Judging this dog in the ring once again I was not disappointed. When it came to choosing BOB, even though I like the style of the colored dog very much I felt this white dog exceeds in power and strength. He has an abundance of substance without losing correctness. Heavy bone, barrel chest, beautiful straight front, deep brisket and good spring of ribs. **Judge – Dale Schuur**

Thank you to the St. Louis club for inviting me to do the Saturday Specialty. It was great to be back at a dog show, especially after a year of Covid restrictions. I was honored and gratified to have such a large number of high-quality animals entered under me. Thank you also to all the owners and breeders for giving me the opportunity to go over your animals.

### **COLOREDS**

**WD, BOW** McConnell & Baval's **OLD ENGLAND'S FIRST GENTLEMAN** (Aricon Eyecon ex GCH Old England's Voodoo Child) Upstanding, masculine brindle dog. Head has good strength, nicely turned, with length, width, and fill of muzzle. Canines OK, mouth is good. Very good neck and shoulder. Good topline. Moves OK in front and rear. Very good bone and spring of rib and carrying good weight. Got BOW on greater maturity. I have admired this dog before, but other days I have seen him too retiring. Today he was happy enough to demonstrate his considerable virtues and I was very pleased to award him WD and BOW as a result.

**RWD** Holmes, Brodeur & Hennessy's **PARADIGM PAINT IT BLACK** (Ch Ghost's N Goblins Bold As Brass ex GCHB Wendigo Philgin Devilish Diva At Paradigm) Powerful black brindle and white young dog. Head is strong and deep, good profile and well filled. Very good expression. Muzzle could be a bit longer, mouth just under, canines correct. Good bone and substance for his age, needs to fill out a bit more especially through his loin. Good neck and withers, a bit short in upper arm, well angulated behind. More maturity and presentation experience should carry him to the top.

**WB** Chastain & Piles' **FORMULA CHROMIUM FLASH POINT AT ENIGMA** (Tawnbarr Devils Eye From Gorbain ex GCH Formula's Powerful Scarlets Wonder On Blue Ridge) Red and white bitch. A girl of high quality and good type. Head is long, nicely turned and well filled. Outstanding expression. Mouth good, except for a couple of incisors. Nice neck and withers, with OK shoulder layback. A bit short in upper arm, causing a slight dip in her topline. Well angulated rear. Won this spot because of her head, expression, mouth and quality.

**RWB** O'Driscoll's **HAWTHORN BLACK CURRANT STOUT** (Teirwgywn Son Of A Gun At Meilow ex GCH Hawthorn Earrach Ardaigh) Very typey solid brindle bitch. Moderate length head with good turn and fill.

Expression is OK. Mouth is under. Very square in body. Nice neck and withers, short back. Bone and substance appropriate for size and style. Pressed hard for WB.

**BOV** Sodomsky & Piles' **CH MALAJO'S FORMULA FOR A DRAMA DEVIL** (GCH Action Devils Apprentice By Formula ex Actions Formula For A Queen) Red and white. Super typey dog, with excellent bone and substance for his moderate size. Loads of quality. Head is well turned with just enough fill, phenomenal expression with the tiniest of eyes. Moves well in front, a touch closer behind but with good reach and drive on both ends. A very correct style we see far too

little of, and a great pleasure to award him both BOV and later BOB in strong company for his many outstanding virtues. If he develops a bit more muzzle strength as he continues to mature, he will be extremely hard to beat, a very good dog in any company.

**BOS Hopkins GCH BROKEN ARROW DANCING WITH SANDSTONE UNDER BULLYMOON** (GCH Sandstone's Honky Tonk Heartbreaker At Broken Arrow ex GCH Sandstone's Vision Of Liberty) Well known brindle and white bitch. Upstanding style with lovely outline, who shows like a bomb. Head is very correct with a pleasing profile, good length, width and fill. Nice neck and withers, a bit short in upper arm. Strong topline and well angulated quarters. I thought her a little light today and not moving up to her previous standard, none the less, she is a very, very good bitch.

**Select Dog Cooke's CH GRABO DREAM WEAVER OF LECHMERE** (GCHS Grabo Testarossa Formula For Drama ex GCH Tawnbarr Starlight) Red and white male. Really nice head with good profile, moderate length and nicely filled. Expression while good, could be a bit keener. Mouth is OK. Good neck and shoulder. Topline is good, a touch long in loin. Good quarters. Very good bone and substance. Pressed for BOV.

**Select Bitch Wright & Brown's CH GLENTOM SPITTING IMAGE** (GCH Glentom Conquistador Seeking Silver ex Ch. Victoria's Queen Margaret Of Glentom) Very strong headed bitch. Head has excellent profile, is of moderate length and is well filled. Super eye, well placed. Nice bone and substance for her smaller size. A little short in upper arm, her front is otherwise good. Very typey and short backed. A style we are seeing too little of in my opinion. She pushed really hard for BOS.

## WHITES

**WD, BOW Whitehair & Bluhm's BULLYMOON STANDS FOR LIBERTY WITH SANDSTONE** (GCH Sandstone's Honky Tonk Heartbreaker At Brokenarrow ex GCH Sandstone's Visions Of Liberty) Exceptionally typey and very masculine white dog. Very strong head, nicely turned, wide and filled muzzle. Outstanding expression. Mouth off. Good neck and topline. Heavy bone, plenty of body for his size and style. Toes in a bit coming, and a tad close going away, adequate reach and drive. Won this spot on his virtues of head strength, great type and cobbiness.

**RWD Frascone & Burke's ABBEYROAD HEY JUDE AT SINABAR** (Ch Megavilles Signing Off ex Quentinhill Hell Girl) Another very typey dog with good quality. Beautifully turned and filled head, outstanding expression. Fairly cobby body, he's bit short in upper arm. Excellent bone and substance. His coat and condition let him down today. On top of that, he and his handler were not as one, in spite of her best efforts, consequently it was difficult to assess his movement.

**WB Vernier, Graulau & Wright's GLENTOM NO ENCOURAGEMINT NEEDED** (GCH Glentom No Chaser Needed ex GCHB Glentom Mint To Break The Rules) Young bitch with a very strong head and super expression. Head is nicely turned, of moderate length and excellent fill. Mouth just under. Bone and body appropriate for size and age. Moderate angulation on both ends, moves OK in front a bit closer behind. Ideally, I'd like her a little shorter in loin.

**RWB Graulau, Wright & Cournoyer's GLENTOM MINT TO BE THE ANGEL'S ENVY** (GCH Glentom No Chaser Needed ex GCHB Glentom Mint To Break The Rules) Another young white bitch. She too has an excellent head with very nice profile, and very good length, width and fill. Excellent bone and enough body, she too is just a bit longer than ideal. Lovely quality, well balanced front and rear. I predict she will mature into a top-class adult and have an excellent future. She pressed really hard for WB.

**BOV Thomas' GRABO MASTERPIECE BY FORMULA** (GCH Action Devils Apprentice By Formula ex GCH Actions Formula For A Queen) Head impresses with good turn, width and exceptional fill. Paralyzing expression. Mouth has good canines, just under. Nice neck, shoulder and topline. Upper arm is a bit short, he has well angulated quarters. Very good bone and substance. Outstanding dog in any company. Presentation was good, and continues to improve.

**BOS** Baxter & Jones' **Bobuddy Neptune** (Brookbully Brigadier At Bobuddy ex Bobuddy Quatre Bras) Now mature white bitch. Impresses with smooth stylish outline. Head is nicely turned, moderate length and very well filled. Outstanding expression. Bone and substance appropriate for smaller size. Slight dip in topline on the move. Head, overall quality and type won her this spot.

**Select Dog** Croucher's **GCHB GRABO ACIE HOLIDAY MOON** (GCHB Grabo Testarossa Formula For Drama ex GCHB Whistlestop N Bestuwall Paper Moon) Well known, very substantial and masculine white dog. He has a strong head, with good fill and turn. Nice expression. Mouth just off a couple of incisors. Overall, well balanced, excellent condition. Has good movement, especially going away. Pressed hard for BOV.

**Select Bitch** Cooke's **CH GORBAIN CARELESS WHISPER** (Gorbain Hell Boy ex Tawnbarr Gone Viral From Gorbain) Head is nicely turned with good fill. Mouth is OK. Expression is a bit soft. She has a lovely outline with good neck and withers. Now filled out and mature looking with good bone and substance. Topline and quarters are good. A bitch of considerable quality and balance which won her this spot over a strong entry of special bitches.

**Judge: Melanie Whitehair**

I LOVE Texas! Thank you to the BTC Dallas for inviting me to judge; I loved every minute of it! It was good to actually be at a dog show and catch up with friends we have missed so much.

Even with the Covid shut downs and isolation we have been thru, the dogs did a great job with all the noise and energy around them. Thank you for trusting me with your exhibits; I was happy to see them in such good condition both mentally and physically. It's been a tough year without handling classes and dog shows.

Let's hope the worst is behind us and we can look forward to better times.

**Judge: PAULA PRESSLER-TASH**

The Bull Terrier Club of Dallas really knows how to put on a SHOW! The famous Texas hospitality was above and beyond expectations especially during this difficult time with the virus. Everyone did their part to be safe and I believe that everyone had a good time. The quality and number of bull terriers was incredible. I was told that the entry this year was the highest that the club has ever had. I know that it was an honor and at times a challenge to make my picks because of the quality of the dogs. I also have to mention that I saw a number of very promising puppies. I can hardly wait to see them as they mature.

Again, I want to thank the show committee, the club members and all of the exhibitors that allowed me to judge their dogs.

## **Bull Terrier Club of America**

**Peggy Beisel-McIlwaine**

**April 4, 2021**

**Azle, TX**

I want to take this opportunity to thank all the exhibitors, club members and my ring steward for a very wonderful day of judging some top quality Bull Terriers. It is so nice to be back doing what we all love to do. What better way to spend Easter, since in Michigan we still can't attend church services, than to go to a dog show. Dog shows seem to be our second religion.

While I found the exhibits to be top quality on the whole, I'd be remiss if I didn't mention my concern for fronts. I saw way too many that were upright in shoulder but also moving too wide and some paddling. We need to aim for that straight column of support that gives our dogs correct movement. This does not mean upright in shoulder. So much goes into a front assembly, it takes a lot to breed good fronts and it can be lost so easily. It is only one part of the equation but it is a very important part.

Both this dog and my SD had things I really like and some things that bother me. Because of so many bad front assemblies and incorrect front movement the nod went to Sweet Creature. He has a classic head profile with a wonderful curve. He is a smaller dog than I prefer but he had a solid topline, and short back and correct tail set and carriage. His bite is good with one instanding canine.

#### **Best Opposite Sex:**

Glenna Wright and Andrew Godambe and Terri Cournoyer. **CH Glentom Creme De L'Orange.** By Ch Tawnbarr Star Chaser out of Glentom Car Creme. This show was held using the “Show and Go” guidelines for Covid-19. The assignment was enjoyable, and it was great to have the opportunity to spend time with Bull Terrier people. Something we have all missed for the last year. Thank you to the Illiana Bull Terrier Fanciers for inviting me to judge this show and to the exhibitors for being so gracious throughout the show.

It was nice to receive the opportunity to judge once again at this show. The entry had very good quality overall and the competitors were pleasant and friendly. It's a nice good venue for a Bully Specialty. My thanks to the Club for the invitation and to the exhibitors for granting me the chance to assess their dogs.

### **Colored 2-9-(3-2)**

#### **Winners Dog**

Chastain & Piles' **ST GEORGE PREMIER FORMULA AT ENIGMA** (GCH CH ACTION DEVILS APPRENTICE BY FORMULA ex FORMULA POWER FOR ST GEORGE) Young but very substantial brindle and white dog. #### **Reserve Winners Dog**

Nichols & Migliore's **APPRENTICE DEVIL MAY CARE** (GCH CH ACTION DEVILS APPRENTICE BY FORMULA ex GCH CH APPRENTICE SUMMER LOVIN IN ACTION) Red and white with a striking head and expression. Dramatically turned, with very good fill. Pleasing neck and withers, a bit short in upper arm. Still youthful, he needs to fill out and gain some substance.

#### **Winners Bitch, BOW & BOS**

Davis' **ENVOY WAIT FOR IT** (GCH CH MEGAVILLES RECKLESS ex ENVOY FORTUNE WOOKIE) Moderate sized brindle and white bitch. Where she shines is her make, shape and balance. Bone and substance appropriate for size and age. Head is nicely turned and filled, with good width and an excellent expression. Good mouth. Lovely neck, short back and well angulated quarters. One of the best movers on the day. Shown in excellent condition and well presented. Impresses with her beautiful outline. Got BOW and BOS for her greater quality, type and movement. Still quite young, I suspect she will only improve as she matures and she's really good right now.

#### **Reserve Winners Bitch**

Chastain's **FORMULA CHROMIUM FLASH POINT AT ENIGMA** (CH TAWNBARR DEVILS EYE FROM GORBAIN ex GCH CH FORMULAS POWERFUL SCARLETS WONDER ON BLUE RIDGE) Red and white bitch. Head is long, nicely turned with excellent fill and expression. Good length of neck, she too is just a bit short in upper arm length. #### **Best of Variety**

Sodomy & Prater-Piles' **CH. MALAJO'S FORMULA FOR A DRAMA DEVIL** (GCH CH ACTION DEVILS APPRENTICE BY FORMULA ex GCH CH ACTIONS FORMULA FOR A QUEEN CGC) Moderate sized red and white dog with excellent bone and substance. Extremely typey with a paralyzing expression. Head is well turned with good fill, ideally, I'd like a bit more width. Nice neck and shoulder with a short back, which is an all too rare combination. He won this spot because of his type, quality and bone & substance in a well-balanced package.

### **Select Dog**

McConnell & Bavol Jr.'s **CH OLD ENGLAND'S FIRST GENTLEMAN** (ARICON EYECON ex GCH CH OLD ENGLAND'S VOODOO CHILD) Upstanding powerful masculine dog. A really good heavyweight brindle and white. Good neck, shoulder and topline. Head is nicely turned and filled, with good length of muzzle. This is a quality dog, who just isn't quite as typey and cobby as BOV.

### **Select Bitch**

Wright & Brown's **GCH CH GLENTOM SPITTING IMAGE** (GCH CH GLENTOM CONQUISTADOR SEEKING SILVER ex CH VICTORIA'S QUEEN MARGARET OF GLENTOM) Smaller, extremely typey bitch. Her head is an absolute egg, with a very good eye. Bone and substance appropriate for her smaller size. Very short back. I gave her this spot over another very good bitch due to her extreme type and head quality.

### **White 3-6-(1-3)**

#### **Winners Dog**

Frascone's **ABBEYROAD HEY JUDE AT SINABAR** (CH MEGAVILLE'S SIGNING OFF ex QUENTINHILL HELL GIRL) White with brindle head marks. Head has dramatic turn and expression. Good width and fill. He is a "bull dog style" with excellent bone and substance. In keeping with his style, he could use more angulation on both ends. His coat condition was off.

#### **Reserve Winners Dog**

Wright & Carter's **GLENTOM FOOL'S GOOD FORTUNE** (GCH CH GLENTOM FOOL'S FORTUNE ex MOONFLOWER WHITE SHIBA) Really good headed young dog. Head is well turned and filled, with an excellent expression. Bone and substance appropriate for age, size and style. Very puppy loose, he none the less seemed to enjoy his outing. It will be interesting to see him in another year.

#### **Winners Bitch, BOW**

Vernier, Wright and Graulau's **GLENTOM NO ENCOURAGEMENT NEEDED** (GCH CH GLENTOM NO CHASER NEEDED ex GCH CH GLENTOM MINT TO BREAK THE RULES) Very substantial heavyweight bitch. Head has good length and width and is very well turned and filled. Excellent expression. Very good bone and substance. Moves OK in front, a little closer behind. She has many virtues; I could wish her just a bit closer coupled. She pushed the specials for BOV.

#### **Reserve Winners Bitch**

Hutchison, Bankus & Jones' **ARAGON'S WORTH THE WAIT FOR IMPERIAL** (GCH CH YOECKYDOE'S KISSPROOF ex BROOKBULLY QUICKSILVER) Nice smaller size, young feminine bitch, very good proportions. Has a well filled head with very nice profile and outstanding expression. Good mouth. Well balanced, bone appropriate for size and age. Movement pretty good in both directions. What she needs most at the moment is time to fill out and mature. If she does, she will be a cracker!

### **Best Of Variety**

Baxter & Jones' **CH BOBUDDY NEPTUNE** (BROOKBULLY BRIGADIER AT BOBUDDY ex BOBUDDY QUATRE BRAS) A smaller, typey bitch with good bone and substance for size. Head is very pretty with very good turn, length, width and fill. Excellent expression. Good front and quarters. Shows very well, and she has lots of quality. My only criticism is I would wish her a little shorter in loin.

