A beautiful, hot day in Illinois! Thank you for the invitation to judge at a show that I have always enjoyed but haven't attended in a few years. Many thanks to the exhibitors for your support and for bringing your dogs out. It was an exciting weekend for Bull Terriers doing well in the Group ring too. Well done!

COLORED

Winners Dog, Best of Winners

Mullen's **IROC TWO FACE IN GLENTOM CITY** (CH Grabo Bugatti by Formula ex GCH CH Glentom Creme Brulee) Brindle and white boy with well filled and turned head. Good depth and width of muzzle. Mouth off but correct canines. Small dark eye and ears up on top show his great expression. Topline is smooth and arches over his loin. Back is short, he is well rounded though his body. Deep chest. Strong rear, well angulated. Moved well both ways.

Reserve Winners Dog

Fernando's **HAWTHORN JESSE JAMES** (Emred Devis Spy ex GCH CH Hawthorn Double Bock) Black brindle and white with strong head, but not the profile or fill of the WD. Profile is smooth with good length and width of muzzle. Mouth off but correct canines. Dark eyes, small ears carried a tad loosely. Good length of neck. Straight front with cat-like feet. A touch longer in back than the WD, but body was well developed. Moved well coming.

Winners Bitch

Bankus & Wilson's **NOTORIOUS NOTHING VENTURED NOTHING GAINED** (Notorious It's Nothing Personal ex Notorious Plenty O'Toole) Brindle and white girl. Her head is very well turned with good length. Mouth correct. Eyes are small and dark with erect ears giving good expression. Nice length of neck leading into solid topline. Would like a shorter back. Front is straight, her feet very loose. Rear is well angulated.

Best of Variety, Group 1, Reserve Best in Show

Kibler & Poole's **GCHG CH ROCKY TOP'S DREAM CHASER ATT FDC** (GCHB GCH Hawthorn Dragons Heart ex GCH Ch Rocky Top's Sweetest Dream) What can I say about this dog that I haven't already?! Brindle and white dog with head that is well turned, full and wide. Good expression from small eyes and small correct ears up on top of his head. Mouth correct. Deep chested, straight front and heavy bone. Good layback of shoulder leading to short back and good topline. Well angulated rear and beautiful movement both ways. I was excited that he went on to win Group 1 and RBIS today. He's a credit to his breeders and his BFF-handler.

Best of Opposite Sex

Jackson & Baval's **GCH CH OLD ENGLAND'S MISS INDEPENDENCE** (CH Fortifeyed with Beauty at Aricon ex GCH CH Old England's Bombshell at Bristol) Brindle and white girl with clean head that is gently turned and well filled. Good expression from dark eye and small well placed ears. Mouth correct. Good topline and well rounded through her ribcage. Bone for size. Rear is well angulated.

Select Dog, NOHS, OH Group 4

Whitmer, O'Driscoll & Pichilli's **CH ENERGEN DEADPOOL AT BRILLIANT** (GCHS CH Hawthorn Dragons Heart ex GCH CH Energon Bright Star) Brindle and white stallion of a dog. His head is big and packed, muzzle is deep and wide. Underjaw is thick. Great expression. Mouth incorrect. Well layed shoulder leading to short back that flows over his loin. Heavy bone but moved with ease. A beautiful boy. I was thrilled he placed in the OH Group.

Select Bitch

Wright's **CH GLENTOM IROC TRY TO GET AWAY WITH MYRTLE** (CH Grabo Bugatti by Formula ex GCH CH Glentom Creme Brulee) Brindle and white girl with oodles of profile. Nice fill under her eyes. Eyes are dark and triangular. Mouth correct. Shoulders could be better layed back as she dips ever so slightly at the base of her neck. Short backed. She is well rounded though her body and has good bone. Good rear movement.
