### **JUDGE: HANS KONINGS**

What an honour it was for me and my wife Marionne to get invited to judge at this prestigious show. The quality of the dogs was very high. It was very nice to see that the dogs I judged in majority had excellent shoulders. In Europe we see way too much bad shoulders which I hate. The atmosphere at the show was very pleasant. I want to thank the board of the BCBTC for inviting us and taking good care of us. And a big thank you for all the people who entered their dogs under us. It was a pleasure to see so many quality dogs.