#### **Best Of Opposite Sex**

Wykoff, Ginsberg, Grecco & Bankus' **ARAGON N RUFFIN'S SAGITTARIUS A** (CH RUFFIN'S THANKS A LOT ARAGON ex GCH CH ARAGON'S A PERFECT STORM AT RUFFIN) A very short coupled and balanced white dog. Head is pleasing, of moderate length and good fill, he has a small break in his profile. Behind the collar, he has very good bone and substance, and a good neck and topline. Moderately angulated on both ends, he is very well balanced. In impeccable condition and very well presented.

#### **Select Bitch**

Wright, Godambe & Cournoyer's GCH CH GLENTOM CRÈME DE L'ORANGE (CH TAWNBARR STAR CHASER ex GLENTOM CAFÉ CREME) Quality bitch with lovely flowing outlines. A really good bitch. Head is very well turned and filled, with good length and adequate width. Pleasing flowing outlines. Bone and substance good for size. She too, I could wish a bit shorter in loin, and unfortunately today, she wasn't in sync with her handler or she would have pressed harder for BOV. None the less, a very good bitch.

Scott and Whitman's **APPRENTICE WHOZURDADDY INDULGENCE** (GCH Apprentice Finnegan Begin Again CACGC ex Apprentice Tululah of Kindred Spirit) Good sized brindle and white dog. Bone fit the body with good feet. Clean front. He had a balance body and moved well down and back as well as in profile. Needed a bit more finish to his head.

#### **Reserve Winners Dog**

Troy and Cooke's **BULLYHILLS REVITUP DEVILS EYE FROM GORBAIN** (CH Tawnbarr Devils Eye From Garbain ex GCH Bullyhill CW Simply Irresistible When Flirtn) Brindle and white dog slightly larger than the winner, and slightly longer than the winner. #### **Winners Bitch, Best of Winners and Best of Variety**

Whitman's **INDULGENCE RISE OF THE DRAGON** (Bilboen Great Dragons Spy ex GCH Ch Bobkat White Hot Indulgence TKN) Lovely correct sized bitch with a crashing down face. Ears right on top of her head with good eye placement. The fill and head gave her a good expression. Balanced body with bone and feet to match. She moved well in all directions. Could have been a little cleaner in top line when moving, but nailed it when standing.

#### **Reserve Winners Bitch**

Beth Evans' **INNOVA DEVIL'S DAUGHTER AT GALACTIC** (GCH Action Devils Apprentice by Formula ex Galactic Cosmic Lady of Innova) This bitch came from the 12-18 class and needs maturity. However, she has the making of a good competitive bitch. Nice headpiece in profile. Bone good for her size, just needs to body up. Carried her self well in movement. A lighter shade of brindle.

### **Select Bitch**

**Judge: Cleo Parker**

I'd like to thank the Golden Triangle Bull Terrier Club for inviting me to judge. This was the first show I've been to in over a year where I wasn't part of the show-giving club. I might have been working, but the workload was a lot lighter and I enjoyed the experience.

Quality overall was very high and ran deep in both breeds and varieties. There was a striking improvement in mouths from when I last judged here, very few canine issues and more were minor in comparison to 2019. My judge's gifts were lovely, I am especially happy to have a "Sunny Days Original" and it was good to see the artist, Barb Deevers in person and good spirits at the show.

For the show giving club's sake, I hope all next years' judges have an easy time making the trip, but thanks for letting me be a late fill-in this time.

**COLORED**

**Winners Dog and Best of Winners**

Samantha Brown & Kurtis Brown's **DELICIOUS BUILT FOR THE ROAD AHEAD** (GCH CH Delicious Shape Of You - Dolores Vom Welpersberg At Megaville) Substantial brindle & White dog. Strong head with gentle profile, his head is wide down to the end of the muzzle, mouth correct. I would prefer him to be a bit shorter through the loin Moves well coming and going. Winners on his over maturity and greater strength of muzzle.

**Reserve Winners Dog**

Melissa & Shane Holmes & Chase Kocher's **PARADIGM PAINT IT BLACK** (CH Ghosts'N Goblins Bold As Brass - GCHB CH Wendigo Philgin Devilish Diva At Paradigm) Powerful headed black brindle with good fill of head, mouth just under, correct canines. Short backed, I would prefer more angulation front and rear. Moves parallel in front, closer in the rear. Strong topline, not as mature as winners dog.

**Winners Bitch**

Michelle Lea Whitman's **INDULGENCE RISE OF THE DRAGON** (Bilboen Great Dragons Spy - GCH CH Bobkat White Hot Indulgence TKN) Brindle and white bitch with fancy head, good expression, good width of muzzle, and a correct mouth. Beautifully presented, she has balanced proportions with a prominent forechest and well let down hocks. Moves well, topline not quite as strong as Winners Dog on the move.

**Reserve Winners Bitch**

Beth A Evans' **INNOVA DEVIL'S DAUGHTER AT GALACTIC** (GCH CH Action Devils Apprentice By Formula - Galactic Cosmic Lady Of Innova) Young solid brindle bitch with smooth lines, gentle profile with even width to the end of her muzzle, correct mouth. Good topline and she moves just off parallel front and rear. The Winners lineup represented a variety of types, this bitch for me had lovely overall proportions, but not quite the quality of head or maturity of the winner.

**Best of Variety**

Victoria M Sottile & Franne Berez & Joseph R Conca's **GCH ACTION SHAKE, RATTLE 'N SOUL AT ALARIC, TKN** (GCHG Grabo Testarossa Formula For Drama - GCH Action's Soul Power Of Alaric TKN) Beautifully presented brindle & white bitch with strong head, with smooth, unexaggerated profile, correct canines and incisors just under. Moves freely and close to parallel front and rear. I would prefer just a bit shorter in the loin and carrying a bit less weight.

### **Best of Opposite Sex**

Samantha Brown & Kurtis Brown's **GCH DELICIOUS SHAPE OF YOU** (GCH Delicious He's My Brother - Dolores Vom Welpersberg At Megaville) Masculine brindle and white dog, very strong head with impressive width right to the end of his muzzle. Correct incisors with one tight canine. Moved well coming and going. Very similar to Winners dog, but shorter backed. When I got a chance to look at the catalog, I see that he is both his sire and half brother, so no wonder!

### **Select Dog**

Dean D'Aquila's **CH CREEKSIDE FORGED BY FIRE** (Ch Emred Fire Spy - Ch Emred Devil Wears Black) Strong-headed red and white dog, with gentle profile, correct incisors one canine slightly tight. His head is nicely filled to the end of the muzzle. He is short-backed with good front construction, which is reflected in his front movement. His rear movement lacks drive and is a bit sloppy.

### **Select Bitch**

Barb Deevers Mary Kay Migliore Cindy Perrott's, **APPRENTICE'S GANDY DANCIN** (GCH Action Formula For A Devils Apprentice - GCH Apprentice Summer Lovin In Action) Brindle and white bitch with flowing lines, long smooth head with flawless bite. Moves fluidly and correctly front and rear. Just not quite the strength of head and maturity of the Best of Variety bitch.

### **WHITE**

**Winners Dog and Best of Opposite Sex** Erin Orlando Betancourt's **JOCKO'S THE MUZZLELOADER AT DURHAM** (Jocko's The Gunslinger @ Jackannette - CH Jocko's Ice Eyes) Masculine, short backed and substantial dog with tri-color eyepatch. His head is well turned and strong with an evil expression, mouth correct. Unfortunately, his movement, while fluid viewed from the side, is sloppy coming and going, definitely not parallel!

### **Reserve Winners Dog**

Anna Cremeans's **MIGHTY CREW IRUKANDJI** (CH Napiers Mighty Crew - Emred Lucky Lucy) Another short-backed, strong-headed dog with two black ears and an evil expression. His profile is slightly broken, mouth correct. Moved well coming and going.

### **Winners Bitch, Best of Winners, and Best of Variety**

Andrea Coppiano Victoria M Sottile's **ALARIC WISH UPON A STAR** (CH Tawnbarr Star Chaser - GCH Action's Soul Power Of Alaric TKN) There is a lot to like about this young bitch with one brindle ear. She has absolutely lovely proportions, good depth of forechest, short, firm back, a gently curved underline, lovely tight feet. She has a smooth, gentle profile, with even, if not massive width to the end of her muzzle. Good expression, perfect mouth. She moves well coming, and going and has the agile, jaunty movement the standard calls for,

### **Reserve Winners Bitch**

Sarah Green's **BRICKFIELD DOUBLE STEAL** (Caranthir Buteo - Brickfield Bread & Butter) Very different type than the winner, an upstanding bitch with multiple brindle head markings, she has flowing lines and a lovely length of neck. Well turned, strong head with good fill and correct bite Moves out with purpose, just not tight overall and typy as the winner.

### **Select Bitch**

Samantha Brown & Kurtis Brown's **GCH DELICIOUS BLUE BONNET** (GCH Notorious Big Mac Attack - GCH Action Deliciously Divine) This bitch is a favorite of mine, with her lovely strong head with smooth, well-turned profile, piercing expression, and ears right up on top of her head, correct mouth. Typy with good bone for her size. I would prefer a shorter back and she was not quite at the top of her showmanship game on the day.

**Judge: Bob Myall**

'Back on the road again' in an airy well lighted venue with a substantial entry to boot. Apart from the failure of my camera judging was enjoyable and rewarding. My thanks to the Golden Triangle BTC for inviting me.

First of all I would like to make a comment about in-standing canines of which there was an abundance. Although the standard only addresses this indirectly – 'teeth should be sound, strong and *perfectly regular*'. I believe it would be in the best interest of the Breed to have a focused conversation about this in the very near future.

**COLORED**

**Winners Dog, Best of Winners, Best of Opposite Sex**

Holmes and Kocher's **PARADIGM PAINT IT BLACK** (GCH Ghost's N Goblins Bold as Brass - GCHB Wendigo Philgin Devilish Deva at Paradigm)

A square black brindle with pleasing shoulder lay back, good rib spring and great depth from withers to brisket. Head strong to end of muzzle, deep set dark triangular eyes. Mouth minimally off, correct canines. Better in front than in the rear which showed during movement being somewhat restricted behind. Wonderful type.

**Reserve Dog**

Corujo and Hook's **ACTION A-HEAD OF THE PUNCH** (CH Formula Power Up for Action - CH Action Head Enchantress)

A good all round dog who moved compactly. His expression was marred by his ear placement. Didn't have the strength of head of the Winners dog. Correct bite.

**Winners Bitch**

Whitman's **INDULGENCE RISE OF THE DRAGON** (Bilboen Great Dragon Spy ex GCH Bobkat White Hot Indulgence)

A black brindle with a good feminine head well set on. Well placed ears. Shapely body with correct underline. Well bent stifle. Nicely balanced. Front movement restricted.

**Reserve Bitch**

Evan's **INNOVA DEVIL'S DAUGHTER AT GALACTIC** (GCH Action Devil's Apprentice by Formula - Galactic Cosmic Lady of Innova)

A young solid brindle of excellent type who pushed hard to be winners bitch but in the end youth told against her. She has an excellent head, long arched neck and correct bite. Body under subscribed and slack. The best mover of the day covering the ground smoothly with free easy strides. Look forward to seeing her when mature.

**Best of Variety**

Sottile, Berez and Conca's **ACTION SHAKE, RATTLE 'N SOUL AT ALARIC** (GCHS Grabo Testarossa Formula for Drama - GCH Action's Soul Power of Alaric)

An eye catching square brindle with a head that has good fill and a profile that slopes gently downward. Marked rib spring and arch over the loin. Body shape marred by overeating which affected her movement. Possesses true bull terrier type.

#### **Select Dog**

Daquila's **CH CREEKSIDE FORGED BY FIRE** (CH Emred Fire Spy - CH Emred Devil Wears Black)

A strongly built muscular red with big bone, well rounded ribs and broad chest. Strong head and correct bite. On the move forelegs reached out and hind legs flexed well at the hip. Good type.

#### **Select Bitch**

Devers, Miliore and Perrott's **APPRENTICE'S GANDY DANCING** (Action Formula for A Devil's Apprentice ex Apprentice Summer Lovin in Action)

An elegant brindle bitch of obvious quality. Smooth feminine head of correct proportions and depth of muzzle. Slight slackness of topline. Moved smoothly with easy stride. Well shown.

Finally, I would like to make mention of the relaxed and disciplined handling of the young boy who showed GCH Delicious Galway Girl. One of the best of that age that I've seen.

#### **WHITE**

##### **Winners Dog, Best of Opposite Sex**

Ballon and Prater-Piles' **FORMULA'S AMMO IS ALL HEART** (GCHS Grabo Testarossa Formula for Drama - CH Formula Cosmic Connection to Action)

This strongly built youngster caught my eye because of his ultra-short back and overall balance. His head has a gentle curve but as yet lacks some fill and muzzle strength. Mouth correct. In profile his forelegs reached out well when on the move. More than adequate bone for his size.

##### **Reserve Dog**

Cremean's **MIGHTY CREW IRUKANDJI** (Napier's Mighty Crew - Emred Lucky Lucy)

This also was a worthy dog of good type. Somewhat longer in the back than the winners dog, good expression, more than adequate bone and substance. Well handled.

##### **Winners Bitch, Best of Winners**

Main's **HARLEQUIN UPTOWN GIRL** (Serenbull Soul Anarchy - York Moving Topsey Turvey to Harlequin)

One's eye is drawn to this elegant and shapely bitch because of her outstanding scope. A head according to the standard set on a clean arched neck. Keen expression, correct mouth. Moved compactly and in one piece.

##### **Reserve Bitch**

Coppiano and Sottile's **ALARIC WISH UPON A STAR** (CH Tawnbarr Star Chaser - GCH Action's Soul Power of Alaric, TKN)

A well balanced, strongly built cobby bitch. Broad chest, good front and well bent stifle. Moved erratically.

**Veteran Bitch, Select Bitch**

Prater-Piles and Berez's **ACTIONS FORMULA A QUEEN** (Ch Moonflower Scofield of Carradice - Action Drama Queen)

A classy eight year old who has stood the test of time well. An attractive head and expression set on clean muscular neck. Mouth not good. Topline slackened on the move as did her front assembly. It was a pleasure to see her again.

**Best of Variety**

Schuur's **OLD FORGE GOODNESS GRACIOUS** (Stardom Demons Disciple - Old Forge Face To The Sun)

Upstanding bitch with long strong head with small triangular well placed eye. Mildly long cast but shapely. Correct in front and rear which enabled her to cover ground with free easy strides.

**Select Dog**

Betancourt's **THE MUZZLELOADER AT DURHAM** (Jocko's the Gunslinger - Jackannette ex CH Jock's Ice Eye)

A large dog with immense bone and substance. Long, strong head with correct mouth. Well rounded body and correct topline. On the move his forelegs reached out well but his rear movement was unusual and dis-coordinated.

Greater Clarksburg West Virginia Kennel Club

Judge: Paula Pressler-Tash

I really want to thank the club for inviting me to judge this show. The quality of dogs, bull terriers and miniature bull terriers was outstanding. It was so good to see so many exhibitors out enjoying themselves with their dogs after such a long time with either no shows or "limited" shows. The club really "rolled" out the welcome mat for me! I appreciated the transportation to and from the airport and the show. And also getting to know folks better. The welcome basket was a big surprise as were the judging gifts. I especially love the original painting by Barb Deevers of Sunny Days! Congratulations to all the winners. Win or lose on a specific day, each one of our dogs is special and a winner for us. Thank you again.

Thank you for the honor of judging your specialty.

Specialties are my favorite thing to judge because the quality is usually top notch. I have to say I certainly was not disappointed at all as I had some top quality exhibits.

Despite the unbearable heat we managed to have a very nice show and the dogs were all troopers, so were the exhibitors. Thank you for your entry and terrific sportsmanship. The Barbary Coast club is an example to all breed clubs. Your members know the focus is and always should be on the breed. Also, thank you for a wonderful evening Saturday, filled with good food, conversation and fun.

Some general comments; I feel the breed is in darn good shape. Mouths are really improving to the point I had very few that were such that they entered into my decision.

Toplines and feet, two of my pet peeves, also were on the whole, good. Fronts are still an issue and not just with Bull Terriers but all breeds, but I did see some improvement there too.

