Winners Dog and Best of Winners

David and Cheri Croucher and Bob and Grace Thomas' **GRABO ACIE NOTHING ELSE MATTERS** (Rabram Rock Star x Grabo Bahama Moon) Substantial white dog with a powerful head, well filled and wide to the end with a piercing eye. I would prefer higher set ears. His head is well turned, but his profile could be smoother; his mouth is correct. He has a short back and moves cleanly in front and close to parallel coming and going. Not showing himself off to his best advantage in the heat and humidity today, but his cleaner front and shorter back put him in front today.

Reserve Winners Dog and Best Canadian Bred

Sarah and Joe Byzewski's **MAGOR HARD KNOX WITH GRABO** (Napier Pure Copper x Grabo Frankie Goes to Magor). Beautiful-headed and well-marked brindle and white dog with excellent bone and substance. His head is deep and wide with a smooth profile and good bite. He has a good expression, although I would prefer higher set ears. His front movement was a bit bulldoggy, and I'd prefer him higher on leg and shorter through the loin.

Winners Bitch

Patricia Murphy's **BALLY'S WINTER WINNER CHICKEN DINNER** (Bally's Squiggy Wheel Gets the Grease x Bally's Jezebel of the Ball). All white bitch who is a good example of the terrier style of Bull Terrier. She is cleanly made, short backed with excellent length of neck and a well set tail. Her head is smooth with a wicked expression, and she uses her ears well; her mouth is correct. She seemed not at all fazed by the weather today. I would prefer more rib spring and width of chest, which would likely improve her movement, which was a bit close coming and going. Winners on her clean lines and compact, balanced proportions.

Reserve Winners Bitch

Catherine Sodomsky and Kirsta Prater Piles' **FORMULA SILVER PRINCESS FOR MALAJO** (Sarajeni Easy Rider x Action Formula for a Drama Princess) White bitch with a small black eye patch. She has a gentle profile and good length of foreface with a correct mouth; her expression is good but not quite as piercing as the winner; I would prefer greater width of foreface. She has balanced body proportions and a good topline, and moves cleanly in front but just a bit close behind.

Best of Variety

Bill and Catherine Sodomsky and Krista Prater Piles' **GCH MALAJO'S FORMULA FOR A DRAMA DEVIL** (Action Devils Apprentice by Formula x Actions formula for a Queen) Red and white dog from the Veterans class. He is short backed, in excellent condition with good bone and substance for his size. He has a smooth, well-filled head and good expression, and ears carried well up on his head; his mouth is correct save for one close canine. He moves in one piece with a nice clean front and good coordination front to rear, holding a firm topline. I would prefer a lower tailset, but he easily carried the day.

Best of Opposite Sex

Ruth McDonald and Krista Prater Piles' **CH FORMULA FOR A PRINCESSCA FOR STONEBULL** (Emred Devils Advocate x Actions Formula for a Drama Princess) White bitch with red ears. She has a smooth, slightly exaggerated profile, an excellent expression, and correct bite. She has a short, firm back, but I would prefer just a touch more length of neck to balance her height; her tailset is good. She moves cleanly in front and a bit closer in the rear.
