in outstanding physical condition. Power and strength in head and body... a classy package with a correct tail set. Dark, well placed eyes. Correct bite. Moves very well~! A supremely handsome male!

**Best of Opposite Sex #14** Kelli Wilkerson, Amy and Phil Jaspers' **GCHB CH NOTORIOUS RIGHT ROYAL**. 6/5/2017 (Ch Rabram Royal Star ex Ch Notorious Knockout) A lovely black brindle and white bitch with some gold tri markings. She offers great strength in head with excellent depth of muzzle and fill. Ears are well set. Despite very slightly open eyes, she has truly lovely expression! Nicely balanced when static *and* when moving. Structurally, she is very sound. Excellent bone and substance. Holds her topline and tail nicely on the move. Alert! Powerful with tight feet and overall high quality, correct proportion. Eye catching! Beautifully conditioned and shown!

**Select Dog and Best Owner Handler #5** Regina Gnam's **.GCH SIERRAVIEW BESTUVALL CROSSTHERUBICON**. 6/11/2018 (GCH CH Kingsfarm's Dutch Royal ex GCH CH Bestuvall Cross My Heart). Another nicely balanced Bull Terrier with good strength in head. Golden brindle. Handsome, smooth downturn of head profile. Ears a trifle large, but set fairly well. Lovely eyes, expression is typy. Tight canines. Good bone. Balanced, with good musculature. Moved better coming than going, on tight feet. *Unfortunately, some my notes on this dog are garbled by interference with background noise/barking.*

**Select Bitch #6** Austin and Sheila Salmon's **GCHB ZOOZOOZ SECRET SPELL**. 8/3/2016 (Polanca Powerslave ex Zoozooz Unspoken Spell). A beautifully trained and presented golden brindle bitch, nicely marked with white. Lovely, typy Bull Terrier head with good earset. Smooth, gentle downturn. Correct occlusion, instanding canines. Feminine with strong bone and good substance. Quality construction and proportion. Structurally very sound and in excellent condition, which was reflected in her strong, easy movement both coming and going.

### **White Bull Terriers**

**Winners Dog and Best of Winners #5** Daniel and Brenda Hernandez, Diane Davis' **ENVOY BULL DOZER DINOSAUR**. 5/30/2019. (CH Megavilles Reckless ex Envoy Fortune Wookie)

From the 6-9 month puppy class, this boy was having a great time. Reddish brindle eye patch and ear markings. Ears are set a trifle wide. Tiny bit of pink on the nose. Occlusion is correct. Canines are a little tight. Attractive expression. Very nicely made. Balanced with solid topline and overall solid construction. Good bone and substance, especially for this age. Excited, happy, showing a gay tail. A little busy being a BT boy puppy to show himself off well, but he's handsome and promising.

**Winners Bitch #8** Marcia Speer, Libby Martin and Rebecca Martin's **BODINA BULPIN DRAGONFLY**. 5/27/2016. (GCHS CH Soquel Millenium Seafarer ex Wakatang PS I Love You). One of two very nice, good quality bitches in this Open Bitch class. This girl is cobby, well-constructed moderately sized and projects a youthful appearance. Winning largely on a somewhat typier, better head and profile, she shows an intelligent, mischievous expression and correct bite. She has very good bone and substance for size. Sound. Balanced. Good strength in neck flowing into and through her compact frame. Tail is nicely set... slight elevated on move. A very effective mover. It's always nice to have a class like this with two *very* good choices.

**Reserve Winners Bitch #12** Sara Pearce and Kelli Wilkerson-Chastain' **ROCKBUSTER STUCK LIKE GLUE AT WILDBLUE**. 3/25/2017. (GCH CH Notorious Never Say Never ex GCH CH Secondtonone It's Too Damn Hot). Well-made youthful bitch, who is balanced and moves well. Lacking a little of the muzzle fill and profile strength of #8 she has a very pretty head with correct bite and typy expression. Like # 8 she has tight feet and is well made. Slightly softer in pasterns, which reflected in front movement... adequate, but not as purposeful. A lovely girl. Well shown!

**Best of Variety #6** David and Marianne Lockyer and Melany Aten's **GCH STONEHOUSE'S EASY BEING ROYAL**. 6/17/2017 (Rabram Royal Star ex GchBCh Bestuvall On Easy Street) A statuesque beauty. Correct bite. Excellent depth of muzzle. Lovely, correct earset. Sweet expression. Unbroken, gently downturned profile. Balanced

body. An exceptionally well made Bull Terrier and that shows in how beautifully she moves. She is eye catching, somewhat regal, from the moment she walks in the ring. Carries her body, tail and topline efficiently and effectively on cats feet. She is not a dramatic bitch. She does not jump out as stylish or showy, but she is so correct and so close to the breed standard that she became my choice for this placement.

**Best of Opposite Sex #11** Grace and Bob Thomas' **CH GRABO N BESTUVAL**  
**ONCE IN A BLUE MOON**. 2/14/2018: (GCHS CH Grabo Testarossa Formula For Drama  
ex GCHB CH Whistlestop N Bestuvall Paper Moon). A striking male possessed of dramatic  
head quality, complete with a correct bite, beautiful ears and ear set. He seemed to be  
testing his limits with his handler today and ready to have a good time rather than show,  
which most of us can understand (and even enjoy seeing in our breed). However, he then  
seemed loose and slightly awkward in moving. Still, he has a beautiful body with excellent  
strength in quarters from his well-made forequarters to the very strong rear angles and  
musculature and nicely carried topline and tail. A gorgeous young male!

**Select Dog #7** Naomi Waynee and Gail Harlamoff's **GCH SOQUEL MILLENIUM**  
**FLYING DUTCHMAN**. 2/14/2015. (Rhydaman Gold Medal-CH Soquel Millenium  
Sea Glass) A handsome mature male who is extremely well made with correct, balanced  
angulation front and rear. Good fill and expression. Excellent bone and substance. Moves  
beautifully and carries himself extremely well on good, tight feet.

**WHITE**

**Winners Dog #5**

Daniel Hernandez, Brenda Hernandez, and Diane Davis's **ENVOY BULL DOZER DINOSAUR** (CH Megavilles Reckless - Envoy Fortune Wookie)

Carries brindle on both ears and over the left eye. Well-proportioned puppy with good bone, tight feet and pleasing forechest. Tail set high and carried high on the move. Strongly built in the rear. Moves cleanly both front and rear. Well filled head with smooth contour and a hint of a brow and could have more depth of muzzle. Nicely shaped skull though the ears could be set more to the top. Nose not completely filled in yet. Canines are tight, incisors correct.

**Winners Bitch and Best of Winners #8**

Marcia Speer, Libby Martin & Rebecca Martin's **BODINA BULPIN DRAGONFLY** (GCH Soquel Millenium Seafarer - Wakatang PS I Love You)

Compact bitch, slightly loaded in shoulder but moves cleanly at both ends. Body of good substance, with pleasing arch of neck, correct topline and tail well set on. Head with strength and contour – good depth of muzzle, pleasing profile with just a hint of a brow, and a nice expression topped off with neat, erect ears. Correct bite. These head features and compact, well-proportioned body earned her the win. Brindle ears.

**Reserve Winners Bitch #12**

Sara Pearce & Kelli Wilkerson-Chastain's **ROCKBUSTER STUCK LIKE GLUE AT WILDBLUE** (GCH Notorious Never Say Never - GCH Secondtonone It's Too Damn Hot)

Of similar construction to the WB although a little longer in proportion. Particularly noteworthy is her strong, well-muscled rear with excellent angulation and short hocks. She has pleasing forechest but could have more arch in the neck. Head not as strong as the WB but her keen eye and neat ears provide a pleasing expression. Correct bite also. Clean mover.

**Best of Variety #6**

David & Marianne Lockyer & Melany Aten's **GCH STONEHOUSE'S EASY BEING ROYAL** (Rabram Royal Star - GCH Bestuvall On Easy Street)

Compact, somewhat terrier type bitch, feminine yet of good substance. Exemplary in outline and construction. In outline she shows lovely length of head, good reach of neck, correct topline and tailset, with adequate turn and strength in the rear. In construction she shows well set shoulders, good body depth, just enough bone, strong pasterns, and neat feet. Nicely shaped skull with neat ears set well on top. Smooth profile and good depth of muzzle combined with a correct occlusion are other noteworthy features. Well-set, dark eye that could be slightly 'keener' for perfection.

**Best of Opposite Sex #11**

Grace & Bob Thomas's **CH GRABO N BESTUVALL ONCE IN A BLUE MOON** (GCH Grabo Testarossa Formula For Drama - GCH Whistlestop N Bestuvall Paper Moon)

Beautiful dog in outline with lovely length of head, smoothness in profile and excellent depth of head. Added to this are stunning eyes and expression. Nevertheless, he lost out due to a lack of width and strength of muzzle combined with tight canines. In construction he shows a strong reachy neck, good forechest, neat feet, a strong rear

with good angulation, and correct topline and tailset. He is a bit long in loin however.

#### **Select Dog #9**

Kim Bebb & Glenna Wright's **CH SUNNY SKY'S SWEET CREATURE** (GCH Glentom Seeking Fame and Fortune - GCH Sunny Sky's Sterling Peach Rato)

Moderately sized with compact body type of good proportion and bone for his size. Head could be a tad longer but has a smooth curve, good depth and a keen eye. Correct occlusion. Ears could be more on top. Carries brindle on both. Strong, nicely turned thighs. Good topline, tail set just below the line but carried gaily.

**COLORED**

#### **Winners Dog and Best of Winners #7**

Robin J. Overby's **REDROCK'S EXPRESSION OF COLOR** (GCH Grabo Testarossa Formula for Drama - Edelwin's Reflection of Dora at Redrock)

Solid brindle with minimal white on the chest and paws. Well constructed both front and back which was reflected in good movement viewed from all angles. Body shows enough forechest, has a reachy neck with good topline and tailset allied to adequate angulation in the rear. Head of good quality with smooth profile, much depth, very nice eye, well set ears and a correct bite.

#### **Reserve Winners Dog #9**

Nicolas Garcia-Briseno's **GOKU** (Black Magic - Marsha The Colored Bulls)

Solid black brindle with very little in the way of white markings. Very strongly built dog with excellent body volume, and strongly muscled neck. Did not have the same soundness of construction as the WD being a bit loaded in shoulder and having too much curve over the croup. Tail carried gaily. In comparison to WD, his head showed some flatness in the middle of the profile and did not have as much power of muzzle. Tight canines.