### **BEST IN SWEEPS**

Harlamoff, Draper, Wayne & Martin's **SOQUEL MILLENIUM BLACK SEAS** (Unfailling Ocean View ex CH Soquel Millenium Black Pearl) An upstanding black brindle and white boy that has loads of potential. This boy is super well made with an ultra short back, flowing into a correct shoulder and great length of neck. He has adequate bone for his size and pleasingly straight legs leading into well kept tidy feet. His movement is true coming and going and topline never budged on the go around. His head is of good length, tiny eyes, ears right up on top and a perfect bite. This boy may take sometime to fully reach maturity but I think he will be quite the asset to the breed once he does.

### **BEST OF OPPOSITE SEX IN SWEEPS**

Macias & Gothan's **LAVISH N BULLARDS COUNTRY STORM** (GCH CH Kingsfarm's Dutch Royal ex CH Bullards N Ardry's Bodega Beach Babe RI CGC) A black brindle and white female who thoroughly enjoyed herself. She had a gleaming coat and feet were tidy and cat like.

### **BEST VETERAN IN SWEEPS**

Harlamoff & Wayne's **GCH SOQUEL MILLENIUM BLACK FERN** (Ch Brummagen Spectacular Bid ex Ch Brigadoon's All Black Soquel) A black brindle and white compact bitch with great body substance for her size. #### **BOV**

Thomas's **Ch. Grabo Masterpiece By Formula** (GCh Ch. Action Devils Apprentice By Formula x GCh Actions Formula For a Queen)

A big and tall variety dog. Not at all course with a filled head and lots of muzzle width to go along with it. He has a terrific shape with great bone and a straight front. Lovely topline and tight feet. He moved well both ways but was not driving like I would like. But it was 100 degrees out so maybe he was conserving energy. None the less a quality male.

#### **BOW/WB/BOS**

Avery's **Tredecim Konohanasakuya** (GCh Megaville Reckless x GCh Tredecim's Platinum Amaterasu)

Fantastic shape and type. She was not quite as showy as BOV but pushed for it none the less. Striking head piece, filled and lovely profile, wonderful expression. Straight front, short backed with great bone and tight feet. Moved well in both directions.

#### **WD**

Chaube's **Unfailing Ocean View** (Soquel Millenium Seafarer x Unfailing Luscious Diva)

A midsize dog with a filled head. Not much profile on this guy but well-made and balanced. Shoulder is a bit upright but it did not affect his topline or his movement. I love jaunty movement and this dog has it which pushed him to Winners.

#### **RWD**

Thomas's **GChs Ch Grabo Testarossa Formula For Drama** (GChB Ch Action Devils Apprentice by Formula x GChB Action Formula for a Queen)

Red and white- A difficult task to find new ways to describe a dog whose qualities are well known and who's deficiencies are so few. The benchmark might be that he has not lost anything since he first came on the scene. He is very typey. Still powerful and well-muscled with the same great head and shoulder, Excellent topline and movement. A timeless example of good breeding, conditioning and showmanship. Compliments to his owners and breeders.

### **BOW/WD**

Wong and Graham's **Grabo Bark At The Moon** (GCh Ch Grabo Testarossa Formula for Drama x GChB Ch Whistlestop N Bestuvall Paper Moon)

Red and white- midsized powerhouse much like his father. Nicely filled and turned head with good eye placement and a wide muzzle. Good neck and shoulder held up by quality bone. Good spring of rib and also ideal rear angulation. Would wish for ears a bit closer and front feet to be just a bit straighter. This minor fault does not hurt his movement in either direction. Quality dog.

## **BOS**

Shaw's **Ch Second To None Crown Jewel** (GChS Soquel Millenium Seafarer x Ch Bestuvall Too Hot To Be Cool)

Really solid Brindle and white, midsize bitch. First glance has an outstanding outline with a filled head. Wonderful width of muzzle and eye placement. Ears need to be closer to be a knock out head on. Excellent fore chest, tremendous bone but still remaining feminine. Loved her for her power, good movement and true Bull Terrier type.

I would like to thank the BCBTC for inviting me to judge their specialty. What a great event and how fantastic it is to see the club work so hard for each other and the rest of the exhibitors. It was a very nice entry and some top shelf exhibits. I still strive to encourage entries of older animals in the ring especially males so we can see them at full maturity.

#### Winners Dog and Best of Winners

GRABO BUGATTI BY FORMULA (Grabo Testarossa Formula For Drama ex Formula Cosmic Connection to Action) Thomas & Thomas. A younger brindle dog with an imposing head. Nice width and fill with slight mouth fault. He had strong bone and nice feet. He had a nice length to upper arm and layback of shoulder but he was a bit slack in his topline on the go round. Strong rear with good bend of stifle. Movement was OK coming and going but he could benefit from a bit more ring time.

#### Reserve Winners Dog

SOQUEL MILLENIUM BLACK SEAS (Unfailing Ocean View ex Soquel Millenium Black Pearl) Harlamoff, Draper, Waynee & Martin. This dog is one of those cases of don't tell me that. This dog is a really nice example of his type but still immature. This is a dog who I feel will be a really outstanding example when he is 3-4 year old. Not saying he has to wait that long to be nice but still needs to mature. He has a nice full head with length and fill. Good bite. Good shoulder with straight round bone. Tigt feet. Short back, with good rear. This dog needs to spring rib and fill out that chest. If he springs and drops, filling out that frame, I look forward to seeing him in the future.

#### Winners Bitch

GRABO MOONLIGHT DIVA (Rabram Rock Star ex Grabo Bahama Moon) Thomas & Thomas. A young brindle bitch who was very solid in her virtues. Lovely long filled head with great expression. SIERRA VIEW BESTUVALL CROSS INTO COOL (Grabo Testarossa Formula For Drama ex Bestuvall Cross My Heart) Antle, Antle & Dykema. Brindle girl with beautiful head quality. Nice length, fill and expression. Shoulders have nice length of upper arm and well laid back scapula. Good bone, straight front with cat feet.

Topline is good with slightly more rise but rolls into a nicely angled rear with good strength. Moved well in both directions and on the go round. Maturing into a really nice girl.

#### Best of Variety

GRABO TESTAROSSA FORMULA FOR DRAMA (Action Devils Apprentice By Formula ex Actions Formula For A Queen. Thomas & Thomas. A lot has been said about this boy so not much can be added. Heavy boned ultra typey boy. Well made with short compact back. Head is filled with length and perfect bite. Good expression. Being picky, could have slightly longer length in neck. Straight front, great feet and that ring presence which only the really good ones have.

#### WHITE

##### Winners Dog and Best of Winners

UNFAILING OCEAN VIEW (Soquel Millenium Seafarer ex Unfailing Luscious Diva) Chaube. Typey male with perfect bite, nice fill and expression. Profile is bit plain but still a strong head. He is ultra typey with short back and good bone for his type. Front is straight but would prefer a little more upper arm. Topline is good on the move and rear is strong with drive. His overall type won him the day.

##### Reserve Winners Dog

BESTUVALL OLD SPICE (Action Devils Apprentice By Formula ex Bestuvall Designer White Diamonds) Hernandez & Dykema. Larger male with a long and filled muzzle. Also a bit plainer in profile. He had a good front with decent angles and straight with good bone down to cat feet. He moved well on the go round and was adequate length for a big dog. He was a little straighter in stifle. He moved good coming but a little close in the rear.

##### Winners Bitch

APEX PRESENTS CLEOPATRA (Kingsfarm's Dutch Royal ex Action Devilish Delight) Torrez & Alvarado. Bitch with good fill and length and nice eye. Good bite. Neck flows into a good shoulder with ample enough bone for a moderate girl. Strong topline and strong rear with the right amount of stifle bend, allows this girl to move freely and with purpose. Good movement coming and going. She was well bodied up and in beautiful condition.

##### Reserve Winners Bitch

BESTUVALL OBSESSION (Sierra View Bestuvall Cross The Rubicon ex Bestuvall My Sin) Gnam & Dykema. Fully packed up with good expression. Bite good. Ears are little soft but straight up when on point and on top. Head flows through a good length of neck into a good shoulder with a straight front. Topline is good and rear is strong with the moderate type of bitch. Movement is good coming and going.

##### Select Dog

JOCKO'S THE GUNSLINGER @ JACKANNETTE (Gorbain Hellboy ex Jocko's Hollywood Starlet) DeGidio & Kart. The difference between Select and Variety was small. This boy had a fully packed up head with great expression. Mouth Off. Good rib spring and good angles at the front. Well boned and straight front. Short back but a little straight in the stifle making him a little high in the rear. Being really picky, I would like a little more leg for his frame but a strong animal. Movement is good coming, a bit choppy going away.

##### Select Bitch

TREDECIM ELOQUENCE OF BENZAITEN (Megaville Forget The Cost ex Tredecim's Platinum Amaterasu) Avery & Avery. Strong bitch, shown in better condition than when I last saw her. She benefited from losing those few pounds. Profile is a bit plain and I would like to see a little more fill but she is extremely virtuous. Bite is good. Shoulder is good with straight front and good bone. Topline is good with good bend of stifle. Movement is good in both directions.

### Best of Opposite Sex

TREDECIM KONOHANASAKUYA (Megavilles Reckless ex Tredecim's Platinum Amaterasu) Avery & Avery. Well made bitch with a few benefits over her sister who was Select. Profile is better and head is more filled. Better expression overall. Angles are good on both ends with a short back. Another really strong bitch like her sister. Moved well both coming and going.

### Best of Variety

Grabo Masterpiece By Formula (Action Devils Apprentice By Formula ex Actions Formula For A Queen) Thomas & Thomas. Enjoyed judging this boy again. Completely different style to the Select and he edged it due to overall construction. He is an upstanding boy but his bone has to be hands on to feel the quality. Head is super wide and powerful and fill all the way to the end of his muzzle with super eye. Mouth is OK As before, a little more length of neck would really set this guy off but with good shoulder, straight as a rail front, with cat feet, he is a picture front on. Short back with a good rear which flows into nice bend of stifle with a strong 2<sup>nd</sup> thigh. He is very happy and moves well both directions when he settles.

**JUDGE: JANE MESSINEO LINDQUIST**

Wow, was it ever great to be back in the saddle and judging again! So fun to see what everyone's been up to in the whelping box and how different matings have turned out. I had some really lovely animals and it was a pleasure to go over them.

My only complaint is that I had to leave early to avoid being trapped in Houston by hurricane Henri - I wish I could have spent more time catching up with the club members. Thanks again for inviting me to judge!

**COLORED:**

**Winners Dog, Best of Opposite Sex**

Brewer and Wright's **GLENTOM DARK SIDE OF THE FORCE**

(Super Bowl's Justagigalo - GCH CH Glentom Mint To Break The Rules). Shapely and upstanding dog with a wide, strong head. Gentle curve in profile, mouth fault. Took this spot today on his superior angles - lovely forehand construction and elegant turn of stifle.

**Reserve Winners Dog**

Angel and Hernandez' **white Magic Toruk** (CH Javarke Argent at Energon - Immortal Spirits Terra Vibe). Substantial dog with a strong head. Positives were his bone and expression. Moderately angled fore and aft. Gave way to WD's shapely outline, but a nice masculine dog.

**Winners Bitch, Best of Winners**

Antu and Jarza's **Ketsalsiuapili** (The One And Only Chacorta At 956 - You One And Only Madera Sugaram) This bitch grabs your attention immediately with her shapely outline and flashy headpiece. Lovely angles, positive reach of neck, good depth through the body, good bone. Accordingly, moved well in all directions. Pretty profile, ears bang on top of her head, varminty eyes. Lovely length of foreface. To be picky, a wider head would complete the picture, but overall, an eye-catching bitch.

**Reserve Winners Bitch**

Pinchilli's **ENERGON SHINING METOR** (CH Javarke Argent At Energon - Heirate Mich de Bulls Del Secarral) Substantial bitch with excellent body volume and bone. Nicely made, moved well in all directions. Pretty in profile, strong head from the front. She had an edge over WB in head width and power, but ultimately gave way to WB's extreme varminty expression. A lovely bitch, unlucky to meet the winner.

**Best of Variety**

Brown's **GCH CH Delicious Galway Girl TKN** (CH Javarke Argent At Energon - Dolores Vom Welpersberg At Megaville). Scrumptious terrier-type with a gorgeous, fat head that was filled from every angle, pleasing round bone and a deep, cobby little body. Some demerits through the shoulder that told in her topline but her virtues carried these faults easily. Truly three dimensional, the maximum dog in the available space, while at all times unmistakably feminine. Head was remarkable for its strength and beautiful curve and proportions with a perfect scissors bite. To nitpick, her eye

could be tighter but her overall expression was still keen. Beautifully presented in gleaming condition, she showed like a bomb and asked for it all the way.

### **Select Dog**

Fernandez's **CH THE ONE AND ONLY LEGEND MAKES LEGACY** (GCH The One and Only Golden Boy – CH Bulldazzled Leave It To Me)

### **Select Bitch**

Brown's **CH Delicious Hollaback Girl TKN** (CH Javarke Argent At Energon - Dolores Vom Welpersberg At Megaville)

## **WHITE:**

### **Winners Dog, Best of Opposite Sex**

Carter and Wright's **GLENTOM FOOL'S GOOD FORTUNE** (Glentom Fool's Fortune - Moonflower White Shiba) Attractive youngster - nice fat head, pretty profile, lovely small ears with super varminty eyes. Perfect bite. Really well made and moved well in all directions. Good bone and substance but still presents as immature through the body. He does have good depth of brisket and is not yet a year old so there is lots of promise there.

### **Reserve Winners Dog**

Saldivar and Holsen's **Texican I'm your huckleberry** (CH Crambully Newton's Law East of Pecos - Crambully Once Upon A Time Zelena) This enthusiastic youngster excelled in length of foreface, profile, and fill under the eye - head was smooth and filled. Good angles, moved well in all directions. Needs time to mature, he gave way to the bone and exceptional expression of the WD.

### **Winners Bitch, Best of Winners**

Cox's **SOME OAKIES WICKED PIRATE'S CALL GIRL** (Javarke River Pirate - CH Some Oakies Wickedly White Maiden) From the puppy classes, pretty youngster with exceptionally smooth lines. Pleasing in outline, substantial for her age from the front. Classic head with good length of foreface, filled and turned. Ears good when she chose to use them. Good angles fore and aft, nice bone, excellent mover in all directions. She prevailed over WD based on her balance and maturity on the day - but they are both puppies with lots of promise!

### **Reserve Winners Bitch**

Pinchilli's **ENERGON GRIGHT STAR** (CH Javarke Argent At Energon - Heirate Mich de Bulls Del Secarral)  Extremely virtuous bitch of a completely different sort than WB. Easily the most powerful bitch in the classes, with the most bone and body volume - very refreshing to see her substance. Packed up head with a pretty profile. Lovely silhouette when stacked, very good mover from the side. Good coming toward, not as good going away. It was a tough decision because both the WB and RWB had things to recommend them, but in the end RWB gave way to WB on movement going away.

### **Best of Variety**

Shelly-Avery's and Avery's **CH TREDECIM ELOQUENCE OF BENZAITEN** (Megaville's Forget The Cost - GCH Tredecim's Platinum Amaterasu) Gorgeous, strapping bitch with power and flowing lines from the tip of her nose to her beautiful rear. Classic headpiece with a pretty profile, good length and smooth fill. Good angles, with an unusually good turn of stifle. Power all around, with excellent depth of body, width of chest and nice round bone. Upstanding style with lovely construction, moved accordingly well. To be picky, there is some stuffiness through the neck but she was definitely over-conditioned on the day which I believe was a contributing factor. Overall impressive animal and it was a pleasure to go over her.

### **Select Dog**

David and Llanas' **THE ONE AND ONLY FOR THE WIN** (Emred Devil's Spy - The One And Only Killing Me Softly)

### **Select Bitch**

Shelly-Avery's and Avery's **TREDECIM KONOHANASAKUYA** (Megavilles Reckless - GCH Tredecim's Platinum Amaterasu)

### **Best of Breed**

For my best of Breed, I had two exemplary animals of two different types, each very correct and virtuous for their type: one cobby terrier-type with oodles of bone and a tremendously packed up head and the other an upstanding powerhouse with a sweeping profile, impeccable angles and a super strong topline.

For me, the decision came down to where the pendulum between soundness and terrier type is in our breed right now. In recent years I feel we have improved our construction so much and that is a good thing, but it has been perhaps at the cost of compactness and terrier type.

So today I went in that terrier direction with Brown's **GCH CH Delicious Galway Girl TKN** for Best of Breed because she presented virtues of compact terrier type with good bone and cobbiness that I feel have slipped away from us in the last decade or so. But I want to emphasize that both bitches are **OUTSTANDING**, and it was a pleasure to have them in my ring.

