

Golden Triangle Bull Terrier Club

April 24, 2026

Judge: Glenn Snyder

I want to thank the Golden Triangle Bull Terrier Club for the opportunity to judge at your specialty show. Having been forced to cancel several appointments last year due to an unexpected health issue, this was my first ROM assignment. It was memorable to say the least! After a small hiccup with logistics before we started, everything ran smoothly from there. I also want to extend thanks to my ring stewards, and especially to the exhibitors. Everybody accepted my decisions with grace which made this event especially memorable for me. Some decisions were very close, and on another day could have been different. It really is “the dog on the day”.

COLORED:

Winners dog and Best of Winners

Sottile’s **Alaric Star Spangled Son** (GCHS CH Malajo’s Formula For A Drama Devil ex CH Alaric Wish Upon a Star) A heavy boned red and white dog with excellent expression. Ears right on top and small varmint eyes. Tail set was also correct and he maintained his top line on the move.

Reserve Winners Dog

Mullen’s **IROC Two Face in Glentom City** (CH Grabo Bugatti By Formula ex GCH Glentom Creme Brûlée BROM)
A brindle and white with a nice smooth and gently curved profile. Adequate bone for size. Ears on top, contributing to his breed type and expression.

Winners Bitch

Deevers, Perrott, and Migliore’s **Apprentice Tap Dancin Shoes, TKN** (CH Action Headed for Fame ex GCH CH Apprentice Gandy Dancin, TKN)

An elegant brindle and white bitch with the accent on the brindle. Beautiful smooth profile without any break or dip. Mouth correct. Moved well, with essentially parallel gate both coming and going. She was in lovely condition. Make and shape are excellent with good length of upper arm that has become more difficult to find recently.

Reserve Winners Bitch

A. & B. Radford's **Energon Hot Hot Hot For Mayhem**

(Kilacabar Cuchulainn ex Energon Shining Meteor)

Pretty Tri-colored bitch with correct mouth. Smooth and gently turned head in profile. Moved fairly well both coming and going. Good bone for size.

Best of Variety/Best of Breed

Kibler and Poole's **GCH CH Rocky Top's Dream Chaser** (GCHB CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream)

Well known brindle and white dog that I have admired since having him under me in a sweepstakes as a puppy. Lovely compact type dog with excellent bone and substance. He has a nicely curved and unbroken head profile, and his correct ear placement contributes to his excellent expression and breed type. He moved with typical jauntiness and drive.

The tightest decision on the night was between him and the white bitch for BOB. However, as they say, it is the dog on the day, and on this day he was simply on fire. Animated and engaged, his handler delivered her usual master class in piloting him tonight. It was my pleasure to award him BOB.

Best of Opposite Sex

Sodomsky's and Prater-Piles **CH Formula Lotus Dream at Malajo**(GCHS CH Malajo's Formula For a Drama Devil ex CH Apprentice Podium Dreams by Formula)

Pretty brindle and white bitch. Her head is turned and completely filled. She is nicely balanced with more than adequate bone for her size. She also moved quite well with both reach and drive. Tail set is slightly high but it does not detract from the overall quality.

Select Dog

Tyler's **CH Indulgence A Long Time Coming** (Clansmann Super Fly Guy ex Indulgence Flight of the Dragon)

Medium size red and white dog. Beautiful well turned head right down to his nose. It is also well filled with ears right on top. Small well placed eyes complete the picture. A very balanced dog with more than enough bone when viewed up close. Moved nicely with drive, and maintained top line on the move.

Select Bitch

Morrison, Deevers, Perrott, and Migliore's **CH Apprentice Paintin the Town Red**(GCH CH Formula for a Drama Free Brother ex GCH CH Apprentice's Gandy Dancin)

Lovely Red and White bitch. Her head is filled with gentle and proper turn. She has a nice straight front with good bone. Shoulder placement correct with nice forechest. Her feet remain tight. Correct tail set. She moves quite well although she was a little low key tonight.

White

Winners Dog, Best of Winners, Best of Opposite sex

Prater-Piles and Groff's **Aston Dreaming with Formula**(GCHS CH Malaga's Formula for a Drama Devil ex GCH CH Apprentice Podium Dreams by Formula)

Large white dog that I have not previously seen. Although large, he has more than enough bone to carry his frame, yet maintain balance. He has a wide, totally filled head with tiny triangular eyes that are correctly placed. He has just the hint of a brow.

Ears set was slightly wide but that is more of a quibble. Mouth correct. Straight front with nice tight feet. Although he was a bit worked up, when he settled he moved with drive while maintaining his top line. Oozes breed type.

Reserve Winners Dog

Ouellette, Deevers and Perrott's **Apprentice Dancin in the Moonlight**(CH Action Headed for Fame ex GCH CH Apprentice Gandy Dancin)

An upstanding white dog with black brindle eye markings. Beautiful well turned head with fill and good strength in his under jaw. Straight front with tight feet and good bone for size. He still has some maturing to do and it will be interesting to see him a year from now. The potential is definitely there.

Winners Bitch

Liparulo, Deevers, Perrott, and Migliore's

Apprentice Looking for Shade in a Sunny Day(GCH CH Formula for a Drama Free Brother ex GCH CH Apprentice Gandy Dancin)

All white bitch, feminine but with excellent bone and substance. Head is turned and filled without any dip or hollow. Tidy ears which were right on top when she used them. Small triangular eyes. Straight front and well angled in the rear, she moved accordingly.

Reserve Winners Bitch

Wright, Gubrig's **Glentom Mint For Each Other**(Padhen Hitman ex Glentom Conquistadora Element of Surprise)

Exuberant all white bitch. Her head is well turned with good length and with ears on top. Very good expression. Not quite as compact as my winners bitch, but a pretty package all the same.

Best of Variety/Best of Opposite Sex to best of Breed

MacDonald and Prater-Piles **AM/CN CH Formula for a Princess for StoneBull**(Emred Devils Advocate ex GCH CH Action Formula for a Drama Princess)

A lovely white bitch with brindle ear markings. Her head is gently but completely turned right to the tip of her nose. She has excellent expression with properly placed ears and small well placed eyes. Shown in nice and hard condition she has good bone and proper tail set. Although a little lazy on the move, she held her top line and moved well both ways when she finally decided to move out a bit. Difficult decision between her and my BOV colored for BOB.

Select Bitch

McClamrock and Deevers **CH Apprentice Dancin the Cha Cha**(CH Action Headed for Fame ex GCH CH Apprentice's Gandy Dancin)

All white bitch with a smooth and gently turned profile. Ears right on top. Well placed dark eyes. She has excellent bone and substance. Moved quite well, especially from the front and side, and with a jaunty air that adds to her typical breed type.