#### **Winners Bitch #10**

Kristen Christiansen & Diane Wright's **WRIGHT WAY BULLIES** (Broken Nose Disneyland - Broken Nose Big Surprise)

Eye catching black brindle bitch with lovely white blaze and collar. Strong in body with excellent front construction, having a prominent forechest, well laid shoulder and a strong, arched neck. While adequately turned, her thighs could have more muscle width. Compact, of moderate size and of great substance, she is a little long in proportion. Tail set on well and carried well. Head has good length but a prominent brow interrupts what is otherwise a smooth profile. Eye could be keener, and while the occlusion is correct, her canines are unfortunately instanding.

#### **Best of Variety #15**

Grace & Bob Thomas's **GCH GRABO TESTAROSSA FORMULA FOR DRAMA** (GCH Actions Devils Apprentice By Formula - GCH Actions Formula For A Queen CGC)

Well-marked red and white dog. Combines strength and depth of body with a smoothly contoured outline in a compact, moderate size. Well-constructed with a strong, arched neck, lovely forechest, good bone and tight feet. Topline shows the correct slight curve over the loin, with a tail that is set on and carried slightly high. His rear is adequately turned, with short hocks. His gait is powerful and clean, with a typical jaunty air. His head has much quality combining width and depth with pleasing downface and expression. While not distracting, his ears could be set slightly higher. Correct bite though I would like to see freer canines.

#### **Best of Opposite Sex #14**

Kelli Wilkerson & Amy L & Phil Jaspers's **GCHB CH NOTORIOUS RIGHT ROYAL**  
(CH Rabram Royal Star - CH Notorious Knockout)

Black brindle bitch with lovely white blaze. Particularly appealing in head which has a beautiful long, unblemished arc, depth of muzzle, good bite, and attractive eyes all signifying much quality in this particular aspect. Of good body substance with strong, nicely arched neck. While fairly well constructed overall particularly in the rear, with good topline, tail set and carriage, she is slightly long in proportion and could have a bit more bone to match her body mass. Nevertheless, moved well in both directions.

**Select Dog #5**

Regina Gnam's **GCH SIERRAVIEW BESTUVALL CROSSTHERUBICON** (GCH Kingsfarm's Dutch Royal - GCH Bestuvall Cross My Heart)

Brindle and white dog, more upstanding in outline with strong neck and forequarters. Forechest not as prominent as the BOV, and he is a bit long in loin although his topline and tailset are correct. His rear is well turned but could perhaps have stronger muscling. He has lovely length to his head which also has good depth, and when added to well set eyes and ears combines to provide a pleasing expression.

**Select Bitch #16**

Cynthia & James Farrington & Kristy Utt's **CH ARDRY GEMINI MAID OF THE MIST**  
(Emred Devils Advocate - CH Action Ardry Devine Mystery)

Brindle with quite a bit of white on her head, neck and shoulders. She is well proportioned and of good body substance. She is strongly built in the rear with the correct slight arch over the loin, good tailset, and nicely turned stifle. While her shoulder is well laid back, and her forechest prominent, the flow of her neck into the topline is not as smooth as that exhibited by the BOS. Could have a little more bone to match her size of body. Head of good quality combining smoothness in profile with a lovely eye and well set ears. Occlusion correct, but canines tight.

Thank you to the Bull Terrier Club of St. Louis and the Miniature Bull Terrier Club of America for the privilege of judging this weekend. The club provided wonderful hospitality, beautiful prizes by very talented club members, and the opportunity to socialize with other fanciers. The venue was excellent. What a line up! The depth of quality was terrific in both miniature bull terriers and both varieties of bull terriers. There were veteran classes making this a fun weekend. The breeders, exhibitors, and owners are to be congratulated. If you have not exhibited at these shows, make an effort to do so, you will not be disappointed.

The most difficult thing about wearing a mask while you judge is that you can't see someone smile. Despite the occasional downpour, I was smiling a lot during this show. So many beautiful dogs to go over and so many thoughtful people; from sharing their rain parka with me to hunting down my cell phone when I put it down and couldn't find it! (Thank you David!) It was sometimes difficult to see true movement on dogs because of the intense rain at times, so I would like to thank everyone for doing their best. This was a fantastic show and one that many people worked very hard to pull together. Congratulations to all of you and thank you for inviting me to judge!

Huge thanks to the BTCA for the honor to be included as a ROM judge, it is an duty I take very seriously. As a non breeder, yet owner of this wonderful breed I do try to judge each and every breed I judge as if I were a breeder. Thank you to the Texas Gulf Coast club for inviting me to judge. I was beginning to wonder if there was some force trying to keep me from ever judging my first ROM show, between the unprecedented times with the pandemic and then hurricane Laura. What a nice entry for my first time and I thank all who entered. I really had some quality exhibits and must say I saw very few iffy mouths which is wonderful.

Kudos to all breeders, you are doing a great job with this delightful breed.

Strongly built white dog with brindle eye patch coming from the 12-18 month class. Powerful young male with good bone and cat feet. Good depth of chest and plenty of rib spring. Powerful strong head with nice length, good fill and gentle curve. Wicked small eye properly set and small ears right on top of his head.

Moved a bit wide in front but I think once he settles and stops pulling on the lead that will improve. In lovely condition.

### **Reserve Winners**

Another strongly built white male with black marking at tail set. In excellent condition. Good strong bone and cat feet. Good reach of neck blending into a good topline. Strong in head with a small eye and keen expression. Small properly placed ears. Moved very well.

### **Winners Bitch and Best Opposite Sex**

Lovely sized white bitch with tan ears coming from the bred by class. Plenty of bone for her size and cat feet. Well rounded body with good rib spring. Lovely length to her head with proper curved profile. Small triangular dark eye and small ears properly placed. Excellent bite. She moved well in all directions. She just lacks confidence which could be partly because she was coming into season.

### **Reserve winners**

Russell and Alesia Cooke. **Lechmere Baby Sister.** Tawnbarr Star Chaser x GCH Lechmere's Pocket Change CGC.

A half sister to WB. White bitch with eye patch and ears also coming from the bred by class. Very similar in type to the winners. Nice feminine size, with good bone and balanced angulation. Good length to her head and nice curved profile. Would like a little more strength in her muzzle. Good scissor bite. She lacked confidence too on this day.

Grace and Robert Thomas. **GCH Grabo N Bestuvall Once In A Blue Moon.** GCHS Grabo Testrossa Formula For Drama x GCHB Whistlestop N Bestuvall Paper Moon.

A classic solid white bully. Strong in body and bone with cat feet. In excellent condition. Perfect rib spring, strong topline with correct tail set and carriage. Balanced angulation. Strong straight front legs. Powerful strong head throughout

with a dark triangular eye and wicked expression and properly placed small ears. Good underjaw and a correct bite. From the profile you see a gentle curve. He moved well, but the heat got to him at the end and for breed competition it was affecting his showmanship and movement.

### Select Dog

David and Cheri Croucher. **GCH Grabo Acie Holiday Moon.** GCH Grabo Testarossa Formula For Drama x GCH Whistlestop N Bestuall Paper Moon. Probably the toughest decision of the day. Very much like the BOV winner and of course I see now they are littermates. Two peas in a pod. Same qualities, bone, strength in head, body and bone. Level bite with good canines. Nice sized white bitch with bone to match her size. Nice angulation, short bodied, cat feet. Lovely curve to her head with a small dark eye and a correct bite. She moved well. She has a little more arch over the loin than I prefer.

## **TGCBTC Show Critique – August 29, 2020 PM -- Dale Schurr**

My thanks to Texas Gulf Coast BTC for inviting me to judge this show. It was nice to be back to doing dog shows after a long layoff. The entry was of very good quality and well presented. The indoor soccer facility with air conditioning made for a great specialty venue, especially in late August Texas.

### **Colored BT's**

**WD, BOW** Cooke's **Grabo Dream Weaver of Lechmere** (GCHS Grabo Testarossa Formula For Drama ex GCH Tawnbarr Starlight) Quality red and white young dog. Impressive clean outline head to tail. Head is nicely turned with good smooth fill, very good expression. Good length of neck and shoulder. Mouth good. Bone and substance appropriate for age and size. Well balanced. Movement in front good, strengthening behind would improve and should come with further development

**RWD** Hernandez' **The One And Only Legend Makes Legacy** (GCH The One And Only Golden Boy ex Ch. Bedazzled Leave It To Me) Brindle and white dog. Very good head with profile and strength, muzzle length a bit short. Very good bone and substance. Good balance front to rear. Well bodied. Close call with WD, head length and expression were the difference here.

**WB** Jackson & Baval's **Old England's Bombshell At Bristol** (Aricon Eyecon ex GCH Old England's Voodoo Child) Black brindle and white. Bitch is well filled out with impressive balanced typey outline. Nice bone and substance for size. Pleasing head with enough turn and fill. Overall a quality package.

**RWB** Chastain & Prater Piles' **Formula Chromium Flash Point At Enigma** (Tawnbarr Devils Eye From Gorbain ex GCH Formula's Powerful Scarlets Wonder On Blue Ridge) Red and white quality young bitch. Head markings asymmetrical which disguise a really good head. It has excellent length, nice profile and very good fill. Good expression and ear set. Good bone and substance for age. Close call with WB, needs to fill out and further muscle development to compete with the best. Very promising.

**BOV** Hopkins' **Broken Arrow Dancing With Sandstone Under Bullymoon** (GCH Sandstone's Honky Tonk Heartbreaker At Broken Arrow ex GCH Sandstone's Vision Of Liberty) Brindle and white bitch. Beautiful well-balanced package. Head has good length, turn, and fill. Mouth good and nice expression. Bone and substance spot on. Reach and drive very good, toes in a touch coming and is just a little close going away. Fabulous show girl with spot on presentation, makes you look at her and never quits showing. Pleasure to award her BOB later in a tough very close call with white BOV.

**BOS** Graulau, Wright & Cournoyer's **GCH Glentom No Chaser Needed** (Tawnbarr No Chaser Needed ex Glentom Café Crème) Red and white dog. Impresses with a quality well balanced outline. Very nice bone and substance. Head has good turn and fill, mouth good. Expression a little soft. Gave him BOS on better neck, shoulder and balance.

**SD** Gnam, Antle & Dykema's **CH Sierra View Bestuvall Cross The Rubicon** (GCH Kingsfarm's Dutch Royal ex GCHB Bestuvall Cross My Heart) Brindle and white. Very typey dog with a strong well filled head and very good expression. Very good bone and substance. Shoulder is upright with neck and withers on the short side. I liked this dog a lot, he's very good where WD is less so and vice versa. A hard decision.