### **Best Opposite Sex to Best of Breed**

Carter and Wright's **GLENTOM FOOL'S GOOD FORTUNE** prevailed over the more mature colored dog due to his head virtues, bone and perfect bite.

**Whitehair and Bluhm's BULLYMOON STANDS FOR LIBERTY WITH SANDSTONE TKI (GCH Sandstone's Honkytonk Heartbreaker – GCH Sandstone's Visions of Liberty) Very exciting dog I was seeing for the first time. He's got a phenomenal head- turn, width, fill and an arresting wicked expression. Very masculine- he's all dog and all bully! Quality round bone, short back, broad and deep chest, well muscled and bodied up all throughout. Side gait better than his coming and going. A fun character, presented to perfection. His extreme virtues are for me what makes an interesting stud dog.**

Strong but feminine head with width and fill down through the muzzle. Varminty expression. Well balanced, short strong back and well sprung ribs. Excellent round bone and good feet. Clean mover and she showed to impress.**

### **Reserve Winners Bitch**

**Sottile, Berez and Conca's ALARIC WISH UPON A STAR (CH Tawnbarr Star Chaser – GCH Action's Soul Power of Alaric, TKN) Pretty bitch with nice body lines and good breed type. I liked her long feminine head and wicked expression. Seems still a bit immature.**

### **Select Dog**

**Betancourt's CH JOCKO'S THE MUZZLELOADER AT DURHAM (Jocko's The Gunslinger at Jackannette – CH Jocko's Ice Eyes) Eye-catching white dog with tri eye patch. Plenty of turn and fill to his head, good expression. Heavy bone. Better standing than moving.**

It felt great to be back on the east coast with bully fanciers! Thank you to the club and exhibitors for spending their time and resources exhibiting to me today. #### **WINNERS DOG, BEST OF OPPOSITE SEX, BEST OF OPPOSITE SEX TO BEST OF BREED**

Fritcher and Jaspers' **NOTORIOUS GIVES YOU WINGS** (Jordan De Z Rzymkich Legionow x Notorious Dare to Defy) This young man has a well filled head with a nice roman finish. Bite incorrect. Long arching neck. His best attribute is that he moves out freely and with drive.

#### **WINNERS BITCH and BEST OF WINNERS**

Jaspers' **NOTORIOUS GOOD AS GOLD** (Satyricons Gold Digger x CH Notorious Miesha Tate) Active brindle and white bitch with a long, gentle profile leading to a correct bite. Varminty expression accentuated by ear right on top of her head. She has a straight front and good bend of stifle. She moves really well both coming and going. In great shape today.

#### **RESERVE WINNERS BITCH**

Lindquist's and Krukenkamp's **MADCAP CATCHING MOONBEAMS** (Satyricons Gold Digger x GCHB Madcamp Jump Over The Moon AXP OJP CGC) This substantial brindle and white bitch has a pleasing profile, but not the expression of today's Winners Bitch. Bite off. While she has a well laid back shoulder and her elbows are in and tight, I would like to see more reach when she moves.

#### **BEST OF VARIETY, NOHS BOV, BEST OF BREED**

Hagen and Berez' **GCH ACTION COSMIC KISS** (CH Action Cosmic Cowboy CGC x CH Kingfarm's Going For Action) This red lady has a well-filled head, and properly placed ears, making for great expression. Bite just off. Overall she is a culmination of curves; from her head through her neck, shoulders and over her loin, down to her good bend of stifle with a nicely developed second thigh. She holds her topline on the move. She has matured well; it was great to see her in my ring today.

#### **SELECT BITCH**

Piles **FORMULA FOR A POWER FILLED GINGER** (Emred Huntsman x Action Headed For Power) This red and white bitch is very feminine and has a long head with a good profile. Level bite. Her ears are well-placed. Her neck long, has good shoulder placement, and her front is straight. She has good bend of stifle and moves correctly coming but a bit close going.

## **WHITE BULL TERRIERS**

### **WINNERS DOG, BEST OF WINNERS, BEST OF VARIETY, NOHS BOV**

Lindquist's **PATTERNED HEAD BULL BOOT** (CH Madcap Jump The Pond x Zuri Bull Boot) I do like how this young man has matured. Well-developed white dog with red ears, properly filled-head with pleasing profile. Bite correct. He has the proper amount of bone for his size. He is without sharp angles. His topline is good, with a slight arch over his loin and he moves well, especially when coming in. What really set him apart today was his wicked expression.

### **WINNERS BITCH, BEST OF OPPOSITE SEX**

Jaspers' and Roy's **NOTORIOUS MOONSTONE** (CH Skylines Black Moon Over SST x Notorious Lady In Red) This young gal know how to show her attributes off. She has a pleasing profile with deep set, obliquely placed eyes. Bite correct. Good rear construction. Her overall showmanship allowed her to receive BOS today.

Buckeye Bull Terrier Club

Peggy Beisel-McIlwaine

August 6, 2021

Canfield, Ohio

Thank you to the Buckeye club and to all the exhibitors for the honor of judging your specialty. Although it was hot, it wasn't the hot and humid weather we normally get in Canfield and the rain and storm came at night, just like in Camelot. It was so nice to have such great sportsmanship and camaraderie around the breed and group ring. I have to mention how pleased I was to see so many good bites. Well done everyone! It is so nice to have everyone supporting each other. I had a couple exhibits that would have faired better had they had the confidence and attitude we call for in the breed. I am only sorry I couldn't spend more time with everyone after judging, but I had 4 very full days of judging.

### **Coloreds:**

**Winners Dog:** Jorge Angel Juan Carlos Hernandez. **White Magic Toruk.** By CH Javarke Argent At Energy out of Immortal Spirits Terra Vibe. Lovely headed brindle dog, strongly built, excellent head and another excellent bite. Good bone, feet and topline. Would like a bit more angulation behind. Moved well in front.

Buckeye Bull Terrier Club

Beaver County Kennel Club, Inc.

Saturday 08/07/21 Canfield, OH

Judge: Jan Dykema

I can never see the word Buckeye without thinking of my friend and mentor, Tom Huey. I miss him. Thanks to the Buckeye Club for the invite to judge a group of wonderful bull terriers. Even the weather cooperated, warm but not roasting hot, and even the humidity cooperated with no rain except a spectacular thunder and lightning storm while we were all dry inside. Club hospitality was amazing. Two well attended club dinners where fun and laughter were the rule of the evening. I saw many new faces which is always a good sign and many old friends as well. I am dancing around my yard in my judges gift of a rubberized poncho hoping it will act like a rain dance for our parched state. Thanks so much for everything. Hope to see you all soon,

And the winners are.....

Winners Dog

DELICIOUS BUILT FOR THE ROAD AHEAD. By GCH CH Delicious Shape Of You - Dolores Vom Welpersberg At Megaville. Owner: Samantha Brown & Kurtis Brown & Jessica Hawkins & Brian Hawkins Brindle dog exhibiting mass and bone galore. Strong headpiece packed and filled. Ears on top and used well. Eye placement is not ideal which creates a less than sly expression called for. Perfect bite (the first of many!) with correct canines. Straight front and good tight feet. Side view brings the wish for a shorter back and better laid shoulder which created a heavy look and thickness around the neck and withers on the move. Rear is powerful. Good coming in from the front and a bit closer in the rear going away. A bull type.

Reserve Winners Dog

WHITE MAGIC TORUK. By CH Javarke Argent At Energon - Immortal Spirits Terra Vibe. Owner: Jorge Angel Juan Carlos Hernandez, Moca, Golden tiger brindle with many great attributes. Lovely turned head with plenty of profile and roman finish. Front view brings nicely placed ears, decent expression, and egg-shaped head. A bit more under the eye would complete the picture. Another perfect bite!! Gun barrel front and good feet. Side view brings a brisket placed well below the elbows creating a well laid shoulder and a short back. Topline has desired slight rise over the loin with a good tail set. Movement is good both ways if a bit closer behind. Needs to develop a stronger second thigh. A close call between these two dogs.

Winners Bitch/ Best Of Winners

INDULGENCE FLIGHT OF THE DRAGON. By Bilboen Great Dragons Spy - GCH CH Bobkat White Hot Indulgence CGC TKN. Owner: Michelle Lea Whitman A typy brindle girl with tons to like starting with a lovely turned and filled head. A classic look. Good bite. Super expression and an ear set that shows off her headpiece to perfection. Perfect bite with proper canines. Striking neck and shoulders leading to a super fore chest and well dropped brisket between a spot-on front with a feminine amount of bone. Wonderful extension of neck and shoulders. Smooth topline with a bit longer back. Well-turned stifle and short hocks. Steady topline on the move and good reach and drive.

KHROMEHEART CORSAIRE FROM PROVOKACIJA. By Ch Corsaire Chromehoss O'Tearock - Coxgal Is Mise Gaelige. Owner: Melissa Searles Dark brindle bitch with sweeps and curves to her head. Beautiful profile that could use a bit more muzzle power. Flashy and showy with tiny eye and good eye placement. Good bite. Fair amount of bone for size. Side view shows a shoulder that could be better laid and a significant rise over the topline. Moved well coming in, closer behind going away. Side movement affected by topline. A pretty bitch.

GCH ACTION SHAKE, RATTLE 'N SOUL AT ALARIC, TKN. By GCHG Grabo Testarossa Formula For Drama - GCH Action's Soul Power Of Alaric TKN. Owner: Victoria M Sottile & Franne Berez & Joseph R Conca Rich brindle of moderate size with virtues galore. Very typey and sound. My notes on movement say, "smooth and flowing with just the right amount of jaunty". I will mention that her owner shows her at just the right speed, not "flying around the ring". This makes for a solid topline and plenty of reach and drive from all directions easy to assess. Standing she has a full long head with classic fill and turn. Not extreme but egg shaped. Bite a smidge off. Good expression and ears erect enough. Round bone and a straight front. Toes out a bit and can stand wide in front. Side view is impressive with a top line with a gentle rise and a well laid shoulder. Compact enough. Well-turned stifle and short hocks. A worthy winner. Proud to send her to the Terrier Group where she was "pulled" in very tough competition.

#### Best Of Opposite Sex

GCH CH MALAJO'S FORMULA FOR A DRAMA DEVIL. By GCH Action Devils Apprentice By Formula - GCH Actions Formula For A Queen. Owner: Cathy & Bill Sodomsky & Krista Prater-Piles, Wonderful rich red masculine dog. My notes say "sparkling". Lovely short back with excellent neck and well laid shoulders. Plenty of profile without exaggeration, nice fill and egg shaped from the front view. Scissors bite. Eye placement is proper and squinty. Adequate bone and

substance for size. Round bone down to cat feet. Short back. Moved well coming in if a bit wide. Plenty of reach and drive. A difficult decision that any judge would love to have between the BOV and BOS

#### Select Dog

Owner: Melissa & Shane Holmes & Chase Kocher Congratulations to this “move up” to the champion class. A shiny dark brindle male with a very fancy head. ST. GEORGE MR MAGIC MAN. By Serenbull Soul Anarchy - Golitha Mustang Sally. Owner: Robert Lauver & Stuart Cairns & Meghan Barnes A true example of a TERRIER type bull terrier. Compact with a very short back and proper angles at both ends. Good bone for style, great straight front, and nice feet. Head is well turned and filled. Could use a bit more “slyness” in expression. Ears on top and used well. Good bite. Moved well in all directions Should be particularly useful to heavyweight bitches. A style of dog that brings us back to square.

ACCLAIM'S FORMULA FOR A TRU-HEART By GCH Formula Power Up For Action - GCH Acclaim's Rose Of Sharon. Owner: Gina Knauss & Julie Snider Mature white dog the opposite of the winners dog but still within the standard. This time we have a BULL terrier. Blocky in body and head. Head is chunky. A bit more profile would complete the picture. Good front, nice bone. On the move he is a bit two pieced with topline breaking just behind the shoulder and steep in the rear. Good coming in, close behind going away

##### Winners Bitch/Best of Winners

APPRENTICE CHARLIE GIRL AT EPIPHANY. By GCH CH Action Devils Apprentice By Formula - GCH Apprentice Summer Lovin In Action. Owner: Chris Hutter & Mary Kay Migliore & Cindy Perrot Such a lovely bitch. Sweeps and curves and oh so feminine in type. Dramatic profile from side view from behind the ears to the tip of the roman finish capped with a good bite. Front view sees tiny squinty eye placed well up on the head. Perhaps a bit more muzzle power would complete the picture, but it is enough. Ears are held erect and are used well. Lovely straight front with adequate bone and tight little cat feet. Shoulder could be a bit better laid from the side view. Nice deep brisket and tucked in elbows while standing. Short enough in back. Moved well. She is ultra typy and a real show girl never letting down.

By GCH Action Devils Apprentice By Formula - GCH Actions Formula For A Queen CGC.Owner: Connie Whitmer & Darrin Whitmer & Yasmin Whitmer & Krista Prater-Piles Oh that head. Aptly Named "Roman". that. Well, you get the idea. This dog has been on my list as a "one to watch" since I saw him at 6 months old and he did not disappoint today. He is not a large dog, but he stuns you with his type. His head is amazing not only turned with terrific profile but filled right up from every angle and open his mouth Wow, perfect bite in all that fill. Strong underjaw. Tiny dark eye set well up on this head and perky ears. Every perfection comes with a yes but, so his shoulder is not his fortune affecting his topline. Yet he is short backed and square. And has a good front. Moved well enough to get "pulled" in a very competitive terrier group.

#### Best of Opposite Sex

CH BOBUDDY NEPTUNE. By Brookbully Brigadier At Bobuddy - Bobuddy Quatre Bras. Super depth of chest for her size and front movement is super. Showed at one with her handler making an impressive picture of a moderate bull terrier.

Thank you to the BBTC for asking me to fill in for their Sunday show. In spite of warm, typical August day in Ohio, I was glad to see so many quality exhibits. ## HOUSTON DOG SHOW AUGUST 20,2021

Franne Berez

I would like to thank the exhibitors who drove from near and very far to be here and the local club members who were cheerfully present .I was impressed by the number of young families here and their children who were participating, This indeed will predict a rosy future for our breed, I saw some lovely dogs and some promising youngsters. There are also more men involved here as can be seen in Europe, Australia and South America.. I have often wondered why we have had so few in the USA who participate They are passionate and competitive and treat it like the sport that it is.

I wish I could have stayed over Saturday night to spend more time socializing, but a demanding litter at home and not enough pet care, forced me to leave after the Saturday show, I really enjoyed the opportunity to watch the Saturday morning judging and to discuss the dogs with Jane Lindquist after she judged . I was sorry I had to leave before Carl Pew judged . I find, the fun of judging is the sharing of opinions and learning from each other afterwards.

-Fernandez' The one and only Legend Makes Legacy GCH THE ONE AND ONLY GOLDEN BOY X ch Buldazzled leave it to me) Masculine powerful brindle boy with a long gently turned head , with fullness down to his wide muzzle but can use a bit more fill under the eye Good mouth well placed canines.. Standing still he has a pleasing body shape with clean neck merges into good depth of fore chest in front and with deeply set brisket. He is a little short in the upper arm which causes some slackness behind in the topline on moving. He has round bone and moves very well in both directions, also covering the ground well from the side with good drive from behind . Moves well for a large dog,

Reserve winners dog

Angel and Henandez' WHITE MAGIC TORUK (Ch. Javarke Argent at Eregon ex Immortal Spirit's Terra Vibe)

A rich brindle and white medium sized puppy with strong nicely turned head. From the front he has fullness but could use a tad more strength under the eye , ears carried far back on his head but probably from his newness to the ring . mouth correct ,, From the front he has a well-placed eye with good expression From the side he has a strong topline ,a little long in the loin. His bone is quite good for his size and well developed forechest for his age, straight front and lovely cat feet, Rear could use better bend of stifle with more second thigh. Has the right amount of power for his size and good tailset, His movement is quite true coming and going,

Antu and Jarza's **956 KETSALSIUPILI** (The One and Only Chacorta at 956 ex The One and Only Madera Sugaram)

Top-class bitch expertly handled by her teenage handler and first time in the ring, I took her all the way to bov. , Middle of the road, brindle and white, well marked, powerhouse of a bitch who maintains shape and femininity throughout , Head is well turned with good depth of muzzle and from the front, she has a well placed deeply set dark eye, perky ears right up on top of her head and good length of foreface , with a scissors bite , Beautiful reach of neck into a deep forechest and proper shoulder placement. Her rear is well bent with decent second thigh and good tail set> She moved well coming and a little close going away , Easily went to the top in this competition , Wish I knew what her name meant??

