### **COLORED**

#### **Winners Dog**

Ferandos' **HAWTHORN JESSE JAMES** (Emred Devil's Spy ex GCH Hawthorn Double Bock) Strong black brindle & white with good width and power in his head. Eyes OK, ears are nicely placed but he is very reluctant to use them. Decent length of neck flows into a decent shoulder with good bone and tight feet. Good spring of rib and depth of chest. I would desire more strength in rear. When he moved, he was parallel in both directions and held his topline.

#### **Reserve Winners Dog**

Mullen's **IROC TWO FACE IN GLENTOM CITY** (Grabo Bugatti by Formula ex Glentom Creme Brulee) Cobby brindle boy with plenty of type. Well filled head with good expression. Prefer a little more length to the neck. Strong chest with good angles, good bone. Could have tidier feet. Hard to assess movement as he appears to do his own thing most of the time.

#### **Winners Bitch**

Bankus, Wilsons' **NOTORIOUS NOTHING VENTURED NOTHING GAINED** (Notorious It's Nothing Personal ex Notorious Plenty O'Toole) Brindle and white with good fill and profile. Ears could be used a little better, has a good eye. Decent length of neck into a laid-back shoulder.

#### **Best of Variety**

Byzewski, Thomas' **CH GRABO PAINT THE TOWN RED AT MAGOR** (Rabram Rock Star ex Grabo Bahama Moon) Cobby, red and white presented in immaculate condition. Strong filled head with ears well on top, would like a more varminty eye. Strong neck leading into powerful body. Good layback of shoulder, would prefer a little more length in the upper arm. Good bone, beautiful cat feet. Good spring of rib and depth of chest. To be picky, I would like a little shorter loin. Good strength in the rear and good bend of stifle. Moved parallel in both directions. Overall quality of virtues with immaculate handling, catapulted her to the front of the line.

#### **Best of Opposite Sex**

Whitmer, Whitmer, Pichilli, Cook, O'Driscoll, Thomas **CH ENERGON DEADPOOL AT BRILLIANT** (Hawthorn Dragons Heart ex CH Energon

Bright Star) Strong brindle and white male with a powerful well filled head with expression to match. Good length of neck flowing into well laid back shoulder, good angle and length of upper arm. Front is still a bit lose, but straight with good bone and tight feet. Powerful chest with rib spring and brisket depth. Nice short back and strength in the rear with good bend of stifle. Moved parallel both ways and held topline on the go round. His cross to bear is a mouth fault which cost him today.

### **Select Dog**

Anderson and O'Driscoll's **CH HAWTHORN KILLIAN'S IRISH RED** (Tawnbarr Devils Eye from Gorbain ex Hawthorn Shirley Temple) Red & white balanced dog, long filled head with good expression. Good length of neck with well laid-back shoulder, good angle and length of upper arm. Short back, good bend of stifle. This is a well-balanced, well-made dog with a little more substance all around, would make this an exceptional animal. I have judged him before when he moved better but he was throwing his front today which cost him.

### **Select Bitch**

Kosin and O'Driscoll's **CH HAWTHORN BLOODY MARY** (Tawnbarr Devils Eye From Gorbain x Hawthorn Shirley Temple) Red & white balanced bitch, with long filled head. Good angles front & rear, straight front, good topline. Sister to the Select Dog and just like him, I would prefer a little more substance all around.

## **WHITE**

### **Winners Bitch**

Wright, Gubrij & Gubrij **GLENTOM MINT FOR EACH OTHER** (Padhen Hitman ex Glentom Conquistadora Elemint of Surprise) All white bitch who is on the young side with more to come. Gently sloping profile with good ear set and a well shaped eye. Good width and strong jaw. Good length of neck, well laid back shoulder and good angle in the front. Decent amount of bone, with a straight front. Topline was good with the slight roach over the loin. Tailset slightly high. Rear has good bend of stifle and width. Movement was OK coming and going and held her topline on the go around. Won WB today on her overall construction.

### **Reserve Winners Bitch**

Lamkins, Whitmans' **SOUTHRIDGE SPICY HOT INDULGENCE** (CH Clansmann Super Flye Guy ex CH Indulgence Flight of The Dragon) White bitch with dark ear marking. Similar to WB with a little

less substance. Ears could be a little higher set. Good length and profile with good eye placement. Neck leads into a well laid-back shoulder with a straight front and tidy feet. Good topline with rise over loin. Nice tailset. Good bend of stifle. Movement was ok, coming and going.

### **Best of Variety**

Thomas, Thomas' **GCH GRABO SUBTLE AS THUNDER** (Rabram Rock Star ex Grabo Bahama Moon) White with brindle typey boy. Nicely filled head with great expression. Correct eye and ear placement. Neck flows into a well laid back shoulder and good angle with upper arm. Good strong bone with straight front and tight cat feet. Good width of chest and deep brisket. Short coupled and well angulated at the rear. Good movement in both directions. Strong without being huge, what a bull terrier should be.

### **Best of Opposite Sex**

MacDonald, Prater-Pile's **CH FORMULA FOR A PRINCESSCA FOR STONEBULL** (Emred Devils Advocate ex GCH Actions Formula For A Drama Princess) White bitch red ear. It starts right and the head and what a beautiful head it is. Filled and smooth without an indent anywhere. Beautiful expression and earset. Good length of neck with a well laid back shoulder and angles into the upper arm. Good bone for a feminine bitch with decent strength and good feet. Nice strength through chest, leading into a strong rear with good bend of stifle. Moved well in both directions. A truly feminine but strong bitch.

### **Select Dog**

Croucher, Thomas' **CH GRABO ACIE NOTHING ELSE MATTERS** (Rabram Rock Star ex Grabo Bahama Moon) I was surprised to find out later, this white dog is the litter mate to the BOV. He resembles his brother but is a little less mature. These are both young boys who will continue to get even better. Good strong head, with power. Nice length of neck into a strong straight front. Good bone, good feet. Well conditioned dog, leading into rear with good bend of stifle. Look forward to seeing him in a year.

### **Select Bitch**

Mullen & Mullen **Ch IROC RIDER OR VIE** (GCH Grabo Acie Holiday Moon ex GCH Glentom Crème Brulee) White with brindle, who was unfortunate to meet the BOS bitch today. She has matured a lot since I last saw her. Strong head with good fill and earset. Good strength to chest and good angles with straight front and good feet. Good rib spring and depth of brisket with short coupling, leading into a strong rear and good bend of

stifle. Movement was good in both directions.