**SB** Wright & Brown's **CH Glentom Spitting Image** (GCH Glentom Conquistador Seeking Silver ex CH Victoria's Queen Margaret Of Glentom) Smallish brindle and white. Very typey. Strong packed up head, cobby body with good bone and substance for smaller size. Would like a little more neck and better shoulder, but still has many virtues.

## White BT's

**WD, BOW** Thomas' **Grabo Masterpiece By Formula** (GCH Action Devils Apprentice By Formula ex GCH Actions Formula For A Queen) White with brindle bull terrier, emphasis on Bull! Not a big dog, but impresses with his power and type. Head is very strong and well filled with a paralyzing expression. Mouth just off, canines correct. Cobby body with excellent bone and substance. Well filled out. Neck and shoulder could be better, but where he is good, he's great. Got this spot for his type, fill and expression.

**RWD** Frawley's **Old England's Razenhell** (Gorbain Hellboy ex GCHB Old England's Black Diamond) White dog carrying brindle. Cobby and nicely balanced. Head has good turn and fill, mouth good. Neck, shoulder and topline good. While quite good in his own right, he is just a bit less than WD in head strength, expression and overall power.

**WB** Garza's **Frieda De La Gran Estirte** (Satyrieon's Gold Digger ex Donatell De La Gran Estirte) Quality medium size white bitch. Well balanced package that draws your eye, with very good bone and substance for size. Head is nicely turned with good length, fill and width. Showed well start to finish.

**RWB** Cooke's **Lechmere Baby Sister** (Tawnbarr Star Chaser ex GCH Lechmere's Pocket Change) White carrying brindle medium sized bitch. Head has really strong profile with good fill. Quality outline, with enough bone and substance. Was pushing hard for WB and just went flat on her handler during WB.

**BOV, BOSB** Thomas' **GCH Grabo N Bestuvall Once In A Blue Moon** (GCHS Grabo Testarossa Formula For Drama ex GCHB Whistlestop N Bestuvall Paper Moon) Powerful white dog. Head is very well turned, good mouth and super expression. Head is well carried with good length of neck and better than average shoulder, upper arm a touch short. Strong short topline with slight dip on go 'round. Excellent bone and substance. Balanced front to rear. Hard decision in Breed with two very high-quality animals.

**BOS** Wright's **CH Gorbain Geisha Girl** (Gorbain Hellboy ex Gorbain Ice Maiden Tawnbarr) Medium sized white bitch. Fairly typey and well-balanced front and rear. Head has gentle turn and good fill. Mouth good. Bone and substance appropriate for size. What impressed me was her overall balanced package.

**SD** Croucher's **GCH Grabo Acie Holiday Moon** (GCH Grabo Testarossa Formula For Drama ex GCH Whistlestop N Bestuvall Paper Moon) Big, powerful very masculine white dog. Head is nicely turned and filled, with good expression. Mouth level. Very good bone and substance. Neck and shoulder OK, a touch long in loin. This dogs' movement is quite good, especially behind going away, where it is outstanding. He pushed for BOV, but I thought he was carrying too much weight which adversely affected his outline for me.

**SB** Saldana, Baval & Decker's **CH Old England's Asian Persuasion** (Gorbain Hellboy ex GCHB Old England's Black Diamond) Smaller, typey white bitch. Head is very nice, with good turn and lovely smooth fill, coupled with good expression. Very good bone and substance for smaller size. Neck and shoulder good, really liked her overall. Wished she was a bit shorter in loin.

**White**

**WD**

**Knaus and Snider's – Acclaim's Formula For A Tru-Heart** (GCh Formula Power Up For Action x GCh Acclaim's Rose of Sharon)

*All white, solidly muscled heavyweight. Wide and filled head with good eye placement. He has one ear on the soft side. Good reach of neck with a decent shoulder. Impressive spring of rib and very good rear angulation. He moves quite well but his topline falls away a bit on the move. His ring presence earned him the win.*

**RWD**

**Miholovich and Evan's – Galactic Sailor Man** (Action Power of Love x Galactic She's Special)

*White with eye patch, taller, Dalmatian type who is barely a year old. Plenty of growing to do. A very nice head with a good profile. His ears are wider than ideal. Excellent bone to compliment his size. Good rear angulation, moved with reach and drive from the side though he is a bit high in the rear moving. His shyness cost him but he should be quite handsome when he matures.*

**WB/BOW/BOS**

**Lamneck, Evans and Prater-Piles Formula Drama At Galactic** – (Formula Power Plax x GCh Actions Formula For A Queen)

*White with brindle eye and ear. A very solid young lady who screams "I Am A Show Dog!" Very pleasing head piece with length and fill to make a statement, bone and substance galore. She is nicely short backed and cobby. She easily placed at the top of the classes with her happy, confident performance.*

**BOV/OH**

**Whitmer, Whitmer, Whitmer and Prater-Piles' Ch. Formulas Roman Gladiator at Brilliant** (GCh, Action Devils Apprentice by Formula x GCh Action Formula For A Queen CGC)

*White with small eye marks, Well balance, mid-sized dog who is strong, masculine and very showy. A wonderful head with profile and a tiny well placed eye. Very clean lines through his front and shoulder. He moves well coming, going and from the side though he is a bit close in the rear. I have like him from the first time I saw him and he would have been my pick for Leiden.*

## **Colored**

### **WD/BOW/BOV**

Holmes and Kocher's **Paradigm Paint it Black** (Ch. Ghosts N Goblins Bold as Brass x GCh Wendigo Philgin Devilish Diva at Paradigm)

Black and white, a powerful packed and filled head with well-placed eye. He is mid-sized which makes his head all the more impressive. Just over a year old he none the less had a terrific ring presence. Neck blends into his shoulders nicely and his topline stays level moving. Strong leg bone. His presentation pushed him just past WB who had many similar virtues. His head and fore chest just scream Bull Terrier.

### **RWD**

Bokuniewicz's **Galactic Heartstring Tugger** (Action Power of Love x Galactic She's Special)

Brindle and white dog, a dog that stood square and had nice balance. Well filled head whose white markings make him stand out. Nice broad chest and terrific bone. Wonderful spring of rib. He moved well with a level topline coming, going and from the side. Not as much of a showman as WD.

### **WB/BOS**

Sottile, Berez and Conca's **Action Shake, Rattle'N Soul At Alaric** (GChS Grabo Testarossa Formula For Drama x GCh Action's Soul Power of Alaric TKN)

Brindle and white girl who's calling card is her head. Very impressive for a bitch. Filled and turned, eye is keen. Tremendous fore chest with correct shoulder, round bone and tight feet. She moved well but needs more rear angulation and was a pound or two over ideal.

### **RWB**

Migliore, Perrott, Devers and Berez's **Apprentice Puttin On the Ritz in Action** (GCh Devils Apprentice By Formula x Ch. Formula For The Power of Moonlight)

Lovely red and white girl who is well balanced. Well made in front and behind, nice strength and arch of neck, very good chest and shoulder. She did not have the power of WB as she is more feminine but a lovely girl who is still young and growing.

### **SB**

Whitmere, Thomas and Prater-Piles' **Ch. The Formula For Moonlight is Brilliant** (GCh Action Devils Apprentice By Formula x Ch. Formula For the Power of Moonlight)

Brindle girl with a pleasing head piece. Ears on top of her head, all of the pieces are there but she had less bone and a high tail which took her out of the running for the top spots. She moves well and never stopped showing.

**Judge: Rebecca Poole**

Thank you to the TGCBTC for inviting me to judge during their specialty show weekend. In this Covid 19 epidemic, the Club had everything in place to accommodate the guidelines and keep the environment safe. The quality was outstanding, and it was a pleasure to go over so many good dogs. I did see more in standing canines than I have normally see in the ring and is something breeders need to work to improve.

Thank you to the BTCSE for inviting me to judge the Specialty in Chattanooga. The quality was excellent and some very close decisions. The location was perfect for a Specialty Show at an all-breed event, in our own air-conditioned building. Everyone followed the COVID rules and I feel a great time was had by all even with the restrictions.

Winners Bitch

**ACTION POWER TO ENCHANT.** Miller & Berez (Formula Power Up For Action ex Action Head Enchantress) Strong brindle girl with lots to like. Good profile with good fill and a decent eye. Bite is good. Straight front with good bone. Wide chest with good rib spring. Angles are good at both ends of this girl but would prefer a little shorter coupling. She moved well, both coming and going but I would like to see a little more energy.

Select Dog

**GLENTOM NO CHASER NEEDED.** Wright, A & J Gralau, (Tawnbarr Star Chaser ex Glentom Café Creme) Red dog with good strength of head. Good width to the end of his muzzle with a good expression. Good bite. Good round bone with nice tidy feet. Straight front with a good rib spring. Angles were good and the dog stacked showing off both. He was a little lazy on the go round but his coming and going was good in both directions.

Select Bitch

**OLD ENGLAND'S BOMBSHELL AT BRISTOL.** Jackson & Baval (Aricon Eyecon ex Old England's Voodoo Child) Black brindle girl with lots of substance. The bitch could have lost a pound but there was no mistaking her power. Nice length of head, well filled and good expression. Good bite. Good bone and straight front, another with good spring of rib and great angles. Moved straight coming but a little close in the rear.

Best of Opposite Sex

**ACTION SHAKE, RATTLE 'N SOUL AT ALARIC.** Sottile, Berez & Conca (Grabo Testarossa Formula For Drama ex Action's Soul Power Of Alaric) Striking brindle with lots to love. Judged this girl when she was younger and a little immature but her potential has been fulfilled. She has matured into a lovely bitch. Nice length of head, good expression. Incisors are just off with correct canines. Great substance for her middle of the road type. Straight front, tight cat feet with good width of chest. Good length of upper arm with a well laid back shoulder. Short coupled with excellent topline, flowing into a great tailset down to good bend of stifle. All in all, a very pretty picture.

Winners Dog, Best of Winners and Best of Variety

**OLD ENGLAND'S FIRST GENTLEMAN.** McConnell & Baval (Aricon Eyecon ex Old England's Voodoo Child) Brindle dog who grabbed your attention as soon as he walked into the ring. He had tough competition in the Variety class but his overall virtues won him the day. The dog has a long

and filled head with good expression, perfect bite. His chest is wide with straight front and plenty of bone, running down to his super cat feet. His side profile shows a beautiful forechest with good angles and length in upper arm and scapula. His neck flows beautifully into his correct and short backed topline. Tail set is good, with good bend of stifle. The dog took a minute to break into his stride but his movement was good in all directions. Well muscled and presented in excellent condition.

