Judge: Heather Uplinger

Thank you to the Knickerbocker Bull Terrier Club for inviting me to judge. I enjoyed my assignment at this lovely park. While I wish the entry had been larger, the winners were top dogs that could win anywhere in the country with ease.

COLORED Number of dogs exhibited (1-0-1-2)

Winners Dog

Heidi Clayton **SORABULLY'S ANOTHER POPS SPECIAL** (CH Energon Chess Devastator ex SoraBully's You had Me at Konnichiwa) Solid dark brindle with very little white. Very young and immature but the things he learns in the ring at this age are so important. Looking straight on his head has wonderful width from his ears to his nose. Teeny eyes. Nice bone on his straight front with good shoulder layback. Due to his age, he has yet to fully spring his ribs and fill out his very big body. His movement is quite loose and puppyish. It will be interesting to see him in 2 years

Cathy and Bill Sodomsky and Krista Prater-Piles **CH FORMULA'S LOTUS DREAM AT MALAJO** (GCHS CH Malajo's Formula For A Drama Devil ex CH Apprentice Podium Dreams By Formula) Nicely marked brindle and white. This girl has power but is still feminine. Well-turned profile that is packed up and wide. Nice forechest and spring of rib on her short coupled body. Moves free from the side, parallel front but a touch close going. Her cross to bear is her high tailset. She is a quality bitch that I would bet will be a wonderful producer

Best of Opposite Sex

Melissa Searles and Victoria Corse **GCH CH REQUIEM STAY KHROME PONYBOY ATT** (CH Patterned Head Bull Boot ex CH Khromeheart Corsaire From Provokacija) Handsome brindle and white. Upstanding fella with good bone. Nicely angulated in the rear but could use a bit more layback to his shoulder. Nice profile with small ears right up top. Moved out well from the side.

Susan Begnal **GERTRUDE'S AUGUST WELLAND** (Buledict Spedmackenzie Jamaal Stokes ex Peppa Rhony) Young fella barely a year old.Well muscled but he is quite immature . Nice eye but his profile is broken giving him an old time look. Poor guy had hives today but he still showed well and was at one with his handler. I was told he also got his CGC today. Congrats.

Ruth Macdonald and Krista Prater-Piles **GCH CH FORMULA FOR A PRINCESSA FOR STONEBULL** (Emred Devil's Advocate ex GCH CH Action's Formula For a Drama Princess) Stunning and statuesque white with ear markings. Long,strong,wide profile that has a wonderful turn and the smallest of eyes. Well muscled at both ends with beautiful forechest and second thigh. Everything flows, from her neck to her tail, with no breaks in her topline. Free easy mover that is a bit close going away. When I picture a Bull Terrier bitch, this is what it looks like. Impossible to deny her.

Heidi Clayton **SORABULLY'S DOUBLE DOWN ON SUSHI POPS** (GCH CH SoraBully's Sushi's IchiBan ex SoraBully's You Had Me At Konnichiwa) Showy White with eye patches. Pretty profile that I wish was a tad longer.Cobby body with very nice angulation fore and aft. She holds her topline while she floats around the ring ,just a bit close heading away.Having a bit of a false pregnancy which affected her underline and had her carrying a bit of extra weight.A lovely girl that was unfortunate to come against the winner who edged her out in strength of profile and overall power.