Musek and Llamas' The One and Only Lil Lady Godiva(GCH the one and only Golden Boy x Ch Buldazzled Leave it to me) Petite dark brindle with little white on her attractive head, good profile and wicked expression but could use a little more strength in her muzzle. She is terrier type with pretty lines, shape and good tailset, not the maturity and power of the winners bitch today ,

Select bitch was a solid BRINDLE petite girl ,with pretty head piece and a scissors bite, really well made she adored her handler

Winners dog white, bow, bos to bob

Counoyer and Wright's **GLENTOM FOOL'S GOOD FORTUNE**

.( Glentom's Fool's Fortune ex Moonflower White Sheba)

Beautiful egg shape of a head with most varminty of eyes on this medium sized , round boned white puppy ,He has a packed up head with a scissors bite , His refuses to use his left ear today and perhaps that could use better placement, although the right was fine, His body is strong and fit and he has good reach of neck but needs just a little more layback in the shoulder ,His round bone goes into commendable cat feet, He has a beautifully angulated rear with good second thigh He is free moving and jaunty in his gait and he certainly has his seconds of brilliance in movement, I was still hoping to have a team for Holland this year as he would have been high on my list to suggest for under 2 dogs , He is still very much of a puppy in his behavior and did not give his handler an easy time , I have liked him from the first time I have seen him from ringside and he keeps getting better and better. One to keep your eye on ,

Saldivars and Holson' **TEXICAN I'M YOUR HUCKLEBERRY** (Ch. Crambully Newton's Law East of Pecos ex Crambully Once Upon a Time Zelena)

Upstanding white very immature puppy dramatic well turned and packed head with great roman finish and small varminty eyes. Mouth fault , Unfortunate ear placement back on his head detracts from the total package for me, He has good bone for his size but lack of maturity and body volume highlights his shoulder and lack of forechest. He is short backed and his topline has proper rise over the loin. From the front he has good bone, loose elbows at this time and he moves accordingly like a puppy and very loose all around,

Whites

Winners bitch

Pichilli's ENERAGON BRIGHT STAR (Ch. Javarke Argent at Eneragon ex Heirate Mich de Bulle del Secarral)

Extreme type will describe this compact powerful bitch She has a lovely feminine headpiece, , both turned and filled with good expression and small eye. Her ear placement could be closer together to complete the picture. Mouth correct but for one in standing canine. Strong neck into moderately laid shoulder with plenty of depth of forechest when viewed from the front. Her back is short and rear is well bent and looks good standing still although on the move she has an egg beater type movement, I later learned that she had a broken leg as a puppy and this kept her from going higher up on the day. With that said, she extremely virtuous and should be able to produce compact beautifully headed and type puppies someday , a medium sized type I truly appreciate .

Reserve winners bitch

This petite ultra compact white puppy with black ears dramatically turned headpiece with exquisite eye and perfect bite pushed the more mature bitch hard for winners bitch. Her earset detracted from the total presentation for me on this day , She has lovely bodylines with a clean shoulder but a soft topline on the move and she is a little high in the rear at the moment, I expect that will adjust itself in the next few months as she matures, She has all the sweeps and curves one would want in a quality package, I expect she will go to top honors in the future.

Bov . bob

Avery's CH. TREDECIM ELOQUENCE OF BENZAITEN (Megaville's Forget the Cost ex GCh. Tredecim's Platinum Amaterasu)

Shapely large bodied bitch with a very pretty headpiece , and lovely overall outline, snowy white carrying brindle . She is one of those that possesses the ring when she shows, Her head has a sweeping profile with proper eye placement although TODAY her head appears is a little small for her body as she is carrying a tad too much weight, possibly from a false pregnancy. As we all know, hormones and bitches makes the showing often challenging, She has wonderful round bone all the way down to her feet, I could watch her move correctly all day long and this took her all the way to BOB with no challengers along the way . a pleasure to judge ,

#### SELECT BITCH

Avery's CH. TREDICEM KONOHANASAKUYA (GCh. Megaville's Reckless ex GCh. Tredicem's Platinum Amaterasu.)- another beauty who could beat her half sister on another day , she even has more bone and substance than her sister but not quite as much fill under the eye, She is equally as sound and a wonderful bitch, although treading on too large for me, in a bitch .,

Judge: Mrs. Gayle Denman

I was delighted to judge over the Santa Barbara weekend. What a beautiful show with wonderful special events and hospitality! It was truly nice to see everyone again.

This past year has been full of challenges, cancelled and/or postponed shows, judges unable to travel and additional safety measures placed upon the host kennel clubs. I know that the BTCA judges' selection committee has been challenged during this past year. As we venture back to our beloved ROM shows, please follow the CDC guidelines while using your own common sense to stay safe!

WB #14. Clayton. SORABULLY'S YOU HAD ME AT KONNICHIIWA (Polanca Powerslave – SoraBully's Runs Her Own Race). This is a brindle and white bitch of medium size. Solid headpiece, good fill under the eye and finishes off nice in profile. Carried herself well around the ring. Could have been slightly shorter in body length. Carried her tail too high in movement.

BOS #10. Murphy. BALLY'S JEZEBEL OF THE BALL NTK ( GCHS CH Soquel Millenium Seafarer – Ch Debully's Snow Angle). Stylish standing with a good headpiece. Good expression. Moved well around the ring. Backline not as solid when moving, but levels out when standing.

WHITE

WD & BOW #11. Murphy. BALLY'S SQUIGGY WHEEL GET THE GREASE (Ghosts'N Goblins Bold As Brass – GCH Bally's Got A Foot In The Dora). Bully type dog with plenty of head. Mouth could have been better. Move well and carried his top line. Well boned.

WB & BOS #10. Conza & Remer. BANBURY BEDROCK BE IN DA PINK (Satyricon's Gold Digger – Banbury Bedrock Bang Bang Baby NAP OJP). Heavier white bitch with a bit of length to her body. Headpiece was solid. Moved well around the ring and carried her top line. Good angles in the rear.

RWB #12. Prater-Piles. FORMULAS HEART HAS CHOISEN (GCHS CH Grabo Testarossa For Drama – CH Formula Cosmic Connection To Action). This bitch has a better down face and finish than the winner, but need more fill under the eyes. Nice balance to the body with appropriate bone. Moved well in profile.

BOV #9. Whitmer, Whitmer, Whitmer & Prater-Piles. GCH CH FORMULAS ROMAN GLADIATOR AT BRILLIANT (GCH Action Devils Apprentice By Formula – GCH Actions Formula For A Queen CGC). Lovely/cobby balanced dog with a crashing down face and a correct bite. Nice expression with good ear placement. He was a little naughty at times moving, but when he settled down he moved well and carried his top line. Good angles in the rear. Later that day I gave him a Group #2 in a strong Terrier Group.

JUDGE: PHIL BRODEUR

Knickerbocker is back! Nice venue, quality entry, good karma and great weather made for a delightful day. Thanks to all exhibitors...it was a pleasure. One comment: focus on varminty, it is vital.

COLORED:

WD, BOS-Brown and Hawkins' Delicious Built For the Road Ahead (GCH Delicious Shape of You ex Dolore Vom Welpersberg at Megaville) A big brindle and white guy. He has a wide head with good depth, could use more fill and finish. Good mouth. Kind eye. Nice strong neck leading to a good front and shoulder. Good bone. Long in back. Would like more let down in rear. Moved better in front.

WB, BOW- Lindquist and Glaser's Madcap Tillaboo Joy's Advocate (Emred Devil's Advocate ex GCH Madcap Jump For Joy TKI) A brindle and white with nice lines. She has a nice head with length and turn, more fill under the eyes would complete it. Nice length of neck leading to pleasing silhouette. Good front and shoulder. Would like a tad shorter back. Moved well.

RWB- Searles' Khromeheart Corsaire From Provokacija (Ch. Corsaire Chromehoss O'Tearock ex Coxgal Is Mise Gaelige) A black brindle and white. She has a strong head that could use a bit more fill under the eyes, unfortunately exacerbated by her markings. Good finish. Good mouth. Nice expression. Could use a better front/shoulder. Good bone and spring of rib. A solid brood bitch type.

BOV- Sotille, Berez and Conca's GCH Action Shake, Rattle 'N Soul At Alaric (GCH Grabo Testarossa Formula For Drama ex GCH Action's Soul Power of Alaric TKN) An elegant and flashy brindle and white. She has a lovely egg shaped head with fill, length and turn. Mouth is off. Reasonable expression. Nice long, strong neck. Would like a bit more set-in of shoulder. Nice topline, although a tad long in back. Moves a bit out at elbow in front, better in rear. Wonderfully presented to her optimum advantage.

SELECT BITCH- Rumer's Ch. Electric Bull's Fantastic Fanatic (Emred Daredevil ex Fanatic Bulls Baywatch Babe) Another lovely brindle and white girl. She has a strong, powerful head with good turn and finish. Good mouth. Good expression. Good bone. A bit slack in topline as she wasn't presenting herself to her best. I really liked her and she gave the BOV a run for the money. A pleasure to have them.

WHITE:

WD, BOW, BOV- Greco's Ante Litteram Inemonef (Beckhamarianna ex Dulcis in Fundo Inemonef) A broth of a boy! He has a nicely turned head...could use a bit more width and fill. Good finish. Good expression. A bit upright in shoulder. Short back. Moved reasonably well when settled to the task. I appreciated his tpy and jaunty exuberance!

WB- Conza and Remer's Banbury Bedrock Be In Da Pink (Satyricon Gold Digger ex Banbury Bedrock Bang Bang Baby NAPOJP) Compact and typy! She has a good head with width, fill power and turn. Good expression. Good front and shoulder. Good bone. Perhaps a pound or two overweight, she does nothing to enhance her presentation, including on the move. That being said, she is typy and varminty and my cup of tea.

RWB- Piles' Formulas' Heart Has Chosen (GCH Grabo Testarossa Formula For Drama ex Ch. Formula Cosmic Connection to Action) An upstanding lass. She has a nice head with length and turn, more width and fill would complete it. Reasonable expression. Nice length of neck leading to nice silhouette. A tad more bone would be nice. Moved well.

BOS- Glazer and Lindquist's GCH Madcap Jump For Joy (Emred Devil's Spy ex GCH Madcap Jump the Broom) Square, typy and varminty. She has a strong, filled head with width and power. Mouth is wrong. Good expression. Good bone and substance. A real bull and terrier kind of girl.

## COLORED

Winners Dog, Best of Winners, Best of Variety, Best of Breed.

**DELICIOUS BUILT FOR THE ROAD** (Delicious Shape of You x Dolore Vom Welpersberg at Megaville) Brown & Hawkins. Brindle dog with good substance for size. Packed up head, good width of muzzle with good ear set and decent eye. Mouth good. Front on has a straight front with good bone. Good layback of shoulder and hold his topline on the go around. Adequate bend of stifle but a strong dog who moved well in both directions.

Winners Bitch

**MADCAP TILLABOO JOY'S ADVOCATE** (Emred Devil's Advocate x Madcap Jump For Joy) Lindquist & Glaser's. Brindle bitch with good silhouette. Front on has decent width of muzzle and good length to her head. Decent ear set and eye placement. Mouth OK. Straight front. Front and rear angles are good. Would prefer a little shorter coupled. Moves well in both directions.

Best of Opposite Sex, Best of Opposite Sex To Breed

**ELECTRIC BULL'S FANTASTIC FANATIC** (Emred Daredevil ex Fanatic Bulls Baywatch Babe) Rumer. Brindle girl with fully packed head with great length and fill. Good ear set, eyes and perfect bite. She is still feminine with power. Good round bone, straight front, and nice width of forechest. Good angles at both ends and moves well in both directions. To be hypercritical, I would like a shorter coupled loin but this girl is a top contender.

## WHITE

Winners Dog, Best of Winners, Best of Opposite Sex

**ACCLAIM'S FORMULA FOR A TRU-HEART** (Formula Power Up For Action x Acclaim's Rose Of Sharon) Knauss & Snider. Powerful white dog with a strong head, good expression. Front on, this dog has beautiful straight front with powerful round bone. Good rear strength and bend of stifle. Exceptional movement coming and going. On the go round, he loses his topline.

Winners Bitch

**FORMULA'S HEART HAS CHOSEN** (Grabo Testarossa Formula For Drama x Formula Cosmic Connection to Action) Prater-Piles. Stronger bitch with good bone and substance for type. Head is a nice egg shape with good fill and expression. Straight front, with good bone. Nice angles front and rear. She was a little puppy lose in her movement which hopefully will improve as she matures more.

Best of Variety

**MADCAP JUMP FOR JOY** (Emred Devil's Spy x Madcap Jump The Broom) Glazer & Lindquist. This girl has obviously been a mother and on looking up, it is the

Dam of the colored Winners Bitch. However, this bitch exudes type and couldn't be overlooked today. She is well made, with plenty substance without foregoing her femineity, and still carries herself well around the ring. A powerful packed up head, with great expression. Mouth is off but her excellent type carried her to BOV.

#### **Peggy Beisel-McIlwaine**

It was an honor to judge the specialty in Greeley. Thank you to Diane Davis and all the members for their hard work. Also, thank you to the Evergreen KC and the Rocky Mountain Terrier Club for their assistance. It's a great club and I am so happy that it will be able to move forward with future shows.

This was my fourth and final ROM assignment for this year. I think by now many exhibitors have figured out my priorities. It goes without saying that our breed is a head breed, but it shouldn't be at the neglect of all else. While I want that unique egg shaped head, properly placed small triangular eye, I also want cat feet, good level topline with very little rise, short back, proper tail set and carriage and a correct jaunty gait. Good fronts are a problem in almost every breed I judge and they are the most difficult to get. So much goes into breeding a good front. Bull Terriers should not move with a big open side gait like an Australian Shepherd. We should want a straight column of support coming at us, no out at the elbows, no extreme wideness or swinging. Bullies, as with most terriers are parallel trackers. Bull terriers move wider in front than they do in the rear, yet we don't want them close behind or overly wide in front. There is no perfect dog and judging is about, or should be about selecting the best example, as spelled out in our standard, that would benefit a breeding program. We can only judge what comes into our ring and we often have to compromise on traits we wouldn't in assessing our own litters.

There is so much to like about this feminine sized brindle bitch. Ideal head properties, with perfect bite. Good front movement with a straight column of support as she comes toward me. One of the better fronts I have seen in the breed. Her topline roaches a bit too much for my liking.

### **Select Dog**

Davis Diane and Norma and Gordon Smith **GCHS MAGOR GALACTIC AGENT** by Emred Huntsman out of Magor Moulin Rouge. I have always liked this dog. Solidly built with an egg shaped head with good length and strength throughout. Good bone and cat feet and solid topline. His age is showing as he moved a bit wide in front on this day and with a little too much lift in the front.

### **Select Bitch**

Shelley-Avery, Trudy and Stehen M Avery **CH TREDECIM ELOQUENCE OF BENZAITEN** by GCH Ch Megaville Forget the Cost out of GCH CH Tredecim's Platinum Amaterasu. A very close contest between this bitch and my BOS bitch. She too was carrying a bit too much weight which affected the flow of her neck into her back. Excellent head properties like her half sister. These two bitches could easily exchange places as they are both quality.

Thank you to the Mile High Bull Terrier Club for asking me to judge at their show. I was very pleased to see exhibitors from a number of other states supporting the weekend with a good number of entries. This weekend should be on everyone's calendar. A spacious show building and plenty of grooming space for all exhibitors. Unfortunately, due to a scheduling conflict Owner Handled Groups were scheduled to start in the same ring partway through the Bull Terrier judging. I asked the exhibitors to please wait until I had finished judging and I would do critiques then. Any missing critiques are due to the exhibitor not staying. Overall front construction and dentition need improvement.

Thank you to MHBTC for the lovely Rikyu tea kettle and assorted teas as a judge's gift.

Good proportions and nicely balanced. Nice length of neck into a short, strong topline. Straight front and well angulated rear. When he settled, he moved well.

### **Winners Bitch, Best of Winners and Best of Opposite Sex**

Marquez' **KIDNAPPINGOFPERSEPHONE** (Tequila Shot Krypton ex Ab Hella) Lovely youngster with all the sweeps and curves one would want in a bitch. Her head is well filled and turned, with nice length of foreface and neat ears. Good length of neck into a short back with good topline. Decent shoulder layback and rear angulation, she moves as made. Bone adequate for size. She needs some time to mature, but is a lovely feminine package.

### **Reserve Winners Bitch**

Pichilli's **ENERGON BRIGHT STAR** (CH Javarke Argent at Energon ex Heirate Mich De Bulls Del Secarral) A good sized white bitch. Lovely head with good fill and plenty of turn. Strong neck into a somewhat flat topline. Good bone for a bitch of this size and style. Lots of ribspring and substance. Nice front but her rear movement let her down.