**FORMULAS ROMAN GLADIATOR AT BRILLIANT** Whitmer, Whitmer, Whitmer & Prater-Piles (Action Devils Apprentice By Formula ex Actions Formula For A Queen)

A wonderful white with brindle dog, and lots to offer in a smaller package. Fully packed up head, good length with great eyes and ears. Good bite. Nice length of neck running into a good layback of shoulder. Straight front with good round bone. He is of good length moving into a well angulated rear with good bend of stifle. Movement was good in both directions but he collects under himself on the go round. Would love to see this dog full of fire and giving his handler a total workout, as all the parts are there for this dog to be very special.

Select Bitch

**GLENTOM CRÈME BRULEE.** Mullen, Wright & Mullen (Tawnbarr Star Chaser ex Glentom Café Creme) White girl with brindle ears. Girl leans a little terrier but has ample substance for her style. She has a nice filled head with good expression. Ears right on top of her head. Gently sweeping profile with a good bite. Shoulders set on well with a straight front and catlike feet. Good angles in the rear. Movement was good coming, a little close in the rear. Well handled on the day.

Winners Bitch, Best of Opposite Sex

**OLD FORGE GOODNESS GRACIOUS.** Schuur & Schuur (Stardom Demons Disciple ex Old Forge Face To The Sun) Angles set this girl apart. She has a lovely filled up head with good length. Nice eyes, would prefer a little tighter ear set. Good bite. Neck flows into a beautiful shoulder, nice round bone and good cat feet. Holds the topline well but I would prefer a tad shorter back. This rolls into a lovely angled rear with good bend of stifle. Movement was good in both directions, a little hesitant on the go round but showed she had it when she kicked into gear.

Best of Variety

**GRABO ACIE HOLIDAY MOON.** Croucher & Croucher (Grabo Testarossa Formula For Drama ex Whistlestop N Bestuvall Paper Moon) Judged this dog earlier in the year and was happy to see he had matured then. He has matured even more now and exudes power without being coarse. He has great expression with fill to the end of his muzzle. Good bite. Straight front, oodles of bone, with great forechest and layback of shoulder. Upper arm could be very very slightly longer. The dog takes a short time to relax but then moves around the ring effortlessly. Good front and side movement but his rear has the power and drive we do not see often enough.

**Judge: Cleo Parker**

I would like to thank the BTCSE for inviting me to judge these shows. It was great to get out to a dog show and even better, complete my final permit assignments for Bull Terriers and Miniature Bull Terriers. The overall quality of the dogs was very high, my thanks to all the exhibitors who entered and stayed for Sunday. And congratulations to all the dogs that finished that weekend, I don't think I've ever seen so many move-ups! This a beautiful part of the country and well worth taking some time away from the shows to visit some of the multiple scenic areas nearby in the Smoky Mountains.

The AKC rep who observed me insisted that I could only do critiques at the end of each breed or variety and emphasized an efficient use of time. Some Reserve Winners did not return for critiques and I didn't record quite as much as I would have preferred given the watchful eyes, so I apologize if some of these critiques are light on details.

**COLORED**

**Winners Dog**

Melissa L McConnell & Walter Baval Jr's **OLD ENGLAND'S FIRST GENTLEMAN** (Aricon Eyecon - GCH Old England's Voodoo Child) Handsome, strongly built dog with a well-turned, strong head and correct bite. Nice straight front, strong topline, and well-developed rear. Lovely feet. moved well. Would prefer more length of neck.

**Reserve Winners Dog**

Joel Fernandez' **THE ONE AND ONLY LEGEND MAKES LEGACY**. (GCH The One And Only Golden Boy - CH Bulldazzled Leave It To Me) Did not return for critique.

**Winners Bitch and Best of Winners**

Krista Prater-Piles & Elizabeth Chastain MD's **FORMULA CHROMIUM FLASH POINT AT ENIGMA** Tawnbarr Devils Eye From Gorbain - GCH Formulas Powerful Scarlets Wonder On Blue Ridge This bitch's proportions caught my eye, a nice short back, long neck, and long, clean head that is evenly filled right to the end. Correct bite and excellent mover. Not flashy or extreme, but a lovely Bull Terrier.

**Reserve Winners Bitch**

Bryan Miller & Franne Berez's **ACTION POWER TO ENCHANT** (Ch Formula Power Up For Action - Ch Action Head Enchantress RN CGC Brindle and white bitch with a well-turned, short head and correct bite. She moves well, I would prefer more length of head to match her overall body size and a shorter back.

**Best of Variety**

Glenna Wright Jessica & Aaron Graulau's **CH GLENTOM NO CHASER NEEDED** (Tawnbarr Star Chaser - Glentom Cafe Creme) Strong headed red dog with a gentle profile, lovely fill right to the end of his nose. Scissors bite. Nice proportions, good length of neck flowing into short, strong back. Moves well, parallel both directions with drive and a jaunty air. While not flashy, this dog is full of breed type, and virtue, which put him first on the day.

**Best of Opposite Sex**

Victoria M Sottile & Franne Berez & Joseph R Conca's **ACTION SHAKE, RATTLE 'N SOUL AT ALAR TKN** (GCHS Grabo Testarossa Formula For Drama - GCH Action's Soul Power Of Alaric TKN) Beautifully presented brindle and white bitch with an impressive head, well turned and strong, her mouth is slightly under. Moved well. I would prefer a shorter back and shapelier body lines.

**Select Dog**

Russell & Alesia Cooke's **GRABO DREAM WEAVER OF LECHMERE** (GCHS CH Grabo Testarossa

Formula For Drama - GCH CH Tawnbarr Starlight) Large masculine red dog, with smooth, moderate profile and a correct bite. He moved well; I felt the Best of Variety dog had an advantage in his shorter back overall strength of head.

#### **Select Bitch**

Brooks Jackson & Walter Baval's **OLD ENGLAND'S BOMBSHELL AT BRISTOL** (Aricon Eyecon - GCH Old England's Voodoo Child) Substantial black brindle bitch. Strong head with a smooth profile, good fill, and correct bite. Nice depth of chest, lovely topline, and well let down hocks. She moved freely, parallel in front just a touch close behind.

### **WHITE**

#### **Winners Dog and Best of Winners**

Edgardo Llanas' **TAWNBARR STAR CHASER** (Emred Devils Spy - Gorbain Ice Maiden Tawnbarr.) Large, short backed dog with a powerful head and scissors bite. Good expression, not quite the profile or fill of the Best of Variety dog. Substantial with good depth of chest. Nice proportions although I would prefer just a touch longer neck. Moved well coming and going and all of one piece viewed from the side. A strong contender for Best of Variety.

#### **Winners Bitch**

Russell & Alesia Cooke's **LECHMERE BABY SISTER** (Tawnbarr Star Chaser - GCH Lechmere's Pocket Change CGC) Elegant bitch with smooth body lines, exaggerated profile, could use more fill in the foreface and a stronger underjaw. Incisors scissors with a canine issue. Body lines are beautiful with all parts flowing together. Moves well with a slight tendency to toe out in front and a touch close behind.

#### **Reserve Winners Bitch**

Lori Stafford & Rebecca P Poole & William F Poole's **HAWTHORN LEAMLARA AT ROCKY TOP** (Teirwgwyn Son Of A Gun At Meilow - GCH Hawthorn Earrach Ardaigh) A real contrast to Winners bitch, this girl is compact and tends toward the bulldog style. Short, strong head, her mouth is undershot with a canine issue. Good bone for her size, adequate mover.

#### **Best of Variety**

Connie Whitmer & Darrin Whitmer & Yasmin Whitmer & Krista Prater-Piles' **CH FORMULAS ROMAN GLADIATOR AT BRILLIANT** (GCH Action Devils Apprentice By Formula - GCH Actions Formula For A Queen CGC) Cleanly made short backed dog with a well-turned, powerful head, piercing expression, and scissors bite. Lovely forehead with good length of neck flowing into a smooth topline. Moved well coming and going with a fluid side gait. His construction, shapeliness, and flawless presentation won him the top spot on the day.

#### **Best of Opposite Sex**

Samantha Brown & Kurtis Brown's CH **DELICIOUS BLUE BONNET** (GCH Notorious Big Mac Attack - GCH Action Deliciously Divine) Extremely typy all white bitch with a packed and filled head, wicked expression with ears right on top of her head and a scissors bite. Short backed with excellent bone for her size, moves just a bit out at elbows in front and a bit close in the rear. Her advantage on the day was her breed type and expression.

#### **Select Dog**

David Croucher Cheri Croucher's **GCH CH GRABO ACIE HOLIDAY MOON** (GCHS CH Grabo Testarossa Formula For Drama - GCHB CH Whistlestop N Bestuvall Paper Moon.) Large all-white dog with a powerful head and correct bite. He moved well, coming, and going and from the side. Would prefer a shorter back and more shapely body

#### **Select Bitch**

Dale & Christine Schuur's **OLD FORGE GOODNESS GRACIOUS** (Stardom Demons Disciple - Old Forge Face to The Sun) This is a well-proportioned bitch with a short back and lovely length of neck. Long clean head with gentle profile, good fill to the end, and a scissors bite. Good mover from all directions. Nicely

placed dark eyes. Her ears are large and set on low, which detracts from her expression and cost her in this competition.

**October 22, 2020**

**Judge: Meghan Barnes**

I would like to take this opportunity to thank the BTCA Board of Directors and the Judges Selection Committee for selecting me to judge this prestigious event. I also would like to congratulate all those invited to compete.

Thomas' **GCHS GRABO TESTAROSSA FORMULA FOR DRAMA ROM** (GCH Action Devil's Apprentice By Formula ex GCH Action's Formula For A Queen CGC)

A red and white dog that screams Bull Terrier in a compact frame without being overdone. His head is powerful, turned with great depth of muzzle and a correct bite. Nice tidy ears carried correctly and well sunken dark eyes. He has a strong neck that leads into a correct lay of shoulder and solid topline with just a slight rise over the loin. He has ample fore chest with excellent body volume. An immaculate straight front with beautiful round bone and tight cat feet. He moved well both ways with a topline that did not budge. I was most impressed by his gleaming show condition and rock-hard body. He has the sweetest, most happy disposition and I thoroughly enjoyed watching the bond he had with his handler. Congratulations to all involved, this boy is a once in a lifetime dog!

## SILVERWOOD

October 24, 2020

Judge: Colored Dogs, Colored Bitches, White Bitches and Referee for Reserve White Dog.

