Judge: Glenn Snyder

Thank you to the Barbary Coast Bull Terrier Club for the invitation to judge this event. The weather was warm and sunny and the venue is spectacular. It really is quite an event with the inclusion of Bullyganza and the breeders showcase. The entries were large and of extremely high quality. A huge thank you to the exhibitors for allowing me the opportunity to go over your beautiful dogs. I had an absolutely amazing time. Again, THANK YOU!

Colored:

Winners Dog

Pearce and Wilkerson's **Wildblue Red Dragon of Old England**
(UK CH Vetsbullies Keep a Knocking Into Megaville x CH Old England's Lady Luck at Rockstar Wildblue)

Lovely rich red and white dog. He is an upstanding type. He is a fairly large dog, yet has excellent round bone for size that is carried right down to his feet. His head is wide and well turned and with adequate fill. He has very nice triangular and well placed eyes. Ears are right on top, giving him very nice expression. A lovely straight front and well angled in the rear. He is a young dog at just over a year and was quite worked up, and probably not at his best as a consequence. Yet there is no denying the obvious quality of this exhibit.

Reserve Winners Dog

Dykema and Murphy's **Bestuvall The Most Wanted** (CH Sierra View Bestuvall Cross The Finish Line x GCH CH Bestuvall Obsession)

Brindle and white puppy who is just starting to body up. His head is long and well turned all the way to the tip of his nose. Ears are right on top and mouth is correct. His eyes are well placed, small and triangular giving very nice expression. Straight front and well angled in his rear. Although clearly not fully mature yet, this is a very promising young man. I look forward to seeing him down the road as he fills out.

Winners Bitch and Best of Winners

Hochstetler's **Riley Cupcake Hochstetler** (Bear Betula x Nova Martinez) Nicely made brindle and white bitch. She has a long and well turned head in profile. Ears are on top and eyes are correctly placed. Straight front with a well angled rear and adequate bone for size. Moved nicely both coming and going.

Reserve Winners Bitch

S and L Schmidt, Barnes and Cairns **St. George Sunny Sky Sensation At Cerberus** (GCH CH Grabo Rorschach Revelation At Cerberus x CH St. George Sunny Sky She's The One)

A brindle and white puppy just starting to fill out. Nice wide head with good turn and fill. Eyes were well placed and ears were nicely placed on top. Moved fairly well both coming and going. Another very promising puppy that I look forward to seeing in the future.

Best of Variety

Kibler and Poole's **GCH CH Rocky Top's Dream Chaser** (GCHB CH Hawthorn Dragons Heart ex GCH CH Rocky Top's Sweetest Dream)

Well known brindle and white dog shown in immaculate condition. His head is long and well turned. His mouth is correct. Both his ear and eye placement are correct. He is a compact and

short coupled dog with a straight front and very well angled rear. He moves out like freight train with both reach and drive. A pleasure to award him Best of Variety.

Best of Opposite Sex

Byzewski and Thomas' **Grabo Paint The Town Red at Magor** (Rabram Rockstar x Grabo Bahama Moon)

Nicely marked rich red and white bitch. She has a beautifully packed and turned head. Excellent expression as both eyes and ears are well placed. Mouth is correct. She is a cobby type bitch with a wide but straight front, if slightly low on leg. She has very nice bone for size.

Select Dog

Pearce and Thomas' **GCH CH Grabo Moves Like Jagger at Wildblue** (Rabram Rockstar x Grabo Bahama Moon)

Well marked brindle and white dog. Fully mature with thick round bone all the way to his feet. Shown in excellent condition. He has a deep and packed head with lovely turn. Nicely angled in the rear with a fairly straight front. He moved extremely well both down and back and maintained his topline on the move. Very nice breed type.

Select Bitch

Bronson's **CH Old England's Ever So Clever** (GCH CH Hawthorn Dragon Heart x GCH CH Old England's Notso Basic Biotch)

Very pretty brindle and white bitch. Her head is wide and gently turned. Well made with correct shoulder placement and good length of upper arm. Well angled as well in her rear, she moved accordingly. Feminine appearance with good bone for her size.

White:

Winners Dog and Best of Winners

Frawley's **Empire King of Broken Hearts** (Brasshead Butch Cassidy x CH Energon Guardian of The Galaxy)

A large and upstanding puppy dog, not yet fully mature. He has a wide and well turned head with nice placement of eyes which are dark and triangular. Ears are bang on top. He has good bone even for his size. Although a bit worked as a youngster he moved fairly well both coming and going.

Winners Bitch

Shaw and Harlamoff and Draper' **Soquel Millenium Siren's Song @ Secondtonone** (GCH CH Energon Ironhide At Envoy x GHCB CH Bayshore Swears Like a Sailor In Soquel)

As I did my critiques after the variety was complete, she did not return to the ring for photo and critique. My apologies.

Reserve winners bitch

Bronson, Harlamoff and Draper' **Soquel Millenium Makin Waves** (GCH CH Energon Ironhide At Envoy x GHCB CH Bayshore Swears Like a Sailor In Soquel)

As above, did not return for critique

Best of Variety, BOH

Thomas' **GCHB CH Grabo Subtle As Thunder** (Rabram Rockstar x Grabo Bahama Moon)

Well known white dog with Brindle head markings. He just catches your eye the moment he enters the ring and makes it difficult to see much else. Fully mature, he is the definition of maximum substance in the available space. Shown in spectacular condition he moves well all ways, as I would expect given his excellent construction both front and rear. His head is packed and very well turned with beautiful eye and ear placement. Hard to find anywhere that this dog does not meet the standard. My great pleasure to award him Best of Variety.

Best of Opposite Sex

MCCall and Dykema's **Bestuvall Bombshell at Noble** (Action Kiss My Grits From Old Forge x Bestuvall Obsession)

Striking white bitch with very pretty head that is fully turned and has excellent fill. Ears are well placed as are her eyes, which are tiny and triangular giving very good expression. She has a straight front and good rear angulation. A pleasure to award her BOS.

All white substantial dog with good bone for size. His head is wide and gently turned. He has very small, varminty and well placed eyes. He is very well constructed with nicely placed shoulders and a well angled rear. Tail is carried correctly when alert.
