COLORED

Winners Dog and Best of Winners

Clayton's **SORABULLY'S ANOTHER POPS SPECIAL** (CH Energon Chess Devastator ex Sorabully's You Had Me At Konniciwa) Immature but promising solid brindle dog. He was a little leggy in outline and needing more time to mature. However he has some outstanding virtues that I could not dismiss. His head is long and fully filled from all angles. The width of muzzle and underjaw was outstanding. His movement was kind of all over the place but I wouldn't expect much more for such a heavy weight young dog.

Winners Bitch

Maddox, Wright's **GLENTOM GLITTER AND GOLD WITH STELLA** (GCH Glentom American Spy ex CH Glentom Heart of Gold) Compact brindle and white bitch. She is a nice size bitch with good bone. She has a strong head with good fill and turn. Ears could be smaller and held higher but she does use them well. Nice length of neck with good forechest. Topline had the appropriate rise but did have a dip behind withers at times. She was giving her handler some issues while moving so accessing that was nearly impossible.

Reserve Winners Bitch

Cremeans, Lauderbaugh's **IRUKANDJI'S LALA PALOOZA'S WILD ONE FROM HPB'S** (CH HPB's Tyson The Iron Bull CGCA TKA ex Devious Goddess Of Love At Ck) Showy brindle and white bitch. Head has length but also a dip in profile and lacking fill. Ears are set on correct and carried upright. She is short in upperarm and lacking forechest. Good bone for her size. Her movement was free however, she has a prominent dip and high tail set.

Best of Variety

Kibler, Poole's **GCHP ROCKY TOP'S DREAM CHASER FDC ATT** (GCH Hawthorn Dragons Heart ex Rocky Top's Sweetest Dream) Cobby brindle and white boy. I have judged this boy a number of times and I must say I think he is in the best condition I have ever seen him. He was a standout winner from the start. I love his compact and sturdy

stature. He has a strong wide and filled head with ample turn and underjaw. Great bone for size and nice tidy feet. His movement is sometimes hard to access as he is a happy guy. It was a pleasure to award him this day.

Best of Opposite Sex

McConnel's **CH ENERAGON EARTHQUAKES PRINCESS**

ARIANA AT CAMBRIDGE (Teirwgywn Paper Gangsta At Bullyview ex Energon Shining Meteor) Nicely balanced brindle and white girl. She has a long head with a smooth profile and good fill throughout. Her ears could be smaller and carried more on top. She has good length of neck into decent shoulder layback. Good forechest and enough bone. Topline was solid and she has a tail that was set on and carried correctly. She moved well in all directions.

Select Bitch

Denton's, Poole's, Kibler's **GCH ROCKY TOP'S DREAM SEEKER** (GCH Hawthorn Dragons Heart ex Rocky Top's Sweetest Dream) Small brindle and white bitch. She has a gently turned head. Eyes are small but round. She has good width of chest and decent angles on both ends. She moved well and her topline was solid.

WHITE

Best of Variety

MacDonald, Prater-Pile's **GCH FORMULA FOR A PRINCESSCA FOR STONEBULL** (Emred Devils Advocate ex GCH Actions Formula For A Drama Princess) Feminine white with red ear marking bitch. She has a strong fully filled head with wicked little eyes giving her the ideal expression. Bite is correct. Front on she is straight with good round bone and tight feet. Good length of neck, visible forechest, nicely tucked elbows and depth of brisket. Her strong topline with just a slight rise and a correct tail set makes for a beautiful picture.

Select Bitch

Clayton's **SORABULLY'S DOUBLE DOWN ON SUSHI POPS** (Sorabully's Sushi's Ichiban ex Sorabully's You Had Me at Konichiwa) A strong white with brindle eyepatch bitch. She has a strong neck leading into decent layback of shoulders. She has great width of chest. Her head is gently turned with decent fill throughout. She was carrying a few pounds extra which greatly affected her topline while standing and in motion.