Becky Poole

Thank you to the BTCA Board and the Judge Selection Committee for giving me the opportunity to judge Silverwood 2020. An incredibly special thank you to the exhibitors that braved all the obstacles this year to make it to the show. To enter the Kern Pavilion, we had to sign a waiver, get our temperatures checked, wear a mask and an arm band. Everyone was conscientious about wearing their masks and the opportunity for comradery was welcomed making Silverwood a bright spot for many amid the Covid-19 pandemic.

The things that stood out in the ring this year were ear set and lay of shoulder which distracted greatly from the appearance of some dogs. Movement overall was adequate but without being truly parallel.

As judges we tried to keep the flow normal for the show, but the continual sanitizing of our hands and keeping physical distancing slowed the process. Thank you to our stewards: Debra Davis, John Spurr and Candy Aron who had a difficult task of keeping the dogs lined up while social distancing. Debra Davis, a long-time dog owner and Herding Group Judge, was extremely helpful in keeping our hands sanitized after examining every dog. An incredibly special thank you to Eileen Ebey who was fabulous juggling 3 jobs this weekend: Show Chair, Trophy Chair, and ring steward – Well done, Eileen.

It was a pleasure to work with co-judges Victoria Corse and Skip Greaney. We had good discussion but were able to completely agree on our final selections.

Skip Greaney and I judged Colored Dogs. We chose **GCH CH Magor Galactic Agent ROM** (Eng. CH. Emred Huntsman ex Can. CH, Magor Moulin Rouge) as **BEST COLORED DOG**. He is bred by Norma Smith, Gordon Smith, Darcy Lawson, and Bernie Buchannon and owned by Diane Davis, Norma, and Gordon Smith. He is an upstanding red with good substance and balance throughout. His head is strong and filled with good width and dept of muzzle. He has a mouth fault. Expression could be better. He has good length of neck leading into a good shoulder and massive rib cage. He has exceptionally good bone for his size and good rear angulation. He won the **Movement Trophy** for his outstanding reach and drive.

We chose **CH. Grabo Dream Weaver of Lechmere** (GCH, CH Grabo Testarossa Formula for Drama ex GCH, CH Tawnbarr Starlight) for **RESERVE COLORED DOG**. He is bred by Robert and Grace Thomas and owned by Alesia Cooke. He is a young, upstanding red with exceptional body lines. His head is turned and filled with a correct mouth and nice expression. He has excellent length of neck, a straight front, good width and depth of ribcage and nice rear angulation. He moves out with reach and drive.

I brought back **GCH Glentom No Chaser Needed** (CH Tawnbarr Star Chaser ex Glentom Cafe Crème) as a finalist. His breeders are Glenna Wright, Tom Wright and Terri Cournoyer and owned by Jessica and Aaron Graulau, Glenna Wright, Terri Cournoyer. An upstanding red and white that has a lot of power. His head is long, strong, and filled. His mouth is level. Ear set could be better. He has nice length of neck, a straight front with good bone and strong ribcage. Movement could be more parallel going but has reach and drive.

We both brought back **Malajo's Formula for a Drama Devil** (Action Devils Apprentice by Formula ex Action Formula for a Queen) as a finalist. He is bred by Krista Prater-Piles and Franne Berez and owned by Cathy Sodomsky and Krista Prater Piles. A compact red and white with good substance. He has a nice profile with good eye set and correct mouth. He has a straight front, good spring of rib and is short coupled in body. Movement a little close going away and good coming.

## Colored Bitch

We were in complete agreement on **Action's Power to Enchant** (CH Formula Power Up for Action ex CH Action Head Enchantress) for **Best Colored Bitch**. She is bred by Morgan Hooks and Franne Berez and owned by Bryan Miller and Franne Berez. A substantial brindle and white but still very feminine. Her head is gently turned and filled with good width of muzzle. Nicely placed eyes giving a good expression. Mouth is reverse scissors. Her front is straight and with good round bone. She has good length of neck leading into a good shoulder - one of the best laybacks in the ring. She has a strong, well-developed ribcage and good rear angulation. Movement was good from the side and could be more parallel when viewed from the rear. She showed well in the morning but seemed bored in the evening round.

I chose **Sierra View Bestuvall Cross into Cool** (GCH Grabo Testarossa Formula for Drama ex GCH Bestuvall Cross My Heart) as a finalist. Her breeders/owners are Mary Jo Antle, Rick Antle and Jan Dykema. A lovely, compact brindle and white with a good confirmation. Her head is turned and filled all the way to the end and topped off with a correct mouth. She has a lovely expression. Her front is straight and has tight cat feet. When viewed from the front she is outstanding. She is short coupled in body with nice rear angulation. Her movement is adequate all ways of the ring. She is young but her overall virtue won her **Reserve Colored Bitch**.

I also brought back **CH Action Shake, Rattle 'n Soul at Alaric TKN, BROM** GRCHS Grabo Testarossa Formula for Drama ROM ex CCH, Am Gr Ch Action's Soul Power of Alaric ROM) as a finalist. Her Breeder/owners are Victoria Sottile, Franne Berez and Roney Conca. She is a typey brindle and white with good bone and substance. Her head is turned and filled with mouth just off level. Ear set could be better. She has nice length of neck and a well-developed ribcage. Her movement is good from the side, a little close going away.

My other finalist is **Formula Chromium Flash Point at Enigma** (CH Tawnbarr Devils Eye from Gorbain ex CH, GCH Formulas Powerful Scarlets Wonder on Blue Ridge) Her breeders are Jonathan Racey and Krista Prater-Piles and owned by Elizabeth Chastain. A red and white with good body lines. Her head has good length and is turned with nice fill. Her mouth is reverse scissors. She has nice length of neck, straight front, and a well-developed ribcage. Movement is adequate all ways of the ring.

### **White Bitch Finalists**

We chose **GCH Stonehouse's Easy Being Royal** (CH Rabram Royal Star ex GCH Bestuvall on Easy Street) for **Best White Bitch** and the **Silverwood Trophy**. She was a standout in the ring with her balance and virtue. She made this selection easy. She is balanced throughout, with good bone and substance. Her head is turned, filled and with mouth just off scissors. She has a keen expression, a straight front with good bone leading into tight cat feet. She has a well-developed rib cage and good rear angulation. From the rear her movement is good but could be more parallel. From the side she moves out with reach and drive. Her breeders are Melany Aten and Jan Dykema, and her owners are Marianne Lockyer and Melany Aten.

We also chose **Tredecim Konohanasakuya** (CH Megavilles Reckless; Dam: CCH, CH Tredecim's Platinum Amaterasu ROM) as **Reserve White Bitch**. Her breeders are Trudy Shelley-Avery and Stephen Avery and owned by Trudy Shelley-Avery. She is substantial with good virtue. She has a strong head that is filled and turned all the way to the end with a correct mouth and excellent expression. She has nice length of neck, a strong ribcage. She has particularly good bone. Movement is adequate all ways of the ring. She was a contender for Runner-up to the Silverwood Trophy, but her tail-set let her down.

I chose **CH GCH Actions Formula for a Drama Princess ROM, SROM** (CH Action Devil's Apprentice by Formula ex GCH, CH Actions Formula for a Queen) as a finalist. Her breeders/owners are Krista Prater

Piles and Franne Berez. A lovely, compact white with a terrific expression. She has virtue throughout with good bone and substance. Head is turned with good width of muzzle. She has a mouth fault. She has a well-developed ribcage and good rear angulation. Movement is good in all directions.

I also chose **CH Old England's NotSo Basic Biotch** (Gorbain Hellboy ex GCH, CH Old England's Wildflower) for a finalist. She is bred by Anita and Walter Bavol and owned by Jaqueline Decker and Walter Bavol. She is a feminine white with lovely body lines. Her head is turned and filled with a strong underjaw and lovely expression. Her mouth is correct. She has nice length of neck leading into a good shoulder. Her front is straight and has lovely, tight cat feet. She has a strong ribcage and good rear angulation. Movement is good when viewed from the side and adequate going.

I was called as Referee to choose **RESERVE WHITE DOG** between CH Buldor Powerplay at Foxairn and GCH Grabo Acie Holiday Moon. Two totally different dogs in type.

**CH Buldor Powerplay at Foxairn** (CH Formula Power Up for Action ex CCH Buldor Devil in a Red Dress) His breeders are Dorothy and Alki Bassakyros and owned by M. Beisel-McIlwaine, S. McIlwaine, D. and A. Bassakyros. A white that has good power throughout. His head is strong with a bit of a brow. Mouth is off. He has a straight front with good bone. A powerful ribcage and good rear development. His topline let him down in the end.

He is an upstanding white with flowing body lines. His head is long, turned and filled with a correct mouth. Nice length to his neck. His ribcage is well developed and has good rear angulation. Movement is good going and coming. I chose him for **RESERVE WHITE DOG** because of his overall conformation and pleasing body lines.

In the final round to choose the Silverwood Trophy winner from the 4 finalist was the BEST White Dog that I had not judged: **CH Grabo N Bestuvall Once in a Blue Moon, ROM** (GCHS Grabo Testarossa Formula for Drama ex GCHB Whistlestop N Bestuvall Papermoon) He is bred by Janet Cooley, Jan Dykema and Grace Thomas and owned by Grace Thomas and Robert Thomas. SILVERWOOD

October 24, 2020

Judge: Victoria Corse

It was a privilege and a joy to judge Silverwood 2020, a testament to the determination that Bull Terrier people are able to embody when properly motivated. Thank you to my co-judges, Becky Poole and Skip Greaney, for an excellent day, and to our remarkable Show Chair, Eileen Ebey, and our stewards, John Spurr, Candy Aron, and Debra Davis, who communicated clearly despite being masked, and managed to ensure that everyone was where they needed to be, when they needed to be there. In spite of mandatory sanitizing between each dog, we were still able to keep on track and get through the classes in decent time. I can't say enough for the BTC of Metro Detroit and its members for pulling this off. We were checked in, with masks on, and temperatures taken, each day, and sanitizing supplies were available in sufficient quantity. In spite of social distancing requirements, we were offered a Friday night get-together and a Banquet, and vendors were present. In a weird and worrying year, it was a breath of normalcy to be around the dogs we love and the people who "get" us. The hotel grounds and the show venue were spacious and comfortable; my room was clean and roomy, and included a refrigerator.

As far as the show; I was pleased to see more correct mouths than not, and the exhibitors generally maintained their usual high standards of grooming, conditioning and presentation. I am concerned, as usual, with the poor shoulder construction that is becoming more and more prevalent. If you don't understand construction, find someone who does and talk to them about it. The bones that make up the shoulder/front end are important. Everything that happens above and beyond those bones is affected by them. No forechest in profile? Look at the shoulders. No neck? Look at the shoulders. Dip behind the withers? Look at the shoulders. If we don't understand the problems underlying the visible faults, we will repeat them, or worse, double down on them. Rant over.

