

Bull Terrier Club of St Louis-Sweepstakes

Victoria M Sottile

My sincere thanks for the invitation to judge Sweepstakes at this fabulous show. When I arrived, I thought I was in Florida! It was so warm it warranted a change from a winter sweater to a tee shirt. By Saturday, it was seasonable and sunny, as was the atmosphere at the Westinn Kennels where the shows are held. The venue has spacious rings & grooming area, space for a number of long tables loaded with raffle prizes and a fully equipped kitchen that was put to great use. Lots of delicious food, beverages and desserts. If you have not exhibited at this show, it is a must to experience the best of the best in independent specialties. Cheri & Ace Croucher and the members provide warm hospitality, an abundance of food, unique trophies and camaraderie that will make you feel right at home.

12-18 Month Bitches

#14-Sierra View Cross Into The Treasure Valley-Antle, Antle & Carmichael- (CH Grabo Bugatti By Formula x Sierra View Bestuvall Cross The Golden Gate)

Upstanding, feminine white, with a well-filled egg with dark, deep set, triangular eyes with ears bang on top of her head. Good underjaw and wide muzzle. Mouth fault. Good length of neck. A bit long in the loin with an ever so slight softness at the top of her withers due to short upper arm that limits her reach on the move. Good rear angulation and drive, nearly parallel going away. She has good, tight feet and well let down hocks. Her underline curves gently upward. Adequate bone. I would like to see more fore chest and substance. That should come with maturity. She has a pleasant, calm demeanor and was in tune with her handler.