### **Best of Variety**

Croucher's **GCHB GRABO ACIE HOLIDAY MOON** (GCHS Grabo Testarossa Formula for Drama ex GCHB Whistlestop N Bestuvall Paper Moon) A dog who has been critiqued many times before. He is a heavyweight with a large head and imposing ring presence. Nicely filled and turned head, short, strong neck into a moderate length of topline with correct roach and finish. Good strong bone all the way to tight feet with strongly arched toes. A ton of ribspring and body volume. Moved well both ways, if a bit close behind. A worthy winner.

### **Select Bitch**

Mullen and Wright's **GCH GLENTOM CREME BRULEE** (CH Tawnbarr Star Chaser ex Glentom Cafe Creme) Lovely, feminine white bitch. Head is beautifully turned and filled, with good reach of neck into a somewhat longish topline. Nice straight front and well-turned rear. Moved well in front and a bit closely behind.

### **WD/BOW**

Bavol and Madrazo's **Old England's Armani's Edwardian** (Gorbain Hellboy x GCh Old England's Wildflower)

A very solid Brindle and white dog who pushed very hard for BOV. Soundly made dog with a wide and filled head and good ear placement. Long neck into a decent shoulder. Wonderful bone and true cat feet. Moved well both ways and was shown in wonderful condition.

### **RWD**

Rios & Wright's **Glentom King of Hearts at Arawak** (Zappy Zack Timar x GCH Glentom's Queen of Hearts)

A young puppy who's maturity was no match for WD. But this Brindle guy shows all the signs of being a real contender when mature. Beautiful, sweeping profile from the side. Ears a tad wide. A compact body type with a level topline standing and moving. Shoulder is adequate. Movement is this youngster's forte and was excellent coming and going.

### **WB/BOS**

Landry and Bavol's **Old England Royal Victory** (Gorbain Hellboy x GCh. Old England's Wildflower)

Black brindle litter sister to WD and a possessor of many of the same characteristics. Stunning but feminine head with fill and turn. Shoulder better than her brother and wonderful bone for a lady. Moved well coming and going but was not into showing herself all the time. She easily stood out when she turned it on though.

### **RWB**

Bankus, Jones, Emmett and Elledge's **Aragon Hot Gossip of Imperial** (GCh Yoeckydoo's Kissproof x Brookbully Quicksilver)

A lovely brindle that is my cup of tea. Gorgeous profile and ideal eye placement. Bite just off, long and arched neck in to a good shoulder. Proportioned back and an ideal topline. Good movement both ways, maybe a bit close in the rear. I would like a bit more rear angulation but when she matures and adds a bit of weight she won't be missed.

## **BOV**

McConnell and Baval's **Old England's First Gentleman** (Aricon Eyecon x GCH Old England's Voodoo Child)

Manly brindle and white who stands out straight away. His head gets him noticed. His balance and quality best describe him. Head well filled with a smooth curving profile. Very good body shape. Elbows well tucked, moved well both ways. His gait keeps your attention as he covers ground with extension and drive.

**White**

**BOV/BOB**

Croucher's **Grabo Acie Holiday Moon** (GChB Grabo Testarossa Formula For Drama x GChB Whistlestop N Bestuvall Paper Moon)

As the dog has matured he has only become more cemented as one of the best dogs out there. I have judged him numerous times and found him to be of tremendous virtue. The same head, bone and overall movement. His few faults, rear angulation and shoulder are minor, compared to most. He is confident and charismatic. He was the best one on the grounds today.

**BOS/BOS to BOB**

Mullen and Wright's **Ch Glentom Crème Brulee (Tawnbarr Starchaser x Glentom Café Crème)**

A very typey white girl with earmarks. Terrific expression. A lovely head surrounding those eyes with an ideal profile. Nice bone held up by cat feet. She is a nice, easy mover though her topline is not level on the move. Very pretty overall and she was on in the ring today which only makes her stand out more.

**WB**

Stafford and Poole's **Hawthorn Leamlara At Rocky Top** (Teirwgwyn Son of A Gun At Meilow x GCh Hawthorn Earrack Ardaigh)

A simply phenomenal head with width, depth and expression. Powerful muzzle. Her bite is off. Solid front with a lovely fore chest. She is powerful in her movement coming though a bit close going. Would wish for a lower tail set.

**RWB**

Bankus, Jones and Glaska's **Aragon Opportunity Knocks With Imperial** (GCh Yoeckydoo's Kissproof x Brookbully Quicksilver)

A delightful bitch with quality from the tip of her nose to the tip of her tail. Well filled and turned head and long flowing neck into a well laid shoulder. Would like a bit less brow over her eyes to smooth out her shape from the side. Lovely expression. Her topline over her loin cost her though movement both ways is pleasant.

##### **Winners Dog and Best of Opposite Sex**

Rios & Wright, **GLENTOM KING OF HEARTS AT ARAWAK** (Zappy Zack Timar ex Glentom's Queen Of Hearts) Well marked red and white youngster who was an enthusiastic showman. His head is filled and nicely turned with good length of foreface. Straight front. Correct lay of shoulder but needs more return of upper arm - this may improve with maturity. Short back and good tail set. Would like a little more bend of stifle but moved well. Time is on his side.

##### **Reserve Winners Dog**

Hernandes, **White Magig Toruk** (CH Javarke Argent at Energon ex Imortal Spirits Terra Vibe) Masculine brindle and white dog. He has a strong, filled head needing better ear/eye set. Straight front with good bone. Good topline. Not enough bend of stifle.

Bankus & Jones & Emmett & Elledge **ARAGON'S HOT GOSSIP OF IMPERIAL** (GCH CH Yoeckydoes Kissproof ex Brookbully Quicksilver) Shapely brindle and white bitch with a head that is turned and filled down through the muzzle. Her ears are set on the top of her head and she has a correct shape and set of her eye. Incorrect bite. Straight front with very good bone and nice feet. Strong neck into correct forehand assembly. Nice forechest, topline and underline. Good rear angles and moved accordingly. Would have liked more weight on the day but she won with her combination of breed type and overall balance.

##### **Reserve Winners Bitch**

Rios & Wright **GLENTOM DOWN THE RABBIT HOLE WITH ARAWAK** (Daedalus of Lealaps ex Glentom Victoria Through The Looking Glass) Substantial brindle and white bitch who enjoyed her time in the ring. She has a lovely profile but not the fill to her head of my winner. Good bone. Would like more length of leg. Strong topline that she held on the move. She has both power and strength in her rear and moved accordingly.

#### **WHITE**

##### **Winners Bitch, Best of Winners & Best of Variety**

Bankus & Jones & Galaska, **ARAGON OPPORTUNITY KNOCKS WITH IMPERIAL** (GCH CH Yoeckydoes Kissproof ex Brookbully Quicksilver) Eye catching all white bitch who is both feminine and powerful. A truly beautiful head in all aspects - turn, finish, fill and expression. Correct bite. Straight front with good bone through her pasterns and into nice cat feet. To be hyper critical she could have a slightly better lay of shoulder. Slight rise over her loin, tail well set, good rear angles. She moved well and didn't put a foot wrong, completely at one with her handler.

##### **Reserve Winners Bitch**

Stafford & Poole, **HAWTHORN LEAMLARA** (Teirwgwyn Son Of A Gun at Meilow ex GCH Hawthorn Earrach Ardaigh) Compact powerhouse of a bitch. Fat head that is both turned and filled. Incorrect bite. Nice make and shape to her. She made her handler work for it!

**Judge: Theresa Spurr**

It was nonetheless an honor to judge for my home club today. Our entry was not as robust as we are accustomed, but we hope to recover next year when conflicts with other events are lessened. It was another beautiful autumn Saturday in Carleton, Michigan. If you haven't had the opportunity to exhibit at this private venue, please consider it going forward. The weather often cooperates, and the hospitality is wonderful. In spite of the smaller entry, I had plenty of lovely animals to choose from. Thank you to all exhibitors for bringing their dogs to me today.

**COLORED**

**Winners Bitch**

Campos Sanchez' **ARNOLDS'S RONDA QUEEN OF THE RING HP** (CH Arnold's & Some Okies Sent From Heaven ex Arnold's Angel Eyes II) Substantial bull type red and white bitch with a long head and gentle profile. He has a long arching neck leading to well laid back shoulders, a great topline and a strong rear. While I was able to evaluate his movement, and it is good, he was difficult for his handler today.

### **BOV**

Sodomsky and Prater-Piles **GCh Malajo's Formula for a Drama Devil** (GCh Action Devils Apprentice by Formula X GCh Actions Formula For a Queen

A stunning red and white at ideal size and weight. Beautiful turn on his head with nice width and gill under his eye. Ears nicely spaced. Ideal length of neck in to a very clean shoulder. Correct topline with his only visible fault, a tail which needs to be lower. Lovely, jaunty movement coming just a touch close going but on the go around his expression where he was watching me watching him was terrific. Though he had no competition it would be hard to imagine he would lose to many if any on this day.

### **White**

#### **BOV/BOW/WD**

**Grecco's Ante Litteram Inemonef** (Beckhamarianna X Dulcis In Fundo Inemonef)

An extremely virtuous white with red ears. Turned and filled head with correct mouth. Keen tiny eye with loads of fill under it. Long strong neck with adequate fore chest. Shoulder may be a few degrees from ideal but it did not affect his movement. Terrific bone and tight feet. Would like a little more rear angulation. Handler got the most out of him in a dual between himself and Select dog. A really handsome dog.

### **No RWD**

### **WB**

Strahley and Sniders **Acclaim's Formula For A Tru-Hearted Dame.** (GCH Formula Power Up For Action x GCh Acclaim's Rose of Sharon)

## **RWB**

Soundly made puppy with a head nicely turned, good expression. Good strong body, movement a bit choppy

## **BOS**

Parker's **GCh Ch Nuance Next Big Thing CGC RATN** (Ch Megaville Signing off x GCh Ch Nuance Naughty or Nice)

Typey white girl with a small eye patch. Lovely profile with fill and width. Ears ideal, long neck with correct shoulder and short back. Tons of bone for her size. She moves well coming though close behind going away. She won her spot on her overall balance.

## **SD**

Knauss and Snider's **Ch Acclaim's Formula For A Tru-Heart** (GCh Formula Power Up For Action x GCh Acclaim's Rose of Sharon)

A true heavy weight white. Massive head with a well place tiny eye. He has a mouth fault, width depth and tremendous fill under those eyes. Lovely for chest and tremendous bone. Above average feet. Good spring of rib. His topline is good standing but gives way on the move which cost him the BOV placement that he pushed very hard for.

**Judge: Scott A. Ibbitson**

My favorite time of year to exhibit Bull Terriers is October. In the Northeast, no other weekend brings so many of us together like Hatboro, Devon and Montgomery - other than Silverwood. It is really great to have the Central New Jersey Bull Terrier Club and Bull Terrier Club of Philadelphia members working together to make this weekend a success. I would like to personally thank the members of the CNJBTC for inviting me to judge at Hatboro Dog Club. I appreciate that you took the time to show your dogs to me, I really did enjoy the assignment. Thank you again and congratulations on a successful show.

**Winners Dog and Best of Opposite Sex**

Dockter and Gray's **THUNDERALLY'S RISKY BUSINESS** (Thunderally's Dapper Dan ex Thunderally's tGal) A strong brindle and white with a pleasingly turned head, nice expression and decent fill under the eye. Would like to see the ears placed a little higher. Strong underjaw with a perfect bite. Good bone and lots of substance with this dog. His neckline needs to be a tad longer to balance him out versus his length of back. His movement is a little bullish in front coming towards, going away he is parallel with plenty of drive.

**Winners Bitch, Best of Winners and Best of Variety**

Lindquist's **MADCAP TILABOO JOY'S ADVOCATE** (Emred Devil's Advocate ex GCH Madcap's Jump for Joy)

A feminine brindle and white bitch with a nicely turned head, good earset and great expression, Good length of foreface and nice fill under the eye. Mouth is correct. Super length of neck into a strong shoulder and topline. Gun-barrel front with lots of spring of rib. Enough bone for her size. Shows like a bomb and moves with a jaunty air, never turning off. Coming towards, elbows are well tucked and she moves truly, going away she is a little close but drives with authority. She was pushed hard by the Select Bitch and AOM bitch.

**Reserve Winners Bitch**

Clayton's **SORABULLY'S YOU HAD ME AT KONNICHIIWA** (Polanca Powerslave ex SoraBully's Runs Her Own Race) Brindle and white bitch with a nicely turned head with good fill under the eye. Her expression is not as piercing as the winner. Incisors are correct with one instanding canine. I would like a little more length of neck to balance her vs. length of back. Good bone for her size with plenty of ribspring. Moves squarely both coming and going. Quality bitch, unfortunate to run into the winner today.

**Select Bitch**

Sottile's **GCH ACTION'S SHAKE RATTLE 'N SOUL TKN** (GCHB Grabo Testarosso Formula For Drama ex GCH Action's Soul Power for Alaric) Brindle and white bitch with a nicely turned head and good expression. Good fill under the eye and okay length of foreface. Canines are correct, the incisors are off. Strong thick neckline into an upright shoulder and longer cast topline, so she is not as compact as my winner. Good bone for her size. On the move she was square and true coming and going. Great bitch who was just edged out from the top placement.

### **Award of Merit**

Rumer's **CH ELECTRIC BULL'S FANTASTIC FANATIC CGCA TKI** (Emred Daredevil ex Fanatic Bull's Baywatch Babe) A brindle and white bitch with a nicely turned head with a good eye. Did not use her ears wisely throwing off her expression. Good fill under the eye. Absolutely perfect mouth with straight incisors and correct canines. Strong thick neck which could have more reach. Good topline and short back. Good bone for size with plenty of ribspring. Moves well both coming and going. A great bitch who also was just edged out by the winner.

### **WHITE**

#### **Winners Dog and Best of Winners**

Lindquist's **PATTERNED HEAD BULL BOOT** (CH Madcap Jump The Pond ex Yuri Bull Boot) A white masculine dog with red ear markings. Well turned head with good fill under the eye and good length of foreface. Wicked expression and good earset. Incisors are correct, one tight canine. A dog well up on his pasterns and possessing very good bone for his size. An upstanding dog with a good front, length of neck, strong shoulder and topline. Would like him a little shorter backed. Moves well both coming and going. Showed well on the day.

#### **Reserve Winners Dog**

Murphy's **BALLY'S SQUIGGY WHEEL GETS THE GREASE** (CH Ghosts'n Goblins Bold As Brass ex GCH Bally's Got A Foot In The Dora) An all white dog with deepset eyes and a very broad top skull. Good expression and fill under the eye, just not as extreme as the winner. Strong underjaw and a good mouth. Strong thick neck with good reach into the shoulder. Nice short back. This dog has super bone and substance but not to the point of coarseness. Good movement in front coming towards, strong hind quarters but did not drive as well going away.

#### **Winners Bitch**

Martin and Trosch's **BULPIN BODINA SUMMER BREEZE** (CH Formula Power Up for Action ex CH Soquel Milleium Ziva Bulpin Bodina) White bitch with a dark brindle ear and head markings. Well-placed, smallest triangular deepset eyes that can pierce steel from any distance. Super fill under the eye with a strong underjaw and a perfect bite.

Gently turned head that is not overdone. Nothing from the bitch class possessed more head quality, type or expression than this girl today. Let's get this out of the way now, she was a little bloated in the belly, which affected her topline. Hopfully someone will monitor her at the buffet line overnight. Good bone for her size with the elbows well tucked. Good reach of neck into an okay shoulder and a relatively short back. Moves well both coming and going. Pushed hard by the reserve winner.

#### **Reserve Winners Bitch**

Weekley and Racey's **BELRAE LOVE ME TENDER** (Gorbain Gunning For Trouble at Luapener ex Jocko's Miconia Queen Jonlyn) All white bitch with a well turned head. Good eye placement and nice length of foreface. Good expression and a perfect bite. She does not have the piercing expression or fill under the eye when compared to my winner, which was the deciding factor for not moving her forward. Good reach of neck into a solid shoulder and topline. Would like a shorter back. She is in top condition and has enough bone for her size. Moved well coming towards not as much drive from behind.

#### **Best of Variety**

Racey's **CH TAWNBARR DEVILS EYE FROM GORBAIN** (Emred Devils Spy ex Gorbain Ice Maiden Tawnbarr)

White dog with brindle head/ear markings. Super turned head that is not over-cooked, most of the turn is between the ears to the eyes. Properly placed small triangular eyes that are deepset into the head. Good fill under the eye. Lots of length of foreface with good Roman finish. Incisors are just off enough to get a thumbnail between. A well balanced dog that excels in make and shape. Super reach of neck into a well laid shoulder and the shortest of backs. Plenty of bone for his size with good spring of rib and elbows properly tucked. On the move he glides without effort across the ring with plenty of reach in front and well-angled hind quarters giving him plenty of drive going away.