#### **WHITE DOG FINALISTS**

McIlwaines'/Bassakyros' **CH BULDOR POWERPLAY AT FOXAIRN** (Ch Formula PowerUp for Action ex Ch Buldor Devil In A Red Dress) Powerful, masculine and heavy boned boy, with a massive head and excellent muzzle strength, he has a bit of a brow and one inside canine, with an otherwise good bite. Hie eye is wicked, and well placed. He has a clean neck, leading to a slightly upright shoulder, but lovely length and angulation of upper arm, and a straight front with tight cat feet. His body has loads of volume and depth, with a broad chest. To be picky, a bit more length of leg would improve balance. He powers off a heavily muscled rear, and his jaunty swagger put him through to **MOVEMENT TROPHY FINALIST**. His temperament is charming and he was my selection for Reserve White Dog.

Whitmers' **GCH FORMULA ROMAN GLADIATOR AT BRILLIANT** (GCh Action Devils Apprentice By Formula ex GCh Action Formula For A Queen) Magnificently headed young dog, he has width, turn and depth, with a good bite, and nicely placed & shaped eyes. He's moderately sized, with bone and substance appropriately balanced. He has a decent forechest and short back, with correct tail carriage. He would benefit from more angulation in front and rear, which affects his movement coming and going. He's still young, with accompanying lack of physical maturity; I'll be interested to see him with another year's development.

Crouchers' **GCH GRABO ACIE HOLIDAY MOON** (GCHS Grabo Testarossa Formula For Drama ex GChB Whistlestop N Bestuvall Paper Moon) Another lovely headed boy, with a correct bite in a well-turned head, with good ear and eye placement, and

strength throughout the length of his head. He has an impressive deep jaw. His body is deep, and he has an excellent fore-chest and rib spring, with his angulation balanced front and rear. I'd like to see more angulation at both ends, as it visually affects his length of neck, and his movement was untidy. He has appropriate bone for his size, along with the well developed musculature for a big, masculine dog. He was my co-judge's selection for **RESERVE WHITE DOG**, and the referee's choice.

Thomas' **GCH GRABO N BESTUVALL ONCE IN A BLUE MOON** (GChS Grabo Testarossa Formula For Drama ex GChB Whistlestop N Bestuvall Paper Moon) Eye catching dog with a beautifully turned head, with an unbroken, smooth arc, leading to textbook Roman finish, with a good mouth, well set ears and tiny, glinting eyes perfectly placed. He's cobby, with round bone and a short back, angulation is balanced front to rear, and he moves cleanly and with power because of it. He has a straight front, leading to tight cat feet and nice depth of chest and body. His rear quarters are heavily muscled and well bent. More power and width through the muzzle would complete the picture below the eye, and improve front-on expression, and I would prefer more layback of shoulder. We were pleased to put him through to **MOVEMENT TROPHY FINALIST**. His virtues were impossible to ignore, and he was our unanimous choice for **BEST WHITE DOG, RUNNER-UP TO THE SILVERWOOD TROPHY** and **BEST OF OPPOSITE SEX TO THE SILVERWOOD TROPHY**.

#### **COLOURED BITCH FINALISTS**

Garza **KETSALSIAPILI** (The One And Only Chacorta At 956 ex You The One And Only Madera Sugaram) Cleanly made brindle bitch, with a smooth egg of an unexaggerated head, and perfect bite. Ears are bang up on top of her head; eyes are dark & well placed, but could be more triangular. She's quite a big girl, although not heavyweight in style. Her front assembly is beautiful, with a straight front, correctly placed shoulder and upper arm, lovely forechest and a beautiful reachy neck. Her top line is strong, and has a gentle rise over the loin to a well angulated and muscled rear. She has all the components, and her movement was enough to send her forward to **MOVEMENT TROPHY FINALIST**. When it came to the Trophy placements, I just wanted better feet, and more bone and power. I'd be very happy to have her in the whelping box.

Sottile, Berez, Conca **CH ACTION SHAKE RATTLE AND SOUL AT ALARIC TKN, BROM** (GChSGrabo. Testarossa Formula For Drama ROM ex GCh Action Soul Power of Alaric TKN ROM) Rich brindle and white bitch, with a well-turned head, and correctly placed ears and eyes. She has good length of head, depth of jaw, and a strong muzzle. Her mouth is off. She has a well developed, deep and square body, and good forechest, although she needs better angulation through the shoulders. She has a nicely angulated rear, and good, short hocks. Bone is appropriate for her size. Her movement was a bit untidy, and she toes out in front, which held her back in the Trophy selections, but her typiness shines, and she's a fabulous show girl.

Miller, Berez **ACTION POWER TO ENCHANT** (Ch Formula Power Up For Action ex Ch Action Head Enchantress) Another really cleanly made brindle bitch, with a smooth, unexaggerated head, with tiny well placed eyes and ears, giving her varminty head-on expression. Her bite is a fingernail off, with good canines. Her construction is really good, with properly angulated shoulder and rear, and a strong, short topline supporting her deep body and lovely front and chest. She stands over a lot of ground, with an impressive bend of stifle and short hocks. My only nitpicking is that I'd prefer better movement, more depth of under jaw and a bit more bone, but her virtues carried her to our unanimous choice as **BEST COLOURED BITCH**

Wright, Browns' **CH GLENTOM SPITTING IMAGE** (GCh Glentom Conquistador Seeking Silver ROM ex Ch Victoria's Queen Margaret of Glentom) Big, dark brindle bitch, with a dramatic profile, a lovely long, strong head and powerful muzzle. She has a scissors bite, with tight canines. Her eyes are tiny and well placed, although I'd like smaller ears set more up on the head. She's mature for her age, with good depth of body and a broad chest. Her front is ramrod straight. She holds a strong topline, standing and moving. Her cross is her shoulder angulation, which visibly shortens her neck and restricts her movement, but I found her typey and virtuous.

Antles' & Dykema **SIERRAVIEW BESTUVALL CROSS INTO COOL** (GCH Grabo Testarossa Formula for Drama ex GCH Bestuvall Cross My Heart) I did not cut this baby for a Finalist placement, but in the afternoon rounds, she settled down and came out showing her socks off. She is very young, not yet 10 months old on the day. Her head is long and beautifully turned, tiny eyes and ears neatly placed, and she carries her head power right to the end of her wide muzzle. Her bite is correct. She is correctly angulated front and rear, and has an immaculate straight front, leading to tidy feet. Her neck is reachy and flows into her withers without breaks. Her rear quarters are well-bent, with short hocks, and correct tail set. Her immaturity affects her movement, which is erratic and bouncy, and her topline, which she carries slightly roached. In the final decision, we unanimously agreed to reward the outstanding potential of this youngster with **RESERVE COLOURED BITCH**.

#### **WHITE BITCH FINALISTS**

Wright, Godambe, Cournoyer **CH GLENTOM CRÈME DE L'ORANGE** (Ch Tawnbarr Star Chaser ex Glentom Crème Café) Elegant, Dalmation-style bitch, with red ears, she has a long strong head, with good power down to the muzzle. Her incisors are level, with correct canines. She is reasonable well made through the shoulders, giving her good forechest and length of neck. Her body is deep and powerful, and her topline strong, leading to a rear with good bend of stifle. She is balanced front to rear and moves tidily, giving her a nod to **MOVEMENT**

#### **TROPHY FINALIST**

Schuurs' **CH OLD FORGE GOODNESS GRACIOUS** (Stardom Demon's Disciple ex Old Forge Face To The Sun) Strapping girl, with big, round bone and loads of substance. She has a powerful, wide head with gentle, unexaggerated turn of profile and a deep muzzle. Her bite is correct. Her eye placement is correct, but her ear size and placement detracts from correct expression. Her front is clean, with good prosternum. On the day, she had one of the better shoulder assemblies; in a perfect world, she could use more layback.. Her topline is short and strong, supporting a deep body with well-sprung ribs, and she's balanced front and rear. Her movement was ok, but lacked enthusiasm, making it untidy.

Lockyer, Aten **GCH STONEHOUSE EASY BEING ROYAL** (Ch Rabram Royal Star ROM ex GCH Bestuvall On Easy Street) This bitch caught my eye the minute she walked into the ring. She's a balanced package, moderate in size, with everything in the right place, and she uses everything she's got. Her head is turned, long, and strong, with a deep wide muzzle, powerful jaw and perfect bite. Her eyes are triangular, dark, and obliquely set, with tiny, thin ears set right on top of her head, giving her that varminty expression that is so often lacking. Her front is straight, with good bone down to cat feet. She has a well-defined forechest, and a strong, graceful neck, flowing cleanly into her withers, and her clean, short topline. Her tail set is correct, over her well-developed, muscular rear quarters. Her body is balanced, deep and powerful, without giving up her femininity. There's really not anything to pick at; she's absolutely

lovely. We were in complete agreement that she was a worthy **SILVERWOOD TROPHY WINNER.**

Avery **TREDECIM KONOHANASAKUYA** (Ch Megaville Reckless ex Ch Tredecim Platinum Ameratsu ROM) Heavyweight Bull-type bitch with black ears, this girl has a powerful, packed up and well-turned head, with width & fill down to the end of the muzzle, a deep jaw, and a correct bite. She has small, well placed eyes. I'd like tidier ears, placed higher on her head to improve expression. Her front is immaculate, with heavy, round bone right to her tight cat feet. Her chest is broad and deep, with a prominent prosternum, and very nice return of upper arm. She has a deep body, and a short strong topline leading to a well-muscled rear. Her movement was affected by the extra weight she was carrying on the day, and her tail set is high. We were in agreement that her virtues carried her to **RESERVE WHITE BITCH**

We also sent through Decker & Bavols' Ch Old England's Not So Basic Biotch (Gorbain Hellboy ex GCh Old England's Wildflower) as a **MOVEMENT TROPHY FINALIST**

In the final round, I was able to go over the Best Coloured Dog, the indomitable GCH Magor Galactic Agent, now a Veteran. He was our unanimous choice for both Best of Opposite Variety and the Movement Trophy.

