Many thanks to the Ft. Dearborn Bull Terrier Club for inviting me to fill in the gap today. Thank you to the exhibitors for continuing to show after the last-minute judging change. While the entry was small, there were a few standouts.

**COLORED BULL TERRIERS**

**Winners Bitch, Best of Opposite Sex**

Bankus and Wilson's **NOTORIOUS NOTHING VENTURED NOTHING GAINED** (Notorious It's Nothing Personal x Notorious Plenty O'Toole) Brindle and white bitch with a smashing profile. She has enough bone, especially for her sex. A shorter back might help her topline when moving. Well angulated rear and correct tailset.

**Best of Variety**

Kibler & Poole's **GCHG CH ROCKY TOP'S DREAM CHASER** (GCHB CH Hawthorn Dragon's Heart x GCh Ch Rocky Top's Sweetest Dream) Mature brindle and white boy with a filled head. His overall body lines are pleasing, including his underline and tailset. He has a good amount of bone for his size. His ribs are well sprung and topline is slightly arched over his loin. Moves well coming and going and holds his topline on the move. His maturity and overall balance left him standing today.

**Select Dog, NOHS BOV**

Whitmer, Pichilli, Cook, O'Driscoll's **CH ENERAGON DEADPOOL AT BRILLIANT** (GCHS CH Hawthorn Dragon's Heart GCH CH Eneragon Bright Star) This brindle and white has jaw dropping head fill with a brilliant expression to match. His bite is poor. Adequate bone for his size. Could use more second thigh development, and his hocks could be a bit shorter. His movement in all directions is sound. In my opinion this dog is outstanding on several points, but his virtue doesn't offset his faults. He was well-handled today.

**Select Bitch**

Bavol & Jackson's **GCH CH OLD ENGLAND'S MISS INDEPENDENCE** (CH Fortifeyed With Beauty At Aricon x GCH Ch Old England's Bombshell At Bristol) Pretty brindle and white bitch. Her head has a pleasing profile, and a good amount of fill. Earset could be tidier. She has plenty of forechest and adequate bone for her size. Her movement going away is correct. She was well handled today.

**WHITE BULL TERRIERS**

**Winners Bitch, Best of Opposite Sex**

Linguist, Craig & Maso's **MADCAP CIERA PIXEL PERFECT** (Emred Devil's Advocate x GCH CH Madcap Trickster Moon) Well-made bitch and her head has a long, pleasing profile and strong underjaw. She has a very tiny eye which contributes to her varminty expression. She stands firmly upon her front legs. She has cat-like feet. She moves well, especially coming in.

**Reserve Winner Bitch**

Young & Carter's **MMW ALL ICE ON ME FOREVER YOUNG** (CH Barbarosa Fridge Keeper x MMW Jo Be Nimble) This bitch has a tiny, well sunken eye. While her head is long, the profile is not as turned as the winner. She has enough bone. Her rear is well muscled. She is in good condition and exhibited well today.

**Best of Variety**

McHatton & Bebb's **GCH CH SUNNY SKY AT ST GEORGE CANYON MOON** (CH Lonestar Whole Lotta Hoopla x St George Sugar Sugar) Moderately sized boy who is well constructed. While he has plenty of profile, he lacks fill under his eyes. He has no exaggerated attributes, but his shoulders are correctly laid back, his topline has a slight arch over his loin, his rear has the right amount of angulation and his tailset is correct. He moves with reach and drive and was well-exhibited today.