### **Best of Opposite Sex**

Remer and Mackay-Smith's **CH BANBURY BEDROCK BIT OF GOLD CGC TKI** (Satyricon Gold Digger ex Banbury Bedrock Bang Bang Baby NAP OJP) White bitch with a beautifully turned sweeping head. Good expression and good length of foreface with enough fill under the eye. Mouth is just off. Decent lay of shoulder, I would like to see a little more reach of neck. Enough bone for her size. Elbows are right up against ribcage; very well developed second thigh. Moves cleanly coming towards, she drives well going away. Expertly shown.

### **Select Dog**

Bettancourt's **CH JOCKO'S THE MUZZLELOADER AT DURHAM** (CH Jocko's The Gunslinger at Jackannette ex CH Jocko's Ice Eyes) Power! Power! Power! A white dog with tri-color head markings, a well-turned head with a broad top skull. Good eye placement with eyes deeply set into the skull. Plenty of foreface and lots of bone under the eye.

Mouth is correct. A strong thick neck into a solid broad shoulder that is upright. A little more length of neck and shorter back would give him a more balanced look. Plenty of good round bone and substance that is rarely seen in our males in this era. With all the excessive virtues in bone and substance I found him to be a little coarse and bullish in front when coming towards but with lots of drive going away. There is a lot of dog in this package.

### **Select Bitch**

Glaser and Lindquist's **CH MADCAP JUMP FOR JOY TKI** (Emred Devils Spy ex GCH Madcap Jump The Broom)

A white bitch with ears right on top. Super turned head with small triangular eyes and plenty of fill under the eye.

I would like more length for foreface, mouth is incorrect. A powerhouse of a bitch with a strong thick neck with proper length blending into a good shoulder. Nice short back. A little light in bone but with plenty of rib spring and body volume. A little untidy underneath from a previous litter. Moved well both coming and going, very happy to be in the ring today.

Dockter and Gray's **THUNDERALLY'S RISKY BUSINESS** (CH Thunderally's Dapper Dan ex Thunderally's Redneck Gal) A brindle and white dog of good size. Nice long head with good turn and enough fill, very good eye placement and expression. Moderate length of neck into a somewhat flat topline. Good round bone and lots of ripspring. A bit bullish in front, not unexpected for this style. Drove strongly on his well muscled rear.

### **Reserve Winners Dog**

Angel and Hernandez' **WHITE MAGIC TORUK** (CH Javarke Argent at Energon ex Imortal Spirits Terra Vibe) Another brindle and white dog. Big masculine head, enough turn and adequate fill. Nice bone. Muscular neck into somewhat long topline. Straight front. Would like more rear angulation and conditioning, which ultimately lost him the win.

### **Winners Bitch and Best of Winners**

Lindquist and Glaser's **MADCAP TILABOO JOY'S ADVOCATE** (Emred Devil's Advocate ex GCH Madcap Jump For Joy TKI) Upstanding brindle and white. Lovely long sweeping profile with good fill and nicely placed, dark eyes. Neat ears. Nice length of neck into a strong, well muscled topline. Good lay of shoulder and shapely topline. Very deep chest and terrific ripspring. Enough bone for her size and style. Gun barrel front and well turned rear. Front movement true, rear a bit close, but she drives well. The consummate show girl.

### **Reserve Winners Bitch**

Clayton's **SORABULLY'S YOU HAD ME AT KONNICHIWA** (Polanka Power Slave ex Sorabully's Runs Her Own Race) Another lovely brindle and white. Moderate is the key phrase here. Head has good turn and fill with nice expression and that impish gleam in her eye that draws us to the breed. Balanced length of neck into a well muscled topline. Nice bone for size. Straight front and nice rear angulation. Moved well in front, a bit closely behind.

### **Best of Variety**

Rumer's **CH ELECTRIC BULL'S FANTASTIC FANATIC CGCA TKI** (Emred Daredevil ex Fanatic Bull's Baywatch Babe) A total package. This bitch is the maximum BT in the available space. Head is long and strong with decent fill, good turn and great depth of underjaw. Picture perfect mouth. Lovely dark eyes placed well in the head. Neat ears. Strongly muscled neck into a shapely topline with the right amount of rise over the loin and a nice low set-on of her tail. Good round bone. Ramrod front and well angulated rear. Moves well all ways of the ring. A true bull-and-terrier style and a worthy winner.

### **Select Bitch**

Ayala and Berez' **GCH ACTION COSMIC KISS** (GCH Action Cosmic Cowboy CGC ex CH Kingsfarm's Going for Action) Mature red and white bitch. Lovely, sweeping profile with decent fill. Nice earset and eye placement. Long neck into a level topline. Enough bone for size and type. Lovely straight front, moves closely behind.

## **WHITE**

### **Winners Dog and Best of Winners**

Lindquist's **PATTERNED HEAD BULL BOOT** (CH Madcap Jump The Pond ex Zuri Bull Boot) Good sized white dog with red ears. Broad muzzle, well filled with a flattish mid-profile but good finish. Evil expression. Nice lay of shoulder and good rear angulation. Would like a bit shorter back. Heavy round bone and decent feet. Moves well in front for such a heavy dog. Rear a bit close, but he drives strongly on well-muscled thighs.

### **Reserve Winners Dog**

Lauver, Cairns and Barnes' **ST GEORGE MR MAGIC MAN** (Serenbull Soul Anarchy ex Golitha Mustang Sally) Stylish white dog, on the small size, but a handsome boy. Lovely head with both good turn and fill, nice eyeset and ears up on top of his head. Good length of neck into a shapely topline. Enough bone for his modest size. Front movement clean, a bit close behind. Just not masculine enough in this company.

### **Winners Bitch**

Martin and Trosch's **BULPIN BODINA SUMMER DANCE** (CH Formula Power Up For Action ex CH Soquel Millenium Ziva Bulpin Bodina) A moderately sized bitch of good type. Head is turned and filled, piercing expression and small thin ears right up on top. Good length of neck into a short, strong topline. Good spring of rib and nice round bone. Moves squarely and of a piece. Fully mature, she stood out in a lovely Winners class.

### **Reserve Winners Bitch**

Lindquist and Krukenkamp's **MADCAP CONCRETE MOON** (Patterned Head Bull Boot ex GCHB Madcap Jump Over The Moon AXP OJP CGC TKI) A youngster, but a lovely one. Lovely head - long and turned with good fill under the eye. Good expression and earset. Nicely arched neck into a decent lay of shoulder. Shapely topline. Movement is a bit puppy loose, but correct both ways. A little long cast at this point in her development, but an extremely promising puppy. I look forward to seeing her in the future.

### **Best of Variety**

Racey's **CH TAWNBARR DEVILS EYE FROM GORBAIN** (Emred Devils Spy ex Gorbain Ice Maiden Tawnbarr) A well made and completely square dog of good type. Head is wide and filled with moderate turn, squinty little eyes and small thin ears, right up on top of his head. Long, muscular neck into a good lay of shoulder with the shortest of backs and correct rise over the loin. One of the few correct tailsets on the day. Good round bone down to tight cat feet. Movement was square and parallel both ways. His side gait is smooth and he fairly floats around the ring. A deserving BOV today.

### **Best of Opposite Sex**

Remer and Mackay-Smith's **BANBURY BEDROCK BIT OF GOLD CGC TKI** (Satyricon Gold Digger ex Banbury Bedrock Bang Bang Baby NAP OJP) Well proportioned white bitch. Head handles well, with good turn and moderate fill. Lovely eye shape and placement. Nice length of neck into a well laid shoulder, strongly muscled topline and correctly angulated rear. Well developed second thigh - not often seen. Moves as made with free easy strides. A bit thin on the day, keeping her from the top spot. Her correct construction carried her to this placement over a lovely class of white girls.

### **Select Dog**

Betancourt's **CH JOCKO'S THE MUZZLELOADER AT DURHAM** (Jocko's The Gunslinger at Jackannette ex CH Jocko's Ice Eyes) Big, heavy dog with massive bone.. Heavy head with fill and moderate turn. Thick, muscular neck into a fairly long back. Tremendous body volume. Where he is good, he excels. Movement somewhat lumbering, expected in such a heavyweight.

Well defined second thigh and strong hind quarters. Moved well both coming and going. Probably my toughest decision on the day between two powerhouse dogs competing for Best of Opposite Sex.

#### **Select Bitch**

Bankus, Jones and Galaska's **CH ARAGON OPPORTUNITY KNOCKS WITH IMPERIAL** (GCH Yoeckydoo's Kissproof ex Brookbully Quicksilver) All white girl who exudes femininity. Nicely turned head with super varminty expression and good fill under the eye. Super length of foreface and strong underjaw. Mouth is correct. A little more upstanding bitch as compared to my BOV, with nice reach of neck into a solid shoulder and topline. I would like a shorter back. Enough bone for her size. Moves squarely both ways.

Judge: John J Spurr

Thank you to the BTCA Board and the Judges Selection committee for selecting me to judge this year's Isis Vabo Trophy Show. Congratulations to the competitors invited to this event.

This Year's Isis Vabo

Extremely well-balanced white dog. He has a wide muzzle with a keen expression and small triangular ears set nicely upon his head. His profile is pleasing and his neck long. He has a well laidback shoulder, a short back, and a well angled rear. His top line is smooth ending in a good tail set. He moves well coming and going with a jauntiness becoming of a Bull Terrier. Congratulations to his people on an excellent Champion of the Isis Vabo Trophy.

Silverwood LII

October 30, 2021

Judge: Gordon Smith

I would like to thank the BTCA for the opportunity and the honor to judge Silverwood. It is the highlight of the year where the best of the best gather. It was anticipated with great excitement by all with so many shows cancelled over the past 2 years. It was such a pleasure judging so many quality dogs that were completely new to me. I thoroughly enjoyed the day and the company of my esteemed co-judges, David Alexander and Melanie Whitehair. We were in agreement on so many decisions it made for a very pleasant experience all round. My thanks to you both.

Thank you also to all the exhibitors. The dogs were fit and so well presented. It was a privilege and a pleasure to go over them all. There were lots of tough decisions. You made us work hard.

Sodomsky and Prater-Piles' **GCH CH Malajo's Formula For a Drama Devil** (GCH CH Action Devils Apprentice By Formula ROM – GCH CH Actions Formula For A Queen ROM) A lot to like about this compact typey Red and White. Well filled head with good profile. Excellent expression with wicked well set eye and ears. Bite correct. Nicely made with good front, deep well sprung rib, a short back and strong well let down quarters. Tail set higher than ideal. Moved parallel coming and going and maintained his topline well from the side. His head has good length and is pleasing to the eye in profile it does not maintain the same strength of muzzle as the winner's. **Reserve Colored Dog and Lovell Trophy Winner**

Chastain's **St George Premier Formula At Enigma** (GCH CH Action Devils Apprentice By Formula ROM – Formula Power For St George) Good strong brindle and white with excellent bone right through to good cat like feet. Well filled masculine head, short back, good front construction with deep well sprung rib and plenty of forechest. Nice neck leading smoothly into strong topline. A bit straight in stifle. Bite is slightly off. Moved well in front, a little less so behind.

Whitmer and O'Driscoll's **Hawthorn Dragon's Heart** (Emred Devils Spy – GCH CH Hawthorn Double Bock ROM) Really typey brindle and white youngster with a very strong head that maintains power right to the end. Deep strong underjaw. Good expression with keen dark well set eye and ears on top. Superb round bone carries right through to his feet. Adequate shoulder angles and pretty good spring of rib for a youngster. Tends to toe out when stacked. Powerful well developed quarters. Moved pretty well both ways. Would like a touch shorter back. Can only get better as he matures.

Hernandez's **White Magic Toruk** (CH Javarke Argent At Energon – Immortal Spirits Terra Vibe) My co-judge and I were in complete agreement on this brindle and white to move forward for the movement competition. Exceptional movement front, rear, and from the side. The true definition of jaunty air. Ultimately emerged as our **National Movement Award Winner**

### **Colored Bitch Finalists**

#### **My choices were:**

Davis' **Envoy Wait for It** (Megaville Reckless – Envoy Fortune Wookie) This one caught my eye moment she came in the ring. Very high class brindle and white that is the essence of type! Beautiful head that is well filled and completely turned but without exaggeration. Wicked eye, and good ear set. Incisors just a smidge off. Lovely neck flows smoothly into a correct topline. Very short back. Shapely body with deep well sprung rib. Bone enough for size. Nicely angled in both front and rear and moved very well, Well presented in excellent condition. She was my choice from this class to move forward for the movement trophy competition. **Best Colored Bitch, Raydium Brigadier Trophy** for Best of Opposite Sex to the Silverwood Winner **and Movement Finalist**

Perrott, Deever's and Migliore's **GCH CH Apprentice Gandy Dancer** (GCH CH Action Devils Apprentice By Formula ROM – GCH CH Apprentice Summer Lovin In Action) Another very nice quality brindle and white bitch. Lovely head that is strong, nicely filled and pleasing profile. Bite correct. She is substantial yet feminine with shapely body and good deep round well sprung rib. Nicely made with good front and rear angulation. Good neck flowing smoothly into her topline. Moved quite well, clean in front a little close going away. Expression not as good as the winner nor is she as short in back Two quality bitches. **Reserve Colored Bitch**

Thomas' **Grabo Moonlight Diva** (CH Rabram Rockstar – Grabo Bahama Moon) Shapely body on this attractive young brindle and white bitch. Her head is feminine with adequate fill and smooth unexaggerated profile. Good bite. Nice long neck leads smoothing into topline. Good angles at both ends, moved well in front, close behind.

Lindquist and Glaser's **Ch Madcap Tillaboo Joy's Advocate** (Emred Devil's Advocate – GCH Madcap Jump For Joy TKI) Well marked feminine brindle and white. Head has a pleasing profile with good fill. Nice length of neck flows well into her topline. Lovely front with good angles and nice visible forechest. Well let down behind. Deep and well sprung rib. Bone for size. Moved well in front, a little close behind. To be picky her topline is a touch flat and would prefer a slightly shorter back.

### **White Bitch Finalists**

Piles and Berez's **GRCH CH Actions Formula For A Drama Princess** (GCH Action Devils Apprentice By Formula ROM – Actions Formula For A Queen) I love this bitch's type. Outstanding head that is strong and packed full right to her muzzle with lovely profile. Super expression with wicked well set eye and neat ears. Mouth fault. Good shoulder, upper arm a tad short, forelegs dead straight right with good bone right through to cat feet. Moved well in front, adequate going away. My choice for **Best White Bitch**.

My co-judge chose Bankus, Jones' and Galaska's **Arragon Opportunity Knocks With Imperial** (GCH CH Yoeckydoo's Kissproof – Brookbully Quicksilver) for Best White Bitch with the Referee deciding in favour of Action Formula For A Queen as the winner, thereby awarding Arragon Opportunity Knocks With Imperial **Reserve White Bitch**

Schuurs' **CH Old Forge Goodness Gracious ROM** (Stardoms Demons Disciple – Old Forge Face To The Sun) As well as a finalist choice, this bitch was my choice to compete for the Movement trophy. A lovely head that is long, nicely filled and turned. Correct bite. Lovely neck leads well into her topline. She is nicely made with good angles at both ends. Bone for size. Slightly flat in topline. **Movement Finalist**

Ebey, Quigg and Thomas's **Grabo Chasing Starlight At Stonewall** (GR CHS Grabo Testarossa Formula For Drama ROM – Tawnbarr Starlight) Very well made bitch, considered strongly for movement choice. Very shapely, well developed body with good topline. Clean front with good bone for size. Slight mouth fault. Long well filled head with pleasing profile.

Remer and MacKay Smith's **Banbury Bedrock Beam Of Gold** (Satyricon Gold Digger – Banbury Bedrock Bang Bang Baby NAP, OJP, SIN, SEN, SBN) Another really typey bitch that was **my choice for Reserve White Bitch**. Super head that is completely filled up with a sweeping unbroken profile. Neat ears and well set dark eye offers really good expression. Very short back, deep well rounded rib. Bite level. A really top class bitch that she pushed very hard for Best Bitch, just didn't move quite as well as my winner.