**Critiques of Skip Greaney**

**Thank you seems inadequate for the opportunity given me by the BTCA Board of Directors and the Judges Selection Committee for thinking of me for this assignment. At long last I feel like I made it to the Adult table! I offer my sincere appreciation and thanks!**

**I would also like to thank my Co-Judges, Becky Poole and Victoria Corse for their valuable input, candidness and their sense of fairness to me and the exhibitors. The exhibitors who were given every opportunity to let their dogs shine in a challenging time. Thanks also to those exhibitors, we love our dogs one and all but to come and show so our world could be a small step closer to normal, to follow the rules so we were all safe and happy is a true testament to what is a Bull Terrier owner and breeder. In a bit of tongue in cheek, it was like the Silverwood everyone talks about as the only ones not in disguise were the dogs.**

**Eileen Ebey did a remarkable job of coping or overcoming every and any obstacle put in front of her to get this show on the books. To John Spurr, Debra Davis and Candy Aron, thank you for your help inside the ring. We lacked for nothing as we were showered with attention and hand sanitizer throughout the assignment. Last but not least thank you to the Bull Terrier Club of Metro Detroit for putting on a magnificent show.**

**Thank you again to all.**

**Lovell Trophy winner as Runner Up to the Silverwood winner Ch. Radium Brigadier Trophy Winner as Best of Opposite Sex to the Silverwood winner, Best White dog, a Silverwood finalist and a Movement Award Finalist.**

**A smart mid-sized white dog who presents a lovely outline when viewed from the side. Excellent expression holds your view for an extra second or two. He has the nice turn without any bridge around the eyes or forehead. He looks short backed and well-muscled from across the ring. He gets better close up; standing over him he has good eye placement and nearly ideal ears. I would like to see a bit more fore chest and length of upper arm as his shoulder is just up from ideal but nicely spaced behind his head. Nice length of neck, quality bone for size. Inside his mouth he has perfect dentition. His feet are tidy not**

*quite cat toed but among the best seen on the day. At now 2.5 years old he has matured in his rib cage. His rear angulation is quite good. As a Movement Finalist you would expect jauntiness and reach and drive and you would not be disappointed. The only observed imperfection is a slight break at his front shoulders and withers which makes him just off level on the move. He was the typiest of the white dogs. Our unanimous selection though his owners suffered a moment of anxiousness while we sorted a Referees decision for White dog Runner up. Congratulations on a quality dog to his breeders.*

**#823 GCh. Grabo Acie Holiday Moon**

**Breeder: Grace Graham, Jan Dykema and Janet Cooley (GCh Grabo Testarossa Formula for Drama ROM x GCh. Whistlestop N Bestuvall Paper Moon ROM)**

**Owned by David and Cheri Croucher.**

*He was my and the referee's choice as Reserve White Dog. A litter brother to the Best White Dog, he has most of the same quality attributes as his brother. All white, superb head and outline, perhaps a bit more fill under the eyes and the same ideal eye placement. Round bone, he comes across as heavier than his brother. He has a level mouth as opposed to scissor but lost nothing because of it. His front shoulder and fore chest cost him and was a deal breaker for my co-judge. His front shoulder is up several degrees from ideal which shortens his neck. It is far from the worst of shoulders we often see. It is spaced nicely which hides his fault to some degree. Nicely sprung ribs, a good tail set with a slight kink in his tail. I think a bit more bend of stifle would aide him in his overall movement. It is jaunty but his front does not allow for the reach that would make him a show stopper. Although again very good when compared to fellow exhibitors and the large number of dogs seen with poor fronts. Once again his breeders should rightfully be smiling.*

**#819 Ch. Buldor Powerplay At Foxairn Breeder: Dorothy J and Alki Bassakyros (Ch. Formula Power Up For Action x GCh, Buldor Devil In A Red Dress)**

**Owner: PM. Beisel-McIlwaine, S. McIlwaine and D & A Bassakyros.**

*A big heavyweight with black ear marks. He was the biggest of the finalist and gave up very little. From his stack you see virtue after virtue. Masculine filled head, a tremendous muzzle and a tiny eye. My first issue was his brow, while his head has width and fill he loses that ideal egg shape over his eye. He has one in standing canine that took away some points also. He quickly gains them back with his overall good shoulder and wonderful bone. Beautiful round fore chest and a barrel of a ribcage. Low set tail. He was a Movement Finalist for me as he concedes nothing in front and rear movement. For such a heavy dog it was a pleasure to watch. From the side however it is not level which takes away visually but going and coming he is among the best. He lost the Reserve placement in my eyes mostly on brow and bite and maybe a point or two for his topline on the move but is easily on of the best I have seen.*

**#821 GCh. Formulas Roman Gladiator at Brilliant Breeder: Krista Prater-Piles and Dr. Franne Berez.**

**(GCh. Action Devils Apprentice by Formula x GCh. Actions Formula for a Queen CGC.**

**Owner: Connie Whitmer, Darrin Whitmer and Yasmin Whitmer**

***The smallest of the White boys with a black head mark. In many ways the typiest. Standing he is wonderful, a tight muscled package with a fancy egg shaped head. That head keeps your attention up close with all the required fill, width and eye placement with tons of expression, a correct mouth adds to his scorecard. While compact in body he still has a well-placed shoulder and reach of neck with maturity his ribcage should continue to spring and he should continue on his current road of virtues. He was not at the top of his game movement wise so he did not advance to a movement finalist. He moves out well here and there. I would wish for more bend of stifle as it inhibits his push so he is not powering along. Reach is more than adequate for his size. As I have state previously this young dog would be my choice for Team USA under 2 as he is among our very best. A pleasure to go over him.***

**GCh. Magor Galactic Agent**

**Owner: Diane Davis, Gordon and Norma Smith**

***I always have a soft spot for underdogs and comeback stories. This brilliant red dog continues to be the best comeback story in our breed. At just over 7 years old he gives away nothing to his younger challengers. Becky and I gave him the best compliment of the weekend when we mouthed from behind our masks "That's a Bull Terrier"! He is still amazing from across the ring. A wonderful silhouette with a head of ideal size and shape. He is the consummate showman, He only lacks glinty expression. Balance and ideal angles front and rear, excellent feet. Over time his mouth has gone under but few faults after that. Shoulders and neck where they should be. His movement is text book reach and drive with a firmly held topline took him to his win as Best Moving Dog. He give nothing away at his still young at heart and young in appearance age and his breeders and owners should be proud of how well he represents our breed.***

**#809 Grabo Dream Weaver at Lechmere**

**Breeder: Bob and Grace Thomas (GCh. Grabo Testarossa Formula For Drama ROM x GCh.Tawnbarr Starlight)**

**Owner: Alesia Cooke**

***A young, virtuous red dog with terrific body line from across the ring. Up close he has a well filled and packed head with good muzzle width. Ears a bit wide, nice underjaw , add to that good dentition, lovely***

*fore chest with a neck that needs a touch more length, Would also like his front to be a bit straighter as his front feet go a little bit East-West. His feet are very nice and his rear end and associated angles are ideal. Ribs are starting to spring on schedule for age. In a world of high tails his is just where it should be. His movement is excellent for his age but not quite in the league of the winner, but for his age superb and I gave serious thought to give him a movement finalist placement. Will look forward to his maturing and this is another dog who I would wish to give a spot to on Team USA.*

**#807 GCh. Glentom No Chase Needed**

**Breeder: Tom and Glenna Wright, Terry Cournoyur (Ch. Tawnbarr Star Chaser x Glentom Café Chrome)**

**Owners: Glenna Wright, Aaron and Jessica Gralau**

*Another handsome red dog with a true outline from a distance. Very rich red color. Up close he has a broad and filled head with width all the way down his muzzle. Need a better ear set to finish off the head on look. His dentition is not ideal. He picks up in qualities again with a clean front and nice round fore chest. Shoulders almost perfect which aids his length of neck. Movement was very clean with reach and drive though his topline gives way a bit when he gets going. He is a good sized dog so he never seems to get a full head of steam but that is probably just his pace and it is more than efficient. A pleasure to go over with his easy going nature.*

**#803 Ch. Sierra View Bestuvall Cross the Rubicon**

**Breeder: Mary Jo Antle and Jan Dykema (GCh. Kingsfarm's Dutch Royal x GCh. Bestuvall Cross My Heart)**

**Owner: Regina Gnam and Mary Jo Antle**

*A powerful black brindle dog with an impressive head when viewed from across the ring. Perfect head markings divide his packed head; Tiny well placed eyes up close with loads of fill under and in front of that eye. Needs better ears and his bite is not his ally either. Improvements over these faults come quickly with a ton of bone and tight, lovely feet. Level topline and a lovely low set tail. His shoulder and neck need improvement. His rear angulation however is spot on. His front movement is effected by his front construction but rear movement is very good. I alone awarded this dog because like many dogs today where he is good he is very good to excellent such as head, bone, feet and rear. Where he falls down a bit in bite, shoulders and ears he is no worse than many of his fellow competitors.*

*My compliments again to all the dogs in the competition and my final compliments to these eight handsome finalists.*

I want to thank the BTCA and the Metro Detroit BTC for the pleasure of judging the 2020 Sweepstakes in Frankenmuth. Stuart Cairns

It is with great honor and great pleasure, that I accepted the assignment to judge the Bull Terrier Club of America National Specialty. Under the circumstances, the numbers were not the largest, but the quality was outstanding. There were a few really good specimens which did not get placed. We are still having problems with upper arms, sometimes deceptively hidden in stacking but movement reveals all. I think we have come along way in improving this breed so the shoulder is just one more thing to work on. I fully enjoyed this day and this privilege to judge your dogs. Thank you for coming and thank you for the opportunity. I would also like to thank the Stewards who helped the day run smoothly. They were worth their weight in gold.

## Colored:

### Males

#### 6-9 Month Puppy

**HAWTHORN SUN SURFER AT GLENTOM.** Wright & O'Driscoll (Teirwgwyn Son of A Gun ex Hawthorn Earrach Ardaigh) Solid red boy, with a strong well filled head. Mouth is off. Good bone for such a young boy. Good bend of stifle in the rear. Held his topline but movement was a bit choppy because he was more about having fun. More to come from this one.

### Bred-By

**REDROCK'S EXPRESSION OF COLOR.** Overby (Grabo Testarossa Formula For Drama ex Edelwin's Reflection of Dora at Redrock) Solid brindle with a nicely filled head and good expression. Bite OK. Good angles in the front with ample bone. Rear movement a bit choppy.

## Reserve Winners Dog

### American Bred

**MALAJO'S FORMULA FOR A DRAMA DEVIL.** Sodomsy & Prater-Piles (Action Devils Apprentice By Formula ex Action Formula For A Queen) I judged this dog earlier in the year in a virtual dog show. Great to see him in person and recognize the virtues I saw online. This is a very well-balanced dog with nothing overdone. He has length and great expression to his head. Perfect bite. Good flow from his neck into his topline with a good shoulder. Straight front, ample bone. Topline has the required slight roach, good angle in the stifle. Movement is commensurate with such a well-made dog.

