

I would like to thank the New Jersey bull terrier club for the invitation to judge one of my favorite shows, As an exhibitor I have started many a dog here as it is the first northeastern show of the year, A bit noisy , it offers a chance to socialize young dogs over the weekend, The owner handlers and group judging often seem to be favorable to our breed and that is an added benefit, The club has always put on a terrific luncheon . The joining in of the minis has added another fun aspect to the show, I was quite pleased with the quality of the entries although on the smaller side and found a few young ones just starting out that should have a promising future,

AT BRILLIANT B/BOBOH/OHG1/BISOH

GCHG CH Hawthorn Dragons Heart - GCH CH Energon Bright Star

Impressive well marked brindle and white with one of the widest heads I have had my hands on. This incredible headpiece is also well turned with a deeply set dark eye ,keen expression and he makes good use of his ears. His mouth is off. In silhouette he makes a pleasing package with deep chest , nice spring of rib for age and solid topline which he held correctly on the go around. He holds his tail straight out both standing and on the move. From the front he is still a little soft on his pasterns at this young age but has good round bone and full chest He is an impressive type package who is very well handled, He later went on to earn an Owner Handled BIS.