### **Best of Opposite Variety Trophy**

Thomas and Thomas's **GCH Grabo Masterpiece By Formula** (BISS GCH CH Action Devils Apprentice By Formula ROM/PROM– MBISS GCH Actions Formula for A Queen ROM CGC) I did not get to judge the white dog class but was very pleased to have this exceptional dog in the final four lineup. Really substantial white carrying brindle with such a powerful head that is completely filled to the end with a wide deep muzzle and smooth well turned profile. Slight mouth fault. Tiny dark well set eye and ears. Exceptional round bone and good feet. Nicely angled at both ends and moved well in front, a little close and looser behind. Was definitely in the hunt during the finals. Many tough decisions to make with such high quality.

**Bull Terrier Club of America**  
**Silverwood LII**  
**30 October 2021**  
**Judge: David A. Alexander**

On the evidence of Silverwood LII, the breed is in a pretty good place. Strength in depth was the order of the day particularly in both bitch classes, where deserving dogs had to be overlooked in order to cut the number of finalists down to the required four. In general, heads were almost entirely of high quality, and there were not many issues with bites. There were very few with extreme downface, and none were selected for the major placements. I was pleased to see many with better rear angulation and muscling, the lack of which has been a problem for a number of years. Having said that, jauntiness of movement (which is principally affected by strong, correctly angled rears) was missing in all but a handful of the competitors, as was sufficient width in rear movement. Modern heads seem to be prevalent, i.e. those with more of a wedge shape than an ovoid, lacking also in length of muzzle. This was an area that contributed to a disagreement in the White Bitch final which led to a referee's decision, but with that exception we were mostly in accord with what we were seeing, and consequently had few differences to resolve with our placements. My thanks to both Gord and Melanie for their expertise and counsel; it was a pleasure to officiate with them.

## **WHITE DOGS**

#645 Grace & Bob Thomas's **GRABO MASTERPIECE BY FORMULA** (BISS GCH CH Action Devils Apprentice by Formula ROM/PROM – MBISS GCH CH Actions Formula For a Queen ROM CGC) Breeders: Krista Prater-Piles & Franne Berez

**Best White Dog.** Combines many breed virtues in a substantial, yet athletic package. Body of substance and pleasing curves, with good volume, bone, strong pasterns and tight feet. Pleasing curve over the loin and tail set on correctly. Well-constructed in front, confirmed on the move, but could have more rear angulation and more width to the rear movement. Lovely egg-shaped head with excellent fill, good eye, flat between the ears as desired and neat ears which could be carried more erect for perfection. Slight mouth fault (two incisors under).

#647 Stuart Cairns, Meghan Barnes, & Robert Lauver's **ST. GEORGE MR MAGIC MAN** (Serenbull Soul Anarchy – Golitha Mustang Sally) Breeders: Stuart Cairns & Meghan Barnes  
This dog demonstrates that, so long as you have the correct proportion and balance, you don't have to have great size to be a competitive bull terrier. Small in stature, but with proportionate bone, volume of chest, and substance, he was a worthy finalist. Strongly built rear, with excellent set and carriage of tail. Slightly flat over the loin. Neck and head of good length. Well-set slitty eye, and nicely set ears are pluses, but could do with more width in the muzzle. Very nice depth of head and good underjaw, but with a hint of brow. Correct bite. Front movement could be 'cleaner'.

#651 Connie Whitmer, Darrin & Yasmin Whitmer & Krista-Prater Piles' **GCH CH FORMULA'S ROMAN GLADIATOR AT BRILLIANT** (GCH CH Action Devils Apprentice By Formula ROM – GCH CH Action's Formula For A Queen) Breeders Krista Prater-Piles & Franne Berez

Dramatical headed dog in profile, with curvature bordering on the excessive. Has depth of muzzle and good underjaw but could have more fill. Keen eye, slight roundness at the top of the skull with ears set very slightly low, correct bite. This dog shows great type in outline with a strongly built body, proportionate bone, strong pasterns, and adequate strength in the rear. Tail correctly set on and carried. Front movement could be straighter suggesting shortness of upper arm.

#653 Cheri & David Croucher's **GCH CH GRABO ACIE HOLIDAY MOON** (GCH CH Grabo Testarossa Formula For Drama ROM – GCH CH Whistlestop N Bestuvall Paper Moon) Breeders Janet Cooley, Jan Dykema, & Grace Thomas

**Reserve White Dog.** Thumping specimen on the large side of the size scale. Excels in conformation (I put him forward as a movement finalist), moves cleanly at both ends, but lacks a bit of the jauntiness of the eventual (movement) winner. Very competitive for BWD, losing out in under eye fill and having a hint of a brow to mar the head in profile. Head has good length and depth, a keen eye and correct bite, with neat ears. Good bone, strong pasterns, good rear muscling and angulation, short hocks, but tail set on a little high.

## **COLORED BITCHES**

#604 Mary Jo & Rick Antle, & Jan Dykema's **GCH CH SIERRA VIEW BESTUVALL CROSS INTO COOL** (GCH CH Grabo Testarossa Formula For Drama ROM – Bestuvall Cross My Heart) Breeder: Mary Jo Antle

Terrier style brindle bitch with lots of appealing features. Head with dramatic curvature in profile, good depth, neat well-placed ears, slitty eye, and correct bite. Body well-muscled with good width and depth, and visible forechest. Her bone matched her proportions, her feet are neat, her pasterns are strong, and she has good rear angulation and a correct topline with the right amount of curvature over the loin. Tail correctly set on. So why didn't she win? On the downside, she is a little upright in shoulder, is a tad long in proportion, and her downface verges on the excessive. Moved quite well.

#612 Cindy Perrott, Barb Deevers, & Mary Kay Migliore's **GCH CH APPRENTICE'S GANDY DANCER** (GCH CH Action Devils Apprentice By Formula ROM- GCH CH Apprentice Summer Lovin In Action) Breeders: Cindy Perrott, Mary Kay Migliore)

**Reserve Colored Bitch.** I really liked this brindle bitch, particularly her proportion and balance, and excellent conformation. Strongly made with lots of substance, matching bone, neat feet and strong pasterns. Gun barrel front. Lovely topline. Head is long, pleasingly curved and well-filled with ears nicely erect, and a correct bite. On the downside, she could have more underjaw and a keener eye. My choice for movement finalist from this class.

#614 Victoris Sottile, Franne Berez, & Joseph Conca's **GCH CH ACTION SHAKE RATTLE N SOUL AT ALARIC TKN, ROM, GROM** (GCH CH Action Devils Apprentice By Formula ROM – GCH CH Action's Soul Power Of Alaric TKN) Breeders: Victoria Sottile, Franne Berez, , Joseph Conca)

Impressive brindle bitch in profile, although the tailset could be slightly lower. Lovely proportions, nice topline, and strong in the rear with just enough angulation. Good body depth and width but a bit loaded in shoulder with some slackness in pastern. Strong head with pleasing curve, having length and fill, correctly set ears but a slight underbite. Moved well but a little close behind.

#656 Jane Messineo-Lindquist, Mark Lindquist, & Annie Glaser's **CH MADCAP TILLABOO JOY'S ADVOCATE** (Emred Devil's Advocate – GCH CH Madcap Jump For Joy TK1) Breeders: Jane Messineo-Lindquist, Mark Lindquist, & Annie Glaser

Strongly made brindle with much substance and matching bone. A lot of quality in her head, combing good length and depth, correct egg shape with lovely fill, and nicely placed eyes and ears. Correct occlusion with tight canines. Strong in neck and body showing nice forechest, a body with width and depth; and shoulder well laid back but could have longer upper arm. Slightly straight in stifle, causing her to exhibit 'two-piece' side gait; a bit close behind on the move

## WHITE BITCHES

#640 Christine & Dale Schuur's **CH OLD FORGE GOODNESS GRACIOUS ROM** (Stardoms Demons Disciple – Old Forge Face To The Sun) Breeder: Christine & Dale Schuur  
Presenting a feminine picture, this bitch shows lovely body type with strength and depth, bone to match and pleasing contours with the exception of some flatness over the loin. Her head has good length and enough curvature but is more pear shaped than egg shaped from front. Slightly low ear set and a more open eye held her back from the final placements. Excellent bite and nice reach of neck. While well angled in the rear with broad thigh muscle and short hocks, she was a little close in her movement there, though clean in front. Carries brindle on the right ear.

#644 Eileen Ebay, Nona Quigg, Grace & Bob Thomas's **GRABO CHASING STARLIGHT AT STONEWALL** (GCH CH Grabo Testarossa Formula For Drama ROM – Tawnbarr Starlight) Breeders: Grace & Bob Thomas

Compact, well-made bitch with a short back and good overall proportion. Correct topline complete with nicely set on tail. Strong, nicely turned quarters with well-set croup. Lovely tight feet; strong pasterns. Enough bone for her size. Good body volume, with visible forechest and deep brisket. 'Gun barrel' look from front on. Head has curve and fill, but exhibits some brow. Ears are a little large and low set, detracting from her expression. Slight underbite. Reflecting soundness of construction, she was my movement finalist choice from this class.

#662 Marcy Bankus, Brianna Galaska, Jake & Heather Jones's **ARAGON OPPORTUNITY KNOCKS WITH IMPERIAL** (GCH CH Yoechydoe's Kissproof – Brookbully Quicksilver) Breeders: Marcy Bankus, Jamie Enett, Jake & Heather Jones

**Reserve White Bitch.** The embodiment of a type that is becoming rarer but well worth preserving. This Dalmatian style bitch excels in conformation, particularly in the muscular well-angled rear with its complementary short hocks. Exemplary rear structure with excellent set of tail and carriage, good angulation and strongly muscled thighs. She is strong in body with a well-balanced outline, correct topline, and good width and depth. Perfect (and I don't use that term lightly) bite. Long head, keen dark eye, ears set high, and a muzzle with fill and depth make up appealing head virtues particularly front on. Moved cleanly and with purpose. She was my choice for Best White Bitch.

#676 Jessica & Aaron Graulau, Glenna Wright, & Terri Cournoyer's **GLENTOM MINT TO BE THE ANGEL'S ENVY** (GCH CH Glentom No Chaser Needed ROM – GCH CH Glentom Mint To Break The Rules ROM) Breeders: Jessica & Aaron Graulau, Glenna Wright, & Terri Cournoyer

Carries brindle over the right eye. Pushed hard to be my movement choice although a little close in the rear. Medium sized bitch of sound construction. Well-set shoulder, good forechest, deep brisket and just enough width. Nice silhouette showing pleasing proportion. Correct topline ending in a well-set croup with correct tailset. Quarters are strong and nicely angled. Compact feet with strong pasterns in front, and short hocks in rear. Could have a little more bone for her size. Feminine head of good length and fill, smoothly curved with a hint of a brow, and nicely set ears. Dark eye could be a little keener. Level bite, clear canines.

**Bull Terrier Club of America**  
**Silverwood LII**  
**October 30th, 2021**  
**Judge: Melanie Whitehair**

Having the opportunity to judge the Silverwood Trophy is truly an honor and pleasure but most of all a massive responsibility. I took this task seriously and sorting through the quality entries seen at Silverwood was a genuine challenge.

My two co-judges were complete gentleman and made me feel very welcome. I enjoyed our discussions and their expert insight. We were in complete agreement with our Best and Reserve Dogs. For movement, Gordon and I were in consensus for the Colored dog #625 and the same with David and I for the White dog, #653. I'm pleased the Colored dog #625 went all the way through to winning the Movement Trophy; it was well deserved.

Thank you to the exhibitors for trusting me with your Bull Terriers; it was a privilege I'll never forget.

**COLORED DOGS**

**603** Thomas and Martinez' **JEDI MIND TRICKS**

Breeders: Georgina Martinez & Edgar Martinez

(GRCHS Grabo Testarossa Formula for Drama ROM ex Killah Black Agr)

Dark brindle and white dog who is substantial, masculine and cleanly made. His head is long and filled with a gentle turn and good finish. Correct dentition. Excellent expression with a well placed eye and ears bang on top. Beautiful straight front with tight feet. Neck is muscular arched and clean. His bone is good for his size. Chest is well sprung and would like to see his back a bit shorter and tailset lower. Very good movement from the front and a touch close behind. Beautifully handled.

**607** Sodomsky's & Prater-Piles **GCH CH MALAJO'S FORMULA FOR A DRAMA DEVIL ROM GROM**

Breeders: Krista Prater-Piles & Franne Berez

(GCH CH Action Devils Apprentice By Formula ROM ex GCH CH Actions Formula For A Queen) An animated and athletic, red smut and white male. His overall type and balance are very eye-catching. He has a strong head with good length and profile; a tiny eye and excellent expression. His dentition is correct. His neck is arched and smoothly flows over his withers and on to his topline. He has excellent round muscling front and rear which gives him his athleticism and balanced type. He moves correctly in front and a touch close behind; good extension in front and flexion from behind.

**611** Whitmer & O'Driscoll's **HAWTHORN DRAGON'S HEART**

Breeder: Paul O'Driscoll

(Emred Devil's Spy ex GCH CH Hawthorn Double Bock ROM)

Medium sized and powerfully built brindle and white boy. Quality, masculine head piece with varminty expression, good length and profile. Dentition perfect. His head is packed and he has a dark and well sunken eye; ears right on top. Straight front, more than enough bone and lovely feet.

Plenty of forechest, good topline and rear quarters. Moved with plenty of drive. Overall, a well made youngster who will bring home plenty of ribbons next year.

### **625 Hernandez' WHITE MAGIC TORUK**

Breeder: Juan Carlos Hernandez

(CH Javarke Argent At Energon ex Immortal Spirits Terra Vibe)

Rich red brindle and white, he is a medium sized but substantial boy. His head is masculine, has a gentle profile with good finish. He could use more width of muzzle and a more varminty expression. His dentition is perfect. Good straight front, tight feet and a beautiful forechest. Neck flows nicely into his topline and he has a very shortback. I would like to see more pronounced rear muscle and a lower tail set. He moved jauntily with easy strides. He's perfectly parallel both coming and going. This dog was my choice to send on for the Movement Trophy. My co-judge and I were in agreement and I was pleased to see this boy go on to win the Silverwood Movement Trophy. Impeccably handled.

## **WHITE DOGS**

### **643 Heniser & Davis' GCH CH ENVOY'S HARD CIDER GROM, VAX, CD, BN, RI, CGC, TKN, ORT, SIN, SEN, SBN**

Breeder: Diane Davis

(GCH CH Magor Galactic Agent ROM ex CH Envoy's Return to Rome) Nicely made, well balanced and substantial dog. His head is strong and filled, good profile and level bite. I would prefer a smaller eye to complete his very good expression. Straight front with very nice feet. His fortune is in his correct angles front and rear. He moved well and held his topline; his back could be just a tad shorter. This dog never took his eyes off his handler and I enjoyed watching their teamwork.

### **645 Thomas' GCH CH GRABO MASTERPIECE BY FORMULA**

Breeders: Robert Thomas & Grace Thomas

(BISS GCH CH Action Devils Apprentice by Formula ROM/PROM ex MBISS GCH CH Actions Formula For A Queen ROM CGC)

Powerful and athletic boy with a brindle eye patch. Glinting and tiny, well sunken, dark eyes. Ears on top complete his piercing expression. Gentle downturn with excellent width and depth. You could wish for a bit more length but with such a virtuous head, that would just be splitting hairs. Mouth fault. Lovely straight front with good feet and shoulder. I would like to see him slightly shorter over the loin. He moved well in front and a bit close behind. His bone, round muscle and balance completes this quality package.

### **653 Croucher's GCHB GRABO ACIE HOLIDAY MOON**

Breeders: Cooley, Dykema & Thomas

(GRCHS Grabo Testarossa Formula For Drama ROM ex GCHB CH Whistlestop N Bestuvall Paper Moon) Well known all white dog in super condition. Strong masculine head with excellent expression and correct dentition. Everyplace you look, he is dense and substantial. If you trace from his underjaw, down his throat and neck to his prominent forechest, he's just about perfect. He has a wide chest and an excellent straight front that finishes with tight feet and correct pasterns. Good topline, balanced quarters and correct tail set. He moved well and is quite the showman. Well done!

## **WHITE BITCH REFEREE DECISION**

I was asked to referee the two White Bitches being considered for Best White Bitch. Both were very high quality animals of two completely different types. My fellow judges left me a very difficult choice to make. After examining and moving both, I chose #650. She is a well made and typy girl who came thru on her overall quality and maturity. #662 is a very exciting and upstanding young bitch. She has a powerful and feminine head with a wicked expression. She will be the one to watch closely next year.

### **650 Prater-Piles & Berez' ACTIONS FORMULA FOR A DRAMA PRINCESS ROM, GROM, CGC**

Judging the National was one of the highlights of my 46 years of judging. The depth of quality was far greater than I imagined it would be. I was sorry there was only 2 AOMs in each variety. There were many top dogs that went without a ribbon. The breeders have to be very proud of the state of the breed.
