

Rocky Mountain Terrier Club
Sept. 4, 2026
Peggy Beisel-McIlwaine

These are such nice shows and the venue is great. This year was no different, I only wish the entry would be larger. Thanks to Diane Davis, Louise Leone and Cindy Vogels for working so hard to keep this show going. The entry was small but there was quality and plenty of entertainment as only a bull terrier can provide. I say one must have a very good sense of humor to show, breed and judge the breed. Who wants to be around people or dogs that don't have a sense of humor anyway.

Coloreds:

Winners Bitch: MacGregor, Nick & Danika, Shauna Ugarte. **Empire's All the Pretty Colors** by Brasshead Butch Cassidy out of Ch Energon Guardian of the Galaxy CGC. Lovely balanced red and white bitch with good outline. Plenty of bone for her size and a pleasing gently curved head.

Reserve Winners: Heniser Vicki. **Envoys Autumn Heather** by Stardom Demons Disciple out of Gch Ch Envoy Wait For It. Another red and white with good proportions and balanced angles. Ideal head profile, curved throughout. Good reach of neck blending into solid topline and correct tailset.

Best of Variety: Britz Gavin W. **Gch Ch Aricon Eye Flyer** by Aricon Fiery Eyes at Clansmann out of Magic Eye Finalist of Aricon. Probably the clown of the day. He sure has character. Strongly built brindle dog with good bone and feet. Lovely long clean head with gentle curve and keen little triangular eyes properly placed with that glint that says he is about to do something to embarrass you. Perfect bite. When he decided to move he moved with jauntiness and can settle down in front. Strong rear. Would like him a bit shorter in back. Good tail set and carriage.

Best Opposite Sex: Johnson PJ Carter & Whitney. **Gch MMW Lady of Shadows BCAT** by Rebelside Secretariat out of MMW Jo Be Nimble. Lovely tri colored bitch of lovely size. Strong in bone and cat like feet. A little heavy due to just having a litter but still looks great. Solid in topline and of good balance and proportions. Lovely filled in head with correct eye and keen expression.

Select Dog: Shelley-Avery Trudy & Stephen. **Ch Tredecim Kahgutsuchinokami** by Ch Bulroarus Bobby Dazzler out of Gch Ch Tredecim Eloquence of Benzaiten. Quality dog with good bone and substance. Short in back. Good head length with a good bite.

Select Bitch: Antle Mary JO & Richard & cindy Perrott & Barb Dee. **Ch Apprentice shown Off For Sierra View** by Ch Actyion Headed for Fame out of Gch Ch Apprentice Gandy Dancing TKN. Lovely feminine brindle and white bitch. Plenty of bone and good

feet. Balanced angulation. Pleasing head with great curvy profile, keen eye and a good bite.

Whites:

Winners Dog: Ugarte Shauna. **Empire's A Lie Agreed Upon** by Brasshead Butch Cassidy out of Ch Energon Guardian of the Galaxy CGC. Promising puppy with nice balance and proportions. Strong in bone and feet. Short in back with correct tail set. Good length of head, keen little eye and gently curved profile.

Reserve Winners: Frawley Stacy. **Empire's King of Broken Hearts** by Brasshead Butch Cassidy out of Ch Energon Guardian of the Galaxy CGC. Another promising puppy, but not as mature or compact as the winner. Plenty of bone and nicely angulated. Good length to his head and keen little eyes.

Best of Variety: Thomas, Robert & Grace. **GCHB Grabo Subtle as Thunder** by Rabram Tock Star out of Grabo Bahama Moon. This dog just gets better and better if that is possible. He has everything the standard calls for. Lovely masculine size but not too big. Strong in bone, great feet. Ideal proportions, short in back, well laid back shoulders blending nicely into strong and correct back and tail set and carriage which is exactly what it should be. Incredibly strong in head with fill throughout and gentle curve and keen little triangular eye. Tidy little ears properly placed and a perfect bite. Shows with enthusiasm and moves with the jauntiness and sometimes naughtiness that makes this breed so unique and wonderful.

Best Opposite Sex: Antle, Richard & Mary Jo & Beth Carmichael Coduto. **Ch Sierra View Cross into The Treasure Valley** by Ch Grabo Bugatti by Formula out of Sierra View Bestuvall Cross the Golden Gate. Young and very promising bitch. Excellent head with gentle curve and keen little triangular eye. Correct canines, slightly undershot.

Select Dog: Heniser Bruce & Vicki. **Gch Ch Envoys Hard Cider BN CD RE CGC** by Gchb Magor Galactic Agent out of Ch Envoy Return to Rome. My Veteran dog who really isn't showing his age. Lovely strong and sturdy white male, short in back and strong in bone. Well balanced. Pleasing head. Eye a bit bigger than I prefer.
