Winners Dog

Groff and Cairns **ASTON DREAMING WITH FORMULA** (Malajo's Formula For A Drama Devil ex Apprentice Podium Dreams by Formula) Well-developed white dog with an expression that immediately draws attention. He has excellent muzzle width, a strong underjaw, and plenty of fill under the eyes. Medium-sized, with a correct topline supported by strong bone, he also has a terrific front and solid rear, moving well both coming and going. I would prefer tighter feet and ears set slightly closer together, but overall he is a worthy winner.

Reserve Winners Dog Best Canadian

Byzewski's **MAGOR HARD KNOX WITH GRABO** (Napier Pure Cooper ex Grabo Frankie Goes to Magor) Powerful brindle dog with a full, well-packed head. He has a long neck flowing into a nice shoulder, tremendous spring of rib, a short back, and a good tail set. He lacks the rear angulation I would prefer, so his movement is not as smooth as the Winners Dog's. His front is slightly east-west, and he has a little less expression than the winner, which cost him.

Winners Bitch and Best of Winners

Sodomsy and Prater -Piles **FORMULA LOTUS DREAMS AT MALAJO** (Malajo's Formula For A Drama Devil ex Apprentice Podium Dreams by Formula)

Compact brindle girl and littermate to the Winners Dog, sharing many of the same virtues in a feminine form. She has correct head proportions in both length and width, with ears that are more correct than her brother's. She also has the same straight topline and shoulder, tighter feet, and lovely fore-and-aft movement. A lower tail set would bring her closer to the ideal.

Reserve Winners Bitch

McClamrock and Deevers **APPRENTICE DANCIN THE CHA CHA** (Ch. Action Headed For Fame ex Ch. Apprentice's Gandy Dancin) White bitch with a smooth head and profile, lovely expression, and plenty of fill, though her ears are set a bit wide. She has a strong shoulder and great bone, but her pasterns could be stronger and her front is slightly east-west. She has a nice tail set and moves easily coming and going.

Best of Variety

McDonald and Prater-Piles **CH. FORMULA FOR A PRINCESSA FOR STONEBULL** (Emred Devils Advocate ex Actions Formula For a Drama Princess) White with an ear mark. A good-sized bitch loaded with quality, beginning with a stunning head—filled throughout with no dips or voids. She has a strong front and shoulder, a correct topline, well-sprung ribs, and fluid movement. She is the feminine version of a dog every judge should see to understand the Bull Terrier ideal.

Best of Opposite Sex Best Veteran

Sodomsy and Prater-Piles **GCH. MALAJO'S FORMULA FOR A DRAMA DEVIL** (Action Devils Apprentice By Formula ex Action's Formula For A Queen) A well-known red dog who has given little away as a senior. His head, neck, topline, and movement remain from his days as a top winner—a testament to his owner's conditioning and his breeder's skill. I have admired him since I first saw him.