## Winners Dog

### Open

**GREAT TREASURE OF GOLD DINASTY.** Patron (Russell Di Casa Sineri ex Kiara Moonflower Rasels Bull) Impressive dog with exceptional virtue throughout. Fat filled, powerful, exceptional head, with good expression. Bite Ok. Nice flow on his topline from his neck. Tremendous round bone with straight front. In silhouette his presternum shows an excellent shoulder but being hypercritical he is a little short in upper arm. Strong broad chest with strength through the body.

Decent bend of stifle, could be slightly stronger across the thigh. Movement in front was a bit choppy, with a slight dip in topline. If you are reading all this critique, understand his virtues far outweigh his minor issues. Tremendous animal and fully deserved his placement.

## Females

### 6-9 Month Puppy

**TUFFNUTZ SHINY PTERANODON.** Ugoretz & Lemke (Arnold AOS Giordano The Brave ex Luxury Ave Red Hot At Castlereas) Brindle girl with well packed head. Bite OK. Nice straight front with good bone for her young age. A little roach in topline but maturity will probably smooth some of that out. Moved well coming, a little narrow behind.

9-12 Month Puppy **SIERRA VIEW BESTUVALL CROSS INTO COOL.** Antle, Antle & Dykema (Grabo Testarossa Formula For Drama ex Bestuvall Cross My Heart) Brindle girl also with what seems to be a pre-requisite these days. Nice filled head with good expression. Good profile with good bite. Nice body outline with adequate angulation at both ends. Movement coming was very clean and straight. Narrow going away.

12-18 Month **956 KETSALSIUAPILI.** Garza (The One and Only Chacorta at 956 ex You the One and Only) Brindle girl with a little more substance. Good bite with nice length and fill. Eyes OK, ears well set. Profile needed a tiny bit more. Neck could be a shade longer. Shoulder set was good, with a straight front and ample bone. Topline flowed nice into the roach with good angulation in the rear. Moved well both coming and going.

Bred-By Exhibitor **ENVOY WAIT FOR IT.** Davis (Megaville Reckless ex Envoy Fortune Wookie) Brindle girl with lovely profile. Good bite with nice length and fill. I would like a little more substance. Outline is nice with straight front and nice angles. Would prefer more power in the rear. Moved well both ways but especially going.

## Winners Bitch & Best Of Winners

American Bred **APPRENTICE'S GANDY DANCIN.** Deevers, Perrott & Migilore (Action Devils Apprentice By Formula ex Apprentice Summer Lovin In Action) Brindle girl, with lovely long and filled head right to the tip of her muzzle. Good expression and earset with gently sloping profile. She was solid without anything being overdone and in profile looked beautiful from nose to tail. Her neck flowed into a lovely shoulder with ample bone for type. Straight front with good ribspring. Her topline had the desired roach and flowed into a well angulated strong rear. Her movement was good coming, a little close going. Held her topline on the go round. This bitch's outline when stacked won her the day.

## Reserve Winners Bitch

**ACTION POWER TO ENCHANT.** Miller & Berez (Formula Power Up For Action ex Action Head Enchantress) Brindle girl who I recently judged. She looked a lot happier in the ring today. Nice filled head, with profile. Bite OK. Strong girl with great angles. She is tad long in the body but her quality makes up for this minor issue. Straight front with good bone. Wide chest with good rib spring.

## Select Dog

**GRABO DREAM WEAVER OF LECHMERE.** Cooke (Grabo Testarossa Formula For Drama ex Tawnbarr Starlight) Red dog with beautiful silhouette. Head is long and filled, with good bite. Neck flows into a nice shoulder with straight front. Good topline and nice angled rear. Third time I have seen him and he is maturing every time. Still a youngster and lots more to come.

## Select Bitch

**SECONDTONONE CROWN JEWEL.** Shaw & Shaw (Soquel Millenium Seafarer ex Bestuvall Too Hot 2 Be Cool) Brindle with lots of power to her size. Wide filled head with good expression. Perfect bite. Straight front with good rib spring. Moved well in both directions.

## Best of Opposite Sex

**ACTION SHAKE, RATTLE 'N SOUL AT ALARIC.** Sottile, Berez & Conca (Grabo Testarossa Formula For Drama ex Action's Soul Power Of Alaric) Brindle bitch, with nice length of head, good expression. Bite is OK. Straight front, marked spring of rib, well angled shoulder, straight front with tight cat feet. Short coupled with excellent topline, flowing into a great tailset down to good bend of stifle.

## Best of Variety & Best of Breed

**GRABO TESTAROSSA FORMULA FOR DRAMA.** Thomas & Thomas (Action Devils Apprentice By Formula ex Action Formula For A Queen) Outstanding dog with type. Powerful but not oversized boy. Wonderful expression, great earset, fat filled, packed up head. Neck could be a tad longer but it flows to a lovely shoulder with nice layback, spring of rib and plenty of bone. Short loin leading to a well angulated stifle. Strong wide thigh which helps this dog in its straight movement both coming and going.

9-12 Month Puppy **STAR ROADS BRIGHT PRINCE OF WALES.** Dickerson (Teirwgwyn Top Gun ex Abbeyroad's Billy's Girl) Ear marked, athletic, middle of the road boy with a short back. Head is long and wide, bite OK. Good angles and moves appropriately. Needs time to mature.

12-18 Month **JOCKO MUZZLELOADER AT DURHAM.** Betancourt (Jocko Gunslinger @ Jackannette ex Jocko Ice Eyes) Ear marked, well-proportioned dog but sadly out of shape. He was also not fond of the ring.

## Winners Dog

## See Best of Variety

### Reserve Winners Dog

**REBELSIDE I FEEL GOOD.** Patron (Satyricon Gold Digger ex Rebelside Silver Moon) Eye patch sits on a lovely filled head, with a decent eye and earset. Bite good. Neck flows into a good layback of shoulder and good spring of rib. Straight front and good bone. Hyper critical on a really good dog, slightly short in upper arm and reflected in his side movement. Topline dipped on the go round but still driven by a really strong rear.

### Reserve Winners Bitch

**9-12 Month Puppy ABBEYROAD'S ELEANOR RIGBY WITH SINABAR.** Burke & Ludtke (Gorbain Hellboy ex Abbeyroad's Devil Eyes) Cobby little girl with good substance but just a little too much for her. A few pounds and little more exercise would have really helped a beautiful bitch. Filled up head with good length, bite ok, eyes and earset OK. Shorter in neck commensurate with style, nice shoulder with good length to upper arm and straight front with nice spring of rib. Topline held on the move with moderately short back and nice bend of stifle in the rear. Dog movement was not the easy to assess as she was constantly leaping forward but the short periods she did move, it was parallel coming and going.

### Winners Bitch

**Bred-By Exhibitor TREDECIM KONOHANASAKUYA** Shelley-Avery (Megaville's Reckless ex Tredecim's Platinum Amaterasu) Heavy weight bitch also carrying a few pounds more than desired. A little more profile would be nice and I would have like to see a little more fill. Bite Good. She is strong girl, screaming brood bitch but still has some great merits. Shoulder is laid back, with a straight front and good bone. Topline holds on the go and movement to and from is good. This girl won on her overall virtues. Where they were good, they were very good.

**American Bred APPRENTICE CHARLIE GIRL AT EPIPHANY.** Deevers, Perrott & Migilore (Action Devils Apprentice By Formula ex Apprentice Summer Lovin In Action) All white girl with a lovely head piece. Length and fill with extremely good expression. Good length on shoulder and upper arm although, very slightly upright. Straight front with nice feet. Slight rise over the loin with a appropriate bend of stifle. Movement coming is good, a little lose going away.

**Open ACCLAIM'S FORMULAFOR A TRU-HEARTED DAME.** Snider & Strahley (Formula Power Up For Action ex Acclaim's Rose of Sharon) Ear marked girl with good power. Profile OK, and fill under the eye, would prefer a little more strength in muzzle. Bite good. Nice length of neck and good layback of shoulder. Upper arm a little upright. Good width and depth to her chest. Straight front with good round bone. Gentle rise over the loan, with a well angulated rear. Movement is good coming, moves close in the rear.

### Select Dog

**GRABO ACIE HOLIDAY MOON.** Croucher & Croucher (Grabo Testarossa Formula For Drama ex Whistlestop N Bestuvall Paper Moon) This dog improves every time I see him. A dog with good strength without being overdone. Expression is good with good fill to the end of his muzzle. Bite good. Straight front, good bone. Good layback of shoulder, good forechest, slight shortness in upper arm. Front movement coming to is good, holds his topline on his side gait, he excels in power from the rear, driving with every step.

### Select Bitch

**GLENTOM CRÈME DE L'ORANGE.** Wright, Wright & Cournoyer (Tawnbarr Star Chaser ex Glentom Café Creme) Red eared girl with a lovely headpiece. Gently sloping profile with well placed ears and eyes. Good fill and bite. Layback of shoulder is good, and good width of chest for her style. Bone is adequate. She is not a thumping bitch but strong for her style with good spring rib which flows to her correct bend of stifle. She moved ok both ways. In the final selection, this girl came to life and earned herself a place in the top order.

### Best of Opposite Sex

**ACTIONS FORMULA FOR A DRAMA PRINCESS.** Prater-Piles & Berez (Action Devils Apprentice By Formula ex Action Formula For A Queen) White with brindle. Excels in type and even in a smaller package stands out amongst the crowd. Head is a picture with width and fill, great depth to her varmint eyes and topped off by a small set of ears. This alone makes you pay her attention. Bite off. She has excellent bone for her size. Decent shoulder with good rib spring and excellent bone for her style. Good topline with the slight rise over the loin with a nice bend of stifle. Movement coming is good, she is close in the rear. Overall, her total picture is type in a compact body.

### Winners Dog, Best of Winners & Best of Variety

**GRABO MASTERPIECE BY FORMULA.** Thomas & Thomas (Action Devils Apprentice By Formula ex Action Formula For A Queen) Upstanding eye patched boy with power throughout. Head is wide, filled, all the way to the end of his muzzle, with an exquisite varminty eye. Would prefer a slight more length of neck but such a minor issue on a well set shoulder. Front is straight, good bone, tight feet. Short backed with a well muscled thigh on a correctly bent stifle. When settled and not being a boisterous puppy, he gives jaunty air true meaning. He moves well coming, going and on the go round.
